

A Man Like None Other

Novel

Chapter 2898

Looking at the coquettish Gao Qilan, Gao Qiqiang has no temper at all!

"Is it because of those two girls?"

Gao Qiqiang looked at Gao Qilan and asked!

"Brother, you already know?" Gao Qilan smiled awkwardly!

"In Gao's family, is there anything that can be hidden from me?"

Gao Qiqiang smiled!

"You also said that since you can't hide it from you, you don't care if the second brother brings back two girls and wants to spoil them." "

Fortunately, I arrived in time, otherwise the two girls would have been ruined by the second brother."

"Second brother, this big pervert, is so worthless. I want to see him and scold him..."

Gao Qilan said angrily!

"Your second brother really should take care of it, but don't always scold your second brother, he is your brother after all." "

After a while, I will find your second brother a wife, and he may feel better. "

Gao Qiqiang said!

"Brother, when will you find me a sister-in-law?" Gao Qilan asked!

"I'll forget it. Looking at all of you gives me a headache. I don't have time to find my sister-in-law." "If

you want to go out, go to the Great Elder and send you a few people to protect you, and go to the warehouse to get some life-saving arrays. "

"You have to be careful yourself, don't cause trouble, if you get hurt, I will feel sorry for you."

Gao Qiqiang looked at Gao Qilan helplessly and said!

"Thank you brother, I love you..."

Gao Qilan kissed Gao Qiqiang on the cheek, and ran out quickly!

Looking at Gao Qilan's back, Gao Qiqiang smiled helplessly, whoever made him dote on his younger sister would have to be manipulated!

Gao Qilan took the array and asked the Great Elder to send two people to protect her, then she walked out of Gao's house and went to look for the cave that Huofeng and the others mentioned.

.....

David and the others were walking on the ice field!

From time to time, you will see the corpses of several monks!

The originally peaceful extreme north has now become a killing field. After all, driven by interests, everyone will become selfish!

"Let's all be careful and try not to conflict with others. Our purpose is to find treasures, not to rob other people's resources!"

David whispered!

What David said was for Ji Yun and others. After all, Wa Gang and Liu Ruyan would not rob other people's resources!

But Ji Yun and the others are not sure, as the son of the Feitian Sect, they have the nature of the weak and the strong in their bones!

"Brother Chen, don't worry, since I'm following you, I'll listen to you, we're only looking for treasures..."

Ji Yun quickly expressed his loyalty!

Especially looking at the corpses of other monks, Ji Yun at this moment also knows that there is an undercurrent surging in this extreme north!

After David and the others marched for nearly a day, David suddenly waved his hand and made everyone stop!

Then he stared at a small snow bag not far away!

"Sneaky is nothing, come out..."

David shouted loudly at the little snow bag!

Sure enough, under David's shout, five people came out slowly!

The leader is Gao Qijie, the third son of the Gao family!

Seeing Gao Qijie, Wa Gu's face became very ugly!

"I didn't expect that we would meet again, and it was still on my territory..."

Gao Qijie looked at David with a sneer on his face!

David glanced at Gao Qijie, and then at the person behind him, they were only at the fifth rank of the Fit Body Realm, so don't be afraid at all!

Even if David didn't make a move, Ji Yun's strength at the seventh rank of the Fusion Realm was enough to deal with it!

"Yeah, what a coincidence, you are hiding here, are you waiting for me?"

David asked without any panic!

"However, I'm just waiting for you. I've always remembered the revenge of the Jialing County ring!"

Gao Qijie's eyes narrowed slightly, and a coldness burst out in his eyes!

"So what can I remember? Just you, how can you stop me?"

David looked disdainful!

Chapter 2899

Gao Qijie looked at the people around David, except for Liu Ruyan and Waguan, Shi Tieqiao and the old woman were both at the fifth rank of the Body Fitting Realm, and Ji Yun was at the seventh rank of the Fitting Body Realm!

In terms of strength alone, it is indeed higher than the few people he brought!
Gao

Qijie glanced at Ji Yun and the others and said, "Brother, we are from the Gao family, from the Gao family in the extreme north. You must have heard of it, but who are you?"

It can be seen that the three of them, Ji Yun and Shi Tiegiao, do not seem to be together with David!

I thought it could be seen from the standing position, as soon as Gao Qijie led people out, Liu Ruyan and Wa Gang stood directly around David, as if they were protecting David!

Shi Tiegiao and the old woman all surrounded Ji Yun, protecting Ji Yun's safety.

From this, Gao Qijie deduced that David and Ji Yun were not together, maybe they met together and formed a temporary team!

I have to say that Gao Qijie's ability to observe and judge is pretty good!

"I'm Ji Yun from Feitianzong..."

Of course Ji Yun has heard of the Gao family, and knows the strength of the Gao family in the extreme north!

"Oh, it turns out to be a brother of the Feitian Sect. I'm sorry, I'm sorry..." "

I'm having a private holiday with this guy. I hope Brother Ji Yun won't interfere."

Gao Qijie said with his fists clasped together!

Ji Yun was stunned for a moment, and when he didn't know how to answer, David slowly said, "I don't need others to intervene, I can take care of you all by myself..." Gao Qijie laughed when he heard it, "

Boy, what are you talking about?" What big talk? I brought all the elites of our Gao family, each of whom has the strength of the fifth rank of the Body Fit Realm!" "

Only by yourself, do you still want to take care of us? Go ahead and dream..." "

If you don't believe me, You can try it, but after you lose, get out of here and don't provoke me..."

David didn't want to kill Gao Qijie, because now David didn't want to make a death feud with the Gao family!

The most important thing for David at the moment is to find the treasure.

"Okay, if you can defeat the members of my Gao family, I will definitely hide away from you when I see you in the future..."

Gao Qijie readily agreed because he didn't believe that David could win!

"You all retreat!"

David told Wa Gang and Liu Ruyan to retreat!

The two nodded and then backed away. They also knew David's strength, and David could easily deal with these fifth-grade monks in the Composite Realm!

Ji Yun also took Shi Tieqiao and the others back a few steps, and then looked at Gao Qijie like a joke, because he knew that Gao Qijie would be slapped in the face by David soon!

"Surround..."

Gao Qijie waved his hand, and four senior elites surrounded David!

"Boy, I want to turn you into an ice sculpture and seal it up in this extreme north forever..."

Gao Qijie smiled coldly, and then bursts of white mist erupted from his body instantly!

At the same time, the four senior elite subordinates also began to emit bursts of white mist, which was all cold air.

Wherever the cold air passed, even the air froze!

The cold air of the five people enveloped David!

“Stop...”

Just as David was enveloped in the cold air, there was a sudden yell!

Immediately afterwards, Gao Qilan jumped to David’s side, and with a wave of his palm, the cold air instantly spread to the surroundings!

Seeing this, Gao Qijie quickly took back the chill, looked at Gao Qilan, and said, “Sister, what are you doing?”

“

“Sister, this guy humiliated me in the arena in Jialing County, of course, I want revenge.”

“Do you know him? How did you help him?”

Gao Qijie asked puzzled!

“Nonsense, he is my savior, without him, your sister and I would have been killed by now.”

Gao Qilan said loudly!

Chapter 2900

“Ah? A savior?” Gao Qijie was taken aback, his face full of disbelief!

“I don’t want to, you are just lying to me. This guy is not as strong as you, how can he save you.” “Get

out of the way quickly, I'm going to abolish him, so prepare to do it..."

Gao Qijie didn't believe Gao Qilan's words at all, Shouted loudly to his subordinates!

"How dare you..." Gao Qilan's eyes widened, causing all the servants of the Gao family to tremble in fright!

Gao Qijie wanted to say something, but Gao Qilan stepped forward and slapped Gao Qijie on the face!

"You don't even listen to my words, it's really against you, do you want me to tell big brother, let big brother take you back, clean up well, and be honest?" Gao Qilan looked at Gao Qijie coldly

!

This time, Gao Qijie was terrified, so he quickly changed into an aggrieved look, pulled Gao Qilan's arm and said, "Sister, don't tell big brother, I will listen to you, can't you? I was wrong..." David

looked With Gao Qijie's appearance, he couldn't help laughing!

It seems that this is really one thing, one thing, the younger brother is afraid of the older sister, it is really suppressed by the blood...

"Are you okay?" Gao Qilan walked towards David and asked!

David shook his head with a smile!

"This kid is looking for trouble for you. Tell me, I'll clean him up for you, and this guy will cause trouble everywhere!"

Gao Qilan glared at Gao Qijie and said!

Gao Qijie lowered his head, not daring to fart anymore!

At this time, Ji Yun who was on the side, saw Gao Qilan, his eyes straightened!

He was instantly attracted by Gao Qilan's beauty!

"Hi Miss Gao, my name is Ji Yun, the eldest son of Feitianzong..."

Ji Yun took the initiative to step forward and followed Gao Qilan to introduce himself!

"Oh!" Gao Qilan just glanced at Ji Yun, acting very indifferent!

Ji Yun hit a wall in an instant, making his face full of embarrassment!

"Miss Gao, where are you going? Are you also looking for treasure?"

David asked!

After all, the matter of the treasure is now well known in the entire northern land...

"I'm not looking for the treasure, I'm looking for someone..."

Gao Qilan simply said about looking for Sonya!

Gao Qilan said it easily, but he didn't know that David's expression had become excited when he heard it!

"Miss Gao, what are the names of the two girls living with you? What are their names?"

David suddenly grabbed Gao Qilan's arm excitedly and said!

Gao Qilan frowned slightly, David grabbed her like this, it hurt her!

"Boy, let go of my sister..."

Seeing this, Gao Qijie hurriedly yelled at David!

"Shut up!" Gao Qilan glared at Gao Qijie!

Gao Qijie backed away in a hurry, and David hurriedly let go of his hand to apologize, "Miss Gao, I'm so sorry, I'm so excited!"

"The girl I went to find in the cave seems to be called Sonya..."

Gao Qilan said!

When David heard these names, his body trembled constantly.

"It's them, it's them..."

David murmured!

Seeing David like that, Gao Qilan was stunned!

"Sister, are the girls you mentioned the ones that the second brother caught and enjoyed?"

Gao Qijie didn't notice David's abnormality, but asked Gao Qilan!

Hearing Gao Qijie's words, David frowned, and a terrifying murderous aura instantly pervaded everyone present in the Gao family!

If it was true what Gao Qijie said, Huofeng and the others were insulted by the Gao family!

Then David will make the Gao family disappear forever!

Sensing the sudden murderous aura on David's body, Gao Qilan took two steps back in shock!

Seeing this, Liu Ruyan hurriedly explained, "Miss Gao, the girls you mentioned just now are all David's women. They have been separated for a long time, and David has been looking for them." Gao Qilan immediately understood

David's love . Why was Ping full of murderous looks, and quickly explained, "David, don't get me wrong, my second brother didn't touch them at all, I arranged them in my mansion, besides, my second brother has already been taught a lesson.

" With Gao Qilan's explanation, the murderous aura on David's body slowly disappeared!
