Chapter 3275

Seeing this scene, Ji Lianjun was so shocked that he couldn't close his mouth!

Ji Cheng was also breathing rapidly and his face was full of excitement!

“What on earth is going on? Tell me quickly...”

Ji Lianjun grabbed Ji Meiyang's shoulders excitedly, wanting to know what happened!

Ji Meiyang blushed. How dare she say that? She couldn't tell her about sleeping with David in front of everyone!

“Son, where is Young Master Qin?”

At this time, Ji Liangying also arrived with people, including people from Juman Palace!

Seeing their father coming, Ji Yue and Ji Meizhen hurried forward, trying to pull Ji Liangying aside to talk!

However, Ji Liangying threw away the two of them very unhappily and said, “If you have anything to say, just say it here. Palace Master Qin is not an outsider...” “

Where is Mr. Qin, why haven't you seen him?”

Ji Liangying's words made Ji Yue and Ji Meizhen lower their heads, not knowing how to explain it!

Looking at the two of them, Ji Liangying suddenly had a bad feeling in his heart!

When Qin Hetian saw this, he frowned and said, “Where is my son, where is my son...”

Facing Qin Hetian's roar, Ji Yue could only say cautiously, "Qin, Mr. Qin... he is dead... .."

Boom...

Ji Yue's words struck Qin Hetian on the head like a bolt from the blue!

Even Ji Lianying was stunned on the spot. He didn't expect Qin Jingyu to die!

"What's going on? What's going on?"

Ji Lianying asked anxiously!

"Young Master Qin realized the origin and was absorbing the original aura. However, Young Master Qin absorbed too much and his body could not bear it, so he exploded and died."

Ji Meizhen said!

When Ji Lianying heard that his body exploded and died, he didn't know what to say for a moment.

"Nonsense, how could my eldest brother explode and die? Someone must have killed him."

"Is it David? Did he kill my eldest brother?"

Qin Jingyun roared!

"for meThe son couldn't have died due to explosion, someone must have harmed him inside.

"Tell me, did someone harm my son? " "

Qin Hetian's face was ferocious, and his eyes turned scarlet!

"You two, tell me quickly, were Mr. Qin killed by them? "

Ji Lianying pointed at David and the others and said!

No matter how Qin Jingyu died, Ji Lianying will put the responsibility on David and the others!

Because only in this way, Qin Hetian will work with him to target Ji Lianjun's lineage!

"Dad, no, it's..."

Ji Yue wanted to explain, but was slapped hard by Ji Lianying!

"You bastards, I asked you to take good care of Mr. Qin, but you let him be killed, and why? Don't dare to tell the truth. "

After Ji Lianying slapped Ji Yue, he looked at Qin Hetian and said, "Palace Master Qin, they must have harmed your son. Now that our two families have joined forces, we must not let them go..." Qin Hetian glared

. Looking at David and others, he did not believe that his son blew himself up.

"I want them to pay for their debt with blood..."

Qin Hetian was filled with anger, and the aura of terror on his body continued to permeate!

Feeling Qin Hetian's body full of Everyone frowned at the terrifying aura!

Especially Ji Lianjun, he knew that a fierce battle was about to begin!

"Ji Cheng, don't forget to explain your affairs. "

Ji Lianjun said to Ji Cheng!

Ji Cheng nodded, with helplessness in his eyes!

"If you dare to kill my son, I will kill you..."

Qin Hetian roared, his body only shook slightly, and David and the others arrived. In front of you!

When Ji Lianying saw this, he immediately followed him with his people!

"What are you going to do?" Ji Lianjun said angrily!

"Brother, Mr. Qin was killed in the ancestral land. He had your family head order, but these outsiders secretly entered the ancestral land without the family head order and killed Mr. Qin. Do you want to hand them over now? "

Ji Lianying asked Ji Lianjun!

Chapter 3276

“Second uncle, please don’t spit on others. Qin Jingyu blew himself up and died. Ask your children, they also saw it.”

Ji Meiyuan said to Ji Lianying!

“No need to ask, he was killed.” Ji Lianying is just trying to find an excuse. As for the real situation, it doesn’t matter at all!

“Dad, don’t be confused. Mr. Qin blew himself up and died...”

Ji Meizhen yelled!

“What are you talking about?” Ji Lianying immediately glared at Ji Meizhen!

“Dad, Mr. Qin just blew himself up. It doesn’t matter if he follows others. Stop messing around.”

Ji Yue stepped forward and pulled Ji Lianying aside with all his strength!

If Ji Lianying cannot be stopped at this moment, then their lineage will really disappear!

“Did you two take the wrong medicine today?”

Ji Lianying looked in disbelief. He didn’t understand why his children suddenly stopped speaking for him!

“Dad, don’t be stubborn. Taizu has spoken and asked you to go to the ancestor’s place to accompany him. Taizu knows everything about us clearly.”

Ji Yue said anxiously!

“Nonsense, Taizu can’t leave the ancestral hall all year round. How could he know? You must be lying to me...” Ji Lianying didn’t believe it at all

. How could Taizu know what was going on outside!

But just as Ji Lianying finished speaking, suddenly an old voice seemed to come from the horizon!

“You unfilial evil beast, why don’t you come in quickly...”

Taizu’s voice came from the ancestral hall!

Hearing this voice, all the children of the Ji family were stunned, and Ji Lianjun quickly knelt down!

The other children of the Ji family also knelt down and worshiped!

Because this was the first time in so many years that they heard Taizu’s voice outside their ancestral land!

Ji Lianying’s eyes widened, with horror and disbelief in his eyes!

He never expected, This thought of mine actually alarmed Taizu!

“Dad, if you don’t hurry up and enter the ancestral land, if Taizu gets angry, everyone in our lineage will be doomed.”

Ji Yue reminded Ji Lianying from the side!

Ji Lianying looked dull, and finally stood up slowly and walked towards the ancestral land!

“Second Master Ji...”

Qin Hetian saw this and shouted quickly!

He came here for Ji Lianying. If Ji Lianying doesn’t rebel, then what’s the use of him coming to the Ji family? Besides, it’s impossible for the people he brings to beat the Ji family!

Ji Lianying seemed not to hear anything, and finally disappeared into the ancestral land. As for what punishment he would receive, no one knew!

Ji Yue and Ji Meizhen watched their father walk into the ancestral land. Although they were reluctant to give up, they had no choice. Who made them ignore the safety of the Ji family and collude with outsiders to seize the position of the head of the Ji family!

After Ji Lianying entered the ancestral land, Ji Yue and Ji Meizhen immediately walked up to Ji Lianjun with their children!

Ji Yue and Ji Meizhen both knelt down in front of Ji Lianjun!

“Uncle, we are so obsessed that we followed our father and did a lot of things that harmed the Ji family. Please forgive me, uncle.”

Ji Yue and Ji Meizhen knelt on the ground sincerely and kept kowtowing!

At this moment, they definitely admitted their mistake sincerely!

No more rebellion!

Even Taizu has spoken, how dare they have the slightest thought!

What’s more, now that Ji Meiyuan has opened the origin space and realized the origin of their ancestors of the Ji family, their lineage has no strength to seize the position of the head of the family!

“Get up and find your way back. Just recognize your mistakes and correct them.”

Ji Lianjun did not embarrass Ji Yue’s brother and sister!

After all, Ji Lianjun doesn’t want to watch the children of the Ji family kill each other!

Qin Hetian on the side looked at the scene in front of him, and his lungs were about to explode!

He traveled thousands of miles to bring people here, but now he has gained nothing, and one of his sons has died!

Chapter 3277

“Palace Master Qin, since your son died by self-destruction, I think there is no need for you to stay in my Ji family?”

Ji Lianjun looked at Qin Hetian and asked!

Qin Hetian's face was full of dissatisfaction, but he couldn't get angry!

After all, this is the Ji family. If a fight breaks out, none of them from the Juman Palace will be able to leave!

"Let's go..."

Qin Hetian gritted his teeth, then waved his hand and led the people away!

"Dad, why did you let him go? You should teach them a lesson!"

Ji Meiling said with dissatisfaction when she saw her father letting the people from Juman Palace leave!

"It's better to resolve enemies than to make them end. It won't do any good for us to provoke them." "

This time, our Ji family didn't kill each other. It's already blessed by God." "

Tell me quickly, What happened to you in the ancestral land? Why did your sister suddenly open the origin space and realize the origin?"

Ji Lianjun wanted to know how Ji Meiyuan did it!

"Dad, let's talk about it when we go back..."

Ji Meiling knew that telling Ji Meiyuan's things in front of so many people would definitely make Ji Meiyuan shy, so she planned to talk about it when she went back!

"Okay, let's go back!"

Ji Lianjun nodded!

When she returned to her house, Ji Meiling told Ji Lianjun everything!

When Ji Lianjun heard that the combination of Ji Meiyuan and David made Ji Meiyuan's talent and bloodline different from ordinary people, his jaw dropped in surprise!

He never expected that David turned out to be of the supreme bloodline. After a woman has s3x with David, her talent and bloodline can change!

This is simply outrageous!

At this moment, Ji Lianjun's eyes looking at David became a little special!

This made David feel a little hairy!

“Master Ji, I'm a little tired. I'm going to rest first...”

David quickly stood up and wanted to leave!

“Mr. Chen, stay here. I still have something to say. Mr. Chen said! “

Ji Lianjun hurriedly stopped David, and then waved his hand to let everyone leave!

After everyone left, Ji Lianjun looked at David with bright eyes, as if he were looking at a baby!

David got goosebumps when he saw it. !

Could it be that Ji Lianjun heard that sleeping with him can improve his talent and bloodline, so he also thought...

Thinking of this, David almost vomited!

“Master Ji, just say what you have to say!” ” David asked, resisting the urge to vomit!

“Mr. Chen, I... I have an unkind request, and I'm a little embarrassed to say it.
“

Ji Lianjun looked a little nervous!

When David saw it, the hairs all over his body stood up, and he immediately said, “Since I'm embarrassed to say it, I'll leave...”

David wanted to leave, but was stopped by Ji Lianjun!

“Mr. Chen, as the saying goes, a hero deserves to be matched. Beauty, you see, there are quite a few girls in our Ji family.

“I hope Mr. Chen can select some from them and then combine them with them. “

“Of course, no matter in terms of figure or appearance, Mr. Chen likes all of them, and they are all perfect. “

“Mr. Chen, please stay at my Ji’s house for a while longer so that I can entertain Mr. Chen. ” “

Ji Lianjun said!

When David heard this, he was stunned!

If other men heard this request, they would probably jump with joy!

But David had a grimace on his face. This was to pen him up and raise him like a breeding pig. Yeah.

David looked at Ji Lianjun’s eyes and didn’t dare to refuse on the spot. He could only smile awkwardly and said, “Master Ji, let me take a break first and think about it, okay?”

“Yes. Of course Mr. Chen must have a good rest in order to have energy. ” “

Ji Lianjun looked at David and looked like he was probably in trouble, so he said happily!

David walked out of Ji Lianjun’s mansion and was sweating all over without realizing it!

He felt that he was leaving, so he left quietly at night. If he was really being raised like a breeding pig, even if David was so powerful, he would become a human sooner or later!

Chapter 3278

When David returned to his residence, Ji Yun and Huo Feng greeted him!

“Mr. Chen, what did uncle tell you? It seems mysterious...”

Ji Yun asked curiously.

“Master, I heard that you have taken in another woman. She is Ji Yun’s eldest sister. Why don’t you take in the twin sisters together? Wouldn’t it be nice for two sisters to spend time together?”

Huo Feng said jokingly to David!

David glared at Huofeng, then sighed helplessly and said, “Please pack up, we are leaving here tonight.” “

Mr. Chen, what’s wrong?”

Ji Yun was stunned. He thought Ji Lianjun had done something to David. What!

“Master, why are you in such a hurry to leave at night?” Fire

Phoenix also asked curiously.

Seeing this, David could only repeat Ji Lianjun’s words to the two of them. After hearing this, Ji Yun and Huofeng immediately laughed from ear to ear!

“Master, why are you still moaning about such a good thing? When the time comes, you will have the entire Ji family’s women to choose from.” “It’s

just that this time, the Ji family master wants to treat you as a stallion to improve the Ji family’s bloodline. “

Huo Feng laughed and said!

Ji Yun was a little embarrassed, “How could uncle have such an idea? It’s so embarrassing...” “

In the world of gods and humans, strength is respected. Many people will do anything to improve their strength. Sleep with me.” What’s the matter?” Huo Feng said nonchalantly!

If he sleeps with him, his bloodline will be improved. It is estimated that many women in the heaven and human world will rush towards David crazily!

“Okay, you two get ready, we’ll leave secretly at night.”

“Ji Yun, if you want to stay at Ji’s house, you don’t have to follow me to Tianmo Mountain.”

David knew that it was unfair to Ji Yun that Ji Yun had finally found the Ji family and left just after arriving for a few days!

“Mr. Chen, I’m going with you. I said I would follow you. Wherever you go, I will go.”

Ji Yun said firmly!

“Okay, you go and clean up. Leave quietly at night without disturbing anyone.”

David asked Ji Yun and Huo Feng to clean up!

It was getting dark. David was lying on the bed. When it was dead of night, he planned to leave!

Just when David was lying on the bed bored, the door was suddenly pushed open gently!

David thought it was a fire phoenix and didn’t pay attention!

But soon, two beautiful figures came to David’s bed!

Even in the dark night, David could clearly see that these two people were Ji Meiyuan and Ji Meiling!

Both of them were naked, and Ji Meiling still had a bit of shyness on her face!

They all thought David was asleep, but they didn’t know that David was staring at them closely at that moment!

“Sister, I’m scared...”

Ji Meiling whispered!

“What are you afraid of? You don’t know how many women want to sleep with David. I heard that tomorrow all the women in the Ji family will be available for him to choose from.” “When there are so many women, it will be your turn

. Just enjoy it tonight, you won’t have a chance tomorrow.”

Ji Meiyuan encouraged Ji Meiling!

Ji Meiling nodded, and finally mustered up the courage to grit her teeth and tiptoe onto David's bed!

Ji Meiling's body was trembling slightly. After all, this was the first time she had been in such close contact with a man, and she was still naked!

But just when Ji Meiling was about to pounce on David, David suddenly stood up, shocking Ji Meiling!

"I hope you respect me. Who do you think I am?"

David said in a stern tone!

Ji Meiyuan was stunned. She didn't expect that David, the woman sent to her, would refuse!

Ji Meiling's face turned red with embarrassment and she hurriedly hid behind Ji Meiyuan!

"Sister, let's go..." Ji Meiling wanted to pull Ji Meiyuan away!

Chapter 3279

But Ji Meiyuan did not move, but asked David, "David, feelings can be cultivated. We don't have feelings. Why didn't you sleep with me..." "I did it to enter

your Ji family's ancestral land... .."

Chen Pingping said expressionlessly!

David knew that he was leaving Ji's family and might never come here again, so he didn't want Ji Meiyuan to be emotional towards him!

He wants to hurt Ji Meiyuan so that Ji Meiyuan won't think about him!

Sure enough, David's words stunned Ji Meiyuan and her body trembled slightly. "You..."

Ji Meiyuan didn't know what to say. After all, she took the initiative and David just passively accepted it!

“Sister, let’s go, it’s so embarrassing...”

Ji Meiling pulled Ji Meiyang to leave!

She also didn’t expect this outcome. Two beauties, twins, naked in front of David, but David was actually indifferent! Maybe

David is really not like other men, or maybe David is disgusted with treating him as a stallion!

David flicked his hand, and a sheet wrapped the bodies of Ji Meiyang and Ji Meiling!

The two women were stunned, not knowing what David was going to do, but they found that David’s consciousness coldly said, “Come out...”

Ji Meiyang and Ji Meiling looked around and found no one. They didn’t know that David Who are you talking to?

Following a fluctuation in the void, an old man soon appeared out of thin air in the room!

And this old man is none other than the Taizu of the Ji family!

Seeing this, Ji Meiyang and Ji Meiling hurriedly knelt down to worship, with deep doubts in their eyes!

It was said that their great ancestor would never leave his ancestral land, but now he appeared here!

“You two go out first, I have something to say to the young man!”

Taizu waved his hand!

Ji Meiyang and Ji Meiling retreated obediently!

After two people exit After leaving, Taizu said to David, “How can you remain indifferent to two beauties in front of you?” “It’s

true that I am a man, but I am not a tool for your Ji family to improve their bloodline.”

David’s expression was a bit unpleasant!

“Hahaha, I have some personality, but I can exchange it with you. As long as you sleep with the two of them tonight, I can teach you my lifelong secrets. After all, you are half of Ji’s family.”

Tai Zu said!

When David heard this, he immediately became interested and said, “What is your secret skill?”

“I can demonstrate it to you. If you are interested, then we can make an exchange!”

Taizu said, suddenly holding out a finger. , there is a strange breath flowing on the finger!

Immediately after Taizu pointed his finger, a table shattered instantly!

It’s nothing special to shatter a table with his breath. Let alone his fingers, even if David shakes his body now, he can turn the furniture in the room into powder!

David didn’t understand, what kind of unique skill was this move of the Taizu of the Ji family?

“That’s it?”

David said with disdain on his face!

Taizu smiled faintly, “Look carefully...”

David didn’t understand what Taizu asked him to see, so he asked, “What did you want me to see?”

“Of course, it’s the shattered table.”

Taizu said . !

David looked at the shattered table and was surprised to find that the fragments of the table had remained at the moment they were shattered and did not fall apart, as if they were suddenly frozen!

David’s eyes widened as if he had been struck by lightning, his face full of disbelief!

But then, something even more incredible happened!

The table that originally looked like it had been torn apart by one finger actually coalesced again and then appeared completely in its original position!

David hurriedly rubbed his eyes, unable to believe what he was seeing.

Chapter 3280

“Do you see clearly?”

Taizu said with a faint smile!

“What are you looking at? You don’t seem to have done anything? Did you use illusions on me just now?”

David found that nothing in the room had changed. Even the table that had been shattered just now was still in its original place. land!

It seems that the Taizu of the Ji family’s finger did not damage anything, but only used illusions to blind David’s eyes.

“Illusion?” Taizu snorted coldly. “Since you can’t understand, I won’t force it. Maybe you are not suitable for my unique skill.” After

Taizu said that, he actually walked towards me!

David frowned. He himself had the origin of illusion, and the illusion was even more unpredictable. If the Taizu of the Ji family performed illusion in front of them, he shouldn’t have known about it! But

he clearly didn’t feel the existence of illusion just now, what he saw was real!

But how could the apparently broken table become intact again?

Just when Taizu of the Ji family was about to walk out of the room, David’s eyes suddenly lit up and he said loudly, “I know, I know, this is... is this a time spell?” “You are not using illusion,

but It’s a time spell. You can stop time or even turn it back, so the broken table will become whole again.”

Hearing David's words, the Taizu of the Ji family smiled slightly, "Boys can be taught, what do you think of the two of us? Can we exchange?"

"Yes, yes..."

David nodded desperately!

There is nothing emotional about it, let alone letting him sleep with two sisters, Ji Meiyuan and Ji Meiling. Even if he sleeps with all the eldest girls in the Ji family, David will not object!

This is a time spell. If you can learn it, wouldn't it be possible to turn back time and bring the dead back to life?

This is simply a miracle. Even if he is a stallion for a few days, David is happy!

Taizu of the Ji family smiled, then opened the door and walked out!

Ji Meiyuan and Ji Meiling Still hanging around the sheets, waiting outside!

"You two go in and squeeze him with all your strength. This is an opportunity for our Ji family and an opportunity for you two." "I'm afraid there will never

be such an opportunity again in the future, and you won't be here either. See him."

Taizu of the Ji family said calmly!

When Ji Meiyuan and Ji Meiling heard this, they were silent, but they still walked in obediently!

This time, David didn't resist at all, but was particularly proactive!

Soon, bursts of spring sounds came from the room!

One dragon and two phoenixes, it was so exciting...

I don't know how long it took, but Ji Meiyuan and Ji Meiling came out exhausted and covered with sheets!

The two of them trembled and returned to their rooms!

“Senior, I have done what I promised you. Is it time for you to teach me my secret skills?”

David shouted outside!

With a tremor in the void, the Taizu of the Ji family appeared. David looked at the Taizu of the Ji family who appeared in the room and couldn't help but joked, “Senior, you won't be peeking around, right?” “That's nonsense, I

'm Taizu of the Ji family, how could it be possible to see a girl from the Ji family doing such a thing?”

Taizu of the Ji family said angrily!

“Senior, please calm down. I was just joking. Why should you be angry?”

David quickly apologized. If the Taizu of the Ji family didn't pass on his secret knowledge to him when he was angry, it would be a big loss!

“I tell you, this finger of mine is an immortal finger. Only after you have the origin of time can you perform this trick.” “

You have to know that the origin of time and the origin of space both involve real magic, so it is very difficult to learn it. Difficulties.”

“And this Immortal Finger can't change the speed of time at will, or turn back time. At my current level, I can only use it on dead objects to restore them. If I want to resurrect the dead, I absolutely cannot do it. It's here.”

Taizu of the Ji family said!
