Chapter 3261

“Ji Meizhen, you are the bitch. Don’t think that others don’t know. How many people in the Ji family have you slept with? Some time ago, you slept with three men. Do you think no one knows?” “You bastard, you

still You have the nerve to criticize me here...”

Ji Meiyuan was dealing with Ji Meizhen!

When it comes to talking nonsense, Ji Meiyuan is not afraid of Ji Meizhen at all.

“You...” When

Ji Meizhen was angry, she raised her sword and planned to fight!

However, he was stopped by Ji Yue. “Little sister, don’t forget what we did when we entered the ancestral land. If we have to fight, wait until we get out.” After Ji Yue finished speaking, he looked

at Ji Meiyuan and said, “Ji Meiyuan, no matter what What’s your relationship with David? It’s a fact that you sneaked into the ancestral land first. After the ancestral land is closed, I’ll see how you explain it. Let’s not argue with you today!” After Ji Yue finished speaking, he made a gesture towards Ji Meizhen and Qin

Jingyu He left with just a look!

“Hmph, how I explain it is none of your business.”

Ji Meiyuan snorted, and then complained, “Why would my dad give orders to the people in Juman Palace? Are you confused?” “Head Ji did this

. , maybe he had no choice but to be forced.”

David knew that Ji Lianying knew about Ji Lianying’s collusion with Juman Palace, how could he give orders to the head of Juman Palace!

It must be because of some reason, I was forced to have no choice!

“Ignore it for now, you should hurry up and absorb the original aura. If those guys come to make trouble, there will be no time.”

Ji Meiyuan asked David to continue killing the original fantasy beast and absorb the original aura!

Ji Yue and the other three left and walked deeper into the mountain col. Most of the original fantasy beasts were attracted and killed by David, so they could only walk deeper into the mountain!

“Brother, why did you stop me just now? In this ancestral land, even if we kill the two of them, who knows!”

Ji Meizhen said to Ji Yue very dissatisfied!

“Do you think they are so easy to deal with? Since that David can take Qin Grand Duke Zi’s arm is broken, then he must have good strength. “

And this guy is also a pharmacist. The most important thing is that he came with the sixth brother. If we want to win over the sixth brother, we can’t touch him.”

“So before you understand what power Third Uncle has now, it’s best not to touch the people brought by Sixth Brother. ” “

Ji Yue said to Ji Meizhen!

When Ji Meizhen heard this, she felt that what Ji Yue said was reasonable, so she said nothing more!

The three of them continued to go deeper, and slowly the number of origin fantasy beasts increased. Qin Jingyu’s face was filled with excitement. Constantly killing the origin fantasy beasts!

As a barbarian, his physical strength is very strong, so even with bare hands, it is not difficult to kill the origin fantasy beasts!

“These origin fantasy beasts are too weak, I still need to find some Only powerful original fantasy beasts will do. Qin

Jingyu said, continuing to move forward!

“Master Qin, if you move forward, I’m afraid there will be danger. After all, we have never entered the depths of this mountain col.” “

Ji Yue said to Qin Jingyu!

“What are you afraid of? As long as I am here, I can easily kill him even if he is a powerful fantasy beast. “

Qin Jingyu didn’t listen to Ji Yue’s dissuasion at all, and insisted on going deeper!

Seeing this, Ji Yue and Ji Meizhen had no choice but to follow!

The three of them walked for more than an hour, and seemed to have reached the end of the mountain col

! There was no road in front of them, and a huge mountain peak stood in front of them!

And on this mountain peak, there was a huge cave with a dark entrance, like the bloody mouth of a beast!

Looking at the cave in front of them, Ji Yue and Ji Meizhen was a little shuddering, always feeling that there was something scary inside!

Qin Jingyu was very excited, because he knew that there must be a more powerful original fantasy beast hidden in this cave!

Maybe if he is here and kills an origin fantasy beast, he can realize his origin!

“Let’s go in and take a look...”

Qin Jingyu said.

Chapter 3262

“Master Qin, let’s not go in, right? I feel like there must be something scary in this cave.”

Ji Meizhen said with some worry!

“Since you are afraid, then you just wait outside and I will go in by myself...”

Qin Jingyu said and walked towards the cave!

Ji Yue and Ji Meizhen looked at each other, and then followed. They were afraid that something might happen to Qin Jingyu. If something unexpected happened, they would not be able to follow the Juman Palace to explain, let alone cooperate. , maybe Juman Palace will fall out with them!

Entering the cave, it was pitch black with no light at all, and there was a terrifying smell inside that made people shudder!

As the three of them went deeper, light gradually appeared in the cave, and then the light became stronger and stronger, and finally there were streaks of golden light, which made them unable to open their eyes!

When the three of them got used to it, they discovered that there was a phantom beast like a hill in front of them, and this phantom beast had a golden appearance. It was obviously a super phantom beast formed from the origin of the metal element!

Looking at the phantom beast in front of them, Ji Yue and Ji Meizhen were both shocked, while Qin Jingyu looked excited and showed no fear at all!

“It’s great. Such a big origin fantasy beast. If I kill this fantasy beast, I will definitely be able to comprehend the origin of the metal system.”

Qin Jingyu only wanted to comprehend the origin at the moment, not caring about the strength of the origin fantasy beast in front of him!

Qin Jingyu said this and was about to step forward, but was held back by Ji Yue!

“Master Qin, I think we should not provoke this original fantasy beast. This origin fantasy beast looks terrifying. If we provoke it, we probably won’t even be able to get out of the cave.” Ji Yue said to Qin Jingyu worriedly

!

“Let go, you cowards, if you are afraid, go out and I will deal with this origin fantasy beast...”

Qin Jingyu glanced at Ji Yue disdainfully!

But just as Qin Jingyu finished speaking, the earth suddenly shook, and the huge original fantasy beast moved, and then its eyes like copper bells looked at Qin Jingyu and the three of them!

The three of them followed my original fantasy beast with big eyes and small eyes, and they were stunned for a moment!

“Roar...”

The origin fantasy beast roared, and the three of them reacted and then stepped back!

The origin phantom beast got up and headed towards the three of them. Under this huge origin phantom beast, there were countless smaller origin phantom beasts, rushing towards the three people in a dark way!

Seeing this scene, the three of them were dumbfounded, turned around and ran out of the cave!

“What’s the movement?”

At this time, David, who was killing the original fantasy beast and absorbing the original aura, seemed to feel some movement, so he stopped and frowned slightly!

“There’s no movement, I didn’t feel anything!”

Ji Meiyuan felt it and found that there was no movement at all!

“No, there must be movement, and the movement is not small!”

David began to emit his consciousness, but just as David had just emitted his consciousness, a strong source of aura suddenly came in like a flood, causing David and Ji Meiyuan didn’t pay attention, and they were knocked far away!

“What a powerful aura?” Ji Meiyuan’s eyes showed surprise!

“This is the original aura. There must be a powerful original fantasy beast ahead. Let’s go and have a look...”

David said and ran forward!

But just after running two steps, I felt the ground tremble in the distance, and there were roars in the sky!

As the earth trembled more and more fiercely, something dark in the distance was approaching rapidly!

Ji Meiyang glanced at it, her pupils suddenly shrank and she said, "Why are there so many origin fantasy beasts? And look at the golden origin fantasy beast in front of you, it's too big..."

Chapter 3263

David had already seen the huge origin fantasy beast. The terrifying origin aura just now was emanating from the huge origin fantasy beast!

There are so many original fantasy beasts now, and there is one that is particularly huge. David also frowned!

Relying on the strength of the two of them, it is simply a joke to kill so many original fantasy beasts!

"Help, help..."

Ji Yue and the other three were running desperately in front. Everyone was in a state of embarrassment, dodging attacks while running forward!

"David, what should we do?"

Seeing so many original fantasy beasts, including one as big as a hill, Ji Meiyang panicked!

"Run, what else can I do..." Chen

Ping picked up Ji Meiyang and started running towards the outside of the mountain col!

Those origin fantasy beasts were chasing after them closely, especially the huge origin fantasy beasts. Every step they took made the earth shake and the entire ancestral land trembled!

At this moment, Taizu in the Ancestral Land Hall slowly opened his eyes, and he also noticed the strange movement in the Ancestral Land!

“How could these guys provoke that terrifying guy? Aren’t they looking for death?”

After Taizu finished speaking, he slowly closed his eyes again!

And David pulled Ji Meiyuan and ran desperately in front, while Ji Yue and the other three were also chasing behind!

At the end are those original fantasy beasts!

“What happened? What’s this noise?”

Ji Meiling was on a hilltop, following Ji Yun to look for some magic weapons. Suddenly she felt the ancestral land shaking, and she couldn’t help but look in the direction from which the shaking came.

“Second sister, what is going on? Is there a huge monster beast in this ancestral land? I seem to hear the roar of the monster beast.”

Ji Yun asked Ji Meiling!

“I don’t know either. Even if there are, they are some origin fantasy beasts. There shouldn’t be such a big movement. Let’s go and take a look...”

Ji Meiling took Ji Yun towards the mountain col!

After feeling the shock, other children of the Ji family also rushed here, wanting to see if any treasures were about to appear in this ancestral land!

Soon, dozens of Ji family descendants gathered at the entrance of the mountain col, but no one dared to go in to find out!

Just when everyone was wondering what was going on in the mountain col, two figures suddenly flew out of the mountain col!

These two people were David and Ji Meiyuan, and they also escaped in a somewhat embarrassed manner!

“Sister, Mr. Chen, why are you here?”

Ji Yun was surprised when he saw David and Ji Meiyuan!

He didn't expect that David would follow Ji Meiyuan into the Ji family's ancestral land!

Ji Meiling was also surprised and said, "Sister, it turns out that you have entered the ancestral land a long time ago. Brother asked me to look for you for a long time." "Stop talking about it now. Get

out of here quickly. It's too dangerous!"

Ji Meiyuan pulled her. Ji Meiling walked away into the distance, and David also called Ji Yun to leave the entrance of the col!

If those original fantasy beasts rush out, who can resist them!

The vibrations became stronger and stronger, and then Ji Yue and the three of them rushed out of the mountain col!

However, when they rushed out, the original phantom beasts roared behind them, but none of the original phantom beasts left the col!

Even the largest origin fantasy beast just roared and did not dare to take a step out of the mountain col!

David suddenly became a little strange when he saw this scene!

"Why don't these origin fantasy beasts leave the col?"

David asked!

Ji Meiyuan shook her head, "I don't know either. I only know that those origin fantasy beasts are all in this mountain col, and they don't exist in other places."

David took a look around. Apart from the mountain col, there were also source auras in other places. Why couldn't the source auras in other places condense into the source fantasy beasts, but only the ones in this mountain col could?

Chapter 3264

David guessed that there must be something special in this mountain col, otherwise it would not be like this!

Moreover, these original phantom beasts cannot leave the mountain col. There is something in this mountain col that can turn the original breath into phantom beasts. If these phantom beasts leave the mountain col, they should not be able to take shape again and can only become a human being. The original atmosphere of the group!

However, these are just David's speculations and have not been confirmed!

Seeing that there was no danger, David and the others returned to the entrance of the col!

Everyone in the Ji family looked at the hill-like origin phantom beasts with fear on their faces. Fortunately, these origin phantom beasts could not leave the mountain col, otherwise these people would have suffered!

"Damn, it's a good thing I ran fast, otherwise I would have perished here."

"What kind of ancestral land is this for your Ji family? There is such a huge original fantasy beast!"

Qin Jingyu wiped the cold sweat from his forehead and said to Ji Yue and Ji Meizhen complained!

Ji Yue and Ji Meizhen glanced at Qin Jingyu and said nothing, but they had already scolded this guy several times in their hearts!

It was obvious that he insisted on entering the cave, and it was obvious that he insisted on provoking this huge origin fantasy beast, but now he almost died, and yet he was blaming others!

Just when everyone was looking at the origin fantasy beast in front of them, the huge origin fantasy beast roared, seeming to provoke everyone!

"If such a large origin fantasy beast can be killed, it must have a lot of origin aura..."

David looked at the huge origin fantasy beast and felt a little excited in his heart!

However, with his current strength, I don't know if he can kill this huge origin fantasy beast!

If there are no other original fantasy beasts, David can give it a try!

But now there is a mass of other origin fantasy beasts inside. If David goes in at this moment, he will definitely die!

Now it would be great if we could lure away those small origin fantasy beasts.!

But who would take the risk to lure away those small origin fantasy beasts?

David glanced at the dozens of Ji family members. These people would definitely not help. After all, they had not opened the origin space. Going in to lure away the origin fantasy beast would not gain anything at all, and there might be danger!

But with Ji Meiyuan, Ji Meiling, and Ji Yun, David was a little worried about leading away those small origin fantasy beasts!

Finally, David set his sights on Ji Yue and the others!

Since they also entered the mountain col to kill the origin fantasy beast, someone must have opened the origin space, or even realized some origin!

So David wanted to find these three people to cooperate, but David broke Qin Jingyun's arm. He didn't know if this guy from the Juman Palace would cooperate with him!

However, he looked at the way Qin Jingyu looked at the origin fantasy beast and guessed that this guy also wanted to kill the huge origin fantasy beast.

David told Ji Meiyuan and others his ideas, but was met with opposition!

"No, then Ji Yue and Ji Meizhen are not trustworthy at all. If we work together, we may not be able to kill the original fantasy beast, and we will all suffer from their poisonous hands!"

Ji Meiyuan immediately objected!

“It’s just that they don’t have any good people. Cooperating with them is tantamount to committing suicide.”

Ji Meiling also objected!

After all, they were at odds with each other. How could it be possible for them to cooperate now?

However, Ji Yun pondered for a moment and said, “Actually, it’s not impossible to cooperate with them. Only in this way can we hope to kill the original fantasy beast.” “I can talk about this

matter. After all, I have nothing to do with them, and They still want to win over me, maybe we can cooperate!”

David heard that Ji Yue and Ji Meizhen actually wanted to win over Ji Yun, so there is probably hope for this cooperation, so he said, “Ji Yun, you go over and talk, if you can Cooperate and let them set the conditions!”

Chapter 3265

“Okay!” Ji Yun nodded, and then walked towards Ji Yue and Ji Meizhen!

“Second brother, third sister...”

Ji Yun walked over and shouted!

When Ji Yue saw Ji Yun coming to look for him, he immediately said happily, “Sixth brother, what’s wrong?” “

Second brother, I see that you have also entered this mountain col. Have you also opened the original space or realized the original source? ?”

Ji Yun asked!

“No, we just followed Mr. Qin in. He opened the origin space, so we hope that by killing the origin fantasy beast, we can quickly understand the origin.”

Ji Yue said truthfully.

Ji Yun glanced at Qin Jingyu, and then said, "Second brother, there are so many origin fantasy beasts guarding the entrance, especially a huge origin fantasy beast. We are afraid that we won't be able to get in at all." "I think we can't get in.

"Why don't we get together, cooperate, and find a way to kill that huge origin fantasy beast." "

As long as we kill that huge origin fantasy beast, I think we will be able to understand the origin." "

How to cooperate? ?" Ji Yue was stunned!

"Let's join forces, go in and attract those small origin fantasy beasts, and then ask Mr. Chen to come forward and kill the huge origin fantasy beast." "To be honest,

Mr. Chen has already understood several origins. , even though he is only at the eighth level of the Fusion Realm, his explosive strength is no match for the Tribulation Realm monks. I think there will be no problem for him to kill that huge origin fantasy beast!" Ji Yun said to Ji

Yun Yue said!

When Ji Yue heard this, he looked at Qin Jingyu. After all, he couldn't make the decision. Qin Jingyu had the final say here!

Qin Jingyu had already heard Ji Yun's proposal. In fact, he had always wanted to kill the huge origin fantasy beast, but his strength did not allow it!

If we join forces now, it would be a good opportunity to kill the huge origin fantasy beast!

"Master Qin, look at my sixth brother's proposal..."
r> Ji Yue asked cautiously!

"Well, I think this proposal is good. As for the conflicts and hatred between each other, you can rest assured for now and kill this huge origin fantasy beast!"

Qin Jingyu nodded!

He also wants to understand the origin quickly. If he can really kill this huge origin fantasy beast, there will definitely be no problem in understanding the origin!

“Sixth brother, since Mr. Qin has agreed, we can cooperate!”

Ji Yue said to Ji Yun!

Ji Yun nodded, then returned to David and told David what he had agreed to cooperate with!

When David saw that the other party agreed, he took Ji Yun and the others over!

It's just that when sisters Ji Meiyuan and Ji Yue met, they all had cold faces and ignored each other!

Qin Jingyu, on the other hand, glanced at David and said, “You can kill the huge origin fantasy beast if you want, but we have to join forces to kill it together. As for the small origin fantasy beasts, just let a few other people attract them away.” “Okay

.!” David agreed without hesitation!

He is not afraid of Qin Jingyu's action. Even if he kills the huge origin fantasy beast and absorbs part of the metal origin, what will happen?

In the end, David absorbed the most. After all, David's original space is infinite.

Qin Jingyu seemed a little surprised when he saw David agreeing so readily!

But since David also agreed, there is nothing more to say!

David and Qin Jingyu prepared themselves and then walked into the mountain col!

As soon as they walked in, the huge origin fantasy beast let out a roar, and then slapped its huge claws towards the two of them!

“Do it...”

David roared, and the dragon-slaying sword in his hand appeared instantly!

Then Qin Jingyu was no longer bare-handed, and instantly had a pair of huge stone hammers in his hands!

The two people attacked the huge origin fantasy beast from the left and the right!
