Chapter 3284

Seeing what Cai Hongwei said, Ji Yun stopped talking!

Ji Meiyuan said anxiously, "Uncle Cai, these are my relatives. This is my sixth brother, the son of my third uncle. Can you please be accommodating?" "Your

third uncle's son?" Cai Hongwei was a little surprised. He looked at Ji Yun carefully, but still shook his head and said, "Niece, it's not that your Uncle Cai is unreasonable, it's just that the road is very dangerous, and I don't have the final say alone." "A group of more than a dozen people,

alone It's useless for me to agree to it myself. After all, we have to cooperate with each other along the way. If we take a few of them with us and devote our energy to protecting them, who would be happy." "But if these three people can show

some sincerity, let others agree, I have no problem here."

Cai Hongwei was a little confused!

It is obvious from Cai Hongwei's words that he just wants some benefits!

However, he said that someone else wanted it, which shows that this guy is very greedy. When

Ji Meiyuan heard this, she immediately understood what it meant and immediately said, "Uncle Cai, I am willing to give you five million spiritual coins, do you think it is okay?" Unexpectedly,

Cai Hongwei shook his head and said "Eldest niece, no matter how many spirit coins you have, it won't be easy to use. Whoever can find me and go to the Southern Territory with me will be short of spirit coins!" Ji Meiyuan couldn't help but wrinkle when she saw that the spirit coins were not enough

. She frowned because she couldn't get anything else except spirit coins. Like other resources, she couldn't make the final decision!

“Senior Cai, if you go to the Southern Region, if you don’t make a teleportation array, are there any means of passage?”

David asked Cai Hongwei!

“Whatever means of transportation we need, we cultivators can just travel thousands of miles a day.”

Cai Hongwei said calmly!

“Senior Cai is right, but you have to know that galloping all the way consumes a huge amount of spiritual power. You must rest in the middle to replenish your physical strength, which will also take time.” “We have an airship that can fly all the way to the Southern

Territory , not only saves physical strength and time, but also You can also practice well on the airship. Chen

Ping said!

Cai Hongwei was stunned, and then said in disbelief, “Do you have an airship?”

“Of course, we came here by airship. ” “David nodded!

“You want me to see your airship without any proof? “

Cai Hongwei said!

David glanced at Ji Yun, Ji Yun nodded, then walked out of the hall, and then released the airship!

Cai Hongwei looked at the airship in front of him, with deep joy in his eyes!

After seeing it, Cai Hongwei’s attitude has obviously changed!

“Eldest niece, since these are your relatives, plus my relationship with your father, of course I have to help with this. As for other people, you don’t have to worry about it, I will convince you them. “

Cai Hongwei happily agreed!

David couldn't help but smile when he saw Cai Hongwei like this. However, in the world of gods and humans, there are not many people like Cai Hongwei. They all value strength and their own interests! "Uncle

Cai, then I would like to thank you. "

After Ji Meiyuan thanked him, she stood up and prepared to leave!

When she passed by David, she couldn't help but look at David twice because she knew that after this time, she might never see David again in her life!

David didn't say anything or show any expression, which could make Ji Meiyuan forget herself as quickly as possible, which was also a relief for Ji Meiyuan! Cai Qiannan on the side seemed to see something and sent

Ji Meiyuan away Get out!

"Mei Yan, does it matter if you follow that guy? I think the way you look at him is wrong. Cai

Qiannan asked!

Ji Meiyuan smiled and shook her head, "What does it have to do with it? It doesn't matter..."

"Put me down, you think I'm a fool. I think you two are not only related, but you must have slept together."

Cai Qiannan said with confidence!

Chapter 3285

Ji Meiyuan was stunned and looked at Cai Qiannan in confusion, "How do you know?" "

Then you don't have to ask. You are limping when you walk now. Did you get... last night?"

Cai Qiannan leaned towards Ji Meiyuan. In my ears, I whispered!

Ji Meiyang blushed, glared at Cai Qiannan fiercely and said, "Stop talking nonsense..."

"What I'm talking about is nonsense, do you think it's true?" Cai Qiannan asked!

"It's true, but I can't explain it to you. Only if you experience it yourself can you know what it feels like." "

You should quickly find a man to experience it..."

Ji Meiyang smiled!

"I'm not looking for it..." Cai Qiannan said with a proud face!

After sending Ji Meiyang away, Cai Qiannan returned to the hall!

"Xiao Nan, go and find everyone else. We should get ready to set off!"

Cai Hongwei said to Cai Qiannan!

Cai Qiannan nodded and went to call others!

Cai Hongwei was in the lobby, chatting with David and the others for a while, and got a preliminary understanding!

Soon, Cai Qiannan brought a dozen people. The auras of these people were surging, and they were obviously not weak!

"Uncle Cai..."

At this time, a young man, looking gentle and elegant, walked up to Cai Hongwei and saluted!

"It turns out to be Xiao Zhen, hurry up and find a place to sit..."

Cai Hongwei said to the young man very politely!

Others also followed Cai Hongwei in saying hello, and then found a seat to sit down!

Soon, the originally empty hall was filled with people!

After Cai Hongwei glanced at it, he frowned slightly and said, “Xiao Nan, why don’t you see Mr. Miao coming?” “

Dad, Mr. Miao is not here, but I have informed you that he may arrive soon.”

Cai Qiannan said!

Upon hearing this, Cai Hongwei nodded, and then waited quietly!

“Uncle Cai, I see why there are three more people in our team suddenly, and they don’t look very strong.”

The young man just noticed David and the others, so he asked Cai Hongwei in a low voice!

“Oh, these three were introduced by the Ji family. Although they are not strong, they have airships, which can shorten our time on the road and avoid unnecessary troubles.” Cai Hongwei explained

!

When the young man heard this, he seemed a little surprised and kept looking at David and the others!

Upon seeing this, Cai Hongwei called David and the three of them over, and then introduced, “Eldest nephew, this is Sikong Zhen, the son of the Sikong family. Despite his young age, his strength has reached the fourth level of the Tribulation Realm. This is the second time I have gone to the Southern Territory with me, and I have a very rich experience.”

After finishing speaking, Cai Hongwei looked at Sikong Zhen and said, “This is Ji Yun from the Ji family...” “

Uncle Cai, I don’t remember that there are other people in the Ji family. Such a number one person?”

Sikong Zhen looked at Ji Yun and felt very strange!

Cai Hongwei hurriedly followed Sikong Zhen to explain, and then Sikong Zhen knew that Ji Yun was the son of the third child of the Ji family who ran away from home back then!

After some pleasantries, the hall fell into silence. Everyone was waiting for the man named Miao Lao!

“Uncle Cai, is this Mr. Miao important?”

Ji Yun asked curiously when he saw so many people waiting for this Mr. Miao without saying a word!

“As a member of the Ji family, you don’t even know that Mr. Miao is the most powerful person in the Yellow and Blue City.” “

This time Mr. Miao also went with us to the Southern Territory, but it’s all because of us.”

” If it weren’t for the recent commotion in the Southern Territory Demon Mountain, Mr. Miao probably wouldn’t have gone.”

Before Cai Hongwei could speak, Sikong Zhen said!

When Ji Yun heard this, he stopped talking. No wonder these people were waiting for Mr. Miao and no one complained!

After a while, footsteps were heard outside, and Cai Hongwei stood up instantly to greet him!

Chapter 3286

“Miao Miao, you are here...”

Cai Hongwei said respectfully after welcoming him out!

“Boss Cai, I’m late, I kept you waiting...” “

It’s all my granddaughter’s fault. She insists on going with us, but I can’t help her.”

Miao Lao said apologetically!

Behind Mr. Miao, there was a young woman.

“Miao Miao, you came at the right time. Since Miss Miao also wants to go, let’s take it together and treat it as a trip.”

Cai Hongwei invited Miao Miao in!

Listening to Cai Hongwei’s words, David smiled bitterly. The three of them wanted to go together. Even if they had connections with the Ji family, Cai Hongwei didn’t agree. He didn’t agree until he took out the airship!

But now that Miao Lao said something, Cai Hongwei not only dared not say anything, but also respectfully let him go as a tourist!

When Mr. Miao walked into the hall, everyone stood up and said hello!

David saw that Mr. Miao looked old and very old, but his eyes were bright and his aura was very powerful!

The young girl next to Mr. Miao looks pretty and lovely, with big watery eyes and a harmless appearance!

But David didn’t know that it would be terrible if he was deceived by this girl’s appearance!

This girl’s name is Miao Miao, and she is very famous in Huanglan City. People call her the devil!

Mr. Miao waved his hand towards everyone, and then scanned around with his big, bright eyes!

Soon, Mr. Miao’s eyes lingered on David for a moment.

“You guy, why don’t you have any manners? Everyone stood up when they saw my grandpa, but you kept sitting. Do you understand the rules?” Miao Miao asked

David sharply!

David was stunned. He didn’t expect that this girl, who looked pretty and harmless, would be so sharp when she opened her mouth!

“Miao Miao, didn’t I warn you not to cause trouble for me? If you don’t obey, I won’t take you there. “

Miao Lao reprimanded his granddaughter, and then looked at David apologetically and said, "Little brother, my granddaughter has a bit of a temper. I hope you won't take offense!"

No, no, no..." David didn't expect that this Mr. Miao was very powerful but also very kind!

"Miao, these three are all members of the Ji family and want to go to the Southern Territory with them." . "

Cai Hongwei hurriedly followed Mr. Miao and explained!

"Ji family? Mr. Miao was stunned, "Why do you look so unfamiliar to me?" "

Cai Hongwei hurriedly explained to Mr. Miao, and Mr. Miao finally understood and couldn't help but nodded: "It turns out that he is the descendant of the third child of the Ji family. When the third child of the Ji family eloped, the whole Huanglan City was in uproar. I didn't expect the children to be like this. Big. "

Young people should have more experience. If they don't go through hardships, they will never grow up. Just like my granddaughter, she makes trouble all day long but doesn't improve at all!"

"Grandpa, I have been promoted to the Tribulation Realm now, so I haven't made any progress. " "Miao Miao pouted and said a little unhappy!

"There is progress, there is progress. Grandpa was wrong. "Miao Lao hurriedly coaxed his granddaughter!

Everyone couldn't help laughing when they saw Miao Lao like this!

"Boss Cai, if everyone is here, let's set off, shall we? There will definitely be some obstacles along the way that will delay time. "

Miao Lao followed Cai Hongwei and said!

"Miao Lao, there is an airship available for our trip this time, so we should be able to save a lot of time along the way. "

Cai Hongwei said!

"Airship? Where did the airship come from? "Miao Lao was stunned!

Others were also surprised, wondering where Cai Hongwei got the airship!

“Miao Lao, the airship is mine. Our family runs a sect in the Northern Territory, specializing in the airship business.”

Ji Yun stood up and explained!

Chapter 3287

Ji Yun’s words made everyone focus on him.

“I see. It seems that the third youngest member of the Ji family has been doing well since he left.”

Mr. Miao said!

Others finally understood why Cai Hongwei brought David and the others with him. He must have taken a fancy to the airship!

Everyone prepared for a while and then walked out of the Yellow and Blue City! Arrived

outside the city, Ji Yun released the airship!

Looking at the airship in front of them, everyone has a smile on their face!

With this airship, they can save a lot of energy and encounter less danger!

After boarding the airship, Ji Yun controlled the airship and slowly took off!

Then, white rays of light flashed around the airship. This was the activation of the formation on the airship!

With the airship, everyone can practice on the road!

Then Sikong Zhen found a seat next to Cai Qiannan!

It’s obvious that this guy is interested in Cai Qiannan!

But no one dared to sit around Miao Miao, only Mr. Miao was there!

It seems that these people are very afraid of Miao Miao!

The airship was speeding all the way towards the southern region. Because it was flying in the sky, it did not encounter any danger!

It would be different if you were on land. When you cross those mountains and rivers, you would definitely encounter many monsters!

The two-day flight was very peaceful!

Everyone said nothing and practiced on their own!

David also continued to practice and comprehend the Immortal Finger taught to him by the Taizu of the Ji family!

Although he does not understand the origin of time now, there are still many other things that need to be understood in this Immortal Finger!

Just two days after everyone was traveling, there was a sudden cry that woke everyone up from their cultivation. Moreover, the airship seemed to have encountered resistance and began to shake twice!

“Ji Yun, what’s wrong?”

David asked Ji Yun who was controlling the airship!

“Mr. Chen, youLook...”

Ji Yun pointed out with fear in his eyes!

David looked through the porthole and found that the sky in front of him was so dark that it was actually a kind of flying bird!

This kind of flying bird only has the fist of an adult. The size of the bird is huge, and the feathers are colorful!

However, although this kind of bird is not big, there are a lot of them. At a glance, they are all black!

And there is constant airflow from the birds in front of it, which blocks the airship. , and it kept shaking!

“Five-colored bird?” “

Huo Feng looked at the flock of birds outside and couldn't help but frown!

At this time, everyone else gathered around and looked at the flock of birds outside, their expressions became extremely solemn!

"Why did you meet Wu Color here? Where are the birds? Aren't these birds all in the Liantian Mountains?"

"Did we make a mistake in our voyage and end up in the Liantian Mountains?"

"These five-color birds are so powerful. I have seen with my own eyes that a monk who had transcended tribulations turned into a skeleton in the blink of an eye."

Everyone was talking with fear!

"Is this kind of bird really that powerful?"

David asked in surprise!

"Because in his opinion, these birds are small in size and not very strong. Apart from being large in number, they don't seem to be anything powerful!"

Master, although these five-color birds are small, look at them. They don't look very strong, but there are so many of them, tens of thousands of them fly together in groups every time.

"And this kind of bird is very vindictive. Even I don't want to provoke these guys."

Huofeng said to David!

"Eldest nephew, do you think this airship can go around it?"

Cai Hongwei asked Ji Yun!

If you don't provoke these colorful birds, the only way is to go around them!

Ji Yun shook his head, "Uncle Cai, there is no way to go around. Our airship is now trapped by the air flow incited by these birds. If we want to continue moving forward, we must eliminate these birds or disperse them." That's all."

## Chapter 3288

When everyone heard this, they all became silent. If they were on land and encountered a group of monsters, they could still join forces.

But this is in the air, and we have to deal with thousands of colorful birds!

No one dared to speak. If they stepped out of the airship, they might turn into bones!

As the organizer of this event, Cai Hongwei looked at the crowd helplessly, and then said, "I am willing to go out and drive away the birds, but there are too many birds. Who wants to come with me?" "I am willing, I will come with you

. Go..."

David was the first to speak!

"I'm going too..." When Huofeng saw that David was going, she would definitely follow David!

Because Ji Yun had to control the airship, it was impossible to get out, but David and Huo Feng spoke, and the rest of the people all looked at each other, and no one spoke!

Cai Hongwei did not expect this situation to occur, but after all, he was in the air, and he encountered this kind of frightening five-color bird, so it was normal that no one said anything!

But with just the three of them, it would be impossible to drive away these birds!

"You all stay here while I go and disperse the birds..."

At this time, Mr. Miao spoke!

After all, he is the strongest person here, and the reason why everyone respects him so much is because of his strength!

I hope that when I encounter danger on the road, I can get Mr. Miao to take care of me!

“Miao Lao, although these five-color birds are not strong, they are very ferocious and come in groups. I’m afraid it will be difficult for you to drive them away by yourself.”

Cai Hongwei said!

“Don’t worry, I’ll try. Even if it can’t be dispersed, there won’t be any danger.”

Mr. Miao said with a faint smile!

Seeing what Mr. Miao said, Cai Hongwei stopped blocking him and let Ji Yun open the airship.

Miao Lao took one step and it was like stepping on flat ground!

Miao Lao’s body exudes a soft white light, and the light is getting stronger and stronger!

When those five-colored birds saw the white light on Mr. Miao’s body, they were all attracted, and then they flew towards Mr. Miao overwhelmingly!

Everyone looked at this scene, allGet nervous!

If Mr. Miao can disperse these birds, they can move on, but once Mr. Miao is defeated, it will be in danger!

Facing the overwhelming flock of birds, Mr. Miao remained calm and grabbed forward with both fists!

Thousands of spiritual powers instantly turned into a giant net, blocking the flock of birds directly!

Five-colored birds kept hitting the giant net, and they were instantly wiped out!

However, the endless flock of colorful birds behind are still hitting each other!

It seems that these colorful birds are not afraid of death at all.

At first, Miao Lao’s expression was calm and composed, but as the number of colorful birds increased, and the flocks of birds even turned into big balls,

hitting the giant net woven with spiritual power, Miao Lao's expression changed!

I saw that Mr. Miao's expression began to become solemn, and cold sweat began to form on his forehead!

"Chirp..."

Just at this moment, there was a sudden piercing cry!

I saw an obviously huge five-colored bird flying out of the flock!

This colorful bird flew high and kept chirping from its mouth!

The five-colored birds that had been attacking the giant net all stopped attacking!

Immediately afterwards, tens of thousands of five-color birds turned into the shape of a sharp sword. Under the command of the leader of the five-color birds, they slashed at the giant net compiled by Mr. Miao!

"The leader of the Five Colored Birds has appeared, keep an eye on it..."

Huofeng saw this and hurriedly said loudly.

"This five-colored bird still has a leader?"

David looked surprised.

"Of course, these five-color birds are gregarious monsters. Even if they encounter danger, they will stick together. Of course, they must be commanded by a leader!" "But

because the five-color birds are not very strong, these leaders are hidden among the birds. , won't expose yourself easily!"

"If someone directly captures the thief and captures the king first, then the group of five-color birds will be scattered!" "

Now the leader of the five-color birds has been unable to break through the giant net, so he flew out from the flock of birds to take command!"

" This is a great opportunity!"

Sikong Zhen explained eloquently.

Chapter 3289

“Since it’s a good opportunity, why don’t you take action?”

Cai Qiannan said from the side!

It was obvious that Cai Qiannan was very dissatisfied with Sikong Zhen for not daring to speak out just now and following her father to drive away the birds!

Sikong Zhen glanced at Cai Qiannan, then jumped out of the airship and headed straight for the five-color bird!

“Girl, what are you talking about?”

When Cai Hongwei saw this, he was shocked and rushed out of the airship!

After all, he has a close relationship with the Sikong family. If something happens to Sikong Zhen, he won’t be able to explain it easily!

The moment Cai Hongwei and Sikong Zhen jumped out of the airship, the tens of thousands of colorful birds turned into a long sword and directly cut through the giant net compiled by Mr. Miao! The

giant net shattered, the spiritual power dissipated instantly, and Mr. Miao spurted out a mouthful of blood!

A large number of colorful birds rushed towards Mr. Miao!

“Miao Lao...”

Cai Hongwei was shocked when he saw this!

He wanted to step forward to help Mr. Miao, but facing so many colorful birds, Cai Hongwei still hesitated!

Sikong Zhen didn’t even think about it. When he found that Miao Lao’s giant net was broken and birds swarmed in, he actually turned around and ran back.

“Grandpa...”

Seeing this, Miao Miao wanted to rush out of the airship, but was stopped by David!

After stopping Miao Miao, David jumped out and at the same time, with a wave of his hands, the Dragon-Slaying Sword instantly appeared in his hand!

The dragon-slaying sword was exuding traces of flame, and then it suddenly swung forward!

The aura that fills the sky is mixed with the ultimate fire and spreads out like fireworks!

Most monsters are afraid of flames!

So when David slashed out with his sword, the flames scattered all over the sky, causing the swarming birds to stop for a moment!

At this stagnation, David rushed to Miao Lao's side, pulled Miao Lao and ran towards the airship!

But those colorful birds reacted and rushed over with their chirps!

Cai Hongwei shouted angrily, swung his palms suddenly, and shot forward with a terrifying breath!

This breath was like a tornado, instantly rushing into the flock of birds!

With just this palm, hundreds of colorful birds were shot down one after another!

But for the huge flock of birds, this is just a drop in the bucket, and there is no way to stop the flock of birds!

When Cai Hongwei still wanted to attack, he found that the birds were close at hand, and he was so frightened that he quickly turned around and ran away!

Just as David pulled Mr. Miao into the airship, Cai Hongwei also followed!

The flock of birds rushed in front of the airship and had no way to move forward. The formation around the airship blocked those five-color birds from outside!

“Dad, are you okay?” Cai Qiannan asked with concern.

“I’m fine, it’s really dangerous...”

Cai Hongwei gasped for air!

“It’s just too dangerous. Fortunately, I reacted quickly.”

Sikong Zhen said nervously!

Cai Qiannan rolled her eyes at Sikong Zhen. This guy ran back the fastest. He was so dangerous!

“Grandpa, grandpa...”

Miao Miao looked at the pale Mr. Miao and shouted worriedly!

“Let me take a look...”

At this time, a middle-aged monk walked out of the crowd and said!

“Physician Chen, I’m sorry to help you, but Mr. Miao must not let anything happen to him.”

Cai Hongwei said to the middle-aged monk!

“Don’t worry, Mr. Miao was probably injured by the shock. It’s not a big problem.”

After saying that, Pharmacist Chen squatted down and started to examine Mr. Miao!

After checking, Pharmacist Chen took out a porcelain bottle from somewhere and poured two pills out of it!

When the elixir was poured out, the whole airship instantly overflowed with the aroma of medicine!

Just by smelling the fragrance, you know that this elixir is good!

But David frowned when he looked at the elixir in Pharmacist Chen’s hand!

Just when Pharmacist Chen was about to give the elixir to Mr. Miao, David stretched out his hand to stop him and said, "You cannot give this elixir to Mr. Miao. Mr. Miao's body is not caused by a simple shock injury..."

Chapter 3290

Pharmacist Chen frowned, then looked at David and said, "What do you mean? Do you think I saw it wrong?"

Pharmacist Chen's face became very ugly!

"Don't talk nonsense. Pharmacist Chen is not as good as Yaozun, but he is also superb in medical skills. We all saw that Mr. Miao was injured by the five-color bird. How could it not be caused by the shock injury?" Sikong Zhen said to Chen

Ping Said!

"What's wrong with you? Are you also a pharmacist? If you're not a pharmacist, don't interrupt." "You're a pharmacist. How can you be so young and have so many abilities? How dare you question Pharmacist Chen."

Everyone was right. David was very dissatisfied!

"Although you rescued Mr. Miao, you can't stop Pharmacist Chen from treating him. Can't Pharmacist Chen still tell whether it was caused by a shock injury?"

Cai Hongwei was also very dissatisfied with David's obstruction.

"Uncle Cai, Mr. Chen is also a pharmacist, and he is also a senior pharmacist. Even the medicine master in Huanglan City was willing to bow down to Mr. Chen when he met him."

Ji Yun said quickly!

"Boy, are you bragging? How could the Medicine Lord of Huanglan City surrender to a young boy?"

That Yaoshi Chen didn't believe what David said at all!

“I’m reminding you, this old Miao’s body is not injured by shock. If you give him this elixir, not only will you not be able to save him, you will even kill him.” David ignored the ridicule and disapproval of others

. Trust, he said to Pharmacist Chen with a solemn expression!

“Boy, if you want to show off your skills, I don’t care where you go. But if you are questioning my medical skills, I won’t agree to it.” “

If something goes wrong when Mr. Miao takes my elixir, I will naturally take responsibility. With so many people watching, I, Mr. Chen, keep my word.”

Pharmacist Chen said angrily!

“What’s wrong with you? It’s affecting the treatment of my grandfather. Can you afford it?”

When Miao Miao saw that David had been blocking the treatment, she yelled at David angrily.

Chen Pingkan Following Miao Miao’s attitude, she said nothing more, but took two steps back, and then looked at the birds outside the airship!

“Pharmacist Chen, please save my grandpa quickly!”

Miao Miao said to Pharmacist Chen!

Pharmacist Chen put the two pills into Mr. Miao’s mouth!

When the elixir melted, Mr. Miao slowly opened his eyes, and the breath in his body slowly recovered!

“Grandpa, grandpa...”

Miao Miao was very happy to see Mr. Miao woke up!

When other people saw this, they were also very happy and praised Pharmacist Chen one after another!

Pharmacist Chen looked proud and looked at David mockingly!

Ji Yun and Huo Feng were a little strange when they saw Miao Lao waking up!

Now that David said, not only could Mr. Miao not be cured after taking the elixir, his life would be in danger, but now Mr. Miao woke up fine!

“Mr. Chen, Mr. Miao is awake...”

Ji Yun reminded David in a low voice!

“I know!” David didn’t seem surprised and was still observing the birds outside!

At this time, Mr. Miao cupped his fist towards Pharmacist Chen and said, “Pharmacist Chen, thank you for your life-saving grace. I will never forget it.” “Miao Lao is too polite. As a pharmacist, you should have the ability to save lives and heal the wounded. What’s more

, Besides, we have to rely on Mr. Miao later.”

Pharmacist Chen said with a faint smile!

“Hmph, it was obviously the master who took the risk to rescue the old guy, but now he is rescued by someone else.”

Huo Feng snorted, very dissatisfied!

If David hadn’t taken the risk and dragged Mr. Miao back to the airship, Mr. Miao would probably have become a pile of bones by now!

And Huofeng’s words seemed to be heard by Mr. Miao, who saw Mr. Miao walking over!

“Little brother, thank you for helping me in this critical moment, otherwise I would have been eaten by those five-colored birds.” Mr. Miao

said to David with a grateful face!
