

A Man Like None Other

Novel Chapter 3271

Chapter 3271

"Absorb the original breath?" Ji Meiling was stunned. "The eldest sister has not opened the original space, nor has she understood the origin. How can she absorb the original breath?" "Maybe the eldest sister has

just opened the original space here, and the origin has just been realized. We Don't disturb them yet."

Ji Yun pulled Ji Meiling aside, and then guarded David and Ji Meiyun!

Ji Yue and Ji Meizhen ran to Qin Jingyu's side.

"Master Qin, are you okay? What happened just now?" Ji

Yue asked worriedly!

He was afraid that if something happened to Qin Jingyu, he would not be able to explain it to Juman Palace!

"Hahaha, what can I do? I have realized the origin, I have realized the origin..."

Qin Jingyu said with excitement!

"Congratulations to Mr. Qin. Now that you have realized the origin, why don't you absorb it quickly? Our time in this ancestral land is limited."

Ji Meizhen said to Qin Jingyu!

"Yes, yes, I was so happy that I almost forgot." Qin Jingyu nodded, "You two protect me. When we get out, I will truthfully report what you two have done to my father." "Don't worry, Mr. Qin

, we brothers and sisters will take good care of us."

Ji Yue said!

Soon, Qin Jingyu also began to close his eyes slightly and absorb the original aura!

Time is passing minute by minute...

In the blink of an eye, it has been two days. Above Qin Jingyu, Ji Meiyuan and David, three vortexes are clearly visible, which were formed by them absorbing the original aura!

It's just that the vortex above David's head is large and fast, and he obviously absorbs much more of the original energy!

Then came Ji Meiyuan's, and the whirlpool above Qin Jingyu's head could only be slightly seen!

Qin Jingyu suddenly frowned, and the bulging feeling continued to increase. He felt as if his head was full, as if it was about to explode!

Qin Jingyu opened his eyes suddenly, breathing heavily, and the original breath in the air, without the suction pull, quickly dissipated, and then moved toward David. And go!

"Master Qin, are you okay?"

Ji Yue saw this and asked quickly!

"It's okay, it just feels like my whole head is stuffed..."

Qin Jingyu said!

“Could it be that Mr. Qin has enough original energy in his body and can no longer absorb it?”

Ji Yue has not opened the original space, nor has he understood the original source. He is just guessing!

“How is it possible? Look at that Ji Meiyuan who has been absorbing the original aura. She hasn’t absorbed enough. How could Mr. Qin have absorbed enough?” Ji Meizhen pointed at Ji Meiyuan not far away and said

!

She didn’t like Ji Meiyuan, and now Ji Meiyuan actually opened the origin space and realized the origin, which made her even more unhappy, so she probably said so!

Qin Jingyu looked over and found that Ji Meiyuan was still closing her eyes slightly, and a vortex of original aura above her head was pouring into Ji Meiyuan’s body!

When he thought that he could not be inferior to a woman, Qin Jingyu said, “I just took a short rest, the original aura in my body is still far away...” After saying that,

Qin Jingyu entered the cultivation state again, absorbing the original aura!

But Qin Jingyu didn’t know that this would directly kill him!

A few hours later, Qin Jingyu’s forehead began to be covered with cold sweat, and his body was trembling slightly!

Ji Yue and Ji Meizhen were a little worried when they saw this scene!

“Brother, will something happen to Mr. Qin?”

Ji Meizhen asked!

"It shouldn't be possible, right? I haven't absorbed the original breath either!"
Ji Yue doesn't understand either!

But just as the two of them were observing Qin Jingyu, Qin Jingyu suddenly opened his eyes, shocking Ji Yue and Ji Meizhen!

"ah....."

He only heard Qin Jingyu scream, and then he grabbed his head with both hands!

Boom...

With a loud noise, Qin Jingyu's body exploded, and the splattered flesh and blood made Ji Yue and Ji Meizhen very embarrassed!

Chapter 3272

"Mom, are you okay? Those people are gone!" After

the bald man left, David asked Barbara with concern.

"Hey! What did you do to provoke him when you just came out?"

Barbara complained to David, "Hurry up and pick up the money on the ground. This is all what we saved."

David knelt down and said, He put all the scattered banknotes on the ground back together.

"Mom, I will just make money from now on. You and Dad have a good rest, and I will find a way to keep your eyes open." David collected the money

and handed the bag to Barbara.

“As long as you have this heart!” Barbara said, and she actually started crying. “Now that you are back, Mom is relieved. If I hadn’t been worried about you in the past few years, Mom would have died long ago...” Looking

at David’s eyes began to turn scarlet at the sight of his mother!

嘭...

David couldn’t bear it anymore and punched the only table!

Crash...

the table was smashed to pieces in an instant!

The Xiao family...

the Geng family...

I will definitely make you pay the price, I will definitely...

The anger in David’s body burned brightly!

As if sensing David’s anger, Barbara hurriedly said, “David, you must stop causing trouble. Now that you are out, find a job and everything will be fine.”

“Mom, don’t worry

. , I know what to do, I’ll go out!”

David comforted his mother, and then walked out of the house. He was going to find Delia to ask what was going on! .

After walking out of the house, David still had endless anger in his body!

But just as David was crossing the road, a red Porsche suddenly rushed over from the road. It was very fast and knocked David into the air!

Bang...

David's body fell heavily to the ground. If he hadn't practiced with Ervin, David would have been killed this time!

"Who doesn't have a good eye when driving!"

David was already angry, but when he was knocked out as soon as he went out, he was even more angry!

"How the hell do you walk without eyes?"

Just when David cursed angrily and was about to stand up, a sudden shout came from him!

I saw a girl getting out of the Porsche. The girl was wearing a white dress and a pair of high heels. She was very beautiful, but she was looking at David angrily!

David frowned, and his body that originally wanted to stand up lay back down again.

"Which one of us doesn't have eyesight? It was obviously you who hit me. You are a pretty girl, but why do you smell like shit when you talk?" David said to the

girl without showing any signs of weakness.

"You dare to scold me?"

r> The girl glared at David and suddenly raised her foot, causing David to kick her over.

The high heels the girl wears are like sharp knives. If she were kicked on her body, there would definitely be a bloody hole!

"Yu Qi, stop..."

Just when the girl was about to kick David, a middle-aged man opened the car door and got out of the back seat.

The middle-aged man carries an aura of calmness and self-power, which makes him look like someone who has been in a high position for a long time!

However, at this time, the middle-aged man's face was a little pale and his breathing was short. After shouting these words, he held the car door and gasped!

"Dad, why are you down here!"

After seeing the middle-aged man, the girl hurriedly ran over and supported the middle-aged man and asked.

"Let's go to the hospital quickly, don't waste time..."

the middle-aged man said to the girl.

The girl nodded, walked back to David, took out a wad of money from her bag, and threw it at David. "Here are 10,000 yuan. Take the money and leave quickly. We have something urgent to do!" David said

. Instead of getting the money, he stood up and glanced at the middle-aged man not far away and said, "No need to go to the hospital, it's too late." After

David finished speaking, he turned around and was about to leave. He could tell that this middle-aged man He was already in critical condition and could not make it to the hospital!

"Stop!" The girl stopped directly in front of David and glared angrily. "What do you mean? Tell me clearly, otherwise you won't be able to leave!" At this time,

the middle-aged man also frowned and took a few steps towards David. !

"Your father is suffering from a hidden illness and is injured in his left lung. Within five minutes, he will have difficulty breathing and suffocate to death. Can you get to the hospital in five minutes?"

David followed the girl calmly and asked.

"You're talking nonsense, my father just had a cold..."

"Yu Qi..." The middle-aged man called to the girl, and then took two steps towards David again. His eyes were full of shock and he said, "Little brother, how did you tell that my left lung was injured?" "I told you

. , you don't understand, I have urgent matters now, and I don't have time to waste time here with you..."

David said, and was about to turn around and leave!

"Little brother... cough cough cough..." The middle-aged man called David, and then coughed violently. When it calmed down a little, he immediately stepped forward and took David's arm. "Little brother, since you can tell My disease will definitely be cured. I hope my little brother can save my life. I am willing to pay any price. This is my business card!" The middle-aged man took out a business card and handed it to David

.

Originally, David didn't want to accept it or take care of it, but when he saw the name on the business card, he immediately took it into his hand. "Are you Ruben, the president of Su Group?" "Exactly!" Ruben nodded

.

Suddenly, David took action towards Ruben, pointing his fingers at Ruben's Tiantu, Renhai, and Guizhong acupuncture points.

David's speed was so fast that neither Ruben nor Sonya could react.

Chapter 3273

"What do you want to do?" Sonya hurriedly stepped forward to block Ruben, but David had already stopped.

However, after David hit a few acupoints, Ruben immediately felt his breathing became smoother and his face became much rosier.

"I have only temporarily controlled your injury. It will take some time to recover. Your hidden disease needs to be treated slowly because of its age!"

David said calmly.

"Thank you little brother for helping me, thank you so much..." Ruben stepped forward and grabbed David's hand excitedly, thanking him constantly.

Sonya was also very surprised when she saw that her father's face was obviously rosy and his health was much better.

"I rescued you because I know that you often do good deeds and donated to more than a dozen primary schools. I should rescue you both emotionally and rationally!" David saved

Ruben because he knew that Ruben was a great philanthropist. , if it were someone who met by chance and didn't know each other, David would not necessarily come to the rescue. What's more, Sonya just said bad words to him and almost killed him. David is not a virgin b!tch, he will save anyone!

When Ruben heard this, he looked slightly embarrassed, "What I have done is not a good deed. It is far from good. My little brother saved my life. Just say

whatever you want. It is almost noon now. I will invite my little brother to go to Fuhao." How about a meal at the grand hotel?"

"No, I have some things to deal with!" Chen

Ping shook his head and refused. He still wanted to see Delia to ask for clarification.

Seeing David's refusal, Ruben was a little surprised. As the richest man in Horendel, there were countless people who wanted to invite him to dinner. Those who could sit with him for dinner were all powerful people.

Now he took the initiative to invite David to dinner. Unexpectedly, David refused. This was a bit unexpected!

"Little brother, no matter what, we have to sit down and have a meal together to express my gratitude!"

Ruben firmly held David's arm.

David could tell that Ruben was desperately trying to treat him to a meal because he just wanted to know about the follow-up treatment of his disease. However, seeing that Ruben was sincere, David nodded and said, "Okay, I'll deal with the matter first. I'll go to the Regal Hotel to find you then!"

Seeing David say this, Ruben let go of his hand, "Okay, it's a deal, the little brother is here, just call me!"

David nodded and couldn't wait. He left and rushed towards the Geng family!

.....

"Where is Delia? I want to see her!"

David said to the middle-aged woman in front of a slightly old villa!

This middle-aged woman is Delia's mother, Ethel. In the past, David would never have dared to speak to Ethel in this tone, but now After hearing what his mother said, David was already very angry. He didn't take action directly, which was considered a good thing.

Ethel was wearing a cheongsam, arrogantly, with her hands folded on her chest, looking at David with disdain, "Get out of here quickly, my daughter is getting married today, you, a reform-through-labor prisoner, are too unlucky to be here..." "Marry?"

Chen

Ping Ping frowned, it seemed that what the bald man said was true!

"Where is Delia? Who is she married to? Let her come out to see me and explain clearly..."

David rushed towards the villa with a cold face!

"Hey...you madman, why do you just break into other people's yards?"

Ethel desperately pulled David!

But she was not as strong as David. She was dragged into the yard by David!

David was about to rush in with his eyes open, when a girl in a wedding dress walked out with a gloomy face!

When he saw the girl, David stopped suddenly.

"Delia, what's going on? What's going on? Tell me clearly?"

David looked at Delia angrily and asked!

"David, please go, don't come looking for me, I have decided to marry Jordan!"

Delia looked at David expressionlessly and said!

David's eyes narrowed and he clenched his fists tightly. Although he already knew it, when Delia said it herself, David's heart still twitched violently.

He was imprisoned because of Jordan, but now his girlfriend wants to marry him?

This is so ironic!

Suddenly, David gave a self-deprecating smile. He felt that he was really too cheap...

"Is this what you mean?"

David looked at Delia, his face no longer angry, and his hands slowly loosened.

.

"Yes!" Delia nodded. "I want to live the life of a rich person, but you can't give it to me." "

And you are still a prisoner in the reform-through-labor camp. Even if you are released, it will be difficult for you to support yourself. How can I support you?"

"For the sake of our previous relationship, you can take these few hundred dollars and save yourself from sleeping on the street!" After

Delia finished speaking, she took out a few hundred-yuan bills from her bag and threw them on David's face. superior!

At this moment, David looked at Delia and completely gave up. The person in front of him was no longer his girlfriend.

"You will regret it!"

David turned around and left without taking Delia's money.

"Bah, I will regret marrying a poor guy like you!"

Ethel spat fiercely from behind!

Chapter 3274

When David just walked to the door, a convoy of people welcoming the bride directly blocked the way!

A young man in a suit and leather shoes, holding a bouquet of flowers, stepped off the float. This man was Jordan!

Jordan was slightly startled when he saw David, but then he laughed.

"I forgot that you were released from prison today. What a coincidence. Do you want to attend my wedding with Shanshan?"

Jordan looked at David playfully, his eyes full of ridicule!

David just gave Jordan a cold look, turned sideways and wanted to leave. He didn't want to follow this kind of nonsense!

"Don't go!" Unexpectedly, Jordan stopped David again, "Don't you have money to follow? It doesn't matter, you don't need to take money, you can eat leftovers when the time comes. We are holding a wedding at the Regal Hotel. If you don't go, I'm afraid you won't have the chance to eat there in the rest of your life!"

Jordan smiled mockingly at David, and even reached out to pat David on the face.

David knocked Jordan's hand off hard!

"What a shame. Marry a second-hand guy. There's nothing to complain about. It's all leftover from my fun."

David smiled coldly.

In fact, David had never touched Delia at all, or even held her hand. He said this just to disgust Jordan and punish Delia.

Jordan was stunned after hearing this and looked at Delia hurriedly!

Delia told him that she never even held hands with David. What is going on now?

When Delia saw Jordan looking over, she immediately became anxious and shouted at David, "David, what are you talking about? Who is the one left behind by you? With your virtue, I didn't even let you touch me." Pass!"

Ethel also panicked and yelled at David, "David, don't say the grapes are sour because you can't eat them. With your virtue, how could I let you touch my daughter!"

"Jordan, don't believe his nonsense. He clearly wants to disgust you."

Ethel followed Jordan and explained that he had finally found a rich son-in-law, but he couldn't be disturbed by David's words.

"Auntie, don't worry, I won't believe it."

Jordan is not stupid, and of course he will not believe David's words!

"Believe it or not, it's up to you!"

David was too lazy to pay attention to Jordan, and walked directly around him and walked out!

"Wait a minute!"

Jordan shouted to David, "You'd better keep your mouth shut and don't go around talking bad about my wife, or I'll make you look good!" Jordan was afraid that

David would talk badly everywhere. It ruined the reputation of their Xiao family!

"Haha... I have a mouth. I can say whatever I like. You care about me?"

David looked at Jordan coldly. "But you should pay more attention. Don't lose your life one day. If you don't You know what's going on!"

Looking at David's cold eyes, Jordan was in a daze for a moment, and felt a little scared in his heart.

But just for a moment, Jordan felt that he had been humiliated, and his eyes widened. He scolded, "If you're not afraid of death, you can try it. Just don't kneel down and beg me!"

Jordan's face was full of anger. If he hadn't gotten married today, he would have looked good to David!

"You still don't know who is going to kneel down and beg whom? We'll see!"

David stared at Jordan.

"Jordan, the time has come, let's not talk to this poor guy, you idiot!"

Ethel gave David a look of contempt!

Jordan held the flowers and the group walked towards the house!

David looked at Jordan's back and suddenly flicked his fingers, and a ray of silver light suddenly entered Jordan's body.

Jordan trembled obviously, but he didn't care and continued walking towards the house.

"I want to see if you will kneel down and beg me!"

David showed a sneer on his lips, turned around and left, heading towards the Fortune Hotel.

.....

In front of Fugui Hotel!

Ruben personally waited for David at the door. Ruben's appearance caused everyone who entered the Fugui Hotel to talk about it.

"Isn't this the richest man Su? He's standing at the door of the hotel, as if waiting for someone. He doesn't know who the person is, but he can make the richest man Su wait!" "I heard that the eldest son of the Xiao family is getting married, and the wedding is here

. Are you waiting for people from the Xiao family?"

"It's possible. After all, the Xiao family is also a wealthy family, so they should be given some face."

Everyone walked into the Regal Hotel talking about it, but Ruben was still lingering at the door, from time to time. Looking at his watch, his face looked a little impatient.

"Dad, I think that boy is just talking nonsense. He said that you injured your left lung, and that you have a hidden disease that is life-threatening. It's just nonsense. You just have a cold and an inflammation of the lungs. Don't wait any longer. Let me accompany you to the hospital!"

Sonya persuaded Ruben.

Ruben has been waiting here for half an hour, but David hasn't arrived yet. Sonya feels that David is talking nonsense. Besides, Ruben has never told them that he has injured his left lung, and this has never happened before. situation.

"Yu Qi, there are some things you don't understand. My injury is not treated well even in the hospital. It's a hidden disease that has been going on for more than 20 years. The reason why I haven't told you is because I'm afraid of you. I'm worried..."

Ruben sighed and said solemnly.

When Sonya heard this, she felt a little stupid. She held Ruben's hand nervously, "Dad, what... what is going on? Don't scare me, don't scare me... I have already called Dr. Sun." , he will be here soon."

Sonya panicked. She has never seen her mother since she could remember. It was Ruben who brought her up single-handedly. The two of them depended on each other. If Ruben had a problem, , Sonya didn't know how she should live.

"It's a long story. I'll tell you slowly when I have time..."

After Ruben finished speaking, he looked at his watch again, and then looked anxiously into the distance!
