Chapter 3231

“Now we can compete. Take out the various fairy herbs you need.”

David said to the Shennong Cauldron Yaozun who was still looking straight at him!

“Okay!” Yaozun nodded, and then ordered people to bring out the various fairy herbs used to refine the Jade Clear Pill!

But at this moment, Yaozun’s face no longer had the confidence he had just now. After all, David directly took out the Shennong Cauldron, which shocked Yaozun’s confidence!

This Shennong Cauldron was like a king’s explosion, it directly exploded Yaozun and made him uneasy!

“Yao Zun, calm down, as long as you win, this kid will definitely die, but the Shennong Cauldron will be yours.”

Seeing Yao Zun uneasy, one of his men came forward and whispered!

When Yaozun heard this, his face suddenly became happy, and then he looked greedily at the Shennong Cauldron again!

“Boy, let’s get started now. Whoever refines the Jade Clear Pill in the purest way and in the shortest time will win.”

Yaozun said!

“No problem...” David nodded!

With the sound of a gong, the competition officially began. Everyone watched attentively, wanting to see the ancient Shennong Cauldron refining the elixir!

After the competition began, Yaozun immediately fired a spiritual fire, then observed the intensity of the spiritual fire, and began to put the fairy grass into the cauldron at different times!

This is a necessary step in refining the elixir. You must control the temperature of the spiritual fire and pay attention to the order in which the various fairy herbs are placed!

But David was different. He saw David throwing all kinds of fairy grass for refining the Jade Clear Pill into the Shennong Cauldron!

Then he held up a blue spiritual fire in his hand and saw it shot into the Shennong Cauldron!

In an instant, a raging fire broke out inside the Shennong Cauldron!

Seeing this scene, everyone was stunned!

Even the Yaozun on the side stopped the fairy grass in his hand and looked at David in disbelief!

He has seen many methods of refining medicine, but never this one. How can there be such a method for refining elixirs?

Throwing all kinds of immortal herbs in and then burning them, if you can refine the elixir, that would be nonsense!

“Is this alchemy? I think it requires lighting a fire to cook?”

“Is this method of alchemy sure not to explode the furnace?”

“This is the first time in my life that I have seen this method of alchemy. .”

Everyone was talking about it!

Yaozun moved his cauldron further away. He was afraid that David's cauldron would explode and hurt himself!

Seeing the flames in David's Shennong Cauldron getting smaller and smaller, Yaozun remembered that he was also refining the elixir, so he concentrated on refining it!

Everyone else also stepped back, fearing that David's Shennong Cauldron would explode!

Ji Cheng looked at David's alchemy method with confusion on his face. He didn't know how to make alchemy, but he had seen many pharmacists making alchemy, and they had never tried this method!

"Mr. Chen, what kind of method are you using to make elixirs? Is this possible?"

Ji Cheng asked in surprise!

"Wait a moment, and you'll know if it works."

David smiled lightly!

Just as David finished speaking, there was a sudden bang, which shocked everyone!

Everyone thought David's Shennong Cauldron had exploded!

I saw a white gas rising into the sky from the Shennong cauldron, and a medicinal fragrance came out of the cauldron!

Along with the medicinal fragrance, a colorful brilliance flashed in the sky, and a very beautiful red cloud formed!

"Danyun, this is Danyun. I have never seen such a beautiful Danyun." "Oh my god, refining a small Jade Clear Pill can actually form a Danyun. What kind of alchemy technique is this?" ?"

"You don't need to look at the Jade Clear Pill. Just the appearance of the Danyun, you know that this kid must have won. Yaozun has refined countless Jade Clear Pills, and this time Danyun never appeared." Everyone looked at the mid-air in stunned silence

. Danyun, one by one, is like being struck by lightning!

Yaozun looked at the elixir, sat down on the ground, and then rubbed his eyes vigorously. He couldn't believe that this was the elixir cloud formed by David's refining of the elixir!

Chapter 3232

After a long time, everyone gathered around, and a middle-aged pharmacist said to David: “Young man... no, no, no, this master, can you let us Take a look at the Jade Clear Pill you refined?”

“Of course!” David threw the refined Jade Clear Pill over without hesitation!

The middle-aged pharmacist pressed the Yuqing Pill and observed it carefully. If the others also came forward and watched carefully!

I saw that the Jade Qing Dan refined by David was full of color and fragrant. I knew it was the best at a glance!

These people are all pharmacists and they all know their stuff.

“It’s so perfect. This is the most perfect Jade Clear Pill I’ve ever seen.” “

To be able to refine such a perfect Jade Clear Pill in just a few minutes is simply a miracle!” “You

’re so young, and you have this. If you cultivate alchemy skills, you will definitely become a medicine fairy in the future.”

Everyone praised David’s Yuqing Pill!

Even Yaozun, who had fallen to the ground, got up at this moment and hurriedly came over to take a look at the Jade Clear Pill!

Under inspection, Yaozun’s face became extremely ugly!

The Yuqing Pill refined by David was indeed perfect, and it also led to the Danyun. With this method, Yaozun knew that he had lost!

“Mr. Chen, I didn’t expect you to be so powerful...”

Ji Cheng looked at David in shock!

He never expected that Ji Yun’s random friend would have such awesome alchemy skills!

Even their Yellow and Blue City Medicine Master was defeated by his hands!

At this moment, Ji Cheng respects David even more!

“Yao Zun, I wonder who will lose and win in our competition?”

David looked at the Medicine Zun and asked!

Yaozun looked at David, with a look of embarrassment and shame on his face, and said, “You won...” “

Since I won, does this mansion and all the fairy grass belong to me? “

David smiled lightly!

“Yes, I will take you to the place where the fairy grass is kept. After handing over, I will leave.”

Yaozun nodded!

Although this medicine master is very arrogant and quite lustful, he still has some courage. After all, he dares to bear the consequences if he loses!

Seeing that the Yaozun still had some energy, David said: “I’m just passing by here. I don’t have time to manage this mansion and the many fairy grasses. You can stay here to help me manage it.” The Yaozun was stunned for a moment, and then he understood

. David said with excitement, “Thank you, Mr. Chen. I will do my best to help Mr. Chen protect this place...” “

Master, please accept me as your disciple...”

“Master, Accept me, accept me...”

“Master Chen, I love you, I am willing to do anything for you, I am willing to sleep with you!”

Many pharmacists knelt down and wanted to worship David as their teacher!

Some female pharmacists shamelessly wanted to use their bodies to seduce David!

However, David ignored these people and asked Yaozun to take them to get the fairy grass.

After getting the songbird grass, David and Ji Cheng returned to Ji's house!

Already having enough fairy grass, David started refining the elixir!

During this period of time, Ji Cheng told Ji Lianjun exactly what he saw and heard at the Pharmacist Association!

"What? You didn't lie to me, did you? Even the Medicine Lord was defeated by Mr. Chen?"

Ji Lianjun said with a surprised look!

"Dad, it's absolutely true. Mr. Chen's alchemy skills are at their peak. Didn't you see that the originally arrogant Yao Zun lowered his head in front of Mr. Chen." Ji Cheng thought of the moment at Yao Zun's residence

. Just so excited!

"It's incredible. I didn't expect that the friends your sixth brother brought would be so powerful. It seems that your grandfather's illness is really curable."

Ji Lianjun sighed!

"There must be help. I don't know where my sixth brother met a pharmacist like Mr. Chen."

Ji Cheng said curiously.
