Chapter 3066

The huge palm print condensed by the Thunder Eagle King had just formed, and when he felt the terrifying three auras, he was startled and swung the palm print out suddenly!

Boom...

Accompanied by a loud noise, the palm print disappeared in an instant, and the Thunder Eagle King only felt his body shake for an instant, and then flew upside down!

Thunder Eagle King's body smashed heavily on a high mountain in the distance, directly smashing the entire mountain!

The Thunder Eagle King's face turned extremely ugly, and he turned into a Thunder Eagle and flew back!

When Thunder Eagle King flew back, he found three people standing in front of David and the others. It was obvious that the three breaths just now came from them!

"Who are you?"

Thunder Eagle King looked at the three people in front of him with a dignified expression!

"The Gao family, Gao Qiqiang..."

"The patriarch of the ancient body training clan!"

"I am also from the ancient body training clan!"

The three of them introduced themselves!

It turned out that Gao Qiqiang and Quan Jun did not leave, they came to help David and the others!

The three of them are great cultivators who have crossed the catastrophe, and King Lei Ying dared not ignore the three of them even though he was in the bull!

David and Yihe looked at the three people who appeared, and they were overjoyed. They also understood what Master Yan said just now!

"The Gao family? The ancient body-refining clan?"

Lei Yingwang looked confused, "I have no enmity with you, why did you attack me all of a sudden?"

"The land of the north has never dealt with each other before, and there is no hatred. He doesn't understand why these three people suddenly attacked him?"

"We have no grievances, but we can't sit idly by when you attack Mr. Chen..."

Gao Qiqiang said!

"Mr. Chen?"

Lei Yingwang was taken aback for a moment, but quickly turned his attention to David. "You mean this David?"

" Shouldn't it be?"

Gao Qiqiang said with a cold smile!

When Lei Yingwang heard this, his face turned green. He never expected that David, a fifth-grade monk in the Composite Realm, would be lucky to have the help of a demon emperor like Yihe!

But I don't want even the Gao family and the ancient body-refining family to show up, how can I play this?

Can this revenge be avenged?

Thunder Eagle King broke out in a cold sweat!

Looking at Gao Qiqiang and the others, the great monks who have crossed the tribulation, and Yihe is also a great monk who has crossed the tribulation!

These four people teamed up, and they were about to turn themselves into scum in seconds...

They had the upper hand, and they wanted to seek revenge from David!

But now, it is directly at a disadvantage, even the one that is crushed!

"King Thunder Eagle, I warned you just now, you will regret it, but you just didn't believe it, do you believe it now?"

Master Yan asked Lei Ying King with a playful look!

Thunder Eagle King's face was very ugly, so he could only nod vigorously!

Now he believed it, absolutely believed it.

But what if you believe it?

If David makes trouble at this time, he may have nowhere to escape!

Thinking about these bloodthirsty Thunder Eagles of his own, thinking about his Sky Thunder Fruit, the Thunder Eagle King regretted it!

Pick it up and pick it up, why bother to force each other to take revenge!

In fact, the remaining sky thunder fruits are enough for him to slowly break through the tribulation and advance to the Mahayana realm!

Now everything is over, revenge has not been avenged, and fate is about to be caught!

Seeing King Leiying's nervous and frightened expression, Lord Yan smiled lightly, then looked at David and said, "David, can you sell me some face? Let's forget about this matter. It's the saying that enemies should be resolved rather than knotted!

" Everything is decided by Master Yan, not to mention the Sky Thunder Fruit that I picked first, the one who made a mistake first..."

David said calmly!

Hearing David's words, Lei Yingwang, who had a face full of remorse, suddenly lit up!

Judging from what David meant, he probably didn't intend to pursue him anymore!

"King Lei Ying, you heard it too. I will take care of this matter. Let it go for both of you. If the fight continues, it will be of no benefit to either of you!" Lord Yan said to King Lei Ying
