Chapter 3236

came out of Ji Lianjun's mansion, and David found that sisters Ji Meiyang and Ji Meiling were still waiting for him!

"Mr. Chen, it's okay now. Let's go shopping together, shall we?"

Ji Meiling hurriedly greeted David after seeing him!

Seeing Ji Meiling's enthusiasm, David couldn't refuse, so he nodded and said, "Okay!"

When David agreed, a smile appeared on Ji Meiling's face!

After walking out of Ji's house, the three of them walked on the busy street. Ji Meiling began to trick David into giving him various information!

"Mr. Chen, who is that Fire Phoenix girl with you?"

Ji Meiling asked pretending to be casual!

"Friend!" David replied!

"Are they just friends? I think you two are resting in the same room."

Ji Meiling looked at David and asked!

When David heard this, he could only smile lightly and did not answer him!

David didn't expect that this girl Ji Meiling would secretly observe him!

Seeing that David was silent, Ji Meiling asked again: "Mr. Chen, is Miss Huo Feng your woman? How many women do you have?" David was stunned and

looked at Ji Meiling blankly, wondering what happened to this girl. Ask like this!

Seeing David like that, Ji Meiling said: “Mr. Chen, you don’t have to be embarrassed. For a capable man like you, it’s nothing to have three wives and four concubines. But I heard from my elder brother that your alchemy skills , much more powerful than our Medicine Master in Huanglan City.”

“Even our Medicine Master in Huanglan City has more than a dozen women. You are so capable, ten or eight women are not too many.”

David was stunned for a moment after hearing Ji Meiling’s words, because he didn’t seem to have counted how many women he had!

Along the way, the number of women around him continued to increase, and he unknowingly accepted these women!

But no matter what, David can never forget Sonya!

He will never forget his promise to Sonya that he will give Sonya an unforgettable wedding.

Seeing that David was stunned and seemed to be thinking about something, Ji Meiling wanted to ask something else, but was interrupted by Ji Meiyuan on the side: “Little sister, are you annoying with your nagging? Are you not annoying?” Mr. Chen is also annoyed.”

“I agreed that I would take Mr. Chen out shopping, and I didn’t just listen to your nagging.” “

Okay, I won’t say anything anymore. My eldest sister feels bad...” Ji Meiling hehehe He smiled and ran away!

Ji Meiling did it on purpose, deliberately creating opportunities for David and Ji Meiyuan to be alone!

“This damn girl...” Ji Meiyuan glared at Ji Meiling, then looked at David and said, “Mr. Chen, don’t worry about it, my sister is a talkative sometimes.” “It doesn’t matter

... ..” David smiled slightly!

“Mr. Chen, let’s go take a look in front. There are a lot of things selling in front...”

Ji Meiyuan led David and continued walking forward!

But just after taking two steps, I heard Ji Meiling's shout!

"You bastard, let me go, let me go..."

Ji Meiling shouted loudly!

Hearing this voice, David and Ji Meiyuan quickly ran forward!

Not far in front, a tall young man was grabbing Ji Meiling's wrist and said with a teasing look on his face: "Beauty, you bumped into me. If you don't apologize to me, do you want to Run?"

The young man was very strong, and Ji Meiling couldn't break away at all. Behind the young man, there were several people following, all of them laughing!

Many people watching around were all shocked!

"Who is this stupid big man? He dares to tease even the eldest daughter of the Ji family?" "At first

glance, he is from out of town. He is teasing the eldest daughter of the Ji family. He doesn't want to live." "

Looking at their body shapes, they look very much like People from Juman Palace."

Everyone was talking, but no one dared to step forward to help!

Chapter 3237

"You bastard, let go of my sister quickly..."

Ji Meiyuan rushed forward with anger on her face, and saw Ji Meiling being grabbed by the young man, Shout loudly!

The young man saw Ji Meiyuan, and then looked at Ji Meiling, and his eyes suddenly shone!

“It turns out they are twins. It’s great. It seems that I can enjoy a double flight as soon as I arrive in this yellow and blue city, and they are also twin sisters.”
“It’s exciting just thinking about it.

I’m going to enjoy it in a while.”

The young man said softly . Blocking them would be a humiliation to the two sisters Ji Meiyang and Ji Meiling!

Ji Meiyang’s face was red with embarrassment, but in the hands of that young man, Ji Meiling didn’t dare to act rashly!

“Let him go...” At this time, David also stepped forward, looked at the young man in front of him and said sternly!

The young man looked at David, frowned and said, “So it’s you?”

This young man was none other than Qin Jingyun, the eldest son of Juman Palace, who almost had a conflict with David during the teleportation formation in Juman Palace!

Qin Jingyun and the others were also invited by Ji Liangying and came to Huanglan City!

Unexpectedly, Qin Jingyun discovered the beautiful Ji Meiling just after arriving in Huanglan City!

Of course Qin Jingyun, who was very lustful, would not miss this great opportunity. He deliberately collided with Ji Meiling and then arrested Ji Meiling!

“Mr. Chen, do you know this person?” Ji Meiyang looked at David and asked!

David nodded: “This is the young master of the Juman Palace. His name is Qin Jingyun. When I first came to Huanglan City, I almost had a conflict with this guy while riding the teleportation array!” “A person from the Juman Palace in the Northern Territory?” Ji

Mei Yan frowned and then asked in confusion: “What are they doing in our Huanglan City?”

David shook his head: “I don’t know either!”

David didn't know that these people from Juman Palace were invited by Ji Lianying!

"Boy, stop your fucking nosy and go away. I won't trouble you about what happened in the past." "

If you dare to meddle in your own business, I will make you suffer."

Qin Jingyun said to David Threaten!

"I can't see that it's you who's teasing you, right? Do you know who you're arresting? That's the eldest daughter of the Ji family. Do you think you can get out of here if you touch the eldest daughter of the Ji family?"

David moved the Ji family out. After all, the Ji family has absolute authority in Huanglan City!

When Qin Jingyun heard that he was holding the eldest daughter of the Ji family, he was slightly startled.

Then a Juman Palace disciple came over and whispered: "Master, I have asked, this is indeed the eldest lady of the Ji family."

When Qin Jingyun saw this, he could only let Ji Meiling go!

But when he let go of Ji Meiling, Qin Jingyun slapped Ji Meiling on the butt!

This cowardly guy, even if he knew that Ji Meiling was the eldest daughter of the Ji family, he still had to take advantage!

Ji Meiling's face turned red with embarrassment, and she instantly pulled out a long sword from her waist and said, "You gangster, I'll kill you..."

"Little sister..." Ji Meiyun saw this, He quickly stopped Ji Meiling!

Now they are no match for people like Qin Jingyun. If they take action now, they will definitely suffer!

As long as these people don't leave Huanglan City and tell Ji Lianjun when they go back, Ji Lianjun will definitely seek justice for his daughter!

"Sister, don't stop me, I'm going to kill this stinky gangster..."

Ji Meiling shouted with anger in her eyes!

In public, as the eldest lady of the Ji family, how could Ji Meiling not be angry when someone touched her butt!

“Little sister, you are no match for him. When we go back, tell your father and let him make the decision for you.”

Ji Meiyuan pulled Ji Meiling and said!

“Miss Ji, these guys from the Giant Barbarian Palace are quite powerful, you should calm down!”

David also said to Ji Meiling!

Chapter 3238

David’s words made Ji Meiling quiet down, and then she glared at Qin Jingyun and said: “Wait for me, don’t leave Huanglan City if you can...” “

After that, Ji Meiling and the others were ready to leave!

“Wait a minute...”

Qin Jingyun shouted, and then several of his men blocked David’s way!

Ji Meiyuan frowned and said, “What do you want? This is Huanglan City, not your Juman Palace. If you dare to take action, I guarantee that you will die without any body parts.” “Miss Ji, don’t get me wrong, I’m not stopping you

. I’m having a little fun, so I have to settle with this kid...”

Qin Jingyun pointed at David and said!

Ji Meiyuan glanced at David, then stood in front of David and said, “Mr. Chen is a guest of my Ji family. If you touch him, you are touching our Ji family. If you have the ability, try it.” “

Ji Miss, I hope you can see the situation clearly. I will give your Ji family face and let you sisters go. Don’t be shameless. Do you think my Juman Palace is really afraid of your Ji family?” Qin Jingyun narrowed his eyes and said coldly

. Said loudly!

“You...” Ji Meiyang was instantly stunned and speechless!

“Miss Ji, let’s settle the matter between him and me ourselves. You don’t have to worry about it.”

David said, took two steps forward, came to Qin Jingyun and said, “How do you want to settle with me?”

Qin Jingyun looked at David and said, “I won’t bully you. The two of us will punch each other. If you survive this punch, our holiday will be over.” The Juman Palace is known for its strength,

and Now Qin Jingyun is in the Tribulation Realm, while David is only in the Fusion Realm. That’s why he is so confident!

“You are shameless. You, a monk in the Tribulation Realm, are competing with a monk in the Fusion Realm. This is not fair at all.”

When Ji Meiyang saw this, she hurriedly said loudly!

“What is fair and unfair? How can there be fairness in this world of heaven and earth? Who makes his skills inferior to others?”

Qin Jingyun raised the corner of his mouth and said!

Ji Meiyang wanted to say something more, but was directly interrupted by David: “Miss Ji, I’m just going to punch him, it’s no big deal.” “

Mr. Chen, you are just in the Fusion Realm, and he is in the Tribulation Realm. Really, even my little sister is no match for him, I’m afraid you won’t be able to withstand a punch.”

Ji Meiyang said worriedly!

“Mr. Chen, this guy is at least the second level of the Tribulation Realm or above. I can’t resist him. I’m afraid you really can’t.”

Ji Meiling also persuaded David!

“Don’t worry, maybe I can.”

David smiled slightly, then looked at Qin Jingyun: “It’s just a punch, but if I hurt you, you can’t bear the consequences...” “

Just You?”

Qin Jingyun’s face was full of disdain: “Even if I stand still, you won’t even think of hurting me, and you dare to talk nonsense here!” “

To deal with you like this, I will knock him down with one hand. I’ll let you make the first move...”

Qin Jingyun waved to David!

When David saw this, he opened his posture, and the aura on his body also rose!

Oh...

David’s body disappeared directly from the spot like lightning, heading towards Qin Jingyun!

Qin Jingyun frowned, and the disdain on his face disappeared. He didn’t expect David to be so fast!

By the time he reacted, David was already in front of him, his fist bursting with golden light and heading straight for Qin Jingyun’s chest!

David’s fist hadn’t arrived yet, but the sharp fist wind was already roaring towards him, making Qin Jingyun feel the danger!

When Qin Jingyun saw this, he let out a low cry, and his body suddenly swelled up. Balls of red blood mist began to spread around, quickly wrapping Qin Jingyun’s body!

At this moment, the power in Qin Jingyun’s body continued to surge, reaching the level of the fourth level of the Tribulation Realm!

Chapter 3239

Seeing that Qin Jingyun’s strength has almost reached the fourth level of Tribulation Realm, Ji Meiyang and Ji Meiling became nervous!

They didn't expect that Qin Jingyun actually hid part of his strength!

Seeing this, everyone around them also looked at David, saying that David was worried!

After all, the difference in strength between David and Qin Jingyun is too great!

"This little Taoist friend is probably going to be in trouble now."

"Comparing the Fusion Realm with the Tribulation Realm, there is no chance of winning." "

This Taoist friend is a medicine master. Yesterday, he was defeated by the Medicine Master. It's a pity. He has the ability to refine medicine."

Someone recognized David's identity, which was a pity!

After all, a high-level alchemist is rare, but everyone knows that the strength of an alchemist is not too high. After all, these alchemists mainly focus on alchemy and medical skills!

"Boy, are you scared now? If you are, you can kneel on the ground and kowtow to me three times, and I will avoid this punch!" Qin Jingyun looked at Chen

Ping and said with a proud face!

"The realm of the third level of the Tribulation Realm is really good. I didn't expect that the stupid big guy from your Juman Palace could reach this level!" David

smiled lightly, not taking Qin Jingyun seriously at all!

Even though Qin Jingyun's current strength has reached the third level of Tribulation Realm, David is still not afraid!

I saw the golden light on David's body flashing, and the power of the dragon burst out!

Bang...

the fists collided, making a deafening sound, like a thunderbolt from the blue!

Click.....

Hearing a crisp sound of bone cracking, Qin Jingyun's expression changed drastically, the blood-colored mist around him instantly dissipated, and he flew backwards in an instant!

Boom...

Qin Jingyun's huge body directly collapsed the houses on both sides. He flew hundreds of meters before stopping. And within this distance of hundreds of meters, all the houses collapsed. ,a mess!

Seeing this scene, everyone's eyes widened and they were silent!

None of them expected that David, a monk in the Fusion Realm, would knock Qin Jingyun, a strong man in the third level of the Tribulation Realm, away with one punch!

It's outrageous, simply outrageous!

"Young Master..."

Several disciples from the Juman Palace rushed over to check on Qin Jingyun's situation!

I saw Qin Jingyun's arm hanging limply, obviously broken!

His body was also covered in blood, enough to see how powerful David's punch just was!

Ji Meiyuan and Ji Meiling opened their mouths and looked at David in disbelief!

Especially Ji Meiyuan's eyes were filled with sparkle!

She had already had a crush on David, but now that she saw such a brave side of David, Ji Meiyuan couldn't hold back her inner excitement!

Ji Meiyuan didn't notice that Ji Meiling, who was beside her at the moment, also changed her eyes when she looked at David!

In the world of heaven and man, the strong are respected!

David is now in the realm of Fusion Realm, and he punched Qin Jingyun, a monk in the Tribulation Realm, into a state of embarrassment. How could such a man not be liked by women!

Moreover, David also knows medical skills and is a high-level alchemist, even more powerful than Yaozun!

The most important thing is that David also knows magic and can easily break even illusion formations!

This kind of perfect man made the two sisters Ji Meiyuan and Ji Meiling fall in love!

In the world of gods and humans, there are no restrictions and constraints on the relationship between men and women like in the secular world. If David nods his head now, sisters Ji Meiyuan and Ji Meiling will dedicate themselves without hesitation!

All the sisters would feel honored to be escorted by a strong man like David!

David didn't know what the two sisters were thinking, but looked coldly at Qin Jingyun who was being helped over!

Qin Jingyun's face was extremely ugly. The majestic young master of Juman Palace and a third-level monk in the Tribulation Realm was punched out by David!

It's so embarrassing to be embarrassed in front of so many people!

Chapter 3240

"Boy, just wait for me, I will never let you go..."

Qin Jingyun glared at David fiercely, and then was helped to leave. !

Seeing Qin Jingyun leaving, David did not stop him. After all, David could not stay in this yellow and blue city for long. By then, Qin Jingyun would not be able to find him if he wanted to trouble him!

"Two eldest ladies, let's go..."

David glanced at Ji Meiyang and Ji Meiling and said!

“Oh, let’s go, let’s go...” Ji Meiyang reacted and nodded quickly!

Ji Meiling looked at David in shock: “Mr. Chen, I really didn’t expect you to be so powerful and able to fight beyond the level. Not only are you strong, you also know medical skills and can make elixirs. You also know how to break illusions and form formations.” .”

“He is simply a genius. In our Yellow and Blue City, and even in the entire Central Continent, we may not be able to find a unique genius like Mr. Chen.”
“Little sister, let

alone the Central Continent, even the entire Heaven and Human World . No young person can compete with Mr. Chen.” Ji Meiyang said!

The two sisters praised David so much that David felt a little embarrassed!

Just as the three of them were walking and chatting, suddenly in the direction of the Ji family’s residence in Huanglan City, a soaring aura rose from the ground, spread instantly, and enveloped the entire Huanglan City!

This breath was like something suddenly exploding, spreading to all directions, and disappeared in an instant!

But when this breath passed in front of him, David instantly felt it. This was the original power, and it was the original power of Wuzhu!

“What’s going on? What happened at home?”

“I don’t know either!”

“Quick, go home and take a look...”

Ji Meiyang and Ji Meiling panicked and hurriedly ran towards the Ji family!

David also followed behind!

When the three of them arrived at Ji’s house, they found that Ji’s house was already surrounded by people!

Everyone looked at the ancestral land of the Ji family!

“Brother, what’s wrong?” Ji Meiyuan stepped forward and asked Ji Cheng!

“I don’t know, maybe the ancestral land has been opened.”

Ji Cheng said!

“The ancestral land is open?” Ji Meiyuan was stunned: “How is it possible? The ancestral land doesn’t automatically open once every ten years. It’s not even ten years now.” “I don’t know. Dad followed his second uncle and brought several people with him

. The elder went to the ancestral land to check.”

“It would be great if the ancestral land is opened. The ancestor must have felt the arrival of the sixth brother and opened the ancestral land in advance.”

Ji Cheng glanced at Ji Yun and said!

“Brother, what’s the use of opening this ancestral land?” Ji Yun asked in confusion!

“Sixth brother, in this ancestral land, there are many treasures left by our ancestors, and there are also various unowned sources. These are great resources for cultivation.” Ji Cheng said to Ji Yun

!

After hearing this, Ji Yun said with a slight embarrassment: “But I didn’t realize the origin...” “

That’s okay, you think we have realized it. We can’t absorb the origin of the Masterless, but we can absorb other breaths. As long as you can get in, it will definitely be a great thing!”

“This ancestral land is only opened once every ten years. I didn’t expect it to be opened earlier this time. If it is really opened early, it proves that you are very lucky, sixth brother.”

Ji Cheng looked at Ji Yun enviously and said!

Everyone was waiting quietly. It was not clear what the specific situation was now!

Not long after, Ji Lianjun and Ji Lianying walked out of the ancestral land, followed by several elders of the Ji family. Everyone had confusion and doubts on their faces!

“Dad, how are you? Is the ancestral land opened?”

Seeing this, Ji Cheng rushed up and asked!

Ji Lianjun nodded: “It’s indeed turned on. It’s really strange this time. Why did it turn on before the time?” “Did

n’t you go in and ask Taizu?” Ji Cheng asked!
