Chapter 3129

Suddenly, the giant egg trembled, and then the expression of the middle-aged man became tense in an instant!

And David also saw that there was a huge wave outside the arena!

Obviously, someone is coming here quickly, breaking through the dimension of space.

“Someone is here, no matter what happens, don’t move around...”

The middle-aged man reminded David!

David nodded, and could only look outside quietly through the eggshell!

Soon, a huge monster rushed towards him, his body was full of blood!

David had never seen this kind of monster before. Its sharp beak looked like an eagle!

After the middle-aged man saw the monster, his brows relaxed, and his expression was no longer nervous!

When the monster arrived in front of the middle-aged man, it transformed into a human figure and stood opposite the middle-aged man!

“Silver Feather Eagle, you are just a mount, and your master is dead, do you still want to take advantage of this giant?” The

middle-aged man said with a look of disdain!

“You are just a remnant soul now, even if you want to play this big egg, why can’t I?”

Silver Feather Eagle asked coldly!

“Joke, what kind of thing are you, worthy of being compared with our dragon clan?”

“Don’t think that being infected with human blood can cover up your inferior blood. With your blood, you are only worthy of being a mount.”

” This giant egg is a product of heaven and earth, how could a lowly beast like you get your hands on it.” “

Besides, you came too late, this giant egg is already a property of our dragon clan, I don’t believe you can look inside look.”

The middle-aged man said with a sneer!

Silver Feather Eagle was scolded full of anger, but when he saw David’s figure inside the dome, he suddenly became surprised!

“Someone actually wants to fuse this giant egg. I won’t let him succeed.”

After the silver-feathered eagle said, it turned back into a giant eagle, roaring from its mouth!

The middle-aged man’s expression was extremely indifferent, seeing the silver-feathered eagle attacking him, he didn’t hide or dodge!

Suddenly, one wing of the silver-feathered eagle slammed on the middle-aged man’s body!

The middle-aged man’s body instantly flew upside down!

In the process of flying backwards, the middle-aged man’s body became more and more empty!

When David saw this scene in the giant egg, he became nervous and angry instantly!

“Don’t move. My remnant soul won’t last long. Even if this silver-feathered eagle doesn’t do anything, I will disappear soon.” “Slowly merge, don’t be nervous, the future hope of

our dragon clan I’m afraid it will all be on your body.”

The voice of the middle-aged man rang in David’s ears!

And his body is getting weaker and weaker, and finally disappeared completely!

After the silver-feathered eagle knocked the middle-aged man into the air, a pair of eagle claws grabbed the giant egg directly!

He wanted to break the egg shell and grab David out of it!

Although David has fused a lot of energy in the giant egg, it can swallow David directly to obtain the energy in the giant egg!

Bang, bang, bang...

The huge claws of the silver-feathered eagle kept beating on the eggshell!

The seemingly fragile eggshell didn't break in the slightest under the beating of the silver-feathered eagle!

David saw that the silver-feathered eagle couldn't break the eggshell at all, so he calmed down and merged quickly!

And the Silver Feather Eagle became manic, and tried his best every time!

Soon, the Silver Feather Eagle seemed to have no strength, and could only stand in the giant egg, looking at David inside through the transparent eggshell!

The silver-feathered eagle looked at David coldly, its eyes glowed with silver light, like a sharp silver sword stabbing at David!

The Silver Feather Eagle was waiting, waiting for the moment David broke out of its shell, it swallowed David directly!

Ka...

Suddenly, with a slight sound, the hard shell of the giant egg began to crack a tiny crack!
