

A Man Like None Other Novel

Chapter 3030

David was also shocked at this time, he didn't expect that the old man could display the Nine Shadows Sword Art to the extreme!

"Senior, you are too powerful. You can use the Nine Shadows swordsmanship to the extreme."

"You have used all the nine shadows!"

David said in surprise! But who knows, the old man sighed softly, "Your swordsmanship

is inherited from the ancient fairy trail, and what I used is not the ultimate."

Appeared."

The words of the old man stunned David, and asked with a puzzled face, "Senior, what do you mean by this?"

"When the Nine Shadows swordsmanship is practiced to the extreme, what will appear is not nine shadows." "

You will have nine lives..."

the old man said slowly!

Hum.....

The words of the old man shocked David so much that he was speechless!

David never thought that the pinnacle of Nine Shadows swordsmanship was ninety-nine returning to one, and he was equivalent to having nine lives.

Is this outrageous?

But before David could say anything, the old man pointed at the Dragon Slaying Sword!

Shuashuashua...

The other nine David also raised their swords and pointed at the old devil!

"Do you think this is an illusion?"

David said to the old devil!

The old devil's face was shocked at this moment, full of disbelief, he could clearly feel that every sword was pointing at him with a rolling aura!

"What's going on? What's going on here?"

The old devil is going crazy!

He didn't understand, how could David, a little cultivator of the fourth rank of the Composite Body Realm, have this kind of sword technique inherited from ancient times?

Where did this guy get so many exercises?

Feeling the ten sharp sword glows, the old devil's scalp was numb. He is very weak now, how could he bear this blow!

He really regrets now that he didn't pay much attention to David at the beginning. He always thought that David was just a fourth-grade monk at the Composite Body Realm. Even if his body was stronger, there was nothing terrible about it.

But now it seems that David not only has an extremely powerful physical body, but also has many ancient skills, which is the most deadly!

"Cut..."

David shouted angrily!

I saw ten dragon-slaying swords being slashed out together, but all kinds of spiritual power, original breath, and dragon power in David's body were almost all mobilized!

You must know that although these ten clones are all in the same body, the power needed must be David's body!

This time, the various powers in David's body need to support ten people to use them together, and the consumption rate is huge!

But the power is also huge!

David could even feel that all kinds of power in his body were passing away rapidly, and his whole body seemed to be hollowed out!

But with this cut, he is confident that he can kill the old devil!

The ten sword beams slashed at the old devil with unrivaled sharpness!

The old devil didn't want to wait for death at this moment, he roared angrily, and countless black mist began to condense, trying to block these sword glows!

It's a pity that those black mist are useless, and everything that the sword glow passes will be destroyed.

Puff puff puff.....

Ten sword beams directly penetrated the old devil's body!

The old devil's eyes widened. He never imagined that one day he would be defeated by a fourth-grade little monk of the Composite Body Realm!

Not to mention the fourth-grade monks of the Composite Realm, even the ninth-grade monks of the Composite Realm like Jin Sha and the others are all ants in his eyes!

But now, he was defeated by the ants!

The ten sword beams chopped the old devil into many pieces, and there was no complete place at all!

The fleshy body that was originally planned to be reshaped is now also turned into a fleshy paste!

The golden rune binding the old devil also slowly dispersed!

The surrounding black mist is also disappearing at an extremely fast speed!

There was a dead silence in the audience, and everyone was very excited!
