Chapter 3151

Qin Lei tried his best to use the tortoise training technique, his forehead was already covered with cold sweat, but he found that the holy tortoise that David and the others were sitting on was indifferent and quieted down!

“Damn it, let’s use the tortoise training technique together to make this holy tortoise submit to us...”

Qin Lei ordered loudly!

Soon, dozens of people from Cloud Piercer began to use the tortoise training technique, trying to tame the holy tortoise!

A series of piercing and weird sounds kept echoing in the ears of the holy tortoise!

The holy tortoise began to become restless again, and his body was swinging more and more, causing David and the others to be thrown off!

Seeing this, David immediately cast the mantra of clearing the heart, and a holy and clear voice came into the ears of the holy turtle!

The heart-purifying mantra made the holy tortoise’s restless heart calm down instantly!

No matter how Qin Lei and others used the tortoise training technique, the holy tortoise that David sat down was not restless!

After a while, Qin Lei and the others were all sweating profusely, but they failed to tame the Holy Turtle that David sat down on!

“It’s a joke to want to tame my holy tortoise with your abilities.” “It’s

not rude to come and go. Today I will show you how I tamed the holy tortoise.”

After David finished speaking, the blood in his body The power of the dragon burst out instantly, and the dragon crystal on the chest shone with light!

Behind David, a vision appeared, and golden lights shot up into the sky!

Seeing this scene, everyone in Cloud Piercer was startled!

Soon, a dragon figure slowly appeared in the golden light behind David!

With a roar, the golden dragon appeared.

The golden dragon hovered above David's head, making the sacred turtles that Qin Lei and the others were riding on all start to tremble!

Qin Lei and others looked at the golden dragon in front of them, their eyes widened, and they were stunned!

“Go...”

David waved his hand!

The golden dragon roared, and spewed out a mouthful of terrifying dragon energy towards Qin Lei and the others!

Although these dragon auras can't hurt people, the holy tortoise sitting down by the people from Chuanyunmen immediately panicked when they felt this dragon aura, and suddenly rolled over and went straight into the deep sea to escape!

All the people from Chuanyunmen fell into the sea of ink. No matter how they shouted, those holy tortoises ran away without looking back!

What kind of tortoise training technique, in front of this golden dragon, even if the holy tortoise's father is here, those holy tortoises will run away without hesitation!

This is the golden dragon, the head of the dragon clan, the lord of ten thousand heads, just a small holy tortoise, how dare he act wildly in front of the golden dragon!

Seeing Qin Lei and others fall into the water, Ji Lianzhan finally burst out laughing!

Falling into this sea of ink, if there is no spirit ship around, then you can only wait for death slowly!

Waiting for the monsters in the ink sea to kill them one by one!

This process of waiting for death is more painful than dying directly!

The Cloud Piercer disciples who fell into the water were all panicked, struggling desperately to climb onto the back of David's holy turtle!

But the Holy Turtle gently patted the water surface, knocking these people out!

Qin Lei also panicked at this moment, and hurriedly followed Ji Lianzhan to admit his mistake.

"Sect Master Ji, I was wrong, I was really wrong, please help me, I am willing to return the airship to you, and I will also give you compensation, whatever the compensation is!" Qin Lei just wanted to survive now, so

spent Any amount will do!

But Ji Lianzhan smiled coldly: "Qin Lei, so many disciples of my Feitian Sect have died, can they be bought with money?"

"You deserve what happened to you today..."

Seeing that Ji Lianzhan was indifferent, Qin Lei could only focus on David!

People who can erupt visions and draw golden dragons are definitely not ordinary people, so Qin Lei begged for mercy: "Fellow Daoist, Dad, please save me, save me, I am willing to give all my shares in Chuanyunmen Here..."

In order to survive, this Qin Lei actually started calling David's father!

"I'm not as big as you, so enjoy yourself here..."

David smiled lightly, and then directed the Holy Turtle to swim away!

Chapter 3152

Nonsense

just as David and the others walked not far away, they heard screams coming from behind them!

Looking back, I found that these people from Chuanyunmen were being chased and killed by monsters in the ink sea, and a large amount of blood stained the sea!

The smell of blood attracted a large number of monsters, those people from Chuanyunmen could only run for their lives desperately!

But in the sea of ink, how could they escape from the jaws of monsters!

The screams gradually disappeared, and dozens of people from the Cloud Piercer Sect were all buried in the mouth of the monster!

Seeing the bloody scene, Gao Qilan dared not look directly, after all, she had never seen such a bloody side!

David had a calm expression on his face. In this world of heaven and earth, the law of the jungle is the law!

If it wasn't for their strong strength, they would be the ones being hunted down by monsters in the sea of ink now!

The Holy Turtle swam towards the shore quickly!

But on the shore at this time, Ye Fengqing and Zhou Tai had already landed, and behind them were hundreds of people!

In addition to the members of the Demon Sealing League, these people also included members of the Zhou family, and a large number of other monks who were bewitched by Ye Fengqing. Ye Fengqing summoned these monks on the grounds of strangling the demons.

In fact, they were there to intercept and kill David on the shore. Now David is with Jin Dong and Luo Xi. These two people are demons, so he can also call David a demon cultivator.

David made them embarrassing and humiliated, neither Ye Fengqing nor Zhou Tai would let David go!

As soon as they landed, they gathered their men and waited quietly for David!

Although there are many masters around David, like Ji Lianzhan and Moshan Guilao, who are all masters of the Tribulation Realm, but Ye Fengqing's Demon Sealing League also brought several masters of the Tribulation Realm!

There is also the Zhou family, Zhou Tai directly invited all the elders of the Transcending Tribulation Realm in the family, one must know that the status of these elders in the Zhou family is not inferior to him, the young master of the Zhou family!

It took a lot of talking and talking for Zhou Tai to invite these elders!

In this way, the combined strength of the Zhou family and the sub-helm of the Fengmo League will far exceed David's side!

If David hadn't dealt with those people from the Cloud Piercer Sect and had delayed for some time, he might have been able to land early and leave, but now it's going to be very difficult for him to leave!

"Damn it, why haven't you come yet? This guy won't be riding a holy tortoise to escape from somewhere else?"

Zhou Tai looked at Mo Hai and found that David and the others were not there yet, so he said!

"I'll take someone to take a look at the spirit boat. If this guy dares to run from other places, I will use the spirit boat to force him ashore.

" Boat!

"Leave the boat and find that kid named David for me. If that kid wants to escape from other places on the holy tortoise, I will hit him with the spirit boat." Ye Fengqing boarded the spirit boat, facing a

body The staff in gossip robes said!

Seeing that Ye Fengqing was going to deal with David, the staff member couldn't help but look ugly and said: "Master Ye, I... I think you should not provoke that David, that guy is not something you can provoke." When Ye

Fengqing heard this, he became angry immediately, and slapped the staff severely!

He is a strong man in the tribulation realm, how could he not be the opponent of David, a monk in the fitness realm?

Even if David's strength improved very quickly this time, from the fifth rank of the Composite Body Realm to the eighth rank, that is still the Composite Body Realm, how could he compare with his masters in the Tribulation Realm?

"Damn it, what nonsense are you talking about? I'm a majestic master of the Tribulation Realm, and I'm still afraid of him being a little monk of the Composite Realm?"

"Besides, when have we ever been afraid of the Demon League? How powerful is he, I can't afford to provoke him?"

Ye Fengqing yelled at the staff member viciously!

The staff member covered his face and said with an aggrieved expression: "Master Ye Duo, although David is a cultivator of the Composite Body Realm, the strength he displayed is beyond the reach of ordinary Tribulation Transcendence Realm powerhouses."

Chapter 3153

"I saw with my own eyes that he controlled Lei Jie, beheaded a silver-feathered eagle, and even fought alone, defeating the remnant soul of a man-eating ancient monk. "

That scene was simply earth-shattering. The disappearance of the small island was caused by David fighting with the remnant soul of an ancient monk." The staff on the spirit

ship witnessed David's might with their own eyes, and now let him go to work with David. Yes, how dare he.

“You fucking fart, do you think I’m stupid? That kid is just a monk in the fit state. He’s awesome, how can he be awesome?”

” ?”

Ye Fengqing didn’t believe what the staff member said!

In his cognition, it is impossible for a monk in the body-fitting state to be better than the tribulation-crossing state. “Yes, it’s a dragon-tiger fight. Then David summoned a golden dragon, which

directly overwhelmed more than 80 tigers.”

.”

The staff gestured!

At this moment, Ye Fengqing’s face was already flushed with anger, and he slapped him, blowing the staff’s head off!

The body flew straight into the ink sea!

“Damn it, you dare to tease me, you are looking for death...”

Ye Fengqing spat hard!

He thought that the staff member was teasing him and even summoned the golden dragon, which is simply nonsense!

Ye Fengqing slapped the staff member to death, and the other staff members trembled in fright. What they said was true, but none of them dared to speak anymore!

“Go and sail the boat for me, whoever dares to deceive the public with false words, I will shoot him to death...”

Ye Fengqing yelled at the rest of the staff!

Those staff all lowered their heads, but none of them dared to sail!

If they really sailed to find David, none of them would come back alive!

David shocked them too deeply!

Especially at the moment when the golden dragon appeared, David was like a god descending from the earth. They ants, how dare they provoke the gods?

Seeing that none of the staff moved, Ye Fengqing was stunned for a moment. You must know that this has never happened before!

“I let you sail the boat, can’t you hear me?”

Ye Fengqing roared angrily again!

But those staff members remained motionless, with their heads lowered, as if they were waiting for a trial!

They would rather be slapped to death by Ye Fengqing than face David and follow David against him!

At that time, I am afraid that I will die miserably!

“Ah...”

Ye Fengqing became anxious, and suddenly slapped him!

The strong wind howled, and instantly knocked a staff member into the air, and his body exploded in mid-air, turning into a cloud of blood mist!

“I order you now, set sail for me right away...”

“Otherwise, you will all be like him!” Ye Fengqing threatened the staff!

But even with such a threat, those staff members remained motionless, and no one set sail!

“Ah... ah... ah...”

Ye Feng began to circle on the boat with a clear air!

In front of so many people, he, the sub-master of the Sealed Demon League, was actually provoked by the lowest boatman!

This made Ye Fengqing almost pissed off!

All the aura from Ye Fengqing’s body burst out, and terrifying auras surrounded Ye Fengqing’s body!

The originally calm ink sea also began to surge with huge waves at this moment, slapping on the shore one after another!

“You dare to challenge my majesty, I will let you all die...”

Ye Fengqing was so angry that he wanted to kill all the staff!

“Master, calm down, there are so many people watching, and the David you mentioned seems to have come over!”

At this time, a master of crossing the tribulation realm from the sub-helm of the Sealing Demon League walked up to Ye Fengqing and whispered in Ye Fengqing’s ear!

Chapter 3154

Ye Fengqing looked up after hearing this, and sure enough, he saw David from a distance, coming slowly on a holy tortoise!

Seeing that Chen Pingping and others were coming, Ye Fengqing put away his outburst breath, then glanced coldly at the staff and said, “I will settle accounts with you later...” After speaking, Ye Fengqing led the

people back to the On the shore, waiting for David to go ashore!

“Mr. Chen, look at those people on the shore, they must be the ghosts of Ye Fengqing and Zhou Tai, and they will probably be bad for you!”

Ji Yun saw from a distance that the people on the shore were all people, so he reminded David!

“These two guys are deflated, and they will definitely not let it go.”

“Whether it is the sub-helm of the Demon League or the Zhou family, their strength is not weak. Otherwise, let’s change direction and go ashore from other places?”

Ji Lien Chan looked at those people on the shore, so he said!

“No, the soldiers come to cover up the water and the earth. It’s a blessing or a disaster. It’s a disaster that can’t be avoided...”

David's face was calm!

After being promoted to the peak of the eighth rank of the Fit Body Realm, David's mentality also changed a lot!

David doesn't pay much attention to the newly promoted monks who are now in the Tribulation Realm!

"Mr. Chen, don't worry, no matter what, I will always protect Mr. Chen."

Moshan Guilao said firmly!

"Mr. Chen, I think my junior sister and I should go down here. We have landed now, and the two of us can swim up." "Now our two

demon identities have been exposed, so if we are with you, we will It hurts you."

"That Feng Momeng and the Zhou family will definitely use this as an excuse to trouble you."

Jin Dong followed David and said!

"Just stay with the two of you and don't have to think about it so much." "

What's wrong with the demon race? There are good and bad demon races, and there are treacherous villains in the human race. I never judge a person by race."

"When I meet those demon cultivators with good intentions, should I help or help them, and when I meet those heinous human monks, should I kill or kill them." "I

will not be swayed by the public consciousness of the heavenly and human world."

David comforted With Jin Dong!

David's words moved Jin Dong and Luo Xi so much that they almost cried!

After all, the demons are hiding everywhere in the world of heaven and man, hiding their identities, just like rats crossing the street!

Although they are demons, they have never done any bad things, and they have always been taught to be generous and kind!

Even when Luo Xi got bloodthirsty, every time Jin Dong donated his own blood to relieve Luo Xi, he never thought of arresting other people to bleed him!

The old Moshan ghost's eyes were full of reverence and admiration for David!

“Mr. Chen is right. In fact, the name of the demon race should have been rectified a long time ago, and not all the demon race are heinous.” “

Among the monks of the human race, some are even worse than animals.”

Ji Yun also agreed with David's statement!

During this period of time following David, Ji Yun's thoughts were subtly changed by David!

Even Ji Lianzhan is starting to change!

Although Ji Lianzhan did not take the initiative to hunt and kill Moxiu in the past, he never allowed Moxiu to take his own airship!

He still wears colored glasses for Moxiu!

But this time, Ji Lianzhan's views on Moxiu are also slowly changing!

Soon, the holy tortoise swam to the shore. After David and the others landed, the holy tortoise made a whining sound!

David knew that this was the Holy Turtle saying goodbye to him!

After the holy tortoise surrendered, David had a soul-soul connection with the holy tortoise. As long as David needed the holy tortoise, the holy tortoise would sense it immediately!

Now that David has landed, there is no need for the Holy Turtle!

David touched the holy turtle's head, patted it lightly and said, “Let's go, if you need it, I'm calling for you...” The

holy turtle nodded as a response, then turned around and swam away !

Chapter 3155

After raising his arms and shouting for the Holy Turtle to walk away, David led Ji Yun and the others towards Ye Fengqing, Zhou Tai and the others!

Although there were hundreds of people on the other side, David didn't panic at all!

On the contrary, Ji Yun, Jin Dong and the others all raised their vigilance and put their hands on their weapons!

Seeing David and others approaching, Ye Fengqing sneered, and Zhou Tai looked straight at Gao Qilan.

Now as long as David is killed, then Gao Qilan will be his!

This guy has never given up on Gao Qilan, otherwise he wouldn't have wanted to kill David!

Just after David and the others walked in front of Ye Fengqing, Ye Fengqing took a look, and then set his sights on Moshan Guilao and Ji Lianzhan!

“Old Ghost, I, Fengmomeng, was ordered to arrest Moxiu again, and I hope you don't get meddled and leave immediately!” “

And Sect Master Ji, your Feitianzong has always been doing business to make money, so this trip into troubled waters, I'm going I hope you don't bother.”

Ye Fengqing said to the two of them!

“Master Ye Duo, do we have magicians here?”

Ji Lianzhan asked!

“Of course, these two people are Moxiu. We saw them all when we were on that small island.” “

Now David is colluding with Moxiu, so I advise you to stay away from him!”

Ye Fengqing pointed at Jin Dong and Luo Xi said!

“Yes, we have all seen it, these two guys are demon cultivators.”

Zhou Tai echoed from the side!

There are also several monks who only recognize Jin Dong and Luo Xi as demon cultivators!

“They are demon cultivators, so what? Even if they are demon cultivators, don’t they deserve to die?”

“Although they are demon cultivators, they have never harmed anyone. But you, the Demon Cultivator League, under the banner of suppressing demon cultivators, have raised a large number of demon cultivators for your use, wishing to rule the entire heavenly and human world.” “Speaking of

it , your Sealed Demon League is more terrifying than these demon cultivators!”

David looked at Ye Fengqing coldly and said!

Ye Fengqing’s expression changed suddenly, and he looked at David with surprise in his eyes!

You know, this is their secret of the Sealed Demon League, only the upper echelons of the Sealed Demon League know this secret, and the people below the Sealed Demon League don’t know it at all!

Now that David actually knew that the Demon Sealing League raised demon cultivators in captivity, it didn’t mean to kill all the demon cultivators, which surprised Ye Fengqing!

But it was only a short-lived surprise, and then Ye Fengqing laughed loudly: “What are you talking about? Why can’t I understand? You said that we in the Sealed Demon League raise demon cultivators in captivity, it is a big joke.” “Who doesn’t know

, We, the Demon League, take eliminating demons and defending Dao as our duty, and following the demon cultivators will not share the sky, so how can we raise demon cultivators in captivity!” “

It’s you, what is your plan to protect these two demon cultivators everywhere?”

Ye Fengqing was not afraid of David's words. Reveal the secret of the Demon League, because no one will believe it!

After all, the Sealed Demon League has existed for so many years, and it has grown a little bit because of the Sealed Demon League's ruthless methods against demon cultivators, so many people voluntarily joined the Sealed Demon League.

Now it is said that Fengmomeng and Moxiu are in the same group, and they keep Moxiu in captivity, how could anyone believe it!

"I don't have any plans, but as long as I'm still here, neither of them can move."

David's face was calm, as if the hundreds of monks were not in his eyes at all!

Hearing David's words, Ye Fengqing's smile became even brighter. In this way, David completely pushed himself to the opposite of those other monks!

Openly defending demon cultivation, this is not allowed in the world of heaven and man, it is a taboo!

"Fellow daoists, you have heard, right? This David defends the demon cultivator in public. This is obviously an enemy of all our monks.

", then destroy them together."

"I also hope that fellow Taoists can join us in the Sealing Demon League to eradicate all demon cultivators!"

Ye Fengqing flashed those monks who were tricked!

"Eliminate the demon cultivator, eradicate the demon cultivator..."

Hundreds of monks waved their arms out of righteous indignation!

The voice was loud enough to be scary, and the slight aura was enough to scare people!
