

A Man Like None Other

Novel Chapter 3212

Chapter 3212

When Ji Yun and Huofeng heard this, they quickly turned around and saw that there was no one in the empty alley!

"Mr. Chen, where is anyone following?"

Ji Yun asked in confusion!

"Yes, I didn't see anyone?"

Huo Feng was also a little confused, wondering why David suddenly spoke to the air!

David ignored the two of them and continued to say to the empty alley:
"Brother, if you don't show up, don't blame me for being rude..."

Just as David finished his words, the void in front of them trembled, and then a figure slowly appeared!

When Ji Yun and Huofeng saw this, they hurriedly retreated and took up their stances!

They didn't expect that someone could hide in the void without being discovered!

They didn't even notice the smell of the place!

Although there are many invisibility techniques, they can only hide the body, but it is difficult to completely hide the breath in the body!

But the person in front of him was not only invisible, but also had no breath at all!

"Oh, I remembered, you also came here with the teleportation array, and you also took our airship..."

Ji Yun looked at the bearded monk who appeared and suddenly remembered!

After all, this bearded monk was quite distinctive, so Ji Yun was somewhat impressed!

"Who are you? Why are you following us?"

David asked the bearded monk in a cold voice!

"Who are you?" the bearded monk asked back!

After hearing this, David couldn't help but smile: "You don't know who I am? Why do you follow us?"

"I think you were eyeing us when we were in the teleportation array, right?"

The bearded monk did not deny it, but glanced at Ji Yun, and then asked: "Why are you so interested in the Ji family?" "

You first Tell me who you are. If you don't tell us, don't blame us for being rude."

David seemed unwilling to follow the bearded monk and moved his body slowly to surround the bearded monk!

Seeing this, the bearded monk couldn't help but sneered: "You three little Fusion Realm monks still want to be rude to me. You are simply overestimating your ability." "

Since you want to know who I am, then I Let me tell you..."

After the bearded monk finished speaking, he waved his sleeves and robes in front of him, and the beard on his face disappeared in an instant, turning into a young man with fair skin!

Even the aura on his body has changed a bit!

“My name is Ji Cheng, the eldest son of the Ji family...”

Ji Cheng introduced himself!

David seemed a little surprised by the change in the bearded monk, but when he heard that the other person was from the Ji family, he became even more confused!

Since they are both members of the Ji family, why did Ji Cheng change his appearance and aura? Why didn't he stay with the second master Ji?

“Since you are from the Ji family, why do you want to change your appearance? Why don't you stay with the second master Ji?”

David asked doubtfully!

“You don't need to know this. Who are the three of you? Why do you want to inquire about the Ji family?” “

And why does this person have an aura unique to our Ji family?”

Ji Cheng pointed at Ji Yun. Said!

It seems that the reason why Ji Cheng pays attention to David and the others, and even follows them, is because of the unique aura of Ji Yun.

“Because he is also a member of your Ji family, so it is normal for him to have the unique aura of your Ji family.”

David said slowly!

"Nonsense, I know everyone in our Ji family, why don't I know him?"

Ji Cheng didn't believe it!

"Ji Yun, take out the token your father gave you!"

David said to Ji Yun!

Ji Yun nodded, and then took out the bronze coin!

When Na Jicheng saw the bronze coin, his eyes widened suddenly, and the expression on his face was full of shock!

Chapter 3213

"This...where did you get this coin?"

Ji Cheng stepped forward and grabbed Ji Yun's hand holding the ancient coin and asked.

"My father gave this to me."

Ji Yun said!

"What's your father's name?" Ji Cheng asked!

"Ji Lianzhan..."

When Ji Yun said his father's name, Ji Cheng's body was trembling slightly!

"Ji Lianzhan... Ji Lianzhan..." Ji Cheng said the name repeatedly and suddenly hugged Ji Yun!

"You...you are actually the third uncle's son. I didn't expect you to be the third uncle's son. How is the third uncle?"

Ji Cheng was so excited that he couldn't stop crying!

When David looked at Jicheng like that, it was not a pretense, but a true expression of his feelings!

Ji Yun also felt Ji Cheng's sincerity, and the tears in his eyes kept spinning!

"My dad is very good. He asked me to bring the token to Ji's house this time, and also to see my grandfather."

Ji Yun said quickly!

After Ji Cheng hugged Ji Yun and cried for a while, he let go of Ji Yun and wiped away his tears!

"Brother, come home with me. Your uncle will be very happy if he knows it's you."

Ji Cheng pulled Ji Yun and walked towards the Ji family!

"Brother, the second master Ji just now must be the second uncle. Why aren't you with him?"

Ji Yun asked in confusion!

"Brother, you have just arrived and don't know much about the Ji family's situation. Let's talk while walking..."

Ji Cheng sighed softly, and then followed Ji Yun to introduce the situation of the Ji family!

After Ji Cheng's introduction, David finally understood that the old man of the Ji family had three sons, namely Ji Lianjun, Ji Lianying, and Ji Lianzhan.

The eldest brother Ji Lianjun has a son and two daughters. Ji Cheng is the eldest son, followed by the eldest sister Ji Meiyun and the second sister Ji Meiling.

The second eldest child, Ji Liangying, has a son and a daughter, namely son Ji Yue and daughter Ji Meizhen.

Next is Ji Yun!

"Brother, you are the youngest in our Ji family, so you are the sixth brother."

Ji Cheng happily took Ji Yun's hand and said!

As for why Ji Cheng didn't camp with Erbo Ji's company, Ji Cheng didn't go into details, he just made a random excuse!

David on the side could see that the Ji family's situation was very complicated, and Ji Cheng might have something to say!

Through the conversation along the way, they became familiar with each other. David could tell that Ji Cheng was a loyal person and he liked Ji Yun from the bottom of his heart!

Soon, several people came to a huge mansion!

In this mansion, there are various trees growing, and there is a gurgling stream below, which has a Jiangnan charm!

Just looking at this mansion, it can be seen that the Ji family is definitely one of the few families in this yellow and blue city!

After entering the yard, two girls came face to face. The two girls looked almost exactly the same. They were wearing white dresses and had a fairy aura!

"Brother, are there guests at home?"

Two girls came over and said to Ji Cheng!

“Eldest sister, second sister, let me introduce to you, this is the third uncle’s son Ji Yun, who is also our sixth brother.” “

These two are friends of the sixth brother, David, Huo Feng... ..”

Ji Cheng introduced the two girls!

“Sixth brother, this is your eldest sister Ji Meiyun, and this is your second sister Ji Meiling. They are twins!”

Ji Cheng pointed at the two girls and said!

“Eldest sister, second sister...”

Ji Yun greeted the two girls very politely!

“Third uncle’s son? Real or fake?” The two girls looked at Ji Yun, and then Ji Meiyun said: “Brother, are you not mistaken? There has been no news about the third uncle for many years, why did he suddenly appear? When your son comes, he can’t be a liar, right?”

Ji Meiling also said, “That’s right, he can’t be a liar, right? There have been many people pretending to be members of our Ji family in recent years.” The words of the

two girls made Ji Yun very happy. It’s embarrassing!

Chapter 3214

Don’t talk nonsense.” Ji Cheng glared at Ji Meiyun and Ji Meiling, and then said: “You two, take them to the living room to rest, and I’ll go find my father.”
.”

After Ji Cheng finished speaking, he left, but sisters Ji Meiyang and Ji Meiling were still looking at Ji Yun, their eyes full of vigilance!

"Eldest sister, second sister, I am really from the Ji family." Ji Yun felt a little uncomfortable being looked at by the two of them!

"Stop, don't call us like that yet. My eldest brother is a loyal man and is often deceived by others. But it is impossible to deceive us two sisters." "Whether you are from the

Ji family or not, we will find out soon. , come with us!"

Ji Meiyang said, turned around and walked forward, and Ji Meiling quickly followed!

Ji Yun could only look at David and the others and smile awkwardly, then followed them!

The two people led the way, their movements were very light, as if they were floating on the ground!

Just as they were passing by a rockery and flowers and plants, the two of them looked at each other and suddenly turned towards the side of the rockery!

When David and the others chased after them, they were already gone!

"Hey, where is the person?"

Ji Yun said in shock!

"Ji Yun, it seems that your two sisters are not easy to mess with. You should be careful."

Huo Feng smiled at Ji Yun!

Ji Yun's face was full of embarrassment. He didn't expect that this would happen just after returning home!

"The living room should be in front, let's go there by ourselves!"

Ji Yun said awkwardly!

The three people walked towards the house in front of them, but after walking for a long time, the three people found that no matter which way they took, they would end up back at the rockery and couldn't reach the house at all!

Ji Yun wanted to try to fly over, but found that there were restrictions in the yard and there was no way to fly!

"What's going on?"

Ji Yun asked confused!

"The Ji family's yard is so big now that we got lost and couldn't get out."

Huofeng looked at the flowers and plants around him and sighed!

"We are not lost, but have entered the illusion array."

David inquired about the surroundings, and then said with a dumb smile!

He didn't expect that someone would set up a magic array in his yard!

But that's fine, at least the phantom array can protect the safety of the owner. If someone breaks into the house, they will inevitably fall into the phantom array. This gives the owner time to prepare!

"These two sisters are so evil, they actually brought us into the illusion formation!"

Huo Feng said somewhat unhappy!

This time, Ji Yun felt even more embarrassed and could only say with a blushing face: "Miss Huofeng, I'm so sorry..." "

This has nothing to do with you, it's all because your two sisters are too bad. It's gone."

Huo Feng said angrily!

"It's not bad, maybe they are more cautious."

David knew that before they came, someone must have pretended to be a member of the Ji family!

After all, it is not a secret that the third child of the Ji family eloped with someone!

"Master, can you break through this illusory formation?"

Huo Feng asked!

"Break it?" David raised the corner of his mouth slightly: "If I just break this illusory formation, it will appear that I am too incompetent." Huo Feng

looked at David like that and instantly understood what David was going to do!

He was going to transform the phantom formation. When the Ji family entered the phantom formation, they would never be able to get out without David's help!

At this moment, Ji Meiyun and Ji Meiling are sitting and eating in the lobby!

"Sister, do you think eldest brother will punish us if he knows we do this?"

Ji Meiling asked worriedly!

"Don't worry, these people must have come here to steal food and drink. My eldest brother is a loyal man and always trusts people easily." "

He will invite father here later, and we will release these people. Then we will tell the truth Now you see, how can big brother punish us?"

Ji Meiyang said nonchalantly!

Chapter 3215

Ji Meiling saw that her sister had said this, so she said nothing more, but she always felt a little uneasy in her heart!

Soon, Ji Cheng came with his father Ji Lianjun!

"Dad, I'm sure that this time it's definitely the third uncle's son, because I've seen the tokens of our Ji family." "It's been

so many years. There has been no news from the third uncle. This time I was finally able to contact him. ."

Ji Cheng said excitedly following Ji Lianjun as he walked!

Ji Lianjun was also full of excitement: "Well, if your third uncle's son is really here this time, then we have to entertain him well, but entertaining is entertainment, so don't mention family matters to him." "Now the Ji family is settled

. In this situation, I don't want your third uncle and his family to get involved again..."

"Well, I know, I won't say anything." Ji Cheng nodded!

When Ji Cheng quickly walked into the hall with Ji Lianjun, he only saw Ji Meiyang and Ji Meiling sitting in the hall eating!

Ji Cheng was stunned and said: "Eldest sister, second sister, I asked you to bring the sixth brother. Where are the others?"

Ji Meiling did not dare to speak, but just looked at Ji Meiyuan.

Ji Meiyuan said: "Brother, those people are liars at first glance. We have brought them into the illusion array and we cannot let them roam around in our Ji family." "What?" Ji Cheng's eyes widened

. Suddenly he became furious and said: "Who asked you to do this? I have already confirmed the Ji family's token. How could it be a liar? You are just fooling around." Ji Cheng roared, while Ji Meiyuan said with a face full of grievance:

"Who knew you had confirmed the token, and there would be no danger in bringing them into the illusion array, so why are you yelling?"

"Meiyuan, you are so old. You are just fooling around. Go and get people out of the illusion array quickly. If it is really your third uncle's son who comes, you two will be punished." Ji Lianjun also had a look on his face

. Ugly said!

When Ji Meiyuan saw that her father was also angry, she knew that she had gone too far, so she hurriedly called Ji Meiling to fetch David and the others!

"These two girls are so annoying. They are naughty all day long."

Ji Cheng looked at their backs and sighed!

"Cheng'er, this time you secretly followed your second uncle to the Northern Territory. Did you gain anything?"

Ji Lianjun asked Ji Cheng!

"Dad, your guess is right. My second uncle did not find any Yaozun, but went to the Juman Palace. However, because the Juman Palace was heavily guarded, I could not follow him. As for the second uncle who followed the Juman Palace, I don't know what the Lord is discussing."

Ji Cheng replied!

"Hey, your second uncle is too narrow-minded and cruel. Otherwise, why not give him the position of head of the family." "I'm afraid your

grandfather doesn't have much time left now. Your second uncle doesn't think about how to give it to him." Your grandfather heals you, but he forms gangs everywhere and wants to seize the position of the head of the family. It really makes me sad."

Ji Lianjun sighed!

"Dad, if it doesn't work, let's strike first. Otherwise, if the second uncle really joins forces with the Juman Palace to deal with us, we will be in trouble."

Ji Cheng said with a fierce look in his eyes!

Ji Lianjun glared at Ji Cheng coldly and said: "Asshole, that's your second uncle. Even if your second uncle had the idea of seizing the position of the head of the family, he also united with others, but now he still hasn't taken action. How can we? Do you want to do it first?"

"Now there are only two of us in the Ji family. When the time comes, it will be easier for others to kill each other, or let others laugh at it?"

"Cheng'er, you are a loyal person. Let me tell you, it would be better for your second uncle to betray us than for us to betray him. We must not bear the infamy. Do you understand?"
