

# A Man Like None Other Novel

## Chapter 3027

"I don't care if it's an illusion or a clone, I want you to die..."

The old devil roared angrily, and suddenly grabbed David with both palms!

And David quickly took out the magic whip, and suddenly whipped the whip fiercely in the air, making a sound like thunder.

The old devil froze for a moment, and saw runes surging on the whip.

And the next moment, a series of golden rune patterns suddenly formed on the old devil's arm, and then spread rapidly, flooding all over his body in the blink of an eye.

The golden lines actually echoed the rune lines on the whip, as if they were one.

The old devil was shocked, the golden lines were like chains, which were continuously tightened, imprisoning his movements.

"What kind of method is this? When did you put these lines on my body?"

The old devil looked at David in surprise.

He has been cautious and has never noticed any physical problems.

When did David lay down the golden runes that bind him?

"When you caught me, did you think I was caught by you so easily? I was caught by you on purpose." "

You idiot, you thought you could easily crush me to death, now you Do you know how powerful I am, Grandpa?"

David said to the old devil with a mocking face.

"Ah... you liar, liar..."

the old devil roared angrily!

He has always been wary of the opponent's illusion, but he didn't expect that even without illusion, he would be able to do it!

David kicked the old devil away, and rays of light slowly rose from his body.

An aura full of star light diffused from David's body.

"The original power!" The old devil looked at David in disbelief.

How could a little cultivator of the fourth rank of the Composite Body Realm have the power of origin? Even if one can comprehend the original space, it is considered a rare genius in ten thousand years! And now

David actually has the original power in his body

.

I couldn't help laughing, "And let me tell you, the original space in his body is the stars of the universe, so you can feel the light of the stars." "

As the saying goes, youth is better than blue, I advise you It's better to obediently give up this ray of remnant soul of yours, and don't let the

delusional ones conquer the ancient body-refining clan and the entire heavenly and human world." "

We are all old, and we can't keep up with the development of the times at all..."

the old man earnestly said He was persuading his younger brother that a fourth-grade monk in the Body Fit Realm possessed such a perverted physical body, possessed the original space like the stars of the universe, and realized several kinds of original powers!

Even in their time, there was no one who could find such a genius!

"I won't give up, absolutely not, you despicable villains, why don't you dare to confront me blatantly, but play dirty tricks?" "

You have magic whips, why didn't you take them out early? You are simply too bad ."

The old devil was so angry that he almost vomited blood, roaring loudly.

"I can take it out whenever I like, can you control it?"

"Since you don't give up, then don't blame me."

David let out a loud cry, and instantly threw out the magic whip in his hand. !

Accompanied by the surge of runes on the magic whip, it gushed out like a river boiling, and quickly rushed into the golden lines that wrapped the old devil.

The golden lights flashed one after another, directly tying the old devil to death!

"I won't be trapped so easily."

Feeling the tension in his whole body, the old devil roared angrily.

Accompanied by the roar of the old devil, the black mist between the sky and the earth continuously surged towards him from all directions.
