## Chapter 2955

"I'm finally out..."

David breathed in the fresh air outside, and roared out!

Behind David is Horendel Prison. He stayed here for three years and was finally released today after serving his sentence.

"Hey, I don't know what happened to my parents?"

David hurried home with a torn canvas bag on his back. His parents had never seen him once in the past three years, now David is very worried about them.

On the way home, David kept looking at the bronze ring on his hand!

A lifelike dragon is engraved on the ring, and there is a command word at the position of the dragon head!

This ring was given to him by his cellmate, the old leader, when he was released from prison today.

This old dragon head is a very strange person, he talks about it all day long, saying that he is the master of the Tianlong Temple, he knows astronomy and geography, he is proficient in magic and medicine, and can bring people back to life! Everyone regards this old dragon head as a

lunatic , unwilling to pay attention to him, only David would chat with the old leader if he had nothing to do, and even gave him some of his meals.

The old leader told David some weird things every day, such as Tianlong Temple, Suolong Island, things that David had never heard of!

Later, the old leader asked David to accompany him to meditate and practice kung fu every day. David was also bored, so he followed him to learn!

But who knows, after three years, David actually practiced his skills and medical skills with that old leader!

When he was released from prison today, the old leader handed over the ring to David, and told David that on July 15th this year, let David go to the unnamed island in the East China Sea no matter what. Show the ring, someone will pick him up, and then David will have a great opportunity.

Because he really learned a lot of skills from the old leader, David believed in the old leader's words and agreed, but now there are still several months before July 15th.

Before he knew it, David had already walked to the door of his house. Looking at the dilapidated houses in front of him, David had a complicated face. He didn't know what happened to his parents in the past three years. Because of his impulsiveness, his parents would definitely Under a lot of pressure!

Recalling three years ago, David's eyes were still flashing with anger!

Three years ago, David and his girlfriend Delia were already discussing marriage. The two were college classmates, and they had been talking for two years!

But one day when Delia was being sent home at night, the two met Jordan who was drunk!

This Jordan is a well-known rich second generation in Horendel, he has done all kinds of bad things!

As a result, Jordan saw Delia's beauty, so he felt malicious and started to touch Delia!

As a well-known rich second generation in the local area, Jordan didn't even look at David at all!

Seeing his girlfriend being insulted, David went crazy!

Pick up a brick and smash it on Jordan's head!

The result can be imagined...

The powerful Jordan was beaten, of course he would not let it go, he directly called the police and arrested David.

Sentenced to three years in prison for the crime of intentional injury!

Until today, David was released.

After hesitating for a long time, David gently knocked on the door!

"Who is it?"

The door opened, and an old woman with white hair and a stooped figure poked her head out, and kept groping forward with one hand, "Who, who is knocking on the door?" The

old woman's eyes were tightly closed. Close, obviously can't see things, it turned out to be a blind man!

When David looked at the old woman in front of him, he was stunned, his eyes were wide open, and his whole body was trembling slightly.

He couldn't believe that the old woman with white hair and wrinkled face in front of him was actually his mother, Barbara!

In just three short years, how could my mother have become like this?

"Mom, it's me, I'm David!"

David stepped forward to support his mother and shouted excitedly.

"David? Is it really you?"

Barbara touched David's face with both hands, tears streaming down her face!

"Mom, it's me, it's me..."

David's eyes were also red. "Mom, what's wrong with you? What's wrong?"

David didn't understand. Years have become like this!

"Hey, it's a long story, come in and tell it!"

Barbara pulled David into the room!

Looking at the simple room, almost empty, David was dumbfounded!

Although their family is not rich, but his father has a formal job, so it is still possible to achieve a well-off life, but why the family has become like this now!

"Mom, what happened at home?"

David asked his mother when he saw the state of the house.

"Hey!" Barbara sighed, "After you left..."

Barbara told the story in detail. It turned out that after David was imprisoned, the Xiao family did not intend to let them go, and demanded a million yuan in compensation. .

In the end, there was no other way, David's parents sold David's wedding house and borrowed a lot of money, but they still couldn't make up enough, and finally they had 300,000 yuan left, which they could only pay to the Xiao family in installments!

For this reason, David's father lost his job and could only earn a living by sweeping the streets, while his mother was crying all day long and went blind!

This is why David was imprisoned for three years, but his parents never saw him.

Listening to his mother's narration, David slowly clenched his fists, and a majestic killing intent appeared in the depths of his eyes!

He didn't expect the Xiao family to be so ruthless, this is to kill their family!

"Mom, didn't Delia care about you at all?"

David asked with a puzzled face.

That Delia is his wife who is going to marry soon, and he is going to jail for that Delia, it is impossible for Delia to look at her parents like this and remain indifferent, right?

"Oh, don't mention it, the Geng family not only doesn't care, even the bride price we gave, I want to come back, but they won't give it back, saying that it's not their fault that they can't get married, it's because you are in jail, so the bride price will not be refunded!" "

You Dad asked them to reason, and they were beaten out by their family!" The more

Barbara talked, the more sad she became, and in the end she couldn't stop crying!

## Chapter 2956

"The Geng family is really like this?" David frowned tightly, he couldn't believe that Delia was really like this.

When he was arrested, Delia cried and said that she would wait for him to come out, the two were getting married!

How did it become like this? David decided to find out about Delia.

But at this moment, the door was suddenly slammed so hard that it almost knocked the door down!

Hearing the knock on the door, Barbara's face suddenly turned pale, and she could see that she was very scared!

"Mom, who is this?"

Seeing Barbara's expression, David frowned and asked.

"You don't have to worry about it. Go back to the house quickly, and don't come out!" Tang

Hongying pushed David into the room, and opened the door nervously!

The door just opened, and a bald guy with four or five tattoos and a fierce face walked in.

"How's the money prepared?"

The bald head asked Barbara with a glance.

"Brave-headed brother, everything is ready, ready..."

Barbara nodded repeatedly, and reached out to take out a cloth bag from the corner!

At this time, many neighbors from the neighborhood also gathered around, looking at the bald people, they all hid away.

"These guys come here every month to ask for money, it's really driving people to death!"

"No, there is no law at all!"

"Hush, please keep your voice down, these guys are all from the Xiao family. Sent to collect money regularly."

Several neighbors hid aside, discussing angrily, but no one dared to care!

At this moment, the bald man grabbed the cloth bag from Barbara's hand and opened it for a look.

"What the hell are these things?" The bald man frowned, and turned the cloth bag over. Inside, some worn-out banknotes were scattered all over the floor, including one hundred, fifty, one or two, and even a lot of money. Hairy coins!

"Can these rags cost ten thousand?"

The bald head asked Barbara loudly.

"Brother Bald, it's exactly 10,000. We've already counted it. If you don't believe me, you can count it."

Barbara nodded and bowed with a smile on her face.

"Fart!" The bald head kicked Barbara in the abdomen, kicking Barbara to the ground directly. "Let me count? I don't have the time, so give me a hundred notes." "Mom!"

David ran from the back room Come out and help Barbara up quickly!

His gaze swept across the bald men coldly, and a cold light flashed in his eyes!

The bald people were taken aback for a moment, and they all shuddered under David's gaze!

"David, who told you to come out, you go into the room quickly, don't worry about it!"

Barbara desperately pushed David into the room!

"Mom, since I've come out, let me handle this matter, you sit down!"

David helped Barbara sit on the stool, then turned around and looked at the bald head coldly.

The bald head looked at David, and said with a sneer, "Isn't this the guy who beat Master Xiao and spent three years in prison? I didn't expect to come out!" "It's really time to come out. Today is your daughter.

" The big day when my friend and Master Xiao got married, won't you, your ex-boyfriend, go to attend?"

"Green-capped turtle..."

"Hahaha..."

The bald head and the younger brothers all burst into laughter!

"What did you say?"

David frowned, his eyes full of disbelief.

"I said that the woman you imprisoned for her is going to marry Young Master Xiao today. The wedding was held in Regal Hotel, which is very luxurious. Why don't you go and see it?" The bald head looked at David with a sneer on his face

.

David frowned even tighter, and clenched his hands tightly into fists.

Behind her, Barbara's complexion changed again and again, and she was also trembling with anger.

How can I say that my son was imprisoned because of that Delia, but I didn't expect this woman to turn around and marry her enemy.

"Kneel down and apologize to my mother, and I can spare your lives."

David's eyes flashed coldly, and the killing intent rose from his body.

The temperature in the room suddenly dropped a few points, and the laughter of the bald people stopped abruptly!

After a while, the bald head came to his senses and said angrily, "What did you say? You asked me to kowtow to apologize?" As the

bald head said, he punched David.

With David's thin body, one punch can make David fall to the ground!

Bang...

But who knows, just as the bald head rushed forward, David kicked him out!

The bald-headed man suddenly fell to the ground clutching his crotch, sweating profusely from the pain, and kept wailing!

"David, you can't fight anymore..."

Barbara hurriedly shouted at David after hearing the bald head's wailing.

David was sent to prison because of beatings. He just came out. If he was sent to prison because of fighting, what would happen?

"Kill him to death, kill him to death..."

the bald head roared angrily, staring at David viciously!

The bald men rushed towards David one after another.

David glanced at his mother, flicked his hands suddenly, and several white lights flashed, all those people felt their legs go numb, and they all fell to their knees!

This time, the bald head was startled, and he looked at David in disbelief, a chill came out of his heart!

The neighbors outside saw the scene in front of them, and their eyes widened, some couldn't believe it!

"Apologize to my mother!"

David's cold voice sounded again!

The bald head hesitated for a moment, but seeing David's cold eyes, he could only kneel on the ground.

"I'm sorry..."

The bald head and a few of his subordinates began to apologize!

"Get out!" David waved his hand!

He didn't want to kill people in front of his neighbors and his mother. If he wanted to kill these little bastards, it was just a snap of his fingers.

The bald head was supported by his subordinates to stand up, gave David a vicious look, and limped away. Obviously he was not convinced, but David was not afraid of the bald head's revenge!

## Chapter 2957

"Mom, are you okay? Those people are gone!" After

the bald head left, David asked Barbara with concern.

"Hey! You said you, just came out, what did you provoke him for!"

Barbara complained to David, "Hurry up and pick up the money on the ground, we saved it every penny."

David squatted down, Reloaded all the scattered banknotes on the ground.

"Mom, it's fine if I come to earn money in the future. You and Dad should rest well, and I will try to take care of your eyes." Ping put the

money Put it away, and then handed the bag to Barbara.

"It's enough if you have the heart!" Barbara said, and even started to cry. "Now that you are back, Mom can rest assured. If I hadn't worried about you these few years, Mom would have died a long time ago..." Looking

at Looking at his own mother, David's eyes began to turn scarlet!

Bang...

David couldn't bear it any longer, and punched the only table!

Crash...

The table was instantly smashed to pieces!

The Xiao family...

The Geng family...

I will definitely make you pay the price, I will definitely...

David's anger is blazing!

Seemingly feeling the anger on David, Barbara hurriedly said, "David, you must stop causing trouble. Now that you are out, find a job and everything will be fine." "Mom, don't

worry, I know what to do, I'll go out!"

David comforted his mother, and then walked out of the house, he was going to ask Delia what was going on! .

After walking out of the house, David was still full of endless anger!

But when David was crossing the road, suddenly a red Porsche rushed over from the road. It was so fast that it knocked David into the air!

Boom...

David's body fell heavily to the ground. If he hadn't practiced with the old leader, David's life would have been killed by this blow!

"Who doesn't have eyes when driving!"

David was angry at first, but when he was knocked into the air as soon as he went out, he became even more angry!

“How the hell do you walk, don’t you have eyes?”

Just as David cursed angrily and was about to stand up, there was a sudden yell!

I saw a girl getting out of the Porsche. The girl was wearing a white dress and a pair of high heels. She looked very beautiful, but she looked at David angrily at this moment!

David frowned, and his body, which was about to stand up, lay down again.

“Which one of us doesn’t have long eyes? It’s obvious that you bumped into me. A girl who looks pretty at you, why does your mouth smell like shit?”  
David

said to the girl without showing any weakness.

“Do you dare to scold me?”

The girl glared at David, then raised her foot suddenly and kicked David.

The high-heeled shoes worn by girls are like sharp knives. If you kick them on your body, there will definitely be a blood hole!

“Yuqi, stop...”

Seeing that the girl was about to kick David, a middle-aged man opened the car door and got down from the back seat.

The middle-aged man has an aura of calmness and prestige, and he looks like a person who has been in a high position for a long time!

It's just that the middle-aged man's face was a little pale at this time, and his breathing was short of breath. After shouting this sentence, he held on to the car door and kept panting!

"Dad, why did you come down!"

the girl asked after seeing the middle-aged man, hurriedly ran over and supported the middle-aged man.

"Let's go to the hospital quickly, don't waste time..."

the middle-aged man said to the girl.

The girl nodded, walked back to David, took out a wad of money from her bag, and threw it on David, "There are ten thousand yuan here, take the money and leave quickly, we still have urgent matters!"

" Instead of going to get the money, he stood up and glanced at the middle-aged man not far away and said, "There's no need to go to the hospital, it's too late." After

David finished speaking, he turned around and was about to leave. He could see that the middle-aged man It's already in danger, and I can't hold on to the hospital at all!

"Stop!" The girl stopped in front of David, glaring at him, "What do you mean, tell me clearly, or you don't want to leave!" At this time,

the middle-aged man also frowned, and walked a few steps towards David !

"Your father suffered from a hidden disease, and the left lung was injured. Within five minutes, he would have difficulty breathing and suffocate to death. Can you rush to the hospital in five minutes?"

David followed the girl and asked calmly.

"You are talking nonsense, my father just has a cold..."

"Yuqi..." The middle-aged man called to stop the girl, and then took two steps towards David again, his eyes were full of shock and said, "Little brother, how did you see that?" My left lung was injured?"

"I told you, you don't understand, I have something urgent to do now, I don't have time to waste time here with you..."

David said, and was about to turn around and leave!

"Little brother...cough cough cough..." The middle-aged man called David, and then coughed violently. When he calmed down, he immediately stepped forward and pulled David's arm, "Little brother, since you can see My illness will definitely be cured, I hope little brother saves my life, I am willing to pay any price, this is my business card!" The middle-aged man took out a business card and handed it to

David.

Originally, David didn't want to pick it up, and he didn't want to take care of it, but when he saw the name on the business card, he immediately took the business card in his hand, "Are you Ruben, the president of the Su Group?"

"Exactly!" Ruben nodded.

Suddenly, David made a move towards Ruben, pointing with two fingers at Ruben's Tiantu, Renhai and Guizhong acupoints.

David's speed was so fast that neither Ruben nor Sonya could react.
