Chapter 3126

It's Not Your Turn

"The reason why I carved the rune on it is for other people to secretly take away the giant egg." "

Now you try to integrate yourself into this giant egg, Let's see if we can absorb and fuse the contents of the dome!"

The middle-aged man said to David!

"Let me fuse with this giant egg?" David looked surprised: "If someone blames me here, wouldn't I also become a monster?" David didn't want to become a monster, so wouldn't his own

woman They are all running!

"What are you thinking about? No matter what is inside, it's just an embryo. After all, it hasn't formed yet. The purpose of fusing you is to obtain the energy of this giant egg, not to turn you into a monster!" "I'm just a remnant soul

, There is no way to fuse, and all the survivors in this place are souls and spirit bodies, there is no way to fuse this giant egg, or it will not be your turn!" The

middle-aged man said speechlessly!

When David heard it, he was a little embarrassed and said: "Senior, I'm sorry, I have too many women. If I become a monster,

I will all run away

." In an instant, a few drops of blood essence condensed, and then David dripped these drops of blood essence on the giant egg!

These few drops of essence and blood gathered David's energy and spirit into one body.

When the blood essence approached the giant egg, a strong suction force instantly sucked David's blood essence into it!

“Om.....”

In David's mind, there were bursts of tingling pain instantly, but David gritted his teeth and endured the severe pain. On top of the blood, slowly enter the giant egg!

Inside the giant egg, there was a terrifying coercion, and David's body began to tremble violently!

It is not so easy to integrate such a terrifying dome!

If David's soul is not strong enough, it is likely to be backlashed!

But look at the middle-aged man is not worried at all.

“Persevere, the golden dragon's bloodline is not so fragile, so what if it is a spiritual thing bred by heaven and earth, how can it be worth the golden dragon's bloodline!” The middle-aged man encouraged David

!

“Roar...”

Suddenly, a huge roar came from David's mind, the roar almost shattered the galaxy, it was extremely terrifying!

And Zhe Yan, who was in David's sea of consciousness, was lying on the ground sadly, suffering in pain!

David was also suffering at this time, his eyes turned blood red, and he looked a little scary!

The low growl continued, as if he wanted to shatter David's spirit and destroy David directly!

It can be seen that this dome also seems to understand that someone wants to melt it, so it is resisting!

David's heart was shocked at this moment. It is just a giant egg, but it has such power that it almost shakes his soul away. If it is conceived, what kind of terrifying monster will it be!

At that time, I am afraid that the entire world of heaven and man will be wiped out!

David gritted his teeth, still let his soul attach to the blood essence, and then David's soul was in the giant egg, absorbing the internal energy!

At this time, David's soul followed David's body, and it seemed that there was an energy chain, which was sending the energy in the giant egg outward!

Just when David was merging with the dome with difficulty, the giant wave caused by touching the dome finally broke out!

Rumbling.....

Suddenly, a huge wave rolled over, overturning many monks who were absorbing spiritual energy in the spiritual spring!

Afterwards, bursts of shocking spiritual energy surged towards the surroundings!

"What's the situation?" So everyone looked at Lingquan who was still very calm just now in shock!

Accompanied by the tumbling waves, a thunderous sound suddenly sounded in the calm midair!

A cloud of black mist is rapidly spreading, enveloping everyone!

This time, everyone panicked, thinking it was the gathered evil spirits, and now they ran down to kill them!

Chapter 3127

Silver Feather Eagle

Many people started to flee, but in this place, there is no way to escape!

“Hmph, it’s just a mere evil spirit, you still have to scare it like this...”

Ye Fengqing snorted coldly, his face full of disdain!

Even if these evil spirits followed, so what?

The strength of the evil spirits is too low, it is impossible to cause harm to them!

But soon, Ye Fengqing felt something was wrong, because there seemed to be a glimmer of light in the black mist, and then he saw a beast with a strange shape, with a dazzling light emitting from the top of its head!

“This is not an evil spirit, this is not...”

Seeing this, Zhou Tai shouted loudly!

When Moshan Guilao and the others saw this weird beast, their eyes were wide open, and they seemed very surprised!

“What kind of monster is this? It looks too scary...”

Ji Yun said in panic.

I saw a light on the monster’s head, a long mouth like an eagle’s beak, a pair of wings fluttering constantly, creating waves of hurricanes, and its identity was covered with silver feathers!

“This is an ancient silver-feathered eagle. Why is there such an ancient beast here?”

After seeing the appearance of the monster clearly, the devil mountain ghost shouted in surprise!

He has seen the introduction of this kind of beast from the records of ancient books. This kind of beast is very ferocious, and they all live on the top of Lingshan Mountain, and they will never go to other places!

But many monks captured this silver-feathered eagle, and then tamed it as a pet and a mount!

But that Lingshan is in the heavenly realm, so how could such a silver-feathered eagle appear in the heavenly-human realm?

Usually when a silver-feathered eagle appears, there must be the owner of the silver-feathered eagle around!

Just as the devil mountain ghost was contemplating, the silver-feathered eagle had already launched an attack on Ye Fengqing, Zhou Tai and others!

“Damn it, so many people, why did they attack us?”

Zhou Tai cursed angrily, and started to run away desperately!

Ye Fengqing also looked a little nervous, but he didn't run away, but dodged away the moment the silver-feathered eagle flew over!

Finding that Ye Fengqing dodged his attack, Silver Feather Eagle just glanced at it, then moved towards Zhou Tai!

Zhou Tai started to run away desperately, the silver-feathered eagle screamed strangely, and monks kept screaming and fell down, and there was nothing left that was devoured by the silver-feathered eagle!

“Quick, stop it, stop it...”

Seeing this, Zhou Tai hurriedly ordered the servants of the Zhou family to stop the Silver Feather Eagle.

But in this situation, who cares, those servants of the Zhou family are also trembling with fright.

“Master Ye Tuo, help me, help me...”

Zhou Tai could only follow Ye Fengqing to ask for help, but Ye Fengqing didn't seem to hear it!

It is impossible for him to take risks for Zhou Tai!

This time, Zhou Tai was dumbfounded, he thought that Ye Fengqing could help him if he was a running dog behind Ye Fengqing!

Now it seems that he is thinking too much!

Seeing that there was no escape for him, Zhou Tai could only stop and glared at the silver-feathered eagle with a cold face!

“Bastard, why are you chasing me alone? Are you bullying me to be honest? Today I will fight with you...”

Zhou Tai’s aura of the peak body fitness state began to burst out.

With the explosion of Zhou Tai’s aura, a trace of blood in his body was forced out of his body, and then condensed into a blood bead in front of him!

Zhou Tai’s body began to shrivel rapidly, as if the blood in his body had been completely emptied, and there was blood mist around him, continuously condensing into blood beads!

“What is Zhou Tai going to do this time?”

Seeing this, Ji Yun’s eyes were filled with disbelief!

“He’s saving his life...” Moshan Guilao smiled faintly!

Then I saw the countless blood beads condensed into a human form, which looked very similar to Zhou Tai!

And the breath on the body is exactly the same!

And Zhou Tai’s body, like a shriveled balloon, suddenly fell to the ground!
