Chapter 3257

“Yes, Mr. Qin is a barbarian, and his physical body is not comparable to others.”

Ji Yue praised Qin Jingyu!

A few people were walking and chatting, and soon Qin Jingyu was suddenly stunned and looked around!

“Master Qin, what’s wrong?”

Ji Meizhen asked!

“Ji Yue, has anyone come in early to your Ji family’s ancestral land?” Qin

Jingyu asked!

“It’s impossible. The ancestral land is guarded. How could it be possible to come in early? Did Mr. Qin discover something?”

Ji Yue asked!

“I feel like someone has fought here, and there is still an aura of fighting in it.”

Qin Jingyu said with a slight frown.

“Fighting breath?” Ji Yue used his consciousness to feel it, then shook his head and said, “No more, I don’t feel the fighting breath.” “The other

party also used physical power, not magic and spiritual power, so it was left behind You can’t detect the aura.”

“But for us barbarians, this aura cannot escape our eyes!”

Qin Jingyu said!

“Who on earth would enter the ancestral land in advance? It is said that Taizu is guarding it. If the entrance to the ancestral land is not opened, no one can enter?”

Ji Yue thought, with a look of confusion on his face!

“Brother, is it possible that it’s Ji Meiyuan? I didn’t see her in the team this time. Maybe she came in early.”

Ji Meizhen said!

“Probably not. Then Ji Meiyuan has not opened the origin space. What is the use of her coming here to kill the origin fantasy beast?”

Ji Yue shook his head!

“That’s strange. Who is he?” Ji Meizhen was also full of doubts!

“No matter who it is, be careful and be careful not to be attacked by someone.”

Qin Jingyu reminded!

The Ji family is currently undercurrent, and everyone is at odds. Even if they conduct a sneak attack in this ancestral land, no one outside will know about it!

Roar...

suddenlyWith a huge roar, an original fantasy beast appeared!

When Qin Jingyu saw this, he was immediately excited. Before Ji Yue could say anything, Qin Jingyu rushed forward!

Qin Jingyu followed the original fantasy beast to fight, while David followed Ji Meiyuan to the depths of the mountain col.

The further you go deeper into the mountain col, the stronger the origin fantasy beast becomes.

However, killing powerful origin fantasy beasts can increase the chance of understanding the origin, so David keeps going deeper!

“David, if we continue to go deeper, I don’t know how powerful the origin fantasy beast is. I think we should not go deeper.” Ji Meiyuan seemed

a little nervous when she saw David walking deeper into the mountain col!

“Don’t worry, if I really encounter a powerful origin fantasy beast, I can use my skills and weapons, there will be no problem.”

David smiled lightly!

But just as David finished speaking, three original fantasy beasts appeared together!

The three original phantom beasts formed a surrounding posture and came towards David and the others!

Seeing this scene, David couldn’t help but frown!

Ji Meiyuan’s expression also changed slightly, and she tugged on David’s clothes!

“Why do these three original fantasy beasts look different?”

Ji Meiyuan asked David!

“It is indeed a little different. The original fantasy beasts should not have intelligence, but these three origin fantasy beasts actually know how to approach in a surrounding posture. They seem to have intelligence.” David said

!

“What should we do?” Ji Meiyuan asked nervously!

“You hide aside. Maybe if I destroy these three origin fantasy beasts, I can understand the origin of the metal system!”

David asked Ji Meiyuan to hide aside!

“Then be careful, these are three original fantasy beasts. If it doesn’t work, just use your skills and weapons.”

Ji Meiyuan warned David!

After saying that, Ji Meiyang hid aside and looked at David quietly!

And the three original fantasy beasts did not care about Ji Meiyang, but walked towards David step by step!

Chapter 3258

“Kill...”

David roared and took the lead in charging towards the three original phantom beasts!

Seeing David’s brave look, Ji Meiyang was happy and worried at the same time!

Ji Meiyang was happy from the bottom of her heart that she could become such a talented woman.

But she was worried that David couldn’t deal with the three original fantasy beasts by relying solely on his physical strength and fists!

Ji Meiyang quietly put her hands on her waist. As soon as David felt like he was losing, she would immediately draw out her sword and step forward to help!

David exploded with his most primitive power and punched the three original fantasy beasts!

It took more than an hour for David to smash three original fantasy beasts to death!

And David himself was lying on the ground panting, with cold sweat on his forehead!

“David, are you okay...”

Ji Meiyang hurried over and helped David up!

“It’s okay!” David shook his head!

At this moment, David suddenly felt a roar in his mind, as if some kind of power had broken through the restrictions, and his whole body felt much more transparent!

Seeing this, David quickly entered the origin space with his consciousness. He looked up and found that the gold origin star had already lit up!

“Hahaha, the origin of the metal system has been realized...”

After saying that, David’s body instantly formed a suction force. The origin aura that had just been killed by the origin fantasy beast was all flowing towards David’s body. enter!

David hurriedly sat cross-legged, pulling the metal origin into the origin space, and was then absorbed by the stars of the metal origin!

The stars of the origin of the metal system become brighter!

Ji Meiyuan on the side was very happy when she saw this. She didn’t expect David to realize the origin of the gold system so quickly. It had only been one night!

After David absorbed the original breath that entered his body, he slowly stood up, feeling extremely excited inside!

With the origin of the metal system, ChenThe power of Ping’s indestructible golden body will increase exponentially. It will be extremely difficult for anyone to hurt him by then!

Now David has the origin of gold, the origin of thunder and lightning, the origin of illusion, and the origin of fire. If he can gather the origins of the five elements together, he may be able to unlock more powerful auras!

David also has the Wind-Fixing Bead in his hand, and he may be able to use it to understand the origin of Tao Feng.

David didn’t know that what he was thinking about now was something that no one else dared to think about. A Fusion Realm monk now had four origins, and he was still not satisfied. It was simply crazy!

“Now that you have understood the origin of the metal system, you can absorb the aura of the unowned origin in this area, and you don’t have to risk killing those origin fantasy beasts.”

Ji Meiyuan said to David!

“If you kill the original fantasy beast, will the original aura be stronger?”

David asked!

“That’s of course. The original phantom beast is made up of the owner’s original aura that is too strong and condensed together. If you kill an original phantom beast, you will of course get more original aura.” Ji Meiyuan nodded

!

“Okay, then let’s kill. This time we don’t have to use our bare hands.”

David decided to kill the original fantasy beast to absorb the original breath!

Only in this way can we absorb the most original energy in the shortest time!

Seeing that David was in high spirits, Ji Meiyuan didn’t want to be disappointed, so she followed David and continued towards the depths of the mountain col!

Soon, there were more and more origin fantasy beasts around, and all kinds of origin fantasy beasts were shuttled on the ground!

David and Ji Meiyuan were flying in the air and couldn’t help but be surprised when they looked at the original fantasy beast below!

Because the number of origin fantasy beasts below far exceeded David’s expectation!

But with so many resources, David doesn’t want to leave!

“Don’t go down, I’ll kill all these origin fantasy beasts. These are all resources!”

After saying that, David rushed down instantly with the Dragon Slayer Sword in hand!
