Chapter 3269

When David saw this, he hurried towards Ji Meiyang!

But at this time, Ji Meiyang's eyes were slightly closed, and her whole body was wrapped in red light. Just when David was approaching, a huge force suddenly knocked him away!

"Roar..."

The origin fantasy beast roared, and then turned around and ran out of the cave!

When David saw this, he knew that this stone emitting red light must be the thing that controls this original fantasy beast!

But he couldn't get close now, so he shouted "Miss Ji, Miss Ji..."

He wanted Ji Meiyang to wake up and pick up the stone!

But Ji Meiyang seemed to be asleep, there was no movement at all!

And the stone floated slowly, and then entered Ji Meiyang's body in an instant!

When the stone entered Ji Meiyang's body, the aura on Ji Meiyang's body exploded!

A raging aura began to sweep through, and Ji Meiyang's eyes opened, but now her eyes were glowing red!

A large amount of original aura around her swarmed towards Ji Meiyang's body!

"How could this happen?"

David looked surprised. He didn't expect that after the stone entered Ji Meiyang's body, it could actually allow Ji Meiyang to absorb the original breath!

Could it be that just one stone allowed Ji Meiyuan to open up her original space and realize her origin?

If this stone is really that magical, it would be a priceless treasure!

I don't know how long it took, but the red light around Ji Meiyuan's body slowly disappeared, and the original aura became more stable, no longer rushing towards Ji Meiyuan's body crazily!

"I...what's wrong with me?"

Ji Meiyuan looked at herself in surprise!

She felt that her whole body was full of strength at this moment, and there was an unknown aura surging in her body.

David saw that Ji Meiyuan was awake, so he approached and said, "You have sensed the original breath. Just now, a large amount of original breath poured into your body. Now you can try to see what your own original space is. "

After Ji Meiyuan heard this, she sunk her spiritual consciousness into her body with some hesitation, and soon she was surprised to find that in her sea of consciousness, there was actually a vast forest! This is Ji Meiyuan's original space, although it is smaller

than It's not as big as David's universe galaxy, but this Ji Meiyuan's origin space is big enough!

Compared with those whose origin space is a house or a palace, it's much bigger!

"I...I really feel that Origin? Have I opened the original space? "

Ji Meiyuan's face was full of disbelief!

"Try your own original aura..."

David said to Ji Meiyuan!

Ji Meiyuan nodded, then closed her eyes slightly, mobilizing the original aura in her body. , and soon a wolf wearing golden armor appeared in front of Ji Meiyuan!

The wolf roared, revealing its bloody mouth, and this wolf wearing golden armor was killed by Ji Meiyuan. It was transformed from the origin of the gold element!

It seems that the power of this wolf warrior is very powerful and majestic!  
When

David saw this scene, he couldn't help but marveled. He did not expect that Ji Meiyuan's method of controlling the origin of the gold element was actually Transformed into various offensive items!

David's metal origin is more of a defensive nature, strengthening his indestructible golden body. When paired with the thunder and lightning origin, it is a perfect match! But the one who controls the

origin The means are different, so even if the same origin of perception is expressed in different ways, just like the aura between heaven and earth, after it is converted into spiritual power, the same spiritual power and different hand cuts will definitely manifest differently. !

"What about the original fantasy beast? "

Ji Meiyuan asked David!

"He ran out, it's too late to chase him now..."

David said!

After Ji Meiyuan heard this, she immediately rushed out of the cave, followed closely by David!

Chapter 3270

As soon as they rushed out of the cave, David and the others saw the huge origin fantasy beast roaring crazily, as if they felt the presence of danger!

Ji Meiyuan waved her hand, and the golden-armored war wolf rushed directly towards the huge origin fantasy beast!

Ji Meiyuan once again burst out with her golden origin, and all these origin auras turned into golden-armored warrior wolves, swarming towards the origin fantasy beast!

Although these golden-armored wolves are not large in size, the huge origin fantasy beast seems to be afraid of these golden-armored wolves, constantly dodging attacks and retreating continuously!

And these ferocious golden-armored wolves opened their bloody mouths and bit the original fantasy beast like crazy!

The original phantom beast howled and screamed when it was bitten, its skin was torn apart, and a large amount of golden origin was scattered. This time, the wounds of the original phantom beast were not recovering!

The original fantasy beast was getting weaker and weaker. Seeing this scene, David and Ji Meiyuan both laughed!

It seems that the stone is really the key to defeating this huge origin fantasy beast!

While David and Ji Meiyuan were watching the golden-armored warriors fighting with the original fantasy beasts, Qin Jingyu's body embedded in the body of the mountain continued to expand at this moment!

The stones around him began to crack and finally shattered. Only then did Qin Jingyu escape from the mountain!

Looking at the dying phantom beast, Qin Jingyu knew that his chance had come. If he could kill the phantom beast at this time, he would most likely realize the origin of Tao!

Qin Jingyu's eyes flashed with excitement, the stone hammer in his hand kept spinning, he suddenly jumped up and swung towards the head of the original fantasy beast!

Neither Ji Meiyuan nor David noticed that Qin Jingyu actually escaped from the mountain body and even attacked the original fantasy beast!

boom.....

With a thunderous sound, the huge origin fantasy beast suddenly collapsed under Qin Jingyu's stone hammer, and then its body slowly dissipated and turned into countless origin auras!

Under this original aura, Qin Jingyu felt his sea of consciousness become clear, and then a different aura was generated in his body!

Qin Jingyu knew that he had sensed the original aura, he had sensed it...

"Hahaha, I have sensed it, I have sensed the original aura..."

Qin Jingyu laughed like crazy, not to mention how excited he was!

Ji Meiyuan looked at Qin Jingyu with murderous intent flashing in her eyes. Now that she had sensed the original aura, her strength had improved a lot, so she planned to let those golden armored wolves kill Qin Jingyu!

David saw what Ji Meiyuan meant, and then shook his head and said, "Now let's focus on absorbing the original aura. I'm afraid such a strong original aura will never be seen again in the future. Take the time to absorb it!" Ji

Mei After hearing this, Yan nodded and began to absorb the original aura of the gold system. After all, the original aura of the gold system was very strong in the entire mountain, as if it was picked up for nothing!

Once you get out of this ancestral land, it will be very difficult to replenish the source of the metal system, so you can't waste any time now!

David did not hesitate and began to desperately absorb the original aura. In addition to the metal original aura, David would also absorb other original auras that he had already sensed!

It's just that time does not allow it. If allowed, David would like to stay here for a longer time, and then use the Fixed Wind Bead to try to understand the origin of the wind system, so that he can also absorb the original breath of the wind system here!

Hearing the huge noise, Ji Yue, Ji Yun and others ran over one after another, and the small origin fantasy beasts were killed by them.

Ji Yun and Ji Meiling saw David and Ji Meiyuan as if they were in trance, and they didn't know what was going on!

“Sister, eldest sister...”

Ji Meiling shouted twice worriedly, but Ji Meiyuan didn't respond at all!

“Second sister, I think the eldest sister and Mr. Chen seem to be running their skills and absorbing the original aura...”

Ji Yun took a look and said!
