

A Man Like None Other

Novel

Chapter 2967

While David was bursting out with sword lights, waves of lightning power also surrounded his body!

The electric arc crackled, and David was like an electric man!

Seeing this, the old man couldn't help frowning!

Just as he was about to say something, he saw David's family in front of him, and then he slashed down with a sword, and the sword light carried lightning, heading towards the old man!

"A little Tier 4 monk in the Composite Realm actually has such power and speed?" The

old man turned pale with shock!

The sword flashed across the old man's body, and the old man disappeared slowly!

At the same time, the palace also disappeared, and the treasure skills were also gone!

And David was still in the white fog!

"Could it be all hallucinations just now?"

David looked around, surprised in his heart!

Because when David saw the old man in the thatched cottage, he felt very real!

Later, when the palace appeared, David already realized that it was a phantom array!

Now he is still in the white mist, as if he hasn't made any progress!

"No, it can't be a hallucination..."

David hastily opened the storage ring!

At this time, in the storage ring, there are secret exercises and some treasures, which proves that seeing the old man in the thatched cottage was not a hallucination!

David wanted to move on, but hesitated for a moment. At this moment, he remembered the advice he gave when he saw the old man!

The old man told David, don't be greedy and move on when you get the exercises and treasures!

But if you don't move on, you won't be able to get the Ice Soul Pill!

After hesitating again and again, David decided to move on!

After moving forward for a while, the white fog disappeared!

David saw that Ji Yun, Gao Qisheng and the others were all together, and they were very anxious! Seeing David coming out, Gao Qisheng hurried forward and said, "Mr. Chen, why did you come out

so late? We've been waiting for you for a long time."

You can't even hear me!" Ji Yun also said!

It was only at this time that David realized that it was not the other people who disappeared suddenly, but himself!

"Didn't anything special happen when you passed through the thick fog?"

David asked everyone!

"No, I passed it very smoothly..."

Ji Yun shook his head!

"Brother David, did you encounter any strange things in the thick fog?"

Old Sun asked David!

"Well, I really want to enter an illusion, but luckily I understand formations, and I came out after seeing through."

David nodded and said!

"Could it be that this dense fog still looks at people's dishes? So many of us have not entered the illusion, but Mr. Chen has entered." Gao

Qisheng was very curious, why only David himself entered the illusion!

"Brother David, you entered the illusion, did you have any adventures, did you get any treasures?"

Old Kong came over and asked curiously!

David shook his head, he didn't tell about the ancient body training exercises and treasures he got!

After all, people's hearts are separated from each other, and under the huge benefits, David can't guarantee that these people will not have ideas!

"Since Mr. Chen has come out, let's go on, those guys are probably already ahead!"

Ji Yun urged!

Someone has entered this treasure ahead of time, if they don't hurry up, there will be no hair left!

After a group of people walked along the valley for a certain distance, they found that not far away, a vortex was constantly spinning, isolating the valley from it!

Moreover, there is a breath of space in the vortex, and through this vortex, you can't see the things behind the valley at all!

David looked around and found that there was no other place to move on except here!

"Look at this vortex, I don't know if it's dangerous..."

Lao Sun looked at the vortex in front of him and said!

Chapter 2968

"This vortex is only ten feet high, we just need to jump over it..."

Gao Qisheng exerted force on his feet, and he jumped up!

"Don't intrude..."

David wanted to stop it, but it was too late!

Gao Qisheng jumped up and flew over the vortex!

But just when Gao Qisheng reached the sky above the vortex, there was a sudden huge suction force, Gao Qisheng didn't even have time to react, he just disappeared into the vortex!

"Second Young Master..."

Seeing this, the Gao family shouted in panic!

"Damn it, what is this vortex that can eat people, can it be sucked in at such a height?"

Ji Yun was a little scared when he saw this!

The others were also quite surprised, they didn't expect this vortex to be so powerful!

David approached the vortex, observed it carefully, and then walked into the vortex little by little!

"Mr. Chen..."

Seeing this, Ji Yun hurriedly shouted!

"Don't worry, it's okay, this vortex is just a small teleportation array, it won't hurt..."

David walked in!

After David entered the vortex, suddenly a white light flashed in front of his eyes, and then his whole body appeared in a huge palace!

Looking at the palace in front of him, David felt very familiar, because he had seen it in the illusion!

It's true that this palace is much bigger and more magnificent than what he saw in the illusion!

"Mr. Chen..."

Gao Qisheng saw David and hurried over!

When he was sucked in just now, he was completely bewildered, but now seeing David, he felt a lot more at ease!

Soon, Ji Yun and the others were teleported to this place one after another!

David and the others opened the door and walked in. At this time, in the entire hall, there were a group of monks sitting cross-legged, as if they were waiting for something!

Seeing David and the others come in, dozens of eyes all greeted them!

"People from Fengmomeng..."

Gao Qisheng saw five people in front of him at a glance, and they were sitting cross-legged obediently. These five people were from Fengmomeng.

"Here, come here..."

At this moment, someone greeted David!

David looked and found that this person was Yuan Bao who had been rescued by him!

Seeing that he met an acquaintance, David walked over. He wanted to follow Yuan Bao to find out what was going on!

These people came to find the treasure, and now they are all meditating obediently.

If you meditate and practice, why not come here!

"It's really fate, we met again!"

Yuan Bao said with a smile!

"It's really fateful enough. I don't know what you are doing? Aren't you here to find the treasure?"

David asked curiously!

"Sit down first, and ask those who came with you to find a place to sit down too. Don't walk around casually. If you don't sit down after three minutes, you will be punished, and you will not be eligible to get the treasure at all." Yuan Bao said in a low voice

. Follow David and say!

"What do you mean?" David was even more confused!

Is there anyone who can't control the treasure hunt?

Just when David was puzzled, an old voice suddenly appeared, "The newcomers find a place to sit right away, otherwise they will be kicked out of here, and they are not eligible to get the treasure..." David listened to the old voice

. The voice froze for a moment, because the voice was too familiar.

No matter in the thatched cottage or in the illusion, the old man David saw had this voice!

David was a little puzzled, is this old man the ancestor of the ancient body-refining clan?

"You all find a place to sit down, don't move around..."

Although David didn't know what was going on, nor did he know the real identity of the old man, he still said to Gao Qisheng and Ji Yun!

These people all listened to David, and then found a place to sit down!

Chapter 2969

And Gao Qisheng glared at the members of the Fengmomeng, wishing he could pounce on them and take a bite!

But the people from Fengmomeng didn't even look at Gao Qisheng!

Not long after David and the others sat down, another group of people walked in, and this group of people was the Ning family brought by Ning Caichen!

Ning Caichen looked at the hall, where everyone was sitting upright, and couldn't help feeling very curious!

But after being reminded by that old voice, Ning Caichen didn't dare to disobey, and obediently found a place to sit down!

At this time, right in front of the main hall, a huge door of light slowly appeared, with streamers flashing on it, making it impossible to see the situation inside!

Soon, the light door flashed, and a figure slowly appeared!

When this figure appeared, David frowned!

Because he found that this old man was the old man he met in the thatched cottage and the palace!

The old man glanced at everyone, and then his eyes stayed on David for a moment!

But it seems that this old man doesn't know David anymore!

"I am the patriarch of the ancient body-refining clan, and I left this treasure to find people who are destined to help my ancient body-refinement clan." "To enter the treasure, you need to pass many tests

. It's not that easy to get."

"However, if you pass the test, not only can you get the treasure, but you can also get my lifelong inheritance, as well as an Ice Soul Pill." "

Now only a hundred people can enter....."

The old man said slowly!

When they heard that only one hundred people could enter, everyone was talking about it. They didn't know how to select these one hundred people. Is there still a scuffle, and whoever is stronger can enter?

Everyone stared at the old man, wondering how the hundred people were selected!

"The hundred people will be selected in order, and only one hundred people will be cut off..."

After the old man finished speaking, he waved his palm lightly, and rays of light shone on everyone!

And these rays of light happened to be one hundred, and the last three people were not illuminated by the rays of light!

These three people are all from the Ning family. After all, the Ning family was the latest to come in!

Seeing this scene, Ning Caichen hurriedly said, "Senior, do you want to let the remaining few people leave?" The

old man nodded, "Yes, let them leave, but leave forever... "

After the old man finished speaking, You Long pointed, and a burst of spiritual power shot out instantly!

This spiritual power seemed to have eyes, and instantly penetrated the bodies of the three members of the Ning family!

Without the slightest reaction, without even knowing what happened, the bodies of the three Ning family members slowly descended!

Immediately afterwards, the body slowly disappeared!

Seeing this, Ning Caichen frowned, and there was a bit of anger in his eyes!

This is a member of his Ning family, and he wants to kill him!

However, Ning Caichen held back his anger in the end, he knew that getting the treasure was the most important thing!

What's more, the strength of the ancestor of the ancient body-refining clan is still unpredictable!

Although it is obvious that this old man is a remnant soul, the strength of the remnant soul of a real strong man cannot be underestimated!

Ning Caichen endured it, but Ning Can couldn't bear it!

He thinks that his father is the peak of the ninth rank of the Body Fit Realm, so he doesn't have to be afraid of anyone at all!

"You old bastard, you actually killed our Ning family members casually. You are just a remnant soul. Believe it or not, you have been beaten to death, destroying your treasure?" Ning Can roared loudly

!

"You bastard, shut up..."

Ning Caichen yelled at Ning Can!

It's just that three servants of the Ning family died. Ning Caichen didn't want to affect the treasure because of this!

And the old man looked at Ning Can with a faint smile, "This world is like this, and destiny is dominated by the strong. If you want to not be dominated by others, you can become a strong person yourself. Do you think you are strong?" "

"I..." Ning Can was rendered speechless by the old man's words!
