

A Man Like None Other Novel

Chapter 3054

"Are you not convinced?" David asked coldly!

"Not convinced!" Huo Sha's eyes widened, how could he be convinced!

"Don't say I won't give you a chance. Now we are fighting alone. If you beat me, I will let you go." "

If you can't win, you can think for yourself!"

David looked at Huo Sha with cold eyes!

Huo Sha was taken aback, "Really?"

He didn't believe it, David dared to fight alone with him, and dared to let him go!

"Of course, the premise is that you can beat me..."

David nodded and said!

"Hahaha, you are so crazy..."

"You are a fourth-grade Composite Realm, and you dare to say such big words!"

"Do you think you still have that old thing?" Possessed?"

Huo Sha laughed, and his breath burst out suddenly.

The wounds on his body were all skin traumas, so they didn't hurt his life!

And the reason why David is so good in the treasure land is because of the fusion of the ancestors of the ancient body training clan!

Now that he's out of the treasure land, he doesn't believe that David can beat himself!

David sneered, and the source of fire suddenly bloomed in his body.

Then he kicked up sharply.

boom!

This kick was solid, and it landed on Huo Sha, sending him flying hundreds of meters away.

Wherever it passed, a deep gully was left on the ground.

"Stinky boy, sneak attack on me and seek death."

Huo Sha got up from the ground, his face full of anger.

Huo got angry, wiped the blood from the corner of his mouth, and his eyes flickered fiercely.

Raising the long sword in his hand, a moon of sword light suddenly appeared, and this huge moon-shaped sword light slashed towards David.

The sword light was full of raging flames, and the surrounding temperature continued to rise.

Facing the oncoming flaming sword light, David grabbed the palm of his hand and immediately held the dragon-slaying sword in his hand.

He let out a low cry, and the dragon-slaying sword split into three beams of light, rushing towards the moon-shaped sword light.

The four sword lights collided, and there was an earth-shattering sound, the void exploded, and Huo Sha flew out of the smoke and dust, and the long sword once again drew more than ten moon-shaped sword lights.

Boom boom boom!

These sword glows were extremely fast and landed on the ground where David stepped almost instantly.

The ground collapsed, and several miles long deep cracks appeared, and the smoke and dust soared into the sky, covering this place.

“Using the source of fire outside doesn’t seem to be as powerful as in the treasure land.”

David frowned slightly, he was not satisfied with the power of this sword!

In that treasure land, with the fusion blessing of the ancestors of the ancient body refining clan, using the source of fire is of course powerful!

After seeing the powerful power, David felt a gap in his heart!

David’s body was submerged in smoke and dust. Gao Qilan and the others outside, seeing this scene, were all worried for David!

After all, Huo Sha is a ninth-grade monk in the Body Fit Realm, even if he was injured, his strength is still there!

Even if David breaks through to the fifth rank of the Composite Body Realm, there is still a big gap between him and the ninth rank of the Composite Body Realm!

But Ji Yun and Yihe are not worried at all, they know that David can completely block this sword!

"Is he dead?"

Seeing that there was no movement, Huo Sha withdrew his sword and stepped back, cautiously.

He didn't intend to enter the smoke, because it would give David a chance to sneak attack himself.

He knew that this guy David liked sneak attacks the most, he had to be careful, it was related to his life!

"One palm and one sword."

At this moment, David's voice suddenly sounded in the sky.

Huo Sha raised his head abruptly, and it was inconceivable that David escaped from his attack range at some point, and instead ran over his head.

"What are you talking about?" Huo Sha narrowed his pupils.

David's aura at this time was actually not even checked compared to his ninth-grade Compatible Body Boundary. What's going on?

"You hurt Miss Gao with one palm and one sword, then I will pay you back ten times."

David said with murderous eyes, every word.
