

A Man Like None Other Novel

Chapter 2928

"Elder Shi, you two go back to Feitianzong. If I fail to go back after a month, it will prove that I am dead.

" It can be regarded as eliminating harm for the people!"

Ji Yun said to Shi Tieqiao.

"My lord, this..."

Shi Tieqiao didn't know what to do!

"Let's go, it's useless for you to stay..."

Ji Yun let Shi Tieqiao and the old woman go!

In the end, there was no other way, Shi Tieqiao and the old woman also left!

Liu Ruyan looked at David reluctantly, but she also left in the end, because she knew that staying by herself would only add burden to David.

After all the low-strength people left, David began to make arrangements!

At this time, they all actively obeyed David's arrangement. After all, David saved these people's lives!

After David made the arrangements, he saw a figure flying towards David not far away, and then stopped in front of David!

This person is Linglong!

Linglong was dressed in red, with flames burning all over her body, staring closely at David!

"Is the demon cultivator so rampant now? He doesn't hide his aura?"

David said slowly to Linglong!

Linglong, on the other hand, looked at David in amazement, and a look of surprise flashed in her eyes, "Little third-grade monk of the Composite Realm, what kind of energy do you have, dare to face me like this?" "Are my two subordinates yours?"

"Killed him? Did you refine Zhihuo? Do you have a magic whip in your hand?"

Linglong asked David a series of questions, but she didn't pay attention to David at all, because the difference in strength between them was too great!

Linglong felt that if she wanted to kill David, it would be easier than crushing an ant.

"You asked me so many questions at once, which one should I answer for you? But the question you just asked was all done by me."

David replied!

"You are very straightforward. Since you did it all, why didn't you run away? Are you waiting for me here?"

Linglong became interested in David. She couldn't figure out why David, a little cultivator at the third stage of the Body Composite Realm, could do it.

With such boldness, he is not at all afraid of facing his own master of the ninth-rank peak of the Body Fit Realm!

“Why did you run? Shouldn’t it be you demon cultivators who ran away? You are the street rats.” “

I’m here waiting for you. I want to see who you really are. Even a demon cultivator dares to show no restraint.” Your own breath.”

David said with a cold smile!

Linglong didn’t get angry when she heard David’s words, but laughed instead!

“Then now that you see who I am, what are you going to do?”

Linglong asked playfully!

“If you were a man, I would kill you, but you are a female demon cultivator, and you are quite pretty, so I plan to rape first and then kill...” David said solemnly

!

When Linglong heard this, she immediately laughed, “Hahaha, you are so funny, I have never seen such a funny person before.

“ It proves that you are destined to follow our demon clan.”

“Why don’t you follow my sister and join our demon clan, then sister can play with you as you please, and I can also double cultivate with you so that you can refine more Zhihuo, how about it?”

“Remember, elder sister is not such a casual person, she will only confide in someone she likes...”

Linglong showed a charming look, and kept giving David a discharge!

"You told me to go with you, so I'll go with you? What if you don't honor your promise?"

David didn't believe Linglong!

"Then tell me, what should I do so that you can trust me?"

Linglong asked with a smile!

"Take off your clothes now and serve me well. As long as you are comfortable serving me, I will naturally go with you..."

Chen Pingman said seriously!

Chapter 2929

But at this time, Ji Yun and the others who were hiding not far away were puzzled when they heard the conversation between David and Linglong!

They didn't understand, why did David start flirting with Moxiu's woman?

Even on the spot double repair!

Could it be that a few of them are allowed to watch a luxury show for free?

Listening to David's words, Linglong still had a smile on her face, "Sister, I really want to have a good time with you now, but there are other people around here, and my sister's body must not be seen by others!

" I'll kill it, and I'll take it off for you to enjoy..."

After Linglong finished speaking, a flame shot out from her body and flew straight into the sky! m.lin*s☆* h👉uge.com

Afterwards, this flame wrapped David to prevent David from escaping!

But when the flames enveloped David, David's body began to blur, and finally disappeared!

Linglong's smile instantly froze on her face, and her brows frowned slightly, "It's only a third-grade body fit, and you can cultivate a clone, so calmly, even I was deceived, it seems that you are really not simple..." Linglong said nothing

. Thinking, this is actually just David's avatar, not the main body, but she didn't notice it at all, because the aura of this avatar is the same, so Linglong didn't notice it!

Even Ji Yun and Lao Sun were all surprised. They didn't know when David cultivated the avatar. They all thought it was David's body!

No wonder David was long-winded with Linglong, the relationship was just procrastinating!

"If you don't do anything, you will be discovered..."

David had already appeared behind several people at some point in time!

Hearing what David said, the four of them jumped up instantly!

Three of the eighth rank of the Fusion Realm and one of the seventh rank of the Fusion Realm, this kind of strength is also terrifying!

Accompanied by the four people flying out, at the same time each of them sent out a chain of spiritual energy, binding Linglong up!

At the same time, Ji Yun spat out a mouthful of blood, causing the ground to tremble, and at the same time, ice walls rose up, trapping Linglong!

"Prison of prison..."

Old Kong roared, and immediately above Linglong's head, countless rays of light as thin as silk threads intertwined and interspersed, and soon became a big net!

The big net crashed down, enveloping Linglong tightly!

Now Linglong is bound by spiritual energy chains, surrounded by ice walls, and wrapped in silk nets. It seems that she has been completely controlled!

"Hmph, a bunch of lifeless ants..."

Linglong snorted coldly, there was no panic on her face, but a bit of mockery on the contrary!

I saw the red flames on Linglong's body began to erupt, and the flames soaring into the sky bloomed like fireworks, causing the sky and the earth to change color and the space to tremble!

In the blink of an eye, no matter whether it was the silk screen or the ice wall, they all turned into ashes and disappeared without a trace!

But Ji Yun and the others were quickly repelled by the huge flames. Even so, the four of them still felt the backlash from the heat wave!

The four of them glanced at each other, then without the slightest pause, they attacked Linglong again!

They know that if they don't try their best at this time, they will really die!

I saw four people showing their supernatural powers, wielding storms one after another, carrying terrifying power and heading towards Linglong from four directions at the same time!

At the same time, David also waved a fire dragon, roaring towards Linglong!

Immediately afterwards, roars appeared in the magic circle set up by David, and all kinds of ferocious beasts roared towards Linglong wrapped in cold air!

At this moment, everyone is doing their best!

While waving a fire dragon, David had already retreated quickly. He was not running away, but was struggling to draw complex patterns on the vast snow field!

David is setting up a legal formation, and what he needs now is time!

Facing so many terrifying attacks, Linglong actually laughed!

Chapter 2930

"You ants who don't know how to live or die, do you think that you can easily defeat the great cultivator

who is about to step into the Tribulation Realm?" The difference is almost the same, in fact, the difference is hundreds of thousands of miles."

"When you reach my level, you will understand that I only need one opportunity now to step into the Tribulation Realm."

"Perhaps you are my opportunity today..."

Linglong faced the terrifying attacks of so many people, instead of being afraid, she was excited!

She has been trapped at the peak of the ninth rank of the fit state for a long time, and the opportunity she needs has never appeared!

And today, maybe it's time for an opportunity to appear!

I saw Linglong raised her hands lightly, and around her body, spheres of flames slowly appeared one after another!

There are a total of seven fire balls, which are constantly rotating around Linglong's body!

The seven balls turned faster and faster, and finally turned into a pillar of flame light, and Linglong also disappeared from everyone's eyes, as if she had also become a part of the flame!

When everyone saw this scene, their pupils shrank involuntarily, and their hearts trembled slightly!

With the continuous rotation of the flame light beam, the sky and the earth instantly changed color, and the surrounding white snow was directly evaporated, revealing the crystal clear ice surface!

The flame beam became bigger and bigger, until at the very center of the flame beam, a dazzling fireball appeared!

This is the purest flame of the demon race.

The fireball fell slowly, and everyone was surprised to find that Linglong appeared inside the fireball without knowing when!

And all the attacks of Ji Yun and the others were instantly defeated when they touched the fireball, and then turned into spiritual power and scattered towards the surroundings!

Even the fire dragon that David swung was instantly absorbed by the fireball after approaching.

And those ferocious beasts transformed by the cold air were turned into nothingness by the scorching flames before reaching Linglong!

Ji Yun's face was full of shock, and they wanted to retreat quickly, but they were swept away by the scattered spiritual power, and they flew out one after another!

Everyone looked at Linglong unwillingly, the three of them joined forces at the eighth rank of the Fusion Realm and one of the seventh rank of the Fusion Realm, and they couldn't do anything to Linglong!

What's more, David made a move, but it didn't help!

Linglong, who was still in the fireball, looked contemptuously at several people and said, "A bunch of ignorant ants, do you know the gap between us now?" Linglong slowly raised her arms, the

fireball kept spinning, and the spiritual power around her continued to gather !

Ji Yun and Lao Sun looked at Linglong in front of them, feeling a little helpless, and finally they all looked at David!

They pinned all their hopes on David!

At this time, David's complicated magic circle was finished, and David dropped a drop of bright red blood essence in the middle of the magic circle!

Seeing Linglong attacking Ji Yun and the others, David jumped out of the magic circle, and shouted at Jin Zi, "Hurry up and get into the magic circle..."

Ji Yun, Lao Sun and the others listened , and hurriedly ran into the magic circle set up by David.

Although a few people didn't know what magic circle David had set up, but since David said it, then this magic circle would definitely save their lives!

"You still want to run away? It's just wishful thinking..."

Linglong sneered!

David had already taken out the magic whip at this time, facing Linglong's huge fireball, the magic whip instantly slammed towards the fireball!

Pa...

With a crisp sound, the magic whip burst out with a ray of light!

The light directly hit the fireball, causing Linglong's body to freeze suddenly.

Linglong's brows were also frowned, the power of the magic whip made her feel the oppressive force even though she was inside the fireball!

When Linglong froze, David seized the opportunity and quickly jumped into the magic circle!

Immediately after the magic circle was activated, a white light curtain slowly rose around it!

"Teleportation array? You want to use the teleportation array to escape, I will never let you succeed..."

Linglong jumped into the teleportation array!
