Chapter 3201

“Ah...”

The two people screamed in pain!

But soon, under the erosion of the black mist, the two people turned into a pool of blood, and then quickly penetrated into the ground!

And those demon cultivators living underground in the main hall actually used this blood to practice!

“Leader, what should I do about David?”

the middle-aged man asked!

“Inform all branches to kill anyone who encounters David.”

“In addition, let the demon cultivators from the Soulless Palace track David. These guys have survived for so long under the protection of our Demon Sealing Alliance. It’s time to do your part and repay us.”

Zuo Tianzheng ordered to the middle-aged man!

“Okay, I’ll notify you right away!” the middle-aged man said, about to retreat!

But Zuo Tianzheng shouted: “Wait a minute...”

“Leader, do you have any other instructions?” the middle-aged man asked!

“Demon cultivators have been rampant in Tianmo Mountain recently, and I also heard that there is a newly discovered battlefield between gods and demons in Tianmo Mountain. There must be a lot of treasures.” “Many monks

and a few old guys from the orc tribe rushed to Tianmo Mountain, so I want you to take Xuan’er to Tianmo Mountain to practice.”

Zuo Tianzheng said to the middle-aged man!

The middle-aged man frowned slightly, and then said: “Leader, the road to the Demon Mountain is far away, and the situation is very complicated. If you ask the eldest young master to follow you, I’m afraid something will happen.”

“What are you afraid of? Just rely on us to seal the demons

. With the reputation of the alliance, no one dares to do anything to you. In addition, I asked you to go to Tianmo Mountain to capture some demon cultivators. As long as you don’t fight for any treasures, you will be fine.” After Zuo Tianzheng finished speaking, he

gently shouted: “Xuan’er, come out...”

Soon, a young man wearing a white gown came out, and then he bent slightly towards the middle-aged man and said, “Elder Chu...”

Seeing this, the middle-aged man could only say helplessly: “Since The alliance leader has decided. After I arrange things, I will take the eldest son and set off!”

“Okay!” Zuo Tianzheng waved his hand!

.....

Ning family in the Northern Territory!

Ning Caichen is packing his belongings and arranging family affairs in detail!

“Ancestor, everything has been arranged, but I still don’t recommend going to Tianmo Mountain, because it is too far away, and many monks also knew about the discovery of a new battlefield between gods and demons in Tianmo Mountain, and they all rushed there.”

“You haven’t completely recovered yet. With the strength of our Ning family, we probably won’t get much benefit from rushing over.”

Ning Caichen said to Ning Zhi!

And Ning Zhi has not moved around for a long time since he came to the heaven and human world and possessed the ancestor of the Ning family!

He has been restoring the strength of the ancestor of the Ning family, but relying solely on the resources of the Ning family, Ning Zhi knows that he will not be able to return to his peak state in the year of the monkey!

So he planned to go out for a walk and get familiar with the world of heaven and earth. Ning Zhi's ambition has not diminished just because he arrived in the world of heaven and earth!

Especially his hatred for David, he wanted to find out about David!

Ning Zhi doesn't know yet, but Ning Caichen is very familiar with David, and they even fought side by side!

"I asked you to go to Tianmo Mountain with me, not to discuss it with you, do you understand?"

Ning Zhi said coldly!

During this time in the Ning family, Ning Zhi has already become familiar with his identity, so the entire Ning family must obey his orders!

When Ning Caichen heard this, he was so frightened that he did not dare to speak anymore. He could only choose a few Ning family disciples to accompany him to take care of this ancestor on the way!

Ning Caichen knew very well that the Ning family was not even a big family in the Northern Territory!

What's more, they are going to Tianmo Mountain in the Southern Territory, and there is a middle continent in between. If they go to Tianmo Mountain with their strength, they probably picked it up from behind.

However, Ning Zhi insisted on going, and Ning Caichen did not dare to disobey, and could only serve him carefully. After all, whether the Ning family can develop in the future depends on this ancestor!

Chapter 3202

After killing Hu Yixiao, Jade Cauldron Sect returned to normal!

David was waiting for Huofeng to come back. If Huofeng really brought the other demon kings and beast kings of the orc clan, some disputes would be unavoidable!

No one expected that Mingli King City would perish so quickly!

Now that Yihe is in charge of two cities by himself, the other imperial cities will definitely be jealous, and maybe they will take advantage of Yihe!

So David has to wait and see. If the other Demon Emperors and Beast Kings really want to take action, David and Yi He don't have to be afraid!

If it's just Yihe himself, it's definitely not his opponent's!

"Mr. Chen, Demon Emperor Yihe is here..."

Nie Heng walked into David's room and said!

When David heard that Yihe was coming, he knew that Huofeng must be back, so he hurriedly followed Nie Heng to the Jade Cauldron Sect's main hall!

David saw Yihe and Huofeng chatting with Liu Ruyan!

"Master..." Seeing David, Huofeng hurriedly greeted him!

"Huofeng, have the reinforcements moved in?"

David asked!

Huofeng shook his head: "Those guys from the Beast Tribe are all not at home. They seem to have gone to the Heavenly Demon Mountain. Along the way, I saw many people rushing towards the Heavenly Demon Mountain." "It seems to be talking about the Heavenly Demon Mountain

. A new battlefield of gods and demons has been discovered. It has never been set foot on before. There must be a lot of treasures in it."

"Tianmo Mountain? A new battlefield of gods and demons?"

David's eyes lit up!

The Demon Mountain Ghost Elder is in Tianmo Mountain, and the Blood Spirit Valley of Jin Dong and Luo Xi is not far from Tianmo Mountain!

David was planning to go to Tianmo Mountain, but he didn't expect that Tianmo Mountain would discover a new battlefield between gods and demons!

Thinking of the dragon energy obtained in Mohai, and the battle between gods and demons that he knew, David was extremely excited!

Maybe this time on the battlefield of gods and demons, I can have some adventures!

"Mr. Chen, the Magic Mountain was in the Southern Territory that day. It was hundreds of thousands of miles away. It was too far away. Moreover, it had to cross the Central Territory Continent along the way, which must be very dangerous." Yihe looked at

David's expression and said, Knowing that David must be thinking about going to Tianmo Mountain again!

"It doesn't matter if the distance is long. We have an airship. Anyway, I plan to go to Tianmo Mountain."

David said!

"Master, are you really planning to go to Tianmo Mountain?" Huofeng asked!

"Of course, if you hadn't brought this news, maybe I would have to go to Tianmo Mountain after a while, but now, I can't wait and want to leave right away!" David said with excitement on his face and gearing up

!

"Mr. Chen, even if there is an airship, it will be difficult to reach Tianmo Mountain from here in less than half a month."

Yihe said!

"The journey is not that big. You can use the teleportation array. Such a long distance is also suitable for taking the teleportation array. It just costs more spiritual coins." Huofeng

said!

“It is a good idea to build a teleportation array. Now there is nothing going on in Demon Emperor City and Jade Cauldron Sect. Without further ado, I will set off now.” David said and asked Nie Heng to call

Gao Qilan and Yu Jiameng . coming!

He wants to leave Jade Cauldron Sect, but he can't take them with him. After all, their strength is still too low, and they need to improve their strength as soon as possible!

It is safest to let them stay in Jade Cauldron Sect or Demon Imperial City!

“Master, it's okay if you don't let others follow you, but why don't you let me follow you? I'm very familiar with the world of heaven and humans. Don't you need a guide?” Huo Feng pouted and looked pitifully

. said David!

Seeing the fire phoenix like that, David thought that he really needed a guide. Although Ji Yun was also familiar with the heaven and human world, he was only familiar with the Northern Territory. If he left the Northern Territory, Ji Yun would probably not be familiar with it either. !

“Okay, just follow. The others will stay in the Jade Cauldron Sect to practice. When you are strong enough, we can travel to the ends of the world with our swords together.” David nodded and said
