Chapter 3128

Sure enough, this trick tricked the silver-feathered eagle, and saw the silver-feathered eagle rushing towards the blood man!

Boom.....

With a loud noise, the blood man exploded, and a blood mist floated all over his head, filling the surrounding area!

The silver-feathered eagle plunged headlong into the blood mist, and its silver feathers instantly turned blood red!

The silver-feathered eagle that turned blood red became even more terrifying. Many monks smelled the strong smell of blood, and seeing the terrifying appearance of the silver-feathered eagle, they all trembled in fright!

But the silver-feathered eagle was not attacking anyone else, it seemed to be targeting Zhou Tai!

After being stained with blood all over, the Silver Feather Eagle rushed headlong into the pale red blood pool and disappeared instantly!

“Why does this monster only attack that Zhou Tai?”

Ji Yun was puzzled when he saw this!

The devil mountain ghost seemed to see something, and said with a faint smile: “This beast should have smelled the life-saving skills on Zhou Tai, so he went towards Zhou Tai.” “I didn’t see

it rushing into the blood mist deliberately .” In the middle, after getting your whole body stained with blood, did you rush into the spiritual spring in front of you? I guess there is something in this spiritual spring.” Ji Yun laughed

immediately when he heard that, this Zhou family's life-saving exercises It's really strange, now he has directly become the target of monster attack, it is estimated that Zhou Tai is very depressed at this time!

After the monster rushed into the spiritual spring, Zhou Tai, who was originally shriveled, stood up slowly. His whole body seemed to be much older, and his breath became weaker, but his life was finally saved!

“Damn it, it's so fucking evil, why did you attack me

alone...” Zhou Tai spat hard, feeling very upset in his heart!

Seeing this, many people couldn't help laughing secretly, but more people began to worry!

If there are a few more such monsters trapped here, they are waiting to die!

I originally wanted to come down to hunt for treasures, but now I haven't found one, so I'm putting my life here!

At this time, David was still absorbing the energy of the giant egg, but David himself didn't know that his body had already blurred, as if he would disappear at any moment!

The shell of the giant egg began to become transparent. In the end, David saw that the entire giant egg seemed to be a chaotic world. Slowly, it became clear, and the egg white and egg yolk inside the giant egg could also be clearly distinguished. !

In the egg yolk area, there is a vague figure floating inside!

And around the figure, there are eight looming energy chains, which are pulling that figure, sending the energy in the dome towards that figure continuously!

Soon, the figure became clearer and clearer. Finally, David was surprised to find that the figure inside the giant egg turned out to be himself!

David was terrified in his heart, he instinctively wanted to look at the middle-aged man and ask what was going on!

But the moment he turned his head, he felt his eyes go dark, and when he opened his eyes, he found himself in the giant egg!

The body seems to be imprisoned, just like being trapped in a cage!

David panicked and began to struggle.

“Don’t move, the fusion will be completed soon, if you move around, wouldn’t it be a failure!”

The voice of the middle-aged man appeared in David’s mind!

As soon as David heard it, he stopped moving in an instant, and stayed quietly, feeling the continuous influx of energy around his body!

And David’s indestructible golden body activated by itself, and pieces of golden scales covered David’s whole body!

And the egg liquid in the giant egg wrapped David’s body, causing David’s body to undergo qualitative changes, and even the unbreakable golden body became more and more radiant!

At this moment, David felt extremely comfortable, like a baby lying in the arms of its mother.

It’s just that David felt a little outrageous when he thought that he was in a giant egg and had to break out of the shell in the end!
