Chapter 3059

"Master Yan, why are you here?"

Seeing Master Yan, David was very curious. Ordinarily, Master Yan should not be guarding the gate of the city at his level.

"I came here to wait for you on purpose. You offended the Seal of Demons, if you were killed by members of the Seal of Demons, wouldn't the Bingpo Pill be lost?" Master Yan said with a slight smile

!

David looked at Lord Yan, very strange, he didn't understand, how did Lord Yan know that he had offended the Demon Sealing League in Jialing County?

"Mr. Chen, Jialing County knows everything about your actions in the extreme north. If they didn't know that you have already obtained the Ice Soul Pill, they wouldn't let me out of Jialing County!" Seeing David's strange eyes, Yihe explained

!

Although Yihe didn't understand how the princess of Jialing County knew about David's every move, but there was really no way to hide many things about David from the princess of Jialing County!

After hearing this, David felt his scalp tingle. He didn't understand how Princess Jialing knew about his every move. Fortunately, he didn't have the idea of taking Bingpo Pill for himself, otherwise Yihe might be in danger!

"Master Yan, please lead the way!"

David took a deep breath and said slowly!

He didn't want to know how the princess of Jialing County knew his whereabouts, sometimes the more he knew, the scarier it was!

He just wanted to leave Jialing County as soon as possible, and then help Yihe take back the Demon Imperial City first!

Master Yan led David and the others straight to the second-floor building of the princess of Jialing County!

When he came to the small building, Lord Yan didn't report this time, but just pushed the door open and entered!

Although David was surprised, he still followed in, and everyone else was waiting outside!

When David walked into the small building, he was surprised to find that a middle-aged woman wearing a phoenix hairpin and a red robe was sitting on the seat of the princess!

Although the woman looks old, but the skin is very good, can be broken by blowing bombs!

But this woman is just a soul body, not a physical body!

Although David had never seen the real face of the princess of Jialing County, he knew that this woman must be the princess of Jialing County!

"Are you back?"

The princess smiled slightly and asked David!

"I'm back, and I brought back this ice pill to the princess..."

David hurriedly took out the ice pill, and handed it up with both hands!

But the Princess didn't take the Bingpo Pill, but looked at Master Yan who was at the side!

Master Yan nodded, picked up the Bingpo Pill and walked towards the princess!

"I advise you, this time your wish will finally come true..."

Master Yan said to the princess with a smile on his face!

Listening to Master Yan's words, David was stunned for a moment when he looked at Master Yan's eyes!

Because he could see the love for the princess from Lord Yan's eyes.

And this Lord Yan doesn't address the princess, but calls him by his first name?

Is this something the following is guilty of?

But who would have thought that the princess was not angry, but took the Bingpo Pill slowly, and said with a little apology on his face, "Brother Yan, thank you for taking care of me for so many years, I'm sorry for you..." As he spoke, two lines of tears ran across the face of the princess

!

"What are you talking about? I'm willing to do this, but after this time, don't do stupid things again. Not every time, you will have such good luck!" Master Yan said lovingly

!

“En!” The princess nodded vigorously!

Then it opened slowly, and swallowed the Bing Po Pill!

For a moment, the princess’s body began to emit a pure white light, and the whole person slowly levitated from the seat!

The light made the princess’s body very transparent, and the princess, who was originally a soul body, was slowly disappearing under the light at this moment!

In the end, the princess disappeared completely, without even leaving a trace of breath!

Chapter 3060

When David saw this scene, he was stunned for a moment. He didn’t understand why the Princess suddenly disappeared?

But looking at Master Yan’s expression, it seems that he doesn’t have any worries!

Just when David was surprised, a white light suddenly flashed in front of him, and then the figure of the princess flashed out!

But this time, the princess is no longer a soul, but a living person, a living person with flesh and blood!

His appearance has not changed in the slightest, even the clothes on his body are still the same.

The princess’s face was filled with unspeakable excitement at this time!

"Brother Yan, I really recovered, I really recovered my physical body..."

The princess was very excited, and then knelt down towards Master Yan!

"Brother Yan, if I hadn't taken care of you for so many years, I'm afraid I would have died long ago, and I can't repay you by persuading you..."

The princess's face was full of gratitude.

David was even more confused when he saw the princess kneeling down to Master Yan, he was at a loss!

He couldn't figure out what was going on!

"I advise you, if you do this, I will be angry..."

Master Yan hurried forward to help the princess up!

At this time, the princess looked at David, looking at David with a confused face, and the princess smiled lightly, "Are you curious about my identity? Always want to know who I am?" David nodded vigorously. He asked the patriarch of the ancient body training clan

.

David really wanted to know the real identity of the princess of Jialing County, why she knew about the Ice Soul Pill in the treasure, why she knew about the ancient body-refining clan, and why she had half of the god-king order of the ancient body-refining clan!

Seeing David's eagerness to know his identity, the princess smiled and said, "Actually, I am not the princess of Jialing. The real princess of Jialing is Brother Yan..." "And I am just a member of the ancient body training clan. It is brother Yan who has been guarding me..." After finishing speaking, the princess shouted upstairs, "Brother, Qi Qiang, come down..." Soon, the patriarch of the

ancient body training clan and Gao Qiqiang, the head of the Gao family, walked down the stairs, both of them smiling Look at

Chen

Ping

!

When David saw the two of them, he was completely confused, and felt that his brain couldn't even think!

"You...how are you two here?"

David was full of disbelief!

Obviously these two sent him away from the Gao family, but now they actually appeared in Jialing County?

By the way, there is also the elder brother who was called by the princess just now?

What's the meaning?

Could it be that the patriarch of the ancient body training clan is the elder brother of the princess?

It's not the princess, the princess is Master Yan!

Then what is the relationship between Gao Qiqiang following this advice?

David was in a daze, he couldn't do it anymore, he felt as if he was being kept in the dark, being played around by others!

"Mr. Chen, sit down first, let me tell you slowly..."

Seeing the gloomy expression on David's face, Gao Qiqiang said!

David sat on the chair, he wanted to hear what Gao Qiqiang had to say!

Such a messy relationship, he wants to know what's going on!

Gao Qiqiang glanced at Quan Jun, and then spoke slowly!

When Gao Qiqiang finished listening, David suddenly realized!

It turns out that Quanjun is the younger sister of the patriarch of the ancient body training clan!

But later she fell in love with Gao Qiqiang, but because the ancient body-refining clan has had grievances with the Gao family for many years, the relationship between persuading Jun to follow Gao Qiqiang is not approved at all!

And Master Yan is the real princess of Jialing County, because he has a lot of contacts with the ancient body training clan, so Master Yan fell in love with Quan Jun!

For Quan Jun, she only regards Master Yan as her big brother!

But the group leader of the ancient body refining clan tried his best to match up his sister and Lord Yan's marriage!
