

A Man Like None Other

Novel

Chapter 3058

Hundreds of vine tentacles were all heading towards David, like a cage from all directions, trying to trap David!

The corners of David's mouth were slightly raised, and the eyes were shining brightly!

Sigh...

Seeing those vines approaching David and trying to trap David, David's figure suddenly disappeared before Mu Sha's eyes!

Mu Sha was startled, and the hundreds of vines lost their target all of a sudden, becoming entangled with each other!

"Where is the person?"

Mu Sha was terrified, he didn't understand that David was right in front of his eyes, but now there was no one there!

But soon, Mu Sha felt a strange movement behind him!

He wanted to turn around to check, but the hundreds of vines were entangled with each other, directly holding Mu Sha's body!

This is really a steal, and Mu Sha is trapped by his own vines!

Pfft...

Just when Mu Sha was about to untie the vine, a sudden pain came from a distance!

I saw a dazzling golden light piercing from the back to the chest. At this moment, the hundreds of vines disappeared instantly!

Mu Sha's face was horrifying, he looked down at the long sword protruding from his chest!

His eyes widened, his face full of disbelief, he didn't understand, how could David kill himself with just one move, just a fifth-grade monk in the Body Fit Realm?

Mu Sha turned his head slowly, and saw David looking at him with a sneer on his face!

Under his gaze, David pulled out the Dragon Slaying Sword, with blood still dripping from it.

David just glanced at Mu Sha coldly, then turned around and left!

Mu Sha fell down slowly in disbelief!

He couldn't believe that he died like this, and was killed by a fifth-grade monk of the Composite Realm with one move!

He didn't know how David did it, and he couldn't figure it out!

Until he died, Mu Sha's eyes were wide open, and he would not die with peace...

The few remaining casual cultivators at the side saw David kill Mu Sha with such a clean sword, and their jaws dropped in shock!

Especially Yuan Bao, he didn't expect David's strength to improve rapidly in the blink of an eye, he didn't understand why!

You must know how difficult it is for these casual practitioners to improve a small realm. Some people may not be able to improve a small realm in a year or even a few years!

You must know that what casual cultivators lack most is resources, so they are actually bullied in the world of heaven and man!

"Brother Chen, thank you for saving your life. If there is a chance, I will definitely repay it with my life..."

Yuan Bao and several casual cultivators stepped forward and thanked David!

If David hadn't arrived in time, they would have been corpses already!

"Everyone, please be polite. You should leave as soon as possible. If you meet other people from Wuxing Tiansha, you will be in danger."

David asked Yuan Bao and the others to leave.

"Mr. Chen, do we still need to find the other two of the Five Elements Heavenly Demon?"

Ji Yun stepped forward and asked David!

"You don't need to look for it. I guess other people can deal with the remaining two..."

David shook his head!

If the three of Lao Sun and the others deal with one of the Five Elements, there will be no problem!

There is also Ning Caichen, he is not afraid of one of the five elements, so their danger is not great!

Next, David followed the crowd and headed towards Jialing County!

Although Yihe's poison was cured, David still kept his word and sent the Bingpo Pill to Princess Jialing!

This is a matter of integrity, David will not be a person without integrity!

Although the Ice Soul Pill is priceless, David also knows that if he swallows the Ice Soul Pill, his strength will definitely improve by leaps and bounds, and it is even possible to comprehend other origins, but David will not do this!

Soon, David and the others rushed to Jialing County, and at the gate of Jialing County, Lord Yan was waiting for them, as if he knew they were coming!
