

# A Man Like None Other Novel

## Chapter 3011

As an old grandson who has been following David and was rescued several times by David, he has already regarded himself as David's direct descendants!

If he doesn't stand up at this time, who else can let him take the lead?

"No, I'll go first this time. Since I created the vortex, I know the situation inside better than you!" "

What's more, I don't break the golden body shield. I can't do anything to ordinary killing arrays..."

After David finished speaking, he rushed directly towards the whirlpool!

After seeing David enter the vortex, Lao Sun and the others followed closely behind, and Ning Caichen was the last to enter!

It's called a battle for everyone, but Ning Caichen doesn't have 100% confidence in David!

If there is really danger in the vortex, he will be the last to enter, and he can be terminated at any time!

After David entered the vortex, his eyes were suddenly blurred, as if he had entered a space-time teleportation array, his body was tightly suppressed, even if he wanted to use his spiritual sense to investigate!

He only heard the white light flickering in front of his eyes, and the whistling sound of the wind kept ringing in his ears. It took some time before David felt the sound of the wind stop, and then David opened his eyes!

When David opened his eyes, he found that he was in a canyon, and in the depths of the canyon, a thatched cottage stood there!

All around the canyon, there are lush green trees, the scenery is very beautiful, and the sky is extremely blue, giving people a fresh and refreshing feeling!

Compared with the gray altar space, this place is simply a fairyland on earth, not depressing at all!

It's just such a good environment, but there is no human life at all, it is lifeless!

David exuded divine consciousness, wanting to feel the aura of the ancestors of the ancient body-refining clan, but he couldn't feel it at all!

"Damn, the world here is really beautiful..."

Looking at the lush greenery in front of him, Gao Qisheng couldn't help but exclaim!

He lives in the extreme north, where there is a world of ice and snow, and he rarely sees such beautiful scenery!

The monks who came one after another were stunned when they saw the scene in front of them!

This world is much more beautiful than the old devil's world they came over just now!

"Mr. Chen, is this the thatched cottage you mentioned?"

Ji Yun said looking at the thatched cottage not far away!

"That's right, it's this thatched hut, but I don't feel the aura of the ancestors of the ancient body-refining clan. I don't know if they're still inside!"

David finished speaking, and walked towards the thatched hut!

Seeing this, the others also walked over with David!

Walking into the thatched hut, David looked at the furnishings inside, they were exactly the same, but all the ancient exercises and treasures inside were gone, and they had entered into David's storage ring!

"The ancestors of the ancient body-refining clan are too poor to live in this kind of thatched cottage. It's too simple..."

Gao Qisheng looked at the decorations in the thatched cottage and sighed!

"There is only a wisp of remnant soul left. After so many years, maybe one day the remnant soul will dissipate. It would be nice to have a thatched hut to cover yourself." "When the remnant soul dissipates,

this world may collapse , no longer exists..."

Ning Caichen looked at the thatched cottage and said lightly!

"Then why is the old devil both a palace and an altar, making it so grand?"

Gao Qisheng wondered!

They are all remnant souls, maybe they will dissipate, but the old devil has built his own world so complicated!

"That old thing has been preparing to reshape his body, otherwise why would he make his world so complicated." "

And all kinds of lures lure us to the altar step by step..."

"The last strength of those dead monks will become the old man's resources to help him reshape his body."

David explained!

"This old devil is really bad..."

Gao Qisheng gritted his teeth!

"Ah..."

Suddenly, there was a scream outside the thatched cottage, which made David and the others startled!

## Chapter 3012

David and the others heard the sound and rushed out quickly!

When everyone rushed out of the thatched hut, they saw Yuan Bao standing there blankly, and in front of him, an old man who looked exactly like the old devil was looking at him!

This Yuan Bao thought it was the old devil who was chasing him, so he screamed in fright!

It's just that the old man's aura is different from that of the old devil, and he doesn't have that aggressive feeling!

This made Yuan Bao quiet down!

And when the others saw the old man, they were also startled, thinking that the old devil had come!

Only David became excited when he saw the old man, and ran over quickly!

"Senior, senior..."

David happily ran to the old man!

The old man looked at David, with a bit more blame in his eyes!

m.lins\* h\*ug\* ☆ec\*om

"Didn't I tell you, don't be greedy, don't move forward?"

The old man asked David!

"I..." David was a little ashamed, and then said truthfully, "Senior, I need to find the Bingpo Pill to save people, so I have to go forward.

"With a bloody head, he lost his life in vain and made a wedding dress for others." "

If it weren't for you, this so-called treasure land would collapse completely in a few years, and we would all disappear forever, but now, But it caused such a big trouble."

The old man sighed, with an indescribable worry on his face!

"Senior, why are the dead monks here, the strength in their bodies won't collapse and disappear, but turn into a white light and be sucked away by an inexplicable suction?" "What's going on

? "

David asked very puzzled!

"Hey, since you've found this place, it's God's will, come with me..."

After the old man finished speaking, he turned and walked towards the depths of the canyon!

Seeing this, David and the others hurriedly followed!

With a light wave of the old man's palm, everyone seemed to have entered another world, and this world was full of gloomy and terrifying atmosphere!

At this moment, everyone became nervous, not knowing where the old man took them!

David also found that this world seemed to be imprisoned. They couldn't fly, and they couldn't spread their consciousness. They could only rely on the most primitive strength to move forward step by step!

"Every space you see here is not real, so when those monks die, their strength will not disappear into the vast sky and earth like outside." "The strength of those dead monks has been controlled by my brother ." , absorbed it with the Bingpo Pill."

"When the Bingpo Pill absorbs enough strength and turns into a white pearl, you can use a wisp of remnant soul to reshape the physical body." "

Although that will lose Partial strength, but it is also equivalent to rebirth, no longer subject to any imprisonment!" "

You so-called treasure hunters are actually just a bunch of resources..."

David was not too surprised with the old man's words, because he had already Already guessed some!

"Senior, since you know that your younger brother wants to reshape his body, why didn't you stop him?" "

Why didn't you get the Ice Soul Pill and reshape his body?"

David asked puzzled!

After all, the two of them are just remnants of souls, and they are still in this airspace. The ancestors of the ancient body-refining clan can completely compete for the Ice Soul Pill and reshape their physical bodies!

"I gave him the Ice Soul Pill. I believe that even if he got the Ice Soul Pill, he wouldn't be able to reshape his body."

"Because this so-called treasure land is only known to the people of our ancient body refining family, and it will never be leaked to the outside world, and people from the ancient body refining family will never come to this place.

"The ancestral instruction, every patriarch must abide by it, no one comes here, and the Bing Po Pill cannot absorb the strength, so it is impossible to reshape the physical body." "In a hundred years,

our remnant souls will reach their limit. A whole place has completely disappeared..."

"It's a pity, it's a pity..."

The old man shook his head while walking, his face was full of regret!

## Chapter 3013

Hearing the old man's words, David was even more confused. Since it was the instruction from the ancestors, why did the current patriarch of the ancient body training clan spread the news of the treasure land?

He even gave himself the key to the real treasure, obviously to let him find the real treasure.

And this Bingpo Pill, remembering that the princess of Jialing County asked me to take Bingpo Pill!

David was meditating hard, and he suddenly realized that he seemed to be falling into a huge trap step by step!

The princess of Jialing County, the patriarch of the ancient body-refining clan, and Gao Qiqiang of the Gao family...

At that time, the patriarch of the ancient body-refining clan said that the purpose of dedicating the treasure land was to cause chaos in the extreme north and hinder Gao Qiqiang. The family continues to encroach on the territory and resources of the ancient body training clan!

But as David stayed in the Gao family, he found that the Gao family didn't seem to be as cruel to the ancient body-refining family as they said, and the ancient body-refining family seemed to have some kind of connection with the Gao family!

This Bingpo Pill can reshape the body, so the princess of Jialing County must want to use this Bingpo Pill to restore her body.

But this Ice Soul Pill, and this extremely secret treasure place, how did the princess of Jialing County know?

And that half of the jade tablet, and then form a real treasure key!

What is the relationship between the princess of Jialing County and the ancient body training clan? How did she know about the Bingpo Pill in the treasure?

And this Gao family, what role does it play here?

David was a little dazed, completely dazed...

"Senior, since the ancient body training clan has ancestral precepts, why did this treasure land still spread out?"

David asked!

The old man looked helpless and said, "Is there any need to ask? When you entered with the jade card, I knew that what should have happened, still happened.

"Temptation, spreading the secret..."

"You came to fetch the Bingpo Pill, did someone from my ancient body refining clan mention it to you?"

Because only people from the ancient body refining clan, and they must be at the level of the patriarch, can know that there is such a thing as Bingpo Pill in this place of!

"This... that's not true. It was a woman who told me that she helped my friend to heal her illness, and I helped her get the Ice Soul Pill."

David said truthfully!

It has come to the present, David dare not hide anything anymore!

"Woman?" The old man frowned, "What a beauty!"

David didn't know that the Princess of Jialing County was related to the patriarch of the ancient body training clan, so he didn't dare to say more!

David chatted and walked with the old man for an unknown amount of time, when a palace suddenly appeared in front of them.

When seeing this palace, everyone was stunned!

Even David frowned, his expression became tense!

Because this palace is exactly the palace where David and the others met the old devil after they first entered!

Seeing everyone's expressions, the old man smiled and guessed what!

"Are you scared when you see this place?"

The old man said with a faint smile!

David didn't speak, but the expression on his face already explained it!

I saw the old man stepped forward, gently pushed open the tall copper door, and then entered inside!

Seeing the old man go in, David bit his teeth and followed him in!

Others stared blankly, but no one dared to go in!

They don't want to go back to the original path again, that scene of fighting is still in their minds!

Just when everyone was hesitating, the door suddenly closed.

"Mr. Chen..."

"Brother Chen..."

Ji Yun and Lao Sun all rushed up and pushed the door hard, but they couldn't push it open at all!

Looking at the closed door, David also suddenly became nervous!

David looked at the old man in front of him warily, he was really afraid that this guy would suddenly become an old devil!

## Chapter 3014

"Don't be afraid. Although I know what you have gone through, my brother is not the only one who can use this world." "

Most of our two worlds have already merged. If it weren't for your sudden intrusion, I would just stay here My thatched hut will never come here."

"I've been waiting for the remnant soul to dissipate and the world to collapse..."

Seeing David's frightened look, the old man smiled and explained!

"Senior, what did you bring me here for?"

David asked in confusion!

"Of course it is to prevent my younger brother from reshaping his body, don't let him be resurrected..."

said the old man!

"Then we can go together, and then you deal with that old devil, and I'll snatch the ice pill, isn't that all right?"

David didn't understand, it's so simple Why do you keep it so secretive and lock yourself up here!

"You know that my younger brother's strength is greatly reduced when he leaves the altar. Doesn't my strength not weaken when I leave my area?"

asked the old man!

"This..." David was at a loss for words for a moment, he really didn't expect this!

"I'll be waiting for you in front, as long as you pass through here, you will see a different world!" After

the old man finished speaking, his figure suddenly disappeared!

This time, only David stayed in this dim hall!

David glanced at it, and found that the main hall was supported by several pillars, and the front was empty, and there was no light gate like in the beginning!

David thought for a moment, and finally he could only walk towards the dark place ahead!

The dark depths made David a little uneasy, but he had no choice but to bite the bullet and walk towards the depths of the palace!

David took a few steps forward, and suddenly frowned, because he felt that he couldn't mobilize any power in his body here!

Moreover, there is a coercion of heaven and earth in the surrounding space, constantly squeezing towards David!

This made David feel very heavy every time he took a step forward!

David needs to use the most primitive strength of his body to move forward step by step!

Soon, David's forehead was already covered with sweat, and every step he took, he exerted great strength, and the bluestone under his feet, every step he took, would shatter into pieces!

"Could it be that this is a test for me, and there are good things waiting for me?"

David's heart moved slightly, then he gritted his teeth and walked forward!

In the dimly lit hall, the coercion of the surroundings continued to increase, and it seemed that there was no end ahead!

Under such coercion, any spells and magic weapons are useless, and they can only rely on the strength and will of the pure body to resist!

David's clothes were soaked in sweat. At this moment, he felt as if he was watching a world moving forward. Every step he took was like experiencing life and death!

Plop...

Suddenly, David's knees gave way and he lay on the ground!

David panted heavily, then took a deep breath, and struggled to get up again!

David walked forward step by step, and the dark space in front of him gradually became brighter, and the figure of the old man had already appeared!

The old man looked at David with a slightly surprised expression in his eyes!

Seeing the old man appear, David knew that he was about to succeed, so he gained more strength!

In the end, David finally walked in front of the old man.

Buzz...

When he took the last step, that coercion disappeared in an instant, and he disappeared without a trace!

David only felt his body relax, and he fell to the ground in an instant!

Originally, he had been resisting the coercion with all his might!

Now that the coercion suddenly disappeared, David's strength was still exerting force, and he fell down directly!

The old man looked at David, and nodded in satisfaction, "Your body is really strong, worthy of being a real dragon and golden body. It seems that my unfilial disciple is quite good at selecting candidates!" The old man was very satisfied with

David's body He also knew that the reason why David had the treasure key was that it was chosen by the current patriarch of the ancient body training clan.

## Chapter 3015

"Senior, I don't know what's the use of you setting up such a test to probe my body?"

David didn't understand why the ancestor of the ancient body training clan wanted to test his body!

"Don't you want me to help you and eliminate my younger brother?"

the old man asked!

"Yes, but didn't senior say that if you leave your world, your strength will be greatly reduced, and it is impossible to defeat your younger brother?"

David asked in surprise road!

"Yes, I said it, but there is a way to let me leave my world and keep my strength undiminished."

The old man said!

As soon as David heard it, he immediately understood, "Could it be that senior wants to borrow my body and possess me?"

David knew that the remnant soul can be possessed. Weakened by region!

The old man shook his head, "It's not possessing, but merging into your body. Then you will be me, and I will be you..." "

If it is possessing you, it is equivalent to the two of us controlling your body at the same time." The body, in that case, can't be my brother's opponent at all!" "

The fusion I need, whether it is your consciousness and thoughts, will also become mine." "

But don't worry, when it's done, When you leave here, my remnant soul will disappear by itself, and there is no way for me to leave this place other than reshaping my physical body, relying on fusion or possession!" "Do you believe me?" the old man

said

quietly Look at David!

After all, it is difficult for ordinary people to agree to this kind of thing. If it is possessed, it can still have its own ideology, but this kind of fusion means that David has completely become another person!

Except for the appearance of this body, everything no longer belonged to David, which made David hesitate!

"I won't force you, you can think about it for yourself..."

After the old man finished speaking, he walked into the main hall and quietly waited for David's decision!

Looking at the back of the old man, David finally gritted his teeth and said, "Okay, I promise senior..."

David knew that he had only one way to kill the old devil and get the Ice Soul Pill. After getting the Ice Soul Pill, they probably couldn't leave this place! The

old man turned around slowly, looked at David, and said, "You have to be willing, and you can't have the slightest resistance in your heart

, otherwise we won't be able to integrate."

If you want to forcibly fuse your body, you must fully cooperate."

The old man wanted to know whether David was really voluntary!

"Senior, I am willing, and I will hand over my body to you!"

David nodded firmly!

"Okay then, let's start now, you will be in some pain during the fusion..."

After the old man finished speaking, he lightly tapped David's eyebrows "We are now merging each other's memories, just keep calm... .."

Soon, David felt a strange breath pouring into his sea of consciousness!

David's whole body also appeared in his sea of consciousness. At this moment, he saw his body slowly changing, and his whole body turned into the appearance of an old man!

David was very surprised, he didn't expect fusion can even change the appearance!

But at this moment, he only felt the scene in front of him turn, and a shout came from "Brother, you still hand over the treasures and various exercises of the ancient body training clan, and give me the position of patriarch."

" Only I can lead the clan to grow stronger, you will only make the ancient body-refining clan decline more and more!"

Accompanied by the black clouds covering the sky, a man in the black mist with a cold expression walked up to David!
