Chapter 3137

I led the way

very quickly, those blood soul monsters were wiped out, and the water in the pool turned pale red!

Now I know that under this water pool leads to the ink sea outside, as long as I swim out!

It's just that, for the depths of this unknown pool, no one dares to enter rashly!

"Master Ye Tuo, have you noticed that this man and woman are demon cultivators. When they started their actions just now, I felt the breath of demons from them."

Zhou Tai whispered in Ye Fengqing's ear!

"I found out a long time ago!" Ye Feng had already seen that Jin Dong and Luo Xi were demon cultivators early on.

"Isn't your Seal of Demons specifically hunting down demon cultivators? Now that these two are demon cultivators, why don't you do it?"

Zhou Tai wanted Ye Fengqing to do something to them!

If David dares to help, then he is colluding with the demon cultivators, and he is bound to be resisted by many cultivators!

"You're so fucking stupid. I didn't see that David has been helping those two demon cultivators. If we do it now, we have no chance of winning." "Besides, we are

trapped here, and we need someone to take us out."

"When we get back to the shore, we are exposing the identities of these two demon cultivators, and no one will be able to escape by then!"

Ye Feng had already figured it out early in the morning, and now he swallowed his anger, and when he returned to the shore, he was going to attack David !

“This is a good way. When the time comes, you and I will join forces, and no one will run away.”

Zhou Tai smiled coldly!

At this time, David didn't have time to talk to the two of them, but looked at the bottomless pool, frowning slightly!

“Mr. Chen, I'll take the lead. After all, we just swam up from the water and are familiar with the situation inside.”

Jin Dong volunteered to lead the way!

David glanced at Jin Dong, then nodded: “Then be careful, I will follow you, if there is any danger, you will retreat right away...” “

No problem... “

After Jin Dong finished speaking, he plunged into the pool!

Then David and Ji Yun jumped into the pool, and the other monks jumped in after seeing this!

In the end, Zhou Tai and Ye Fengqing looked at each other and jumped in!

Relying on his memory, Jin Dong swam desperately to the depths of the water, and soon he found a shining hole, he knew that entering this was the blood soul monster's lair!

Jin Dong hesitated a little, if there were blood soul monsters inside, they would have no way to deal with them in the water!

These blood soul monsters can be resurrected infinitely in the water, they have no chance of winning!

At this time, David swam to Jin Dong from behind, and then motioned Jin Dong to follow him, and David swam in first!

After entering the cave, the water inside turned blood red, and the vision began to be obstructed and blurred!

David could only rely on his divine sense and keep groping to swim forward!

Just as David and the others swam into the cave, everyone was shrouded in a faint light.

For a moment, everyone seemed to be wrapped in a thick aura, and their bodies were very comfortable.

At this moment, everyone began to greedily absorb the thick aura!

In the water pool, the light red bloody water has a very strong aura, not to mention that the water here is blood red.

It is obvious that the blood here has not faded, and the aura is the strongest!

At this time, David couldn't help but began to absorb it. This kind of rich spiritual energy is very rare even in the world of heaven and man!

With the absorption of everyone, they all seemed to forget the danger in the cave, and stopped swimming one by one, soaked in the blood, all seemed to fall asleep!

Even David stopped swimming and quietly soaked in the water, like a baby, feeling the thick aura pouring into his body!

Suddenly, the current on the bottom of the sea trembled!

Chapter 3138

David seemed to wake up from a dream, and a muffled voice sounded in his ear: "Boy, you have merged all the things born in the world, there is no hope for the old man to be reborn... "

David heard a voice, and hurriedly looked around, his face full of doubts!

Because he didn't see anyone at all.

Everyone else remained motionless, absorbing the aura around them!

“Who are you? Where are you?”

David was full of doubts!

“Keep swimming forward, I’m right in front of you...”

There was a bit of exhaustion in that voice, it sounded very tired!

With doubts, David continued to swim forward. Just after swimming for a few meters, suddenly his body seemed to penetrate a barrier, and then a red light appeared in front of him!

Then the red light continued to spread, forming a special light array, and a blood-colored body slowly appeared in the light array!

It seems that this figure is an old man, with a red brilliance shining all over his body, and there are many lines on his skin.

These lines should have been painted on by people, it looks a little scary!

Half of the old man’s body was trapped in the light array, only the upper body was exposed!

David glanced over, and saw that the old man was obviously imprisoned here, and the figure of the old man was blurred, not a real entity, but more like a phantom!

“Who are you? Why are you here? Did you raise those blood soul monsters?”

David asked the old man!

After all, this is the old lair of the blood soul monster, and this old man is also here, so David suspected that the blood soul monster was raised by this old man!

“Are you kidding me? Those blood soul monsters are guarded by the old man. How could they be raised by me?”

“There is also the blood soul orb. That is not a treasure. It is the old man’s dantian. It’s just that the old man was suppressed here and his dantian was taken out.

” The demons were almost wiped out, and because of the war between gods and demons, various ethnic groups also took advantage of the situation and continued civil strife.” “

If it weren’t for the civil strife among these ethnic groups, maybe there would be no demons in the world.”

The old man said with a miserable smile!

“People from the blood demon clan?” David was slightly taken aback: “The person who just took the blood soul orb is also a member of your blood demon clan. They did this to cure bloodthirsty.” “They

should I don’t know that this blood soul orb is your dantian, if I knew, I would definitely not take it away.”

David explained to Jin Dong and Luo Xi!

“Hahaha, you don’t need to be nervous, and you don’t need to explain. Of course I know. Otherwise, how could the two of them take the Blood Soul Orb so easily?

” In such a situation, the blood demon kung fu is even more broken and incomplete, and the impure blood demon kung fu they cultivated is why they get bloodthirsty!” “I called you

here because I want you to take those two little babies with you. When I come here, I want to teach them the pure Gorefiend skills, and I hope that the two of them can help my bloodfiend clan.”

The old man said to David in a pleading tone!

“Senior, why didn’t you just call them two? You also need to call me...”

David asked very puzzled!

“Do you think any person can see me? Because you are the real body of the golden dragon, you can see me through this dimension.” “

Ordinary monks cannot penetrate this dimension, so they don’t You might see me, do you understand?”

the old man explained to David!

When David heard this, he nodded and understood. It seems that it was because of his golden dragon avatar that he pierced through the dimension of space.

“Senior, I have something to ask you.”

“Then why did the war between gods and demons suddenly start? Could it be that all ethnic groups are fighting against your demons?” “

And your demons are really like the legends of the world Is it that bad?”

David didn’t understand, in the eyes of many monks, the demons are demons, they must be killed!

is here

, but David has also encountered many demons, even big demons such as blood demons, yin demons, and wind demons!

It’s not as bad as the legend says!

Hearing David’s question, the old man smiled wryly: “I don’t know why the Great War of Gods and Demons was launched, let alone who initiated it.

” There are always good and bad groups in the race. Could it be that the monks of the human race are all Bodhisattvas who save suffering and suffering?” “

Among the monks of the human race, there are more treacherous people and more bad people...” “

So in God During the Demon War, not all groups were targeting us, but many were helping us, and because of this, there were differences and civil strife among other groups.” “On this battlefield back then, the Azure Dragon

Clan They are standing with us, and there are many orcs and human immortals.” “

It can be said that the war of gods and demons back then was not aimed at us demons as the world said, but a big melee. As far as I know, there was also a civil war in the lineage of your Dragon Clan back then, and the casualties were countless.” “The war

that year shook the heavens and the worlds, and I don’t know how many worlds collapsed. It’s just a small world in it, and the entire universe of the heavens is huge.”

“There is often no dividing line between good and bad, right and wrong, it’s just that everyone’s perception is different...”

the old man said Looking back at the great war that year, his face was full of sadness!

David fell silent after hearing this, and what the old man said made David re-understand the conclusion of the war between gods and demons!

Perhaps the battle between gods and demons was just an opportunity, because someone wanted to reshuffle the cards of the heavens and the world, and finally let the demons be used as a shield!

After pondering for a moment, David nodded and said, “Okay, I’ll go and bring the two of them here...”

David turned and left, his body was emitting a slight light. After passing through a layer of light curtain, David saw that everyone was still practicing quietly!

David stepped forward and patted Jin Dong and Luo Xi lightly!

The two woke up suddenly, and they breathed a sigh of relief when they saw David!

“Mr. Chen, it’s so comfortable to practice here, so I stopped without realizing it.” “

I’m really sorry, let’s go now...”

Jin Dong thought they stopped practicing without knowing it, Make David come back to look for them!

“It doesn’t matter, I just took the two of you to a place, and the others are also immersed in cultivation!”

David said hastily!

Jin Dong looked around, and found that the other people were also soaking in the water without moving!

“Mr. Chen, where are you taking us?”

Luo Xi asked suspiciously!

“Come with me, you will know when you get there!”

After David finished speaking, he led the way and let Jin Dong and Luo Xi follow behind!

Soon, David passed through the dimension of space, and brought Jin Dong and Luo Xi to the old man!

Seeing the old man who suddenly appeared and the light array, the two of them froze on the spot, looking very surprised!

“Senior, I brought them two.”

David said to the old man!

“Mr. Chen, what are you doing?”

Jin Dong asked with a confused face!

“You two don’t have to be afraid, this is the senior of your blood demon clan, but it was sealed here during the war between gods and demons.”

“The blood soul orb you got is the dantian of this senior. I brought you two here. It is this senior who wants to teach you the pure blood demon skill. In this way, you are practicing the blood demon skill. , you won’t get bloodthirsty anymore.”

David followed Jin Dong and Luo Xi to explain!

When the two heard that the old man in front of them was the senior of the Gorefiend clan, they were immediately overwhelmed with excitement, and they all stepped forward and bowed down!

Chapter 3140

The soul blood

old man looked at Jin Dong and Luo Xi with a smile on his face, like a kind elder!

Looking at the old man's smile, David would never believe it. This old man is a heinous person. Although he is a demon, he is definitely not bad!

Everyone's origin cannot be controlled and controlled, but what kind of person to be, but it is one's own choice!

"You two get up, I will pass on the pure blood demon skill to you two now, I hope you two can carry forward the blood demon clan." "One

more thing to remember, although we are demon clan, there is no way to change My own blood, but you must not indulge yourself and do things that are harmful to nature because you are a demon, otherwise I will not let you go under the nine springs." The old man said to Jin Dong and Luo Xi

!

"Senior, don't worry, although the world regards us as enemies, we will never harm any monk without reason. This is also our master's teaching." "Senior, I will

return the Blood Soul Orb to you right away. This Blood Soul Orb, can you break free here?"

Jin Dong hurriedly took out the Blood Soul Orb, intending to return it to the old man!

After all, this blood soul orb is the dantian of the old man. If a monk loses his dantian, he will be useless!

“No need, this is God’s will. This blood soul orb can only be used to its greatest value when it is in your hands.” “

I have been sealed here for thousands of years, and I should have perished long ago. Fortunately, there is blood in the blood tank above. It keeps flowing, and I rely on this little energy to support me until now.” “

Now that I pass the Blood Demon Kungfu to you two, I can die without regret, you two come over...”

The old man turned towards Jin Dong and Luo Xi beckoned!

The two slowly approached the old man, and then the old man spat out many formulas, which turned into rays of light and entered the sea of consciousness of Jin Dong and Luo Xi!

I don’t know how long it took before the old man listened to it slowly. It is obvious that the old man is quite tired at this time, and he seems to have aged a lot in an instant!

Jin Dong and Luo Xi slowly opened their eyes, followed by surprise in their eyes!

“This...is this the pure Blood Demon Kungfu? It’s so different from what I practiced.” “

It turns out that what I practiced was always wrong, no wonder I got bloodthirsty.”

Luo Xi was surprised Her eyes widened, she realized now that the blood demon kung fu she practiced was wrong and fake!

“You two are good at cultivating this blood demon art. Don’t pass it on to the vicious people, otherwise you will lose your life!” The

old man warned the two of them!

“Senior, don’t worry, we will always remember the teachings of senior!”

Jin Dong and Luo Xi hurriedly said!

The old man looked at the two and smiled slightly. He seemed to see the hope of their blood demon clan!

The old man looked at David, and then waved: “Junior, is there anyone missing when you come to this island?” “

Yes, one of my female friends is missing!”

David nodded hurriedly!

“Now you should know why your friend disappeared?”

asked the old man!

David nodded again: “She should have entered another dimension, so it seemed as if she suddenly disappeared beside us.” “

However, on that island, how can we penetrate another dimension of space and find her?” What about it?”

David knew that there are powerful fairy and demon remnants everywhere here, and they can create their own spatial dimensions at will!

But how to enter the opponent’s space dimension, this made David a little puzzled!

“I’ll give you a drop of soul blood. With it, you can travel through the dimension of space and meet your friends.” “

But on the small island, there is only the remnant soul of the bone cliff. This guy somehow escaped from the prison. ran to the island.”
