

A Man Like None Other Novel

Chapter 3221

Seeing the expressions of the three pharmacists, Ji Lianjun knew everything in his heart!

“Cheng’er, arrest these three guys. They dare to come to our Ji family to harm people. I will make their lives worse than death...”

Ji Lianjun said with an extremely angry face!

“Okay!” Ji Cheng nodded, and then called for people to arrest the three pharmacists!

The pharmacist had no strength to begin with, so he was subdued without even resisting!

At this moment, the three pharmacists were completely panicked and hurriedly looked at Ji Lianying and said: “Master Ji Er, help me, Master Ji Er, please help us...”

Ji Lianying looked at the three pharmacists with a very ugly expression. The famous pharmacist said: “You three bastards, you dare to harm my father, and you want me to save you, you are wishful thinking...”

Take the three of them out and let them disappear...”

"Master Ji Er, you can't do this, this is..." A pharmacist struggled desperately and roared loudly!

But before he finished speaking, Na Ji Lianying suddenly waved his hand, and a breath instantly penetrated the pharmacist's chest. In the end, the pharmacist died without even finishing his words!

Seeing that their companions were dead, the remaining two pharmacists were stunned. Then with angry faces, they cursed at Ji Lianying: "You vicious guy, these things we did are all... You told me, and now you actually..."

Bang Bang...

Ji Lianying's face changed drastically, and he waved out two more palms in an instant, knocking out the remaining two. The pharmacist was shot to death!

Seeing Ji Lianying beating three pharmacists to death, Ji Lianjun's face became extremely ugly!

"Brother, don't listen to these guys' nonsense. They are just spouting nonsense. Although I brought these three guys, I don't know how they diagnose and treat them. I don't know any medical skills." Ji Lianying hurriedly followed

. My eldest brother explained!

Although he wholeheartedly wants to replace Ji Lianjun and take the position of head of the family, now is not the time and he must endure it!

Ji Lianjun looked at Ji Lianying, his anger already burning. He didn't expect that his younger brother would dare to do something to kill his father.

It's just that Ji Lianjun can't do anything yet, at least in front of his father!

"Mr. Chen, this is ridiculous. I wonder if you can really cure my father's illness?"

After David exposed the three pharmacists, Ji Lianjun's attitude towards David also changed a lot!

"Don't worry, Master Ji. Since I dare to say it, there must be no problem. It's just that the herbs I need are hard to find."

David said confidently!

"Don't worry, Mr. Chen. We have a medical clinic in Huanglan City, and there is a medicine master in charge. He has all kinds of medicinal materials."

Ji Lianjun said!

David nodded, then wrote a prescription and handed it to Ji Lianjun!

Ji Lianjun took the prescription and looked at it, then gave it to Ji Cheng and said, "Cheng'er, you immediately go and get the medicine according to the prescription..." "

Yes!" Ji Cheng took the prescription and left!

"Lianying, father has nothing to do now. Please take the people away and let father be quiet for a while!"

Ji Lianjun said to Ji Lianying!

"Okay!"

Ji Lianying didn't dare to say anything and left directly with his children!

Just after Ji Lianying and the others left, Ji Lianjun looked at Ji Yun and said, "Xiannephe, you can take a good look at your grandpa now..."

Ji Yun nodded, then threw himself on the bed, tears in his eyes unstoppable. It flowed out!

The old man lying on the bed seemed to feel something and opened his eyes with force, but only opened them for a moment, looked at Ji Yun, and closed them again!

Because the old man of the Ji family is really too weak at the moment. If it weren't for David, the old man of the Ji family might not be able to withstand today!

Chapter 3222

General "Nephew, let your grandpa rest!" Ji Lianjun pulled Ji Yun up, and then said to his two daughters: "Meiyan, Meiling, you two Take your sixth brother and the others to rest. Don't mess around this time."

"Dad, don't worry, we will never do it again..." Ji Meiyan said in embarrassment!

Ji Meiyan and Ji Meiling led Ji Yun and the others out of the old man's room!

But when he walked to the front yard, he was suddenly stopped by Na Ji Meizhen!

I saw Ji Meizhen holding a long sword in her hand, and said to Ji Meiyan aggressively: "You b!tch, do you dare to compete with me?" After being

scolded, Ji Meiyan became angry instantly and pointed at Ji Meizhen. Ji Meizhen said: "You are the product of thousands of people riding on thousands of people, and you still dare to scold me. I have to beat the shit out of you today..." "Sister, ignore

her. If you compare with her, if your father finds out, he will definitely blame you."

Ji Meiling pulled Ji Meiyan and said!

"Sister, leave me alone, I'm going to beat the shit out of this guy today..."

Ji Meiyuan put on a posture!

Seeing Ji Meiyuan follow Ji Meizhen like that, it is probably not the first time for them to compete and fight!

I saw Ji Meiyuan slap her waist, and a soft sword popped out from her waist instantly!

And Ji Meizhen also drew out her sword with a cry!

When David saw the sword in Ji Meizhen's hand, his brows instantly furrowed.

"Mr. Chen, what's wrong?" Ji Yun on the side saw this and asked in a low voice!

"The sword in Ji Meizhen's hand has demonic energy on it. It is probably a demon sword. I'd better ask your eldest sister to be careful."

David said to Ji Yun!

Seeing this, Ji Yun hurriedly stepped forward and said to Ji Meiyuan:

"Sister...sister, when you compete with the other party, you must pay attention to the sword in the other party's hand. There is something weird about her sword." "What's weird about it?"

"?" Ji Meiyuan asked!

"This..." Ji Yun hesitated!

"Don't worry, I'm just a defeated general. No matter what kind of sword, it's no match for my soft sword."

Ji Meiyuan was full of confidence, and then she shook the sword in her hand and headed towards Ji Meizhen like a poisonous snake!

Ji Meizhen also rushed out suddenly, and the two of them instantly fought.

The strength of the two people is considered to be between equals, but it can be seen that Ji Meiyuan's strength is slightly better, and the Ruanjian is indeed unexpected, so Ji Meiyuan has the upper hand for the time being!

For a moment, the sword light flashed in the sky and spiritual power roared!

"Second sister, do the two of them always fight like this?"

Ji Yun asked Ji Meiling beside him!

"We fought eight times in ten days, but eldest sister won every time. This Ji Meizhen is no match for eldest sister at all. Don't worry."

Ji Meiling said with a smile!

"Miss Ji, have you seen the long sword in Ji Meizhen's hand?" David asked Ji Meiling!

Ji Meiling shook her head: "I've never seen it before. This guy often changes his sword in his hand. He always says it's some kind of magic weapon. But after being defeated by the eldest sister, he will change it again!"

David nodded, no. What are you talking about, but you already have an idea in your mind!

At this moment, Na Ji Meizhen began to feel a little frustrated and kept retreating.

Ji Meiyuan raised a sneer at the corner of her mouth and said, "My defeated general is not the same today..."

Just when Ji Meiyuan stood up with her sword, a red light suddenly flashed in Ji Meizhen's eyes, and then the long sword in her hand began to emit thousands of sword lights, heading towards Ji Meiyuan like a violent storm!

Ji Meiyuan stepped back, and the soft sword in her hand shook slightly in mid-air, making a buzzing sound, and then swung out sword flowers!

The sword light and sword flower collided, emitting a bright light!

At this moment, the long sword in Ji Meizhen's hand seemed to have consciousness, and a burst of black mist emitted directly, wrapping the long sword, and a sword spirit rushed out from the long sword!

Chapter 3223

Ji Meiyuan has never seen such a scene before. She was stunned for a moment, and the sword spirit automatically waved its long sword and came towards Ji Meiyuan to kill!

"What... what is this?"

Ji Meiyuan's eyes were full of horror. She looked at the long sword wrapped in black mist, automatically attacking towards her, and she suddenly turned pale!

"Sister..." Ji Meiling couldn't help shouting when she saw this!

When David saw this, he immediately used the magic whip, handed it directly to Ji Yun, and then winked at Ji Yun!

Ji Yun understood instantly and shouted directly: "Sister, use this whip to attack..."

Ji Yun threw the magic whip directly towards Ji Meiyuan!

Ji Meiyuan didn't even have time to react, so she grabbed the magic whip in her hand!

The magic whip began to tremble in his hand, and the long sword wrapped in black mist immediately stopped and did not attack forward!

Even a real demon would be scared to see this demon whip, let alone a demon sword!

Seeing that her long sword suddenly stopped and was not attacking, Ji Meizhen was stunned, and then she desperately activated her consciousness to let the demon spirit in the sword attack!

Unfortunately, instead of attacking, the demon spirit turned around and ran away!

Ji Meizhen grabbed her sword and tried to control it, but it was completely useless. The sword started to escape as if it was crazy!

When Ji Meizhen saw this, she was a little dumbfounded. She didn't understand why the sword turned around and ran away!

However, Ji Meizhen had no intention of letting Ji Meizhen go. She jumped up and rushed forward, waving the magic whip in her hand and whipped it down!

Snapped.....

With a clear whip sound, the long sword fell down, and the demon spirit in the long sword rose into the air, trying to escape!

When David saw this, he immediately swayed and chased after him. The dragon-slaying sword in his hand emitted a ray of light and a huge suction force, sucking the demonic spirit directly into it!

This demon spirit is also a kind of sword spirit, so inhaling it into the Dragon Slayer Sword can make Zhongli, the sword spirit of the Dragon Slayer Sword, recover faster!

Without the long sword, Ji Meizhen was no longer a match for Ji Meizhen. She was whipped twice by Ji Meizhen with the magic whip in her hand!

Two deep marks were left on the snow-white skin!

"Ji Meiyuan, you b!tch, just wait for me..."

After saying that, Ji Meizhen fled quickly!

Ji Meiyuan is not chasing her. After all, she is her cousin. It is impossible for Ji Meiyuan to really kill her. Now, just give her a lesson with two whips!

Falling from mid-air, Ji Meiyuan gave the magic whip in her hand to Ji Yun!

"Sixth brother, what kind of whip do you have? It's really useful..."

Ji Meiyuan looked at Ji Yun gratefully and asked!

"This is Mr. Chen's magic whip. Ji Meizhen used the magic sword just now, so this magic whip is the best."

Ji Yun took the magic whip and gave it back to David!

"Demon Spirit Sword?" Ji Meiyuan was stunned, and then said with anger: "This b!tch dared to use the Demon Spirit Sword, and almost killed her." After

Ji Meiyuan finished speaking, she looked at David, her eyes Full of gratitude, he said: "Thank you, I didn't expect you to have such a treasure in your hand, but you'd better hide it, otherwise it will definitely be stolen." David smiled lightly and said: "My

things , No one has been able to steal it..."

"Don't believe it, there are thieves in our Ji family who specialize in stealing things." Ji Meiyuan said!

"Sister? Is there really a thief in the Ji family?" Ji Yun was stunned. The Ji family is such a big family. Which thief would dare to come and steal things?

"Sixth brother, don't listen to the eldest sister's nonsense. She is talking about Ji Yue. This guy eats, drinks, whores and gambles, and often steals things from

home and sells them. That's why the eldest sister said this." Ji Meiling explained with a smile

!

When Ji Yun heard this, he immediately laughed.

After arranging a place for Ji Yun and others to rest, the sisters Ji Meiyun and Ji Meiling left!

Chapter 3224

the Ji Family Camp Mansion!

At this moment, Ji Lianying's face was gloomy and scary. He originally planned to wait for his father to die and then join forces with the Juman Palace to seize the position of head of the family!

But now it seems that the old man will not die soon, and Ji Lianying's plan is about to change!

"Dad, we have to find a way. We must not let them save grandpa. If it doesn't work, we will act in advance."

Ji Yue said with a cold look in his eyes!

"It really doesn't work. It seems that we are really going to kill our father and king. You should contact the Juman Palace immediately and ask them to leave for Huanglan City now. In order to prevent your uncle from attacking us first, we must take precautions. "

Ji Lianying knew that after what happened today, his eldest brother would most likely do something to him!

After all, patricide is the most shameful thing and the most unacceptable to Ji Lianjun!

Even though Ji Lianjun didn't say anything today, Ji Lianying knew that it was only a matter of time before his eldest brother attacked him, and he had to be prepared in advance!

"Okay, I'll notify Juman Palace and let them set off!" Ji Yue nodded!

Just when Ji Yue was about to leave, he found his sister Ji Meizhen walking in!

And he looked depressed and had injuries on his body!

"What's going on with you?" Ji Yue frowned and asked!

"Why don't you let that b!tch Ji Meiyuan get beaten up? I will take revenge sooner or later..."

Ji Meizhen said through gritted teeth!

"You kid, you are no match for that Ji Meiyuan, why do you always provoke her?"

Looking at the injuries on Ji Meizhen's body, Ji Lianying said with heartache!

"Hmph, Ji Meiyuan was about to be defeated by me. One of the guys gave her a whip. It was so powerful that even the Demonic Spirit Sword was scared away when it saw the whip." "If it weren't for this whip, Ji Meiyuan would have been defeated

. Meiyuan must have been defeated by me."

Ji Meizhen said very unconvinced!

"What? You took the Demonic Spirit Sword? Where is the sword now?"

Ji Lianying said in shock!

Seeing this, Ji Meizhen lowered her head slightly and whispered: "The sword was destroyed, and the demon in the sword was killed by a guy..." "

You are too presumptuous, who asked you to take away the demon?" "Spirit Sword, if your uncle knows about this, we will be completely ruined."

Ji Lianying roared, looking very nervous!

Ji Meizhen was so scolded that she didn't dare to look up!

"Dad, even if the uncle finds out, what can he do? The worst he can do is break up with him immediately. He will break up with him sooner or later anyway."

Ji Yue said with an unconvinced face!

"We are not ready yet. If we break up now, we have no chance of winning."

Ji Lianying sighed, but suddenly thought of something, looked at Ji Meizhen and said, "You said that Ji Meyan suddenly held a After the whip, the Demonic Spirit Sword became frightened and turned around to run away?"

"Yes, and as soon as Ji Meiyang whipped it, the Demonic Spiritual Sword fell to the ground, and the demonic spirit also fled." Ji Meizhen nodded and said!

"A whip can make the Demon Spirit Sword so afraid. Could it be..."

Ji Lianying frowned slightly, seeming to be thinking about something. Suddenly Ji Lianying's eyes lit up: "Is that a magic whip?"

"Dad, what is a magic whip?" Ji Yue asked curiously!

"This magic whip is a good thing. Many demons are afraid of it when they see it. However, this magic whip is in the hands of the ancient body-refining clan in the far north of the northern region. How could it suddenly appear here?"

Ji Lianying looked puzzled!

"Dad, you forgot, the two men and one woman that Ji Cheng found are from the Northern Territory. Maybe there are people from the Ancient Body Refining Clan among them,"

Ji Yue said!

"It's impossible. These three people don't have the aura of the ancient body refining clan. The cultivation methods of the ancient body refining clan and those in the Juman Palace are very similar. With a little exploration, you can tell. There is no way that these three people are People from the ancient body refining clan." Ji Lianying shook his head!

"Then maybe they stole this magic whip from the ancient body refining clan." Ji Yue analyzed again!

"Don't worry about this for now. Go and contact Juman Palace right away."

Ji Lianying waved his hand and asked Ji Yue to inform Juman Palace!

Chapter 3225

With a Little Effort

On the other side, David and the others were resting.

The fire phoenix has already ridden on David: "Master, let me relax you..."

The fire phoenix is so charming and charming, looking at David tenderly!

Seeing Huofeng like that, David smiled helplessly and said, "Huofeng, do you want me to relax, or do you want to drain my blood?" "

Master, don't you like to climb to the top of Paradise with me?"

Huofeng looked aggrieved!

"I like it, of course I like it..." After David finished speaking, he turned over and pressed Huofeng under him again!

But at this moment, there was a knock on the door!

"Mr. Chen, my uncle has something to do. Please let us go over there..."

Ji Yun said outside the door!

"Okay!" David responded, then stood up quickly!

Huofeng could only sit up, with a look of helplessness on his face!

Walking out of the room, David asked, "What's going on?"

"Maybe it's about the prescription. Some jelly grass can't be bought..."

Ji Yun said!

"Can't buy it?" David frowned: "Although these elixirs are said to be rare, there are so many mountains around this yellow and blue city that they shouldn't be impossible to buy." Several people walked

towards Ji Lianjun's mansion as they talked!

"Master Ji, what's going on?"

David asked when he came to Ji Lianjun's mansion!

"Cheng'er, follow Mr. Chen and explain!"

Ji Lianjun said to Ji Cheng!

"Mr. Chen, there are several kinds of fairy grass that you can buy for the medicine you prescribed, but there are several kinds of fairy grass that you can't buy,"

Jicheng said!

"What? Doesn't this huge yellow and blue city have these kinds of fairy grass?" David asked in surprise.

"That's not true. To buy these kinds of fairy grass, the pharmacist must buy it in person. If he is not a pharmacist, he will not sell it, even if I move the Ji family out." "This pharmacist will have a high status in

our Huanglan City. Especially since the Medicine Master is still in charge, we can't use force."

Ji Cheng said in embarrassment!

When David heard this, he immediately smiled and said: "So that's it. This is not easy. I just need to go with you."

David did not expect that the pharmacists in Huanglan City were quite formal, just like many in the secular world. Just like in pharmacies, some prescription drugs cannot be sold to ordinary people casually. They need to have an order issued by a doctor!

"Then Mr. Lao Chen..." Ji Lianjun said very politely!

"It's just a little effort!" David said with a faint smile!

David asked Ji Yun and Huofeng to stay at Ji's house, while he went to the Pharmacist Association under the leadership of Ji Cheng!

Medicine masters have a relatively high status in the entire heaven and human world. Otherwise, the Jade Cauldron Sect would not be able to survive in the middle of Mingli King City and Demon King City!

Soon, the two people came to the door of the Pharmacist Association. Many people wearing pharmacist costumes came in and out with arrogant expressions!

Although these pharmacists may not be very powerful, they have a very high status!

Because everyone may be injured, sick, or poisoned, and at this time, life and death are in the hands of this pharmacist!

Therefore, no one wants to offend these pharmacists.

Ji Cheng took David into the pharmacists' association. Although the pharmacists looked arrogant, they all greeted Ji Cheng warmly when they saw him!

After all, the Ji family is a wealthy family in Huanglan City, and is also the actual controller of Huanglan City!

After Ji Cheng brought David into the Pharmacist Association, he went directly to a counter selling medicinal herbs!

"Mr. Ji, is this the pharmacist who prescribed the medicine for you?"

A female pharmacist asked Ji Cheng with a smile!

"Yes, this Mr. Chen is a pharmacist. Can you buy the herbs for the prescription now?"

Ji Cheng asked!

"Of course, you can, but you still need this gentleman to show his pharmacist token. In our heaven and human world, every pharmacist has a token, and it is universal in all five realms!" the female pharmacist still said with a smile
