Chapter 3296

“Miao Miao, your breath is very good, you should be fine.”

At this time, Pharmacist Chen stepped forward and said to Miao Miao!

While talking, you, Pharmacist Chen, couldn't help but look at David!

In fact, when Pharmacist Chen came forward to speak at this time, he just wanted to get close to Miao in the same old way, and then slap David in the face!

David didn't pay attention, but Mr. Miao nodded slightly and didn't say anything more!

After all, he didn't want people to know about his injury. Although David had absorbed all the evil energy from his body, Mr. Miao didn't want people to know that he was injured by the demons!

“This Chilian Mountain Range is very dangerous. Don't walk around randomly. Follow me. Don't get separated...” Cai Hongwei

said loudly to everyone!

“Qiannan, you don't have to be afraid, I will protect you.”

Sikong Zhen said to Cai Qiannan!

Cai Qiannan just rolled her eyes at Sikong Zhen and ignored him!

Everyone started heading towards the depths of the mountains!

The mountain road is rugged, and ordinary people would definitely not be able to pass it, but they are all monks, so this kind of road can be as smooth as walking on the ground!

Along the way, although I encountered a few monsters, they were not very strong!

Before anyone else could take action, they were all killed by Sikong Zhen. Maybe he wanted to show off!

David was walking at the end of the team, and his spiritual sense had already detected it.

A few hours later, everyone had reached the depths of the mountains. It seemed that Cai Hongwei was really familiar with the mountains and could always find a hidden path in places where there seemed to be no roads.

“Originally there was no road here, but I led the team to walk from here a lot, and this path was created.” “

Although the road from here is winding and winding, it can avoid most of the monsters, and it doesn't You will be ambushed.”

Cai Hongwei said to everyone!

No one said anything. Since they chose to follow Cai Hongwei, they could only believe in him!

After walking for a while, everyone came to a slope. It looked very smooth, as if it had been artificially repaired!

“Okay, let's all take a rest here. I have repaired this place before, and I will repair it every time I come here. After all, the Chilian Mountains are too big to walk out of in one breath.” Cai Hongwei finished speaking

, I found a place to sit down by myself!

Seeing this, other people also found a place to rest!

However, David did not sit down. Instead, he looked around and then walked towards the forest on the side!

“What are you doing?”

Upon seeing this, Cai Hongwei hurriedly asked David!

“I want to look around...”

David said!

“Don’t run around. The Chilian Mountains are not as simple as you think. Don’t look at the fact that there is no danger in the Chilian Mountains. That’s because I’m leading the way for you. If you had wandered around on your own, you would have been attacked by monsters long ago. .”

“And you don’t know when a poison tent will appear in the Chilian Mountains. If a poison tent appears, you won’t be able to run away, and you will immediately lose your mind and become crazy.” “Many monks who have been poisoned by the poison

tent , it was all chaotic slashing in the end, and you died of exhaustion in the end, you’d better just be patient.”

Cai Hongwei reminded David!

“Boss Cai, you are worrying too much. You have forgotten that he is a pharmacist. What a mere poison account.” “

I have a few detoxification pills here. There is no problem in dealing with the poison account.”

Then Chen The pharmacist said, took out a pill, and gave one to each person, except David.

“That’s all I have for my detoxification pills. But you are also a pharmacist yourself and quite powerful. You definitely don’t need my detoxification pills, right?”

Pharmacist Chen looked at David with a playful look on his face and asked!

Chapter 3297

“Of course not!” David smiled lightly!

After saying that, David walked towards the mountain forest on one side. Huofeng and Ji Yun wanted to follow, but David refused!

David didn’t know what dangers there were in the Chilian Mountains. If Huofeng and Ji Yun were to follow them, they would be a burden!

David wanted to look around to see if he could find the existence of immortal energy. If he couldn't find the immortal energy, it would be fine if he could hunt an immortal beast!

But David walked around for a long time, but he was disappointed. Not to mention the fairy beasts, he didn't even see any ordinary monsters!

and the immortal energy were not found at all!

This kind of rare thing might not be so rare if it could be found at once!

After returning in vain, David walked back. He couldn't go too far. After all, he was not familiar with the Chilian Mountains!

When David came back, he found some white powder scattered around the place where Cai Hongwei had just rested!

The powder is very pungent and has this unpleasant fishy smell!

Seeing David coming back, Cai Hongwei hurriedly said, "Come inside quickly. It will get dark soon and no one is allowed to walk out of here. I have laid out simple formations around here, as well as powder that monsters are afraid of. This way, we can be safer at night."

David just glanced at it and didn't say anything. With this simple formation and the white powder, it was okay to block some small monsters, but when encountering large monsters, or those with stronger strength, Yes, it has no effect at all!

"Dad, did you make this work? And the poison tent, when will it appear?"

Cai Qiannan asked Cai Hongwei!

"Of course it works. I have been walking here for many years and have always relied on this method to stop those monsters." "

As for when the poison tent will appear, it is a matter of probability. I can't say for sure, but we have all eaten Chen The pharmacist's antidote pill is not afraid even if it is poisonous."

Cai Hongwei said!

After the arrangements were made, everyone began to practice quietly!

Mr. Miao sat next to David and said calmly. He smiled lightly and said, "Is there anything gained?"

Mr. Miao knew that David must have wanted to find the immortal energy in the Chilian Mountains when he left!

David shook his head and smiled awkwardly!

"Some things are hard to come by. Maybe if you don't look for them, the things will run to you on their own."

Mr. Miao patted David on the shoulder, and then he also closed his eyes to meditate!

I don't know how long it took, but everyone fell into a deep sleep, and the surrounding area became very dark. The whole world was eerily quiet, without a single sound!

Where David and the others were resting, a thick fog slowly began to rise around them!

There is even a little bit of blood smell in this mist!

Everyone was sleeping, and no one noticed that the fog had enveloped them!

Suddenly, a monk suddenly opened his eyes, his eyes glowed with a faint red light, and he looked very scary!

Without any hesitation, the monk suddenly attacked the people around him!

Boom...

With a palm shot, the people around him died suddenly with a scream!

This sudden scream woke everyone up!

When they looked at the tragic situation in front of them, they were all a little shocked!

While everyone was still shocked, the crazy monk actually started attacking others again!

"Damn, are you crazy?"

“This guy actually carried out a sneak attack. He’s damned.”

“What’s going on?”

Everyone yelled in disbelief!

“The poison tent, we are surrounded

by the poison tent...” “The poison tent must have confused the mind and caused confusion.”

Cai Hongwei looked around, and his face immediately became nervous!

“Dad, didn’t we take the detoxifying pill? Why are we still poisoned?”

Cai Qiannan asked in confusion!

Chapter 3298

How could Cai Hongwei know what was going on, so he looked at Pharmacist Chen!

Pharmacist Chen was also confused at this moment, “My antidote pill...”

Before Pharmacist Chen could finish speaking, his eyes suddenly started to turn red, and his face was full of ferocity!

Soon, more and more people fell into madness and lost their minds!

At this moment, Cai Hongwei panicked. If they all lose their minds, the final result will be to kill each other and all die here!

“Grandpa...” Miao Miao looked at the crazy people and felt a little scared in her heart!

Mr. Miao blocked Miao Miao behind him, and then took out a bronze bell from his arms. The bronze bell was not big, but very delicate! Miao

Lao hurriedly rang the bronze bell in his hand!

As a melodious sound came from the bronze bell, the people who had lost their minds were slowly recovering!

Mr. Miao kept beating the bronze bell, and then said anxiously, "Follow me, get out of this poison tent quickly..."

Everyone came to their senses, and hurriedly followed Mr. Miao, preparing to leave this area!

But before anyone could take action, there were sudden bursts of roars from all around. It was obvious that a monster was approaching!

This time, they were trapped in this area and couldn't move at all!

There was a bit of fear in everyone's eyes!

"Don't panic, everyone. There are formations around here, and I've also sprinkled medicinal powder. Those monsters can't get close. We just have to get through the poison tent." Cai Hongwei hurriedly persuaded everyone, comforting everyone not to panic

!

Mr. Miao kept beating the bell with his hands, his forehead already covered with cold sweat!

"We have to find a way quickly, I won't be able to hold on for long."

Mr. Miao said quickly!

Every time the bell is rung, a lot of spiritual power is expended. There is no way Mr. Miao can persist until the poison tent disappears!

Hearing what Mr. Miao said, everyone panicked again!

One by one, they looked at Pharmacist Chen and said very dissatisfied, "What kind of detoxification pill are you talking about? That bullshit doesn't work."

Pharmacist Chen's face turned red when he was told that, and he quickly explained, "Don't worry, everyone, I still have some..." Immortal grass, I will refine a batch of detoxifying pills soon, it should be in time."

After saying this, Pharmacist Chen quickly took out the fairy grass and medicine cauldron from his body, and started refining in a panic!

Looking at the herbs that Pharmacist Chen took out, David said, “You don’t have to waste your efforts. The antidote pills made from these things are useless.” Pharmacist

Chen was already anxious and angry at this moment. When David said this, he immediately shouted angrily, “Besides being able to talk, what else do you have?” “

Didn’t you say that you are also a medicine master? Aren’t even medicine masters inferior to you? If you have the ability, you can practice it Make a detoxifying pill to get us out of trouble.”

“I’ll practice, I’ll practice...” David smiled lightly, then took out the Shennong Cauldron from the storage ring, and took a lot of the fairy grass he got at Yaozun. Come out!

When he saw David’s Shennong Cauldron and the precious fairy grass spread all over the floor, Medicine Master Chen’s eyes widened!

I saw David throwing the herbs into the Shennong Cauldron. Along with bursts of black mist, an unpleasant temperature emanated from the Shennong Cauldron!

Smelling this smell, many monks couldn’t help but cover their noses and stay away!

“What are you refining? Is this a pill? Why does it smell so bad?”

Miao Miao ran aside in disgust!

Everyone is not optimistic about the elixir refined by David. It is possible to refine the elixir like this.

Just when everyone was moving away from David, Pharmacist Chen remained motionless with a face full of shock, staring blankly at David refining the pill!

In just ten minutes, as the Shennong Cauldron buzzed, the flames in the Shennong Cauldron went out, and a dozen black pills appeared in the Shennong Cauldron!

Chapter 3299

Looking at the dark elixir, everyone showed disgust!

“After taking this elixir, you won’t have to worry about this poisonous tent...”

David said to everyone!

But no one came forward. After all, the elixir looked dark and had such a bad smell. How could it be eaten?

Just when no one came forward, Pharmacist Chen was the first to rush forward, then picked up a pill and threw it directly into his mouth!

This time, everyone was dumbfounded and didn’t know what Pharmacist Chen was going to do!

“This is really a miraculous medicine, really a miraculous medicine...”

As he said this, Medicine Master Chen actually knelt down and bowed down to David. “I am ignorant and do not recognize the power of the Medicine Lord. Please forgive me...”

Pharmacist Chen’s attitude directly shocked the dumbfounded people even more!

“Chen Pharmacist, what are you???”

Cai Hongwei asked Chen Pharmacist in confusion!

“Stop calling me a pharmacist. I am not worthy of the name of a pharmacist. The person in front of me can be called a pharmacist or even a medicine master...” “

This elixir looks dark and smells bad. But it is a magic medicine that can detoxify.”

“And this is the furnace for refining medicine. This is the ancient Shennong Cauldron, the supreme medicine cauldron.”

Pharmacist Chen said excitedly!

After hearing what Chen Yaoshi said, everyone looked at David, and their eyes were changing!

At this time, Mr. Miao stopped ringing the bell and said with sweat on his head, “Everyone, please take that elixir quickly. Pharmacist Chen is right. This little brother can indeed be called the Medicine Lord.” “Actually,

I I was indeed injured while fighting with the demons, and there is evil energy in my body. If this little brother hadn’t helped me suck out the evil energy on the airship, I might have gone to see the King of Hell long ago.” Mr. Miao urged everyone to take the pill quickly

. Medicine, he can no longer ring the bell, and soon everyone will be invaded by the poison tent again and lose their minds!

“Grandpa, you...”

Miao Miao’s face was full of shock. She didn’t expect that what David said was true!

As soon as Miao Lao said it, everyone was convinced and began to take out the pills from the Shennong Cauldron and swallowed it directly!

Even Ji Yun and Huo Feng each ate one!

David didn’t take it. Just this poison tent couldn’t poison his invulnerable body!

Just when everyone was swallowing the elixir, David discovered that Sikong Zhen picked up the elixir, pretended to throw it away in his mouth, but put the elixir into his pocket!

David was very surprised and didn’t understand why Sikong Zhen didn’t take the elixir. Wasn’t he afraid of the poisonous tent?

Although he was confused, David did not ask further questions. It was a person’s freedom to take the elixir or not, and David would not force him!

After everyone took the elixir, they were no longer affected by the poison tent, and their minds were not confused!

“Okay, let’s leave here as soon as possible. Although we will not be affected by the poison tent, the monsters that appear here will also become crazy.”

Cai Hongwei said!

Everyone nodded, and then followed Cai Hongwei, planning to leave this place!

But just as Cai Hongwei took a few steps forward, the void suddenly trembled, and then a turbulent breath burst out!

In the dark night, a silver figure appeared, heading towards Cai Hongwei like lightning!

Cai Hongwei was shocked and instinctively stepped back!

The figure jumped into the air, and then glared fiercely at Cai Hongwei!

At this time, everyone discovered that the figure just now turned out to be a demon tiger. The demon tiger’s eyes were filled with blood red, which was obviously affected by the poison tent!

“Silver Scarlet Tiger, please be careful...”

Cai Hongwei was shocked when he saw this demonic tiger and warned loudly!

I saw that the silver red tiger was more than ten meters long, and its eyes were like bells. Everyone looked very small in front of this silver red tiger.

Chapter 3300

“Damn it, why did you meet this Silver Scarlet Tiger? This kind of guy is very difficult to deal with, but usually this Silver Scarlet Tiger never attacks humans.” “I didn’t see that Silver Scarlet Tiger was affected, his eyes were red. Are you confused?”

“What should I do? If only one Silver Red Tiger can handle it, if a group comes, it will be troublesome.”

Everyone was extremely nervous when they saw the Silver Red Tiger!

Facing Cai Hongwei and his group of monks, Silver Red Tiger showed no fear at all. Then he roared and clawed at Cai Hongwei’s neck with his sharp claws!

A change occurred in front of Cai Hongwei, and the aura on his body burst out instantly, and then formed a shield around him!

boom! The

silver red tiger grabbed the shield with one claw. The seemingly solid shield was shattered instantly under this claw, and Cai Hongwei’s chest was also scratched with a deep scratch. The scars!

Cai Hongwei was directly knocked away and fell heavily in front of everyone!

“Dad...”

Upon seeing this, Cai Qiannan hurried forward and helped Cai Hongwei up!

Seeing how powerful the silver red tiger was, everyone took a breath of cold air!

You must know that Cai Hongwei has been able to shuttle between the Central Territory and the Southern Territory for so many years, but he has real abilities, and now he was knocked down by the silver red tiger with one claw!

“This is a tiger king, everyone, please be careful...”

Although Cai Hongwei was injured, he still reminded loudly!

“Let’s work together to kill this silver red tiger quickly, otherwise it will summon its companions, which will cause trouble.”

Mr. Miao’s face was also very solemn at this moment!

He had just exhausted all his spiritual energy to ring the bell in order to protect everyone from the poison tent, but he hadn’t fully recovered yet!

Upon hearing Mr. Miao’s greeting, everyone showed off their weapons.

“Ouch...”

Na YinWhen Chihu saw this, he roared, followed by bursts of roars from all around!

As the surrounding void trembled, silver-red tigers began to appear one after another!

There were dozens of silver-red tigers in total, all with red eyes, and the silver hair on their bodies stood out in the dark night!

Seeing this scene, everyone was dumbfounded!

A tiger king is difficult to deal with. If so many silver red tigers come at once, they will definitely die!

When Cai Hongwei saw this, his face turned pale for a moment, his eyes were full of despair and he said, “It’s over, it’s really over this time, it seems we are all going to die...” At this moment, the

team that was originally united as one, now Some people started to back off!

Mr. Miao also saw everyone’s thoughts, but at this time, the best way is to escape. Every one who can escape is one. If they all stay, no one will survive!

“Everyone, at this point, we can only wish for ourselves. If someone wants to escape, then run away quickly. I will stay and delay with you.” After

Miao Lao finished speaking, he looked at David and said, “ Little brother, you can run away too, but I hope you can run away with my granddaughter...”

Mr. Miao wanted David to run away with Miao Miao, while he stayed to deal with these silver red tigers!

“Grandpa, I won’t leave, I want to stay with you...”

Miao Miao shook her head, there was no way she was willing to leave!

“Miao Miao, thank you for your great kindness. I have to leave...”

At this time, Sikong Zhen jumped out. After thanking Mr. Miao, he immediately ran to Cai Qiannan and said, “Qiannan, Hurry up and take Uncle Cai with you. Let’s run quickly. If we are late, we will be eaten by this silver tiger.”

Cai Qiannan looked at Cai Hongwei at a loss!

At this moment, Cai Hongwei was injured. He glanced at everyone and could only sigh and said, "Everyone, I, Cai, am sorry for you. Let's run away for our lives..." After saying that,

Cai Hongwei was supported by Cai Qiannan and Sikong Zhen and ran away first!
