Blood Soul Orb

At this time, Ye Fengqing, although he was unhappy to see David, did not dare to attack David casually!

It is obvious that David's strength is obviously stronger!

"Look, how did the water become like this?"

At this moment, a monk suddenly shouted!

Everyone looked at the Lingquan water on the side, and found that the water was originally light red, but now a dark thing was spreading below it!

Seeing this, David waved his hand, and a bright aura condensed into a ball, hitting towards the water surface!

boom!

The spiritual light exploded, instantly illuminating the water surface very brightly!

And at this moment, everyone saw that in the water, strands of bright red things were spreading, and soon the light red water turned into bright red, and there was a strong smell of blood!

Seeing this scene, everyone was shocked. They didn't understand where the blood came out of nowhere!

Looking at the blood in front of them, everyone felt a strange feeling in their hearts!

Originally, I wanted to find a way out underwater, but no one dared to move now!

Looking at the pool that has turned bright red, everyone's scalp is numb, feeling the thick bloody smell, which makes people even more nervous!

Just as everyone was looking at the pool nervously, suddenly the water in the pool started to roll, and then two blood-red figures rushed into the water, flew into the sky, and then fell towards the shore!

Seeing the figure that appeared suddenly, everyone tightened their expressions, and tightly clenched the weapons in their hands!

They thought it was a monster, so they were ready to fight!

The Devil Mountain Guilao waved his palms, and before the two blood-red figures landed, he planned to attack first!

"Senior, wait a minute..."

David hastily stopped the Devil Mountain Ghost Elder!

"Mr. Chen, don't we go first and kill these two monsters?"

The Demon Mountain ghost was very puzzled, why did David stop him!

"They're not monsters!" After David finished speaking, he jumped, caught the two figures, and landed firmly on the ground!

When it fell to the ground, everyone could see clearly that there were two people, a man and a woman!

After wiping the blood off their faces, everyone breathed a sigh of relief!

It turns out that these two people are Jin Dong and Luo Xi who left on the Holy Turtle!

Jin Dong and Luo Xi also had different expressions at this time, with fright in their eyes, panting heavily, and they hadn't recovered from the fright.

"Mr. Chen, why are you here?"

Jin Dong asked in surprise after recovering.

"Why are you two here? How did you rush out of this pool?"

David asked back!

“Water pool?” Jin Dong was taken aback for a moment, then looked at the blood-red pool in front of him, then looked around, and then said with a blank face: “The two of us were chased by the blood soul monster, and we didn’t know why we came here “

“Blood Soul Monster, what is this?” David was confused, he didn’t know what Blood Soul Monster was!

“It’s a kind of monster in this ink sea. We came here to cure my junior sister’s illness. The blood soul beads are needed to heal my junior sister’s illness.” Jin Dong explained simply following

David!

“Blood Soul Orb?” David had never heard of it!

At this time, Jin Dong took out a blood-red bead from his arms, and there was a faint red halo around the bead.

“This is the blood soul orb, which can cure junior sister’s bloodthirsty disease. Originally, we used the Holy Turtle to lure those blood soul monsters away and stole the blood soul orb, but we didn’t expect it to be discovered.

” Stuck in the blood soul monster’s lair, I can only quickly flee to the depths of the blood soul monster’s lair, and I don’t know what happened, so I came here!”

Jin Dong himself didn’t know why they appeared here!

Listening to Jin Dong’s narration, David’s eyes suddenly brightened. It seems that he followed Mo Hai here, and this passage is the lair of the blood soul monster!
