

# A Man Like None Other

## Novel

### Chapter 3071

When Huben heard this, he also realized that now that Yihe has lost his skills, he doesn't have to be afraid anymore!

Thinking of Hu Ben here, the panic on his face disappeared, and then he showed a sneer and said, "Yaohuang, you have lost all your powers now, I never thought you would dare to come back, but seeing you as my master and servant for many years, I don't need to kill you." "

But You have to find Princess Isa and let her marry me, then you will be my father-in-law, and you can continue to enjoy happiness in this demon imperial city." Looking at Huben like that, Yihe couldn't help showing a

sneer !

"Just because of you, you want to marry Yisha?"

Yihe's eyes were full of disdain, and he waved his hand casually!

A terrifying aura erupted suddenly, and the general of Mingli King City who told Huben not to be afraid just now had no time to react, and his whole body exploded instantly!

Suddenly, the hall was filled with blood mist, and the general of Mingli King City disappeared immediately!

Seeing this scene, Cong Hu Ben was dumbfounded!

He didn't expect Yihe to recover his strength, and the faces of those generals in Mingli King City also changed dramatically!

Now that Yihe has regained his strength, it's not something these pawns can handle!

Several generals of Mingli King City looked at each other, and then rushed outside desperately!

They only wanted to escape, as long as they could escape back to Mingli King City, they would be considered as saving their lives!

Looking at the generals rushing out, Yihe remained motionless!

Seeing bursts of aura erupting from Yihe, the generals who were fleeing for their lives felt their shoulders sink, and everyone fell to the ground in an instant!

Each of them seemed to be crushed by a mountain, and they couldn't get up no matter how hard they climbed!

bang bang bang.....

Just hearing bursts of explosions, the bodies of those generals of Mingli King City were all crushed by this breath, and they all turned into blood mist!

Yihe didn't need to fight against them at all, after all, the difference in strength was too great!

Huben looked at everything in front of him, his whole body was shaking very badly!

Plop...

Huben knelt down on his knees, and then desperately begged for mercy!

"The Demon Emperor, please forgive me, the Demon Emperor, please forgive me, I was deceived by that fierce star to do such a thing, please spare my life..." Hu Ben kowtowed and begged for mercy

!

But in Yihe's eyes, there is no pity at all. For this kind of traitor, Yihe will not give him a chance!

I saw Yihe's hand, and a huge suction force made Huben fall into Yihe's hand in an instant!

Huben was held by the collar by Yihe, so he didn't even have the ability to struggle!

Yihe walked out of the palace slowly with a tiger in his hand, and the guards of the imperial city who passed by all bowed down one after another!

After walking all the way outside the gate of the Demon Emperor City, Yihe stopped in his tracks!

Huben's face was pale at this moment, he didn't know how Yihe was going to deal with him!

At this time, Huben's pants were wet!

"Come here..."

Yihe shouted loudly!

Immediately, a team of armored guards came and knelt down in front of Yihe!

"Hang this traitor on the gate of the city. I want him to hang on it forever. I want to use him to warn everyone that being a traitor is the end..."

Yihe threw the tiger to the ground!

When Huben heard this, he immediately panicked. Now he only wants to die. He doesn't want to be hung on the city gate forever.

"No...no...kill me, kill me..."

Huben roared, he hoped Yihe would kill him!

It's just that Yihe didn't even look at him, but turned around and walked towards the imperial city!

Huben wanted to catch up, but was held down by a team of guards, and then hung high above the city gate!

In the future, Huben will suffer from the wind and the sun and all kinds of tortures forever, but he cannot die!

At this moment, Huben may have regrets in his heart, but it is already too late!

## **Chapter 3072**

David on the other side, following Ji Yun in an airship, is rushing to Mohai!

Because of the long distance and the broken and small airship they took, the flying speed was relatively slow!

Sitting on the airship, David took advantage of this rare free time to sort out his various original auras!

During this trip to the extreme north, I had the original space, and also felt several kinds of original breaths. This is the biggest gain!

There is also the magic whip, this kind of ancient magic weapon can also make David more handy when encountering demons!

David sat cross-legged, closed his eyes, and his consciousness entered the original space!

Looking at the bright galaxy and the countless gray stars, David felt his scalp tingling!

My own original space is so huge, with so many dark stars, how many kinds of original breaths do I need to understand to light up the entire galaxy!

"Mr. Chen..."

Just after David's consciousness entered the original space, Zhe Yan suddenly spoke!

"What's wrong?" David looked at Zhe Yan and asked!

"Mr. Chen, your original aura is so huge, I wonder if I can use Mr. Chen's fire source to cultivate?" "

But I swear, I have absolutely no other intentions, and I will never betray Mr. Chen."

" During this period of time, I know that Mr. Chen is not an ordinary person, but a dragon and phoenix among people, so it is my honor to serve Mr. Chen!"

Zhe Yan said very sincerely!

Although Zhe Yan now has only a trace of his soul living in David's sea of consciousness, David can release him at any time if he wants.

Zhe Yan only needs to find a physical body, or the elixir for the rebirth of the physical body, he can fully recover!

So Zhe Yan didn't want to waste the time of cultivation, mainly because David's original fire breath can help Zhe Yan quickly improve his strength.

After all, Zhe Yan is also of the Flame Demon School, and he is practicing fire-type exercises!

"Of course, as long as you follow me honestly, I will find a chance to restore your body."

David readily agreed!

"Thank you Mr. Chen, I will go through fire and water for Mr. Chen, and I will do anything!"

Zhe Yan said excitedly!

After an unknown amount of time, David was called out from the sea of consciousness by Ji Yun!

When David opened his eyes, he found that within a hundred miles in front of him, there was a piece of darkness!

"What is this?" David was very surprised!

"Mr. Chen, the sea of ink is here, and this dark area is the sea of ink..."

Ji Yun said!

David looked intently, and it really was a vast ocean, but the sea water was black and stretched into the distance!

Soon, the airship descended slowly and landed in a place similar to a small town. Although there were many houses here, they were all rather dilapidated!

On a square in the center of the town, there are several huge airships staying there. These are the airships of the Flying Sect!

Because there is a no-fly zone above the Black Sea, these airships cannot fly directly over the Black Sea, they can only stop here!

When David and his airship came to a complete stop, the remaining disciples of the Feitian Sect ran over!

"Eldest Young Master..."

the left-behind disciple of the Feitian Sect shouted respectfully!

"Is there no news about my dad?"

Ji Yun frowned and asked!

The Feitian sect disciple shook his head, "The suzerain still has no news. I heard rumors that the spirit ship that the suzerain and the others were riding sank in the sea of ink."

When Ji Yun heard this, his body trembled, and he tried his best to suppress the grief in his heart. He knew that he couldn't fall down now, because the Feitian Sect depended on him!

"Tell me in detail, what's going on? Could it be that the one who pierced the cloud gate can pass through the sea of ink casually?"

Ji Yun didn't understand. His father's spirit ship sank, so could the one who pierced the cloud gate be fine?

## **Chapter 3073**

"Young master, the Cloud Piercing Sect got a batch of spirit turtles from somewhere. These spirit turtles can travel freely in the ink sea without fear of the wind and waves in the ink sea." "It is precisely because of this that they attacked our

airship , snatched many of our airships."

The Flying Sect disciple explained!

"Spiritual turtle?" Ji Yun fell silent!

"Ji Yun, let's find out the situation first, and then go to sea to find out, maybe your father and the others are fine!"

David spoke at this time!

He knew that Ji Yun was in a daze at this moment, and didn't know what to do!

"Okay, let's go to sea to see the situation!"

Ji Yun nodded, then looked at the disciple of the Feitian sect and said, "Go and buy a few tickets immediately, I want to go to sea..."

When the disciple of the Feitian sect heard this, he immediately wondered "Young master, there have been no boat tickets recently, and they have been sold out long ago." "

After Mohai heard that there was a treasure, so many people came, so that the boat tickets for the spirit boat sold for sky-high prices, and The supply is in short supply."

"Damn it, it's trash, don't you know how many to prepare?" Ji Yun cursed angrily after hearing this!

"Without a boat ticket, can we not go to sea?"

David asked puzzled!

"I can't do without a boat ticket, but there is another way to get a boat ticket."

Ji Yun whispered!

"What way? Buy it from someone else at a high price?"

David asked!

Ji Yun shook his head, "That's snatching. Anyway, the boat ticket is not registered. Whoever gets it belongs to him."

When David heard it, it was a good idea, just grab two cards from other people.

Anyway, in the world of heaven and man, this is not a problem!

"Where are we going to grab it?" Gao Qilan became interested at this time!

"Of course I went to the pier. Only those who have bought a ticket will go there to prepare for boarding."

Ji Yun said!

Soon, the three of them walked towards the pier. When they got close to the pier, David discovered that there were several spiritual ships parked at the pier, and there were faint lights shining around the ships, obviously they had been set up by formations. !

Among them is a spirit ship, which is tens of meters high, like a mountain!

A lot of people queued up to board the ship, it was this huge spiritual ship they were riding on!

And around the pier, there were a lot of people sneaking around. At first glance, they were all like David and the others, planning to take the opportunity to steal the boat tickets!

"Damn it, the tickets are sold out in a few days, it's too fast..."

A big man frowned and cursed, obviously he didn't buy the ticket either!

“Now people here want money and don’t want their lives. Mohai is so dangerous. When they hear that there are treasures, they all flock to them, and they are not afraid of dying in the sea.” “I heard that a few days ago, a spirit ship sank and died . What a tragedy for hundreds of monks.”

“Maybe we didn’t buy the ticket, it’s our good fortune!”

Many monks who didn’t buy the ticket complained and comforted each other!

The arrival of David and the others instantly attracted the attention of these monks!

Mainly Gao Qilan, dressed in a pure white dress, coupled with that icy aura, is very attractive!

“It’s so beautiful, does such a beautiful woman come to Mohai to take risks?”

“It would be a pity if she was buried in Mohai!”

Many monks stared directly at Gao Qilan and spoke obscenities, which made Gao Qilan slightly angry!

More and more monks looked at Gao Qilan, looking at Gao Qilan’s slender figure and snow-white skin, like a fairy coming down to earth!

Especially Gao Qilan’s unique icy aura is even more attractive!

As for Gao Qilan’s appearance, many monks gulped their mouths and watched intently, even some female monks were envious and ashamed of themselves!

## **Chapter 3074**

“Miss, our young master has an invitation, I hope to go with you...”

At this time, a monk who looked like a servant came over and said after Gao Qilan!

"Your son?"

Gao Qilan was slightly taken aback!

"Yes, our Young Master Zhou would like to invite you to swim in the sea of ink together!"

The servant pointed not far away!

Gao Qilan looked in the direction he pointed, and found a man in a white gown smiling and waving at her, looking very handsome!

Gao Qilan wanted to refuse, but saw David winking at him!

She understood what David meant in an instant, and then smiled slightly, "Then please lead the way..."

The servant nodded and brought Gao Qilan over, while David and Ji Yun followed not far away!

Seeing Gao Qilan approaching, the man straightened his clothes immediately, and then said with a smile on his face, "Miss, I take the liberty to invite you, I hope you don't take offense. My surname is Zhou, and my name is Zhou Tai. I don't know if this lady respects you." What about your last name?"

"My name is Gao Qilan..."

Gao Qilan said truthfully!

"Gao Qilan, what a very elegant name. I don't know who Miss Gao came to Mo Hai with? Can we go together?"

Zhou Tai asked!

"I came with my two elder brothers. I wanted to go with Mr. Zhou, but unfortunately we didn't get a boat ticket, so we couldn't go with Mr. Zhou!"

Gao Qilan had a helpless expression.

Seeing Gao Qilan's expression, Zhou Tai immediately smiled and said, "I don't have a boat ticket, so why is it so difficult, I'll give you a few." After

Zhou Tai finished speaking, he immediately glanced at his servant!

And the servant took two guards and walked towards the people queuing up to board the ship!

After taking a glance, the servant immediately pulled out a monk who looked weak and not strong!

"Boy, hand over the boat ticket, Mr. Zhou wants it!"

the servant said arrogantly!

Although the boat ticket is anonymous and can be robbed, it is too blatant to rob it in public at the pier. It can be seen that the Zhou family should have a certain strength this week, otherwise Zhou Tai would not dare to do this this week!

"What do you want to do? In front of so many people, openly snatch it?"

the monk said with a bit of horror in his eyes!

"Who said I stole it? I bought your boat ticket."

As he said that, the servant took out the spirit coin and threw it on the ground, then picked up the monk and asked someone to find the boat ticket!

Seeing this, the cultivator didn't dare to say anything more, his strength was not strong, and he didn't have the support of his family behind him. Loose cultivators like this were being bullied by others!

After succeeding, the servant became even more arrogant, and then looked at the people in line!

Many monks lowered their heads one after another, unwilling to cause trouble at this time!

At this time, an old man wearing a black robe and emitting a stench came into the servant's sight.

Seeing this, the servant walked directly towards the old man, even if he wanted to snatch the boat ticket, he would always find a bully to start with!

He felt that this old man was easy to bully!

"Old man, take out the ticket!"

The servant said to the old man!

"Why give it to you?" The old man looked at the servant and yawned!

A stench rushed towards his face, causing the servant to cover his nose immediately, and said with a ferocious expression, "Damn, it stinks to death, hand over the boat ticket, and I can spare you..."

But just as the servant finished speaking, he saw a pair of black palms of the old man sticking out suddenly, and slammed towards the servant like lightning!

As soon as the servant's face changed, he had no time to react, and was slapped in the face!

Pa...

With a crisp sound, the servant's head was blown out instantly, and he died instantly!

Seeing this scene, everyone was shocked!

No one thought that a slap in the face of an inconspicuous old man would have such strength!

## Chapter 3075

Seeing this, the two guards were furious and rushed towards the old man!

Seeing this scene, Zhou Tai also frowned, his expression extremely ugly!

The two guards rushed forward, but the old man hit them directly on the chest with both palms. After a mouthful of blood spewed out, they died immediately!

A servant and two guards were beheaded, Zhou Tai finally got angry!

He rushed over with people directly!

"Dare to kill people from my Zhou family at will, court death..."

Zhou Tai was furious, and the aura of the peak of the fit state burst out from his body, instantly setting off a gust of wind!

The strong wind blew the old man's cap off his head, revealing a dry and wrinkled face with sunken eyes and sunken mouth, like a skeleton!

Seeing the old man's appearance, Zhou Tai, who was furious at first, suddenly froze, and dared not say a word!

The old man snorted coldly, put his hat on his head again, and boarded the spirit ship!

Not far away, David saw this, and knew that this old man must have a lot of background, and his strength definitely surpassed the Fusion Realm!

After taking a look at the three people who died on the ground, David and Ji Yun walked over and even found the ticket from the corpse!

These people are with Zhou Tai, they must have a boat ticket!

Now the person is dead, so the boat ticket is useless!

When Zhou Tai saw someone rummaging through the corpses of his subordinates in front of him, Zhou Tai's face turned red with anger!

Just because he didn't dare to do anything to the old man, doesn't mean he didn't dare to do anything to others!

What's more, David is only the fifth rank of the Body Fitting Realm, and Ji Yun is only the seventh rank of the Fitting Body Realm, Zhou Tai is not afraid at all!

"You two are so brave, you actually snatched my boat ticket in front of me."

Zhou Tai's aura enveloped the two of them!

"Everyone is dead, so what's the use of the ticket, why not let us use it."

David said to Zhou Tai!

"Even if I destroy the ticket, no one else is allowed to use it!"

After Zhou Tai finished speaking, several guards behind him immediately surrounded David and Ji Yun!

"Young master Zhou, stop, these are my two elder brothers who came with me."

Seeing this, Gao Qilan hurriedly said loudly!

When Zhou Tai heard this, he hurriedly withdrew his breath, then glanced at Gao Qilan and said, "Miss Gao, these two are your elder brothers?" "

Yes, they don't have a boat ticket, that's why they are like this."

Gao Qilan nodded and said!

"Since it's Miss Gao's elder brother, I'm really sorry. You keep the boat ticket. Anyway, they are all dead, so they won't need it anymore."

Zhou Tai's attitude changed drastically!

Zhou Tai didn't care the slightest about the dead servant and two guards!

For them, the death of a few servants is no different from the death of a few ants!

Now that David and the others had their tickets, they didn't need to rob others, so they started boarding the boat!

After entering the huge spirit ship, David found out that there was something really hidden inside!

After showing the ticket, a staff member led them upstairs!

With each level up, the interior decoration of the spirit ship is much more luxurious!

It can be seen that the top floor of this spirit ship should be the best!

David and the others stopped when they reached the fifth floor, and then the guide found their room!

Because you need to sail for many days to cross the ink sea, the cabins on the upper deck have separate rooms!

However, the cabin below is all seats, and the environment looks a bit harsh!

“Miss Gao, what do you need? Just tell me that there is everything on this spirit ship.” “Besides, it

is your first time in Mohai, so you are not familiar with it. In fact, this Mohai is not as scary as the rumors say! ”

On the contrary, this Mohai is a treasure land...”

Zhou Tai said with a smile!
