Chapter 3053

Rumbling...

Suddenly, there was a muffled thunder in the clear sky, followed by a thunderstorm falling from the sky!

With Lei Jie hitting David, David's realm was finally raised to the fifth rank of the Composite Body Realm!

Slowly opening his eyes, David's eyes became a little sharper!

The aura on his body is also changing, even every small level of improvement is a transformation for David!

"David..."

saw David woke up, Gao Qilan and the girls all surrounded him happily!

Yihe looked at David, and hurried forward to respectfully say, "Mr. Chen, you're awake..."

David looked at Yihe, looking a little surprised, "Yihe, why are you here? The poison on your body..."

David looked at Yihe, looking a little surprised. Ping found that Yihe's aura had not been suppressed, and had completely recovered!

"I'm already cured, and the Princess of Jialing County healed me."

Yihe said hastily!

"I didn't give her the Bing Po Pill, so she helped you heal?" David was very surprised!

"The princess of Jialing County said that she believed in you, and after you left, she detoxified me."

Yihe replied!

When David heard this, he felt a little ashamed. If he had swallowed the Bing Po Pill by himself, how could he explain to others when he went back?

It seems that even if you die in the future, you must keep the promise you made, or you will feel guilty!

"Mr. Chen, what should we do with that Huo Sha?"

Ji Yun followed David and asked!

David looked over and found that Huo Sha was lying on the ground, his nose was bruised and his face was swollen. Although it wasn't fatal, it was too much suffering!

"Who beat this?" David was very surprised, how could Huo Sha be beaten like this!

He knew that it would definitely not be Yihe who did it, because Yihe is not so boring!

"We fought, this guy is so crazy, let him suffer now!"

Huofeng and the other girls said in unison!

At this moment, David discovered the injury on Gao Qilan's body, so he frowned and said, "Miss Gao, did Huo Sha do the injury on your body?" "My injury is fine, as long as you are safe!" Gao Qilan said with a slight

smile !

"Master, Sister Qilan still has an injury on her back, and it was all caused by that guy."

Huofeng said loudly!

When David heard this, he pulled Gao Qilan over, and then looked at her back, and found a palm print on her back, and the surrounding area of the palm print had turned black!

It is obviously a trace of being burned by the flame!

Seeing this, David's eyes burst into chills!

Then he stretched out his hand and gently stroked Gao Qilan's wound, his eyes were full of distress!

With a wave of spiritual power flowing through Gao Qilan's wound, the wound on Gao Qilan's back healed at a speed visible to the naked eye!

Soon, Gao Qilan's wound healed, and her fair skin glowed again!

"You wait here, I will avenge you..."

After David finished speaking, he looked at Huo Sha coldly and walked over!

Seeing David approaching, Huo Sha stood up with difficulty, with a bit of fear in his eyes.

His arrogant look just now has long since disappeared.

With Yihe here, Huo Sha knew that he would definitely die!

But knowing that he must die, Huo Sha still threatened David, "I am a member of the Sealing Demon League. If you kill me, the consequences will be very serious."

David had a cold face!

Pa...

David stepped forward without warning and slapped Huo Sha.

"It's serious, isn't it?"

Pa...

followed by another slap!

Huo Sha was slapped by David one after another, and he was already furious!

But he didn't dare to fight back, and with Yihe staring at him, he had no chance to fight back!

"David, didn't you just come to help me? If you were yourself, I would make you kneel down and call grandpa..."

Huo Sha gritted his teeth and said word by word!
