Chapter 3171

When I came back,

there was no order from Yihe, but the general couldn't help it, opened the city gate and rushed out!

Their blood is aroused, and they need to kill to vent!

Looking at the soldiers who rushed out from the Demon Imperial City, Li Xing was a little stunned!

He couldn't believe that this was actually a soldier from the Demon Imperial City!

You must know that these soldiers were bullied by Huben, where there is no blood, those who have blood have been killed by Huben long ago!

But now, these soldiers of the Demon Imperial City, who seemed cowardly at first, showed a fearless spirit at this moment!

Li Xing didn't have time to issue the retreat order, and the tens of thousands of people exploring the way were instantly wiped out!

The soldiers of Demon Imperial City waved their weapons like crazy!

Not afraid of life and death, not afraid of bloodshed...

For a moment, the soldiers in Mingli King's City were so killed that they abandoned their helmets and armor and retreated one after another!

Looking at all this, Yihe felt relieved in his heart!

But he knew that this brief stimulus caught King Li by surprise, but it will definitely become more and more difficult in the future!

Yihe ordered the soldiers to return to the city, because when King Li reacted, none of the soldiers who rushed out would come back!

Under the Demon Emperor's City, calm gradually returned!

Only the corpses all over the mountains and plains, telling that this place has just experienced a fight!

The setting sun shone on the bright red blood, bursting with red light!

A few crows hovered in the air, making piercing calls!

After the bloody breath, what it brings is sadness!

Looking at the corpses there, every soldier's heart was shrouded in clouds!

"Dad, let's go back and rest. It's getting dark, and it's probably not easy to attack Mingli King City."

Yisha said softly!

But Yihe stood motionless, and all the dead below were his people!

Yihe was deeply saddened!

Seeing that Yihe didn't move, Yisha stayed by her side, looking at the corpses under the Demon Imperial City motionlessly!

I don't know how long it took, but it was completely dark!

A full moon hung high, illuminating the land, as if a layer of silver frost had been sprinkled on the land!

"Dad, look what that is?"

Yisha suddenly noticed that in front of the full moon, a shadow was flying towards them!

At the same time, Li Xing on the top of the mountain also found the shadow in mid-air!

"Dad, there is a situation..." Li Xing shouted loudly!

King Li came out of the tent, looked up, and found a huge airship in midair!

“Airship?” Li Wang frowned slightly: “How could there be an airship here? In this area, only the Flying Heaven Sect has an airship, but the Flying Heaven Sect’s airship should not fly here?” Li Wang was

very Wondering, I don’t understand why an airship suddenly appeared!

“Do you want to shoot down the airship?” Li Xing asked!

But King Li waved his hand: “Look and tell me, who the hell is driving the airship here!”

You know, the airship is a rare thing, not everyone can own it!

In addition to the high cost of the airship, it also requires high technical and resource support!

Even if they knew Li Wangcheng, they couldn’t build an airship. Li Wang felt that he would not be an ordinary person if he could own an airship, so he didn’t dare to act rashly!

If at this juncture, offends any sect family, then the loss outweighs the gain!

Li Xing and Li Wang watched helplessly as the airship flew towards the sky above the Demon Imperial City!

But at this moment, Yihe, who was standing on the city wall, finally had a smile on his face when he saw the airship getting closer and closer!

“Mr. Chen, this should be Mr. Chen’s return...”

Yihe understood very well that David was with Ji Yun of the Feitian Sect.

So if David came back as an airship, he wouldn’t be surprised at all!

“David? How could he still come back by airship? Doesn’t this airship have a fixed route?”

Yisha was a little curious and didn’t understand what David had to be able to come back as an airship.

Chapter 3172

The only way

Yihe smiled lightly, didn't say anything, but stared at the airship in the sky!

The airship slowly flew over the demon imperial city, and David also saw the soldiers on the city wall waiting in full force!

"Mr. Chen, what happened here? Look at the corpses all over the floor. Could it be that there was a war?"

Ji Yun looked in front of the Demon Imperial City, and couldn't help being surprised by the mountain of corpses and sea of blood!

The scene he had seen was nothing more than a battle between two sects, and hundreds of people were killed or injured, which is not a lot!

But in the scene before him, there were as many as tens of thousands of corpses, and the corpses had piled up into a hill!

It was simply too bloody and terrifying!

Gao Qilan couldn't help vomiting when she saw this scene!

David frowned slightly, and his face became extremely serious!

He knew that there was only one possibility for such a thing to happen, and that was Mingli Wangcheng launching a war against Yaohuangcheng!

This kind of scene will only appear in the war between two cities!

"Ji Yun, drop the airship immediately..."

David ordered to Ji Yun!

Ji Yun nodded, and saw the airship drop towards the square of Demon Imperial City!

In Demon Imperial City, many people had never seen an airship before, so they surrounded it one after another!

Seeing this, Yihe took Yisha and ran down the city wall in a hurry!

Seeing David coming out of the airship, Yihe's eyes were full of excitement and said: "Mr. Chen, it's really great that you are back..."

Yisha looked at David, looking very strange, because she found that David's aura had changed a lot!

"What happened?"

David asked Yihe!

"Mr. Chen, let's talk about it in the palace..."

After Yihe finished speaking, he ordered Isha to send someone to take care of the airship.

After entering the palace, Liu Ruyan, Yu Jiameng, the third elder and the others all rushed over when they heard that David was back!

After exchanging pleasantries for a while, Yihe said to David: "Mr. Chen, today the Mingli King City launched an attack on our Yaohuang City. Although it was only a tentative attack, we also suffered a lot of losses." "Lang Feng's

wolf The entire ethnic group died in battle..."

Speaking of this, Yihe's face was full of sadness!

When David heard that Lang Feng had died, he couldn't help but frowned, his eyes lit up with murderous intent!

"With the strength of Yaohuangcheng, can it withstand the attack of Mingli Wangcheng?"

David asked!

Yihe shook his head: "During the time when Hu Ben occupied the position of the Demon Emperor, many people in the Demon Imperial City were killed and many people fled, which greatly reduced the strength of the Demon Imperial City.

"Attacking is almost impossible, unless there are reinforcements to help!" "

But in the world of heaven and earth, there will be no one to help, but I have already asked Miss Huofeng to inform other king cities, as long as these people are willing to send troops, then King Li will surely They will retreat.”

Yihe told David about his plan!

Although this plan is good, David still sees the risks involved!

If the other imperial cities came and directly swallowed Yihe and followed King Li, then both of them would be in danger!

The reason why the current Three Sovereigns and Four Kings maintain a balance and no one dares to attack the Yaohuang City and Mingli Wangcheng is that the distance is far away, and the Yaohuang City and Mingli Wangcheng are in a cooperative posture. Will rush to help!

Therefore, other imperial cities or royal cities are not confident enough to deal with both of them at the same time!

But now that Mingli King City and Yaohuang City have become hostile, other people can take advantage of it and annex Yaohuang City and Mingli King City one by one!

There is another possibility, that is to recruit people from other Wangcheng, maybe they will unite with Mingli Wangcheng, swallow the Yaohuangcheng together, and share the spoils together!

This is also something that may happen, so we have to guard against it!

Yihe also knows the pros and cons of this, but apart from this method, he really can't find any other helpers!

Chapter 3173

David fell into deep thought. It seems that David can't find any helpers in this world of heaven and man!

Now apart from the Gao family and the Jialing County who might be able to help, no one will help him!

But Gaojia and Jialing County are both too far away, and water from afar cannot quench the thirst of those nearby.

At present, we can only rely on Demon Imperial City's own strength to stop Mingli Imperial City's attack!

"Now we must find a way ourselves, and we cannot place all our hopes on others." "

How much do you know about the true strength of the Mingli King's City?" "

Now that the army of the Mingli King's City has been dispatched, what is the situation in the Mingli King's City? Are you just guarding the void?"

David asked Yihe!

"This time King Li personally led the team and mobilized most of the personnel in King Mingli's city. The guards in King Mingli's city were indeed empty." "Could it be that Mr. Chen

wants to attack King Mingli's city and force King Li to Return support to resolve the crisis in the Demon Imperial City?"

As soon as Yihe heard David ask this, he knew what David was planning!

"Not bad!" David nodded!

"Mr. Chen, your idea is indeed a good one, but it's a pity that the entire Demon Imperial City is now surrounded by the Mingli Royal City army, and even the secret passage is guarded by troops from the other side. We can't get out at all!" "We can't do without Demon Imperial City

! , how to attack the Mingli King's City?"

Yihe also knew this method, but he couldn't send any soldiers out!

"There must be a way. Let's all get some rest tonight. Tomorrow, King Mingli will definitely attack again."

David didn't figure out how to leave the Demon King's City at this time, so that King Li wouldn't find out, so he asked everyone first Rest and think of a solution slowly!

Yihe nodded, and then took Isha to rest!

David did not go to rest, but took Ji Yun directly to the city wall!

Looking at the mountain of corpses and sea of blood under the city wall, David knew that tomorrow's battle would definitely be crueler than today's!

Although his strength has improved a lot, facing tens of thousands or even hundreds of thousands of people fighting, his strength alone is really insufficient!

David also wanted to capture the thief first and capture the king first, but King Li was not weak in strength, and there must be many experts protecting King Li!

It would probably not be easy for David to break into the enemy camp and capture King Li!

“Mr. Chen, there are spiritual lights flashing around the Demon Imperial City. It's obvious that a formation has been set up, so Mr. Chen doesn't need to worry too much.” Ji Yun

looked at the spiritual lights flashing around the Demon Imperial City. It was obvious that a formation was set up . !

And for a city like Demon Imperial City, the large formations surrounding it are certainly not weak and cannot be broken through easily!

David had long discovered the formation around the Demon Imperial City, but this formation was not very powerful and not strong!

“Although there are formations around the Demon Imperial City, they are only defensive formations, and they are not particularly strong. They will definitely be breached tomorrow.”

David said with a frown!

“What should we do? Without the protection of the formation, the walls of the Demon Imperial City will not be able to stop the army of Mingli King City at all.”

Ji Yun said in a panic after hearing what David said!

You must know that all the troops in Mingli King's City are transformed into monsters. Except for the formations that can block them, this tall city wall can be easily overcome!

This city wall can only stop ordinary people. It is impossible to stop the army of Mingli King City!

"You follow me out of the city, I need to set up a big formation, you help me protect the law..."

David said to Ji Yun!

"Okay!" Ji Yun nodded!

Then the two of them jumped up and headed straight outside the Demon Emperor City!

After David chose the position, he asked Ji Yun to stand aside to protect the law, but David himself took out a few talismans from his body and began to set up the magic circle!

What David wants to set up is a killing formation. The defensive formation alone cannot stop the army of Mingli King City at all!

Chapter 3174

I saw David throwing the talisman in his hand into the air, and a few flames suddenly flashed, and then the talismans slowly fell in all directions!

David muttered: "One breaks the path to the plague, the other breaks the gate to the plague, the third breaks the way for humans, the fourth breaks the ghosts who have no way." Then

David waved his hands, and a golden light was thrown out in all directions!

The burning spells all burrowed into the ground like gophers!

Soon, calm was restored, and the scene was still the same as before, as if nothing had happened!

Ji Yun watched David set up the formation, his eyes turned red with envy again!

He couldn't understand why David was so strong. He didn't understand it yet!

Could this be talent!

And while David was setting up the formation, Li Xing was watching quietly on a boulder not far away!

"Sir, someone has come out of the Demon Imperial City. There was a flash of light just now. I don't know if they came out to collect the corpses or set up a trap." "Should

we report to King Li for his decision?"

A general in general uniform asked Li Xing in a low voice. !

"No, father is already asleep, don't disturb him with such a trivial matter, let's go and have a look..."

Li Xing said with a wave of his hand!

"Sir, King Li said that you will not be allowed to get close to the Demon Imperial City. If there is any danger, you will be in trouble."

The general persuaded Li Xing!

"What danger can there be? Apart from Na Yihe, there are no masters in the Tribulation Realm in Demon Imperial City. What should we be afraid of?" "

As long as Na Yihe doesn't leave the city in person, no one can do anything to me."

Li Xing's face was filled with confusion . confidence!

"My lord, I think it's better to report to King Li."

The general didn't dare to take responsibility, if something happened to Li Xing, then he wouldn't even think about surviving!

"Trash, coward, you are still a general."

“You are at the peak of the Fusion Realm. How scared are you.”

“If you don’t go, I will go myself...”

Li Xing cursed dissatisfiedly. Immediately, we are heading towards Demon Imperial City!

“Sir, you are too willful...”

Just when Li Xing was about to head towards Demon Imperial City, an old man wearing a white robe and a mustache suddenly appeared!

Directly blocking Li Xing’s path, his face was full of seriousness!

When Li Xing saw the person coming, he immediately became honest. He smiled awkwardly and said, “Elder Qi, why don’t you sleep at night?” “

I saw someone coming out of Demon Imperial City. I was afraid that they would set up a trap, so I planned to go there.” Take a look!”

“Even if someone comes out of the Demon Imperial City, you should report it first and don’t act without authorization. As the son of Mingli Royal City, if you are caught by the Demon Imperial City, they will use you to threaten King Li. “

“In that case, it will be very difficult for King Li...” Elder Qi reprimanded Li Xing!

Li Xing could only lower his head and did not dare to speak. It was obvious that Li Xing was afraid of this Elder Qi.

Seeing Li Xing’s attitude, Elder Qi was very satisfied, and then said: “You go with me, stay with me, even if you meet Na Yihe, I can let you escape safely!”

“Okay, let’s go

. Look...”

Li Xing nodded happily!

“You go to inspect, I will follow the young master to take a look...”

Elder Qi said to the general!

The general nodded repeatedly and then left. The status of Elder Qi seemed to be much higher than that of the general!

Elder Qi followed Li Xing towards Demon Imperial City!

David set up the formation and then checked it again. He found that it was not easy to detect, so he was ready to take Ji Yun back!

“Who.....”

But when David was about to tell Ji Yun to leave, Ji Yun suddenly yelled towards the jungle not far ahead!

David was shocked. Just now he was only focusing on setting up the formation and did not explore the surrounding situation. He didn't want anyone to get close. He didn't know it yet. Fortunately, Ji Yun was the protector and he was discovered!

Chapter 3175

At this moment, two figures walked out from the woods. When they got closer, David realized that the person who came was Li Xing, the son of Mingli King City !

When Li Xing saw David's face clearly, he couldn't help but sneered: “It turns out to be your kid. I thought you had left here long ago and would never come back.” Elder Qi next to Li Xing looked

at David and Ji Yun's eyes. I scanned it all over my body, and then a relaxed look appeared on my face!

Elder Qi didn't pay any attention to the strength of the two combined realms!

Li Xing felt a lot more relaxed when he saw it was David!

He knows David's strength. Even if David's strength has improved during this period, how much more can it be improved? He is still just a Fusion Realm monk!

Elder Qi next to him is a great monk of the third level of the Tribulation Realm. To deal with the Fusion Realm monks, it is simply a matter of a casual move!

“You come here at night, aren’t you afraid of being caught?”

David saw that Li Xing was so bold and dared to come to the gates of Demon Emperor City with just one person. He was simply arrogant!

“Caught?” Li Xing sneered: “Caught by who? Is there any master in the entire Demon Imperial City besides the Demon Emperor Na Yihe?” “

I brought the elders of our Mingli King City. With Elder Qi here, who can catch me in the entire Demon Imperial City?”

“Third-rank Transcending Tribulation Realm, really amazing strength, it’s terrifying...”

Ji Yun said On the side, looking at Li Xing’s sultry look, he couldn’t help but laugh!

With David’s current strength, it would be difficult to defeat a third-level monk in the Tribulation Realm!

This Li Xing actually dares to come here and show off!

“Who are you?” Li Xing looked at Ji Yun and asked!

“My name is Ji Yun, and I belong to Feitian Sect.” Ji Yun said coldly!

“It turns out he is the eldest young master of the Feitian Sect. No wonder an airship flew here.” “But

you, the Feitian Sect, did not do business, so why did you come to Demon Imperial City? Do you also want to get involved in our affairs?”

“Let me tell you, the matters between us and the Demon Emperor City are not something that you, the Feitian Sect, can interfere with.” “

I advise you to sit on the airship and go back, otherwise you will be destroyed together with the Feitian Sect.”

Li Xinghào He threatened rudely!

Li Xing didn’t pay attention to the small Feitian Sect at all. He could just send any general to lead his troops and he could raze the Feitian Sect to the ground!

How could a small sect be compared with their royal city!

“You’re already on the verge of death, and you’re still threatening me? That’s ridiculous...”

Ji Yun sneered, laughing at Li Xing who didn’t know yet that he was on the verge of death!

“I’m dying? Hahaha, don’t you think it’s ridiculous? I think you are the ones who are dying!” After

Li Xing finished speaking, he stepped back and said, “Elder Qi, arrest that David, Put him on the flagpole tomorrow and sacrifice the flag directly.”

Elder Qi nodded, then looked at David: “Boy, what are you two doing sneaking around here? If you say it, I won’t torture you. “

If you don’t say it, then don’t blame me for being rude...”

After Elder Qi finished speaking, the aura on his body shook suddenly, and the terrifying aura swept towards Ji Yun in an instant!

Ji Yun’s body was instantly knocked out, and then he fell heavily to the ground!

However, Ji Yun’s life was not in danger and he slowly got up!

Elder Qi wanted to scare David, so he attacked Ji Yun!

Seeing this, David asked Ji Yun, “Ji Yun, are you okay?”

“Mr. Chen, don’t worry, he won’t die...”

Ji Yun shook his head!

“It’s rude to come back without reciprocating. It seems that I should treat them like this...”

David smiled lightly!

Suddenly, the aura on his body burst out in an instant, and a terrifying aura rose into the sky!

Before Elder Qi could react, the terrifying aura headed toward Li Xing!

Li Xing was directly knocked away and fell heavily to the ground!

Chapter 3176

Li Xing climbed up from the ground with difficulty and looked at David in disbelief.

You must know that David is only at the Fusion Realm, how could he emit such a terrifying aura?

This is simply unreasonable!

Elder Qi on the side also had his eyes wide open, full of disbelief!

The aura that David erupted just now was no worse than his!

And it exploded so fast that he had no time to react!

At this moment, Elder Qi's eyes no longer had the contempt, replaced by caution and doubt.

He didn't understand how David, who was in the Fusion Realm, could emit such an aura!

Although in this world of gods and humans, there are also people with extraordinary talents who can burst out with aura that is more powerful than their own real realm!

But those are only very few people, and they don't go too far beyond the real realm!

But David, who was clearly only at the eighth level of the Fusion Realm, yet the aura he erupted was at the Tribulation Transcendence Realm. This was simply unbelievable!

"Now do you know who is about to die?"

Ji Yun asked happily when he saw that Li Xing was directly knocked away by David's breath!

Li Xing's face was ferocious and he didn't speak. He was frightened by the breath that David just burst out!

"Sir, let's go..."

Elder Qi had no intention of fighting with David and planned to leave with Li Xing!

Now he mainly protects Li Xing's safety. If Li Xing is caught, it will be a big deal!

Li Xing nodded, not daring to look down upon David, and prepared to leave with Elder Qi!

He found that the difference in strength between himself and David was too big!

Although he didn't understand what David had gone through during this period, Li Xing felt incredible that David's strength had grown so fast in such a short period of time!

"Leave?" David sneered: "You've already come, can you still leave?" There was

a touch of disdain on the corner of David's mouth. As for Elder Qi and Li Xing, David would not let them leave. of!

"Boy, if I want to leave, let's see who can stop me..."

After Elder Qi finished speaking, the robe on his body suddenly moved automatically without any wind. White smoke instantly filled the room inside the wide sleeve robe!

In just an instant, the figures of Elder Qi and Li Xing were covered by white smoke!

"Mr. Chen..."

Ji Yun saw this and wanted to rush forward to help David!

"Don't come over, this smoke is poisonous..." David hurriedly spoke up to stop Ji Yun!

David suddenly waved his palms, and a gust of wind suddenly blew up on the flat ground. The strong wind roared and the white smoke was blown away.

When the white smoke cleared, Elder Qi and Li Xing were gone!

“Why are there no people? I didn’t see them leave?”

Ji Yun rushed over with a look of surprise on his face!

He looked carefully from the side and didn’t see anyone rushing out of the white smoke!

Why did the two people disappear after saying they didn’t meet?

David glanced around, then suddenly stretched out a finger and gently touched the void in front of him!

In David’s origin space, the stars of the illusory origin flashed for an instant!

Feeling the fluctuation of his own fantasy source, the corners of David’s mouth raised slightly!

However, he did not show any expression, but said to Ji Yun: “These two people must have escaped through the smoke. Let’s go...” “

Mr. Chen, I did not see anyone escape from the smoke.” He left in the middle, how could he run away?”

Ji Yun still didn’t understand what David meant, so he asked in confusion!

“They will definitely be able to hide themselves. We can’t see them.”

“Run away if you run away. If you meet me tomorrow, I will make them look good.”

After David finished speaking, he turned around and prepared to return to Demon Imperial City!

Although Ji Yun looked confused, he planned to leave with him!

At this moment, Li Xing and Elder Na Qi were right in front of David and the others, but they couldn’t see it!

Chapter 3177

“Elder Qi, what are you doing? The two of us are clearly standing here, but they can’t notice us, and we can’t even feel our breath.” Li Xing

saw David . They were about to leave and couldn’t help but be surprised!

“Young Master, I use the Void Escape Technique. This is a technique passed down from our ancestors.” “

Not to mention a Fusion Realm monk, even a great monk at the peak of the Tribulation Realm. Us.”

“This technique has saved me many times, and never failed.” “

We just need to wait quietly for them to leave, and then we can leave.”

Elder Qi said with a proud face!

“Is there really not a single mistake?” As soon as Elder Qi finished speaking, David’s voice sounded from all directions!

Elder Qi and Li Xing were stunned at the same time. They looked around hurriedly and found that David was nowhere to be seen!

Not seeing his body but hearing his voice made the two people panic immediately!

Immediately afterwards, they saw ripples in the void in front of them, and David’s figure slowly appeared in front of the two of them!

Elder Qi’s void escape technique instantly collapsed and was exposed to David and Ji Yun!

“You’re too young to play hide-and-seek in front of me...”

David looked at Elder Qi with a mocking look on his face and said!

Elder Qi’s face changed drastically, and he was horrified in his heart. His void escape technique has never been seen through by anyone before, but today it was discovered by David. It is simply unbelievable!

“Boy, you are too crazy...”

Elder Qi slapped David with his palm, and the howling wind came instantly!

But this palm hit David’s body directly, but it penetrated David instantly and missed him!

David was just a shadow in front of him.

“Since you like hiding so much, I will hide with you for a while...”

David’s sarcastic voice reached their ears from all directions!

Elder Qi and Li Xing felt that the scene in front of them was constantly changing, and David’s figure began to appear from all directions!

“Ah...”

Seeing this scene, Li Xing went a little crazy and waved around desperately!

But it was of no use, Li Xing’s every palm hit was empty.

Elder Qi stretched out his hand to stop Li Xing, and looked around with a frown: “What a magic array, but we fell into it unknowingly...” “

Elder Qi, what should we do?”

Li Xing was a little panicked.

David’s figures appear from time to time around here. Even if they don’t attack him, they still scare him!

I was probably scared to death for a while, because I didn’t know where David would appear from next moment!

“Young master, don’t panic. What this illusory formation wants is to make us disorganize ourselves. As long as we calm down, we can break his illusory formation!” Elder Qi comforted Li

Xing and looked around with vigilant eyes!

Li Xing hid tightly behind Elder Qi, his body shaking like a sieve!

I saw Elder Qi making secrets with his hands, and a faint green light slid from Elder Qi's fingertips!

"Blood ghosts destroy souls, all ghosts kill spirits..."

Elder Qi shouted coldly, and formed seals with his hands continuously, and a dark green soul-inducing flag appeared in Elder Qi's hands!

The soul-inducing flag exudes a faint cold air, instantly making people's hair stand on end!

The soul-inducing flag in Elder Qi's hand exuded a faint green light, and bursts of shrill screams came from it!

Li Xing, who was hiding behind Elder Qi, was frightened when he saw this scene!

He has never seen Elder Qi use such a thing!

The soul-inducing flags danced continuously, and the magic array instantly turned into a green world.

"Broken..."

As Elder Qi shouted, the green world exploded and returned to its original appearance in an instant!

Only then did the two people see clearly that David and Ji Yun were watching them not far away.

Chapter 3178

"Hmph, it's just a phantom formation that wants to trap me. It's so ridiculous..."

Elder Qi snorted coldly!

David narrowed his eyes slightly and stared at Elder Qi!

“I didn’t expect that you are actually a demon cultivator. You are so well hidden that I didn’t notice it even if you exposed your presence.” David looked at

Elder Qi and said!

“Boy, now that you know my identity, you will definitely die.”

Elder Qi’s eyes flashed with murderous intent!

Li Xing on the side also looked surprised. It seemed that he didn’t know that Elder Qi was actually a demon cultivator!

“It seems that the demonic cultivators are really pervasive. They have a place to live in the orc king’s city.” “

Everyone calls for fighting the demonic cultivators, but everyone secretly colludes with the demonic cultivators to increase their strength. It seems that no matter whether it is the demonic cultivators, Clan, human race or beast race, they all look like birds!”

David said with emotion!

“Stop fucking nonsense, I will kill you first today and then talk about it...”

Elder Qi’s face was full of confidence at this moment!

Since he dares to reveal his identity, it proves that he has the confidence to kill David and Ji Yun. Otherwise, if his identity is exposed, he will definitely get into trouble!

After Elder Qi finished speaking, he waved the soul-inducing flag, and the entire battlefield was shrouded in a faint green light!

These rays of light slowly fell and attached to the dead corpses, and then all of the dead corpses slowly stood up!

Ji Yun was shocked as he watched hundreds of corpses come to life, each one coming towards him with a ferocious look!

He has never seen this horrific scene before!

When David saw this, he frowned slightly, and there seemed to be some doubts in his eyes!

David suddenly opened his hand, and the Dragon-Slaying Sword instantly appeared in his hand!

Then the Dragon-Slaying Sword suddenly swung forward, and a terrifying sword energy harvested forward like a sickle!

With this sword, dozens of corpses were cut in half, and they died again!

While these dozens of corpses were cut in half, traces of undetectable evil spirits emerged from these corpses and were immediately absorbed by David!

After this strike, a bright smile suddenly appeared on David's face. He didn't expect that his guess was right!

Just after the corpses were resurrected, David thought that Elder Qi might be of the Yin Demon lineage!

Especially the soul-attracting flag, with its bursts of Yin energy and chilling air, it is obviously a weapon only used by the Yin demon lineage!

Now that the sword was slashed down, the evil spirit of the Tao marks in the dead body made David even more convinced of this!

"Mr. Chen, you can still laugh at this...this scene?"

Ji Yun looked at the hundreds of dead bodies, slowly coming towards him, and didn't understand how David could still laugh!

"Why can't you laugh? These are all resources."

David said with a smile!

Although these dead bodies don't have much Dao pattern evil spirit, the mosquito legs are also meat!

After saying that, David's body instantly burst into flames, forming a protective shield around him, and he rushed directly into the group of corpses with the dragon-slaying sword in hand!

Every time the sword is struck, dozens of dead bodies will fall to the ground again!

David enjoyed all this, and the movements in his hands were flying like clouds and flowing water!

Elder Qi vigorously waved the soul-attracting flag, and the evil energy from the Dao pattern in his body was continuously injected into the soul-attracting flag, and then turned into pieces of faint green light, falling on the dead bodies!

Elder Qi knew that with the strength of these corpses, it was impossible to kill David, but one thing they could do was consume David's power!

Hundreds of corpses, fearless, rushed toward David. David would use all his strength to kill these corpses that had already died once!

When all the power in David's body is exhausted, he will be waiting to be harvested!

Elder Qi's calculation was very good, but he did not expect that David would kill these corpses, not only would he not consume the power in his body, but he would also absorb the evil energy of the Dao Mark and improve his own strength!
