Chapter 3321

Rumble...

and then a dazzling thunder struck directly into the mountains from the gap in the mountains!

This sudden change instantly caused everyone to stop!

“This...is this a thunder disaster?”

Mr. Miao asked with confusion as he looked at the thunder that struck the mountains.

“It’s a thunder tribulation, it’s indeed a thunder tribulation...”

Cai Hongwei nodded in shock!

Now they don’t need to guess, they also know how this thunder disaster came about!

Only David himself is practicing in this mountain range. Now that the thunder calamity has hit the mountain, it must be David who has made a breakthrough!

Rumble...

Under the gaze of everyone, the thunder calamity struck again!

After bombarding several times in a row, the thundercloud slowly dispersed!

After the thundercloud dispersed, David walked out of the cave!

The clothes on David’s body were torn to pieces by the thunderstorm, and they no longer covered his body!

But David doesn’t care, now he has reached a small level again!

Breaking through the realm of integration and reaching the realm of overcoming tribulation is just around the corner!

Even though David looked like a beggar in tatters, his eyes were extremely bright and his aura was more domineering!

“Ah...”

Suddenly, two girls, Cai Qiannan and Miao Miao, screamed and then turned around!

This scream made David react and quickly protect his important position!

Huofeng quickly took out a set of clothes and stepped forward to help David change into them!

David was also a little embarrassed. After all, in front of so many people and several girls, his image was not very good!

“Little brother, have you made a breakthrough?”

Mr. Miao asked after David changed his clothes!

David nodded, “Breakthrough, from the eighth level of the Fusion Realm.” I have been promoted to the ninth level. It is estimated that it will not take long for me to become a great monk in the Tribulation Realm. “

David’s face was full of excitement. After all, it was very difficult for him to advance to a small realm!

“Just to advance to a small realm and actually cause such a big thunder disaster? It’s so perverted...”

Cai Hongwei stepped forward and said with a face full of surprise!

David didn’t know how to explain it. Every time his realm improved, there was such a big movement. There was no way!

“Okay, let’s set off as soon as possible. Hurry up and get out of the Chilian Mountains. After all, you can’t fly in this place, and there are many monsters. It’s too dangerous. “

Miao Lao saw that David didn't know what to say, so he hurriedly came to the rescue!

“Okay, let's set off. If we go fast, we can get out of the Chilian Mountains in a day and a night! “

Cai Hongwei said!

Everyone started to set off, but not far away, they found a group of silver-red tigers blocking the way. The tiger king was the first to bear the brunt!

This time, everyone was a little nervous. They didn't understand these silver-red tigers. What is Tiger going to do?

David also frowned and said, “What are you going to do?”

“Don't get me wrong. We don't mean any harm. I just came with my men to give you a ride. “

“You all ride on our backs, and we will send you out of the Chilian Mountains so that you can go faster. ” “

The Tiger King followed David and explained!

When David heard this, he suddenly looked a little surprised. He didn't expect that the Silver Red Tiger King would actually send them out of the Chilian Mountains!

“Why are you doing this? “David was very puzzled!

Ordinarily, David didn't have a deep friendship with the Tiger King!

The Tiger King quietly stepped forward and whispered, “I just hope that fellow Taoist can enlighten me if he has a chance. Although my current strength is not high, I am confident that I can reach the realm of ascension. “

It turns out that the Silver Scarlet Tiger King had already discovered that David brought the dragon into the cave and then enlightened the dragon in the cave!

## Chapter 3322

In the end, Jiaolong got enlightenment from David and soared into the sky, directly ascending!

And David has also improved to a small level!

So this Silver Scarlet Tiger King, I feel that David must have some means to help others ascend!

When David saw this, he couldn't help but smile, and then nodded and said, "No problem, as long as you reach the Ascension Realm, I will definitely enlighten you." When the

Silver Scarlet Tiger King heard this, he was extremely happy, and immediately He lowered his head and let David ride on him!

David greeted everyone, and they all rode on those silver-red tigers!

Immediately afterward, the silver-red tigers began to fly. These silver red tigers have been living in the Chilian Mountains, so their speed is much faster than David and the others!

A trip that originally took a day and a night, these silver red tigers ran out of the Chilian Mountains in one day!

After bidding farewell to David, King Tiger led his men back to the Chilian Mountains!

"Mr. Chen, what did the Tiger King tell you? Why are they willing to send us out?"

Ji Yun asked David very curiously.

"It's nothing. You'd better take out the airship quickly. We're traveling all night and can rest on the airship."

David asked Ji Yun to get out of the airship!

But who would have thought that Cai Hongwei stepped forward and stopped him and said, "This is the border of the Southern Territory. There is a Falling Sun City more than a thousand miles ahead. After passing the Falling Sun

City, you will reach the Tianmo Mountain area.” “Because it is on the border, it is in chaos, and

Falling Sun City is the last supply town to go to Tianmo Mountain, and there will definitely be a lot of people.” “

If we take the airship now, it will be too ostentatious and will definitely attract attention. We should keep a low profile. After all, it is not too far. .”

Cai Hongwei is the leader of the team, so what he says carries a lot of weight. David motioned to Ji Yun to put the airship away!

Everyone started to walk to the Falling Sun City. Because there were silver-red tigers in front of them as mounts, they didn't feel tired at all!

However, along the way, David found out that it turns out that it is indeed chaotic. Even in small towns where human monks live, there are always monsters appearing!

And scuffles broke out between villages and small towns.

David and the others were on their way, so they kept looking for sparsely populated areas to avoid getting into unnecessary trouble!

But along the way, David found many corpses of monsters and beasts, as well as the corpses of human monks!

David felt like this southern region was like a wild land!

After walking all night and resting in the middle, David and the others finally arrived at Falling Sun City at dawn!

David took a look at it and saw that the scale of the Sunrise City was not very large, nor did it look very luxurious. There was no way it could compete with the Yellow and Blue City!

Although the city is not big, there is a long queue at the entrance to and from the city!

“It seems that these people are going to Tianmo Mountain to hunt for treasures. So many people don't know whether Tianmo Mountain will yield treasures.”

Miao Miao looked at the people lining up at the city gate and said with a sneer!

“Shut your mouth!” Mr. Miao glared at Miao Miao fiercely!

“Let’s go in, find a place to stay, rest for a day or two, and then reach Tianmo Mountain in one go.”

Cai Hongwei said!

Cai Hongwei was the leader, so of course everyone listened to him, so they all followed Cai Hongwei into the City of Fallen Sun!

At this moment, on a street in Falling Sun City, Elder Fei followed Protector Gong and was looking for something on the street!

“Elder Fei, is there no helmsman from the Demon-Sealing Alliance in Yunri City?”

Guardian Gong asked Elder Fei!

They arrived yesterday, but they didn’t find the sub-helm of the Demon-Sealing Alliance. However, it would be too difficult for Ruoguo and just a few of them to kill David quietly!

“Normally it shouldn’t be. This Demon-Sealing Alliance claims to have countless sub-helms throughout the world of heaven and humans.”

Elder Fei didn’t believe it at all. After all, he had been locked up in the Demon-Sealing Alliance for so many years and knew the situation of the Demon-Sealing Alliance!

Chapter 3323

“Then let’s look for it. If we can’t find it, it seems we can only think of other ways.”

Protector Gong lost the golden silkworm poison and hated David for a long time. Now he is even a member of the Demon Sealing Alliance. If he didn’t kill David, he would also find a way to kill David!

Just when Elder Fei and Guardian Gong were looking for the helmsman of the Demon-Sealing Alliance, they saw a lot of people gathering in the square in front of them, so they immediately got over!

“Brother, what are so many people doing?” Elder

Fei asked a monk!

The monk just gave Elder Fei a cold look but ignored him.

Elder Fei frowned, with anger in his eyes, while Gong Hufa on the side quickly took out a valuable ancient coin and handed it to the monk!

After the monk took one look at the ancient coin, his attitude suddenly changed, and he said with a smile on his face, “You two just arrived, right?” “

Yes, we just arrived.” Protector Gong nodded!

“No wonder you don’t know. City Master Sun is here to seek medical treatment. His daughter has a strange disease that no one can cure.” “

It happened that the battlefield of gods and demons was discovered in Tianmo Mountain, and many foreign monks came to this city to repair it. So City Master Sun took the opportunity to find a pharmacist to help his daughter treat her illness!” “

But this list has been on the list for three days. Although there were several pharmacists on the list, none of them cured her in the end and even cost her life. “

Although the conditions are generous, it is also a fatal job, so now everyone is watching, and no one dares to reveal the results.”

The monk carefully followed Elder Fei and Protector Gong to explain!

After hearing this, Elder Fei’s eyes lit up and he hurried forward with Protector Gong!

Sure enough, I saw a notice posted on a stone pillar looking for a pharmacist, and the conditions were generous. As long as the disease was cured, not only could the disease be rewarded with spiritual coins, but the most important thing was that City Lord Sun could also agree to a condition.

“Protector Gong, Your chance has come...”

Elder Fei raised the corner of his mouth slightly!

“Elder, this daughter of City Master Sun has been seen by many pharmacists, but she has not been cured. I am afraid that my medical skills are not good. “

What’s more, if our two identities were discovered by City Lord Sun, wouldn’t it be dangerous?” “

Guardian Gong is timid!

After all, they are demon cultivators. Although they took the elixir and suppressed the demonic aura in their bodies, once the secret is exposed, it will be troublesome! “

What are you afraid of? Even if you can’t be cured, I can save you. come out.  
“

Now we are divided into two groups. I will go to find the captain of the Demon Sealing Alliance, and you will go to treat the daughter of City Lord Sun. No matter which one of us succeeds, we will both kill David.” “

Elder Fei said to Protector Gong!

Although Protector Gong was a little reluctant, he still nodded in agreement. After all, the first level of officialdom kills people!

Protector Gong took off the inscription, and soon two people from the City Lord’s Mansion took Gong The protector was taken away!

And Elder Fei also left!

Not long after they left, David and others rushed here.

“It seems that there are really people who are not afraid of death. Several pharmacists have been killed, and there are still people who dare to expose the list.

“People die for wealth and birds die for food. Who let City Lord Sun’s conditions be too generous? ” “

“If I were a pharmacist, I would go and reveal the results, and if I really cured City Lord Sun’s daughter, I would let her marry me. “

“Stop daydreaming...”

The crowd slowly dispersed while talking!

Listening to everyone’s discussion, Cai Hongwei was a little curious, so he stopped a monk and said, “Fellow Taoist, what happened just now?” “

The monk looked at Cai Hongwei. Before he could say anything, Cai Hongwei stuffed a bag of spiritual coins in his hand!

When the monk saw this, he explained in detail what had just happened!

Chapter 3324

“I didn’t expect City Lord Sun’s daughter to be sick. I remember she was fine some time ago.”

Cai Hongwei sighed after hearing this!

“Boss Cai, do you know the Lord of the Falling Sun City?” asked Mr. Miao!

It would be much more convenient if Cai Hongwei knew the Lord of the Falling Sun City. They could go to the Lord’s Mansion for two days to repair.

But who knows, Cai Hongwei shook his head, “I don’t know each other, but I’ve only met a few times occasionally.” “

Although I don’t know the city lord, I still have friends in the Sunrise City, so don’t worry about the repairs.” After finishing speaking

, , Cai Hongwei led everyone toward the center of the city! The

city lord’s palace is located in the center of the city. It is built with majestic momentum. Compared with the somewhat dilapidated city gate of Yuanri City, I don’t know how luxurious it is!

It seems that the city lord of the Falling Sun City is also a person who likes to enjoy himself. He actually built such a luxurious city lord's palace in the somewhat dilapidated Falling Sun City!

On one side of the city lord's palace, there is a courtyard that is not very large. The courtyard looks weathered, but it is not dilapidated!

Cai Hongwei led everyone directly into the courtyard!

As soon as he walked into the courtyard, David frowned slightly. He felt that there seemed to be a fairy spirit in the courtyard!

But this is not the Chilian Mountain Range, how could there be immortal energy?

The breath was very weak, but it was still captured by David!

"Master, what's wrong?" Huo Feng asked!

"It's okay!" David shook his head!

"Old Jia, a guest is here, pick him up..."

Cai Hongwei shouted loudly as soon as he entered the door.

For those who didn't know, they thought they were entering Yihongyuan!

Soon, an old man with a hunchback came out, holding a cane in his hand.

"Lao Cai, there are a lot of people this time, but you came a little late, so you can only squeeze into the east wing."

The old Jia glanced at it and said.

Cai Hongwei was stunned for a moment, and then said in disbelief, "Old Jia, do you have a guest here?"

Old Jia nodded!

"You guys, you are not short of food, clothing, and money, so why do you really start accepting customers?"

Cai Hongwei asked in confusion.

“The customers I picked up are all acquaintances. There’s nothing I can do about it. As soon as the news about the Demonic Mountain spread out, people from the five realms of the Heaven and Human Realm all ran towards this direction.” “I knew you would definitely come, so I specially gave

You kept the east wing, otherwise, the east wing will be gone, so you can sleep on the street.”

After Lao Jia said this, he turned around and walked into the house!

When Cai Hongwei saw this, he could only lead everyone in and follow him!

Cai Hongwei asked everyone to allocate their own rooms, while he sat in the hall and chatted with the old Jia!

It can be seen that the two of them are very familiar with each other, and they talk without any scruples!

“Old Jia, I heard that City Lord Sun’s daughter is ill. It seems to be quite serious.”

Cai Hongwei asked!

“No, I have been looking for several pharmacists for many days, but they were all useless. They were not cured at all. They were directly killed by my eldest niece.” “I know there are rumors that my brother killed

those pharmacists. , In fact, it’s not at all.”

Lao Jia said, looked around and found no one, then whispered, “I don’t know what’s going on, but my eldest niece suddenly gets sick, and every time she gets sick, she becomes manic. He was restless and killed people randomly.”

“Those pharmacists were killed by my eldest niece even though they were not cured. No matter how cruel my brother was, he couldn’t kill those pharmacists.” “Now the rumors are spreading everywhere

. The pharmacist dared to visit, and my brother was worried to death.”

When Cai Hongwei heard this, he was surprised. He always felt that the problem with the daughter of City Lord Sun was like being poisoned in the Chilian Mountains!

But after being hit by the poison tent, he just temporarily lost his mind and became cruel!

Full Read Online **Chapter 3325** of the novel **A Man Like None Other** for free.

Chapter 3325

It would be fine once the poison tent disappears, but there is no poison tent in Yunri City. He doesn't know if City Lord Sun's daughter was caught in the poison tent!

"Old Jia, there is a pharmacist in my team this time. How about I ask him to look at your niece?"

Cai Hongwei was talking about David!

"Forget it, many pharmacists have come, but none of them take a good look at it. How can the pharmacists in your team be so powerful? They don't take a good look at it at all." Lao Jia waved his hand. After all, he was familiar with

Cai Hongwei and knew Every time Cai Hongwei leads a team, although there are pharmacists in the team, they are just ordinary pharmacists!

"Old Jia, don't look down on me. There is a Medicine Master in my team this time, a senior Medicine Master..."

Seeing Old Jia's attitude, Cai Hongwei said unhappily!

"Yao Zun? Real or fake?" Lao Jia was stunned!

"Just wait, I'll find it for you right away..."

After saying that, Cai Hongwei got up and left, he went to find David!

Originally, David wanted to take a rest, but he had just made a breakthrough, so he had to seize the time to practice!

But who would have thought that Cai Hongwei would pull him here?

"Lao Jia, this is Medicine Master, Mr. Chen..."

Cai Hongwei explained to Lao Jia!

After finishing speaking, Cai Hongwei pointed at Lao Jia and said, "Mr. Chen, this Lao Jia is the brother of City Lord Sun. He is also the eldest brother. Otherwise, how could he build this poor yard next to the City Lord's Mansion."  
"Old

Cai , are you kidding me? Is this the Yaozun you are talking about?"

Lao Jia looked at David with disbelief in his eyes.

David is too young, how could he be the Medicine Master?

"Do you think I'm joking with you?" Cai Hongwei looked serious. "We encountered a poison tent in the Chilian Mountains. Thanks to Mr. Chen, otherwise we would all have died inside, and I was injured. Chen Sir, after taking one pill, he was cured the next day."

"You take us to the City Lord's Mansion. Maybe Mr. Chen can cure your eldest niece! "

Seeing Cai Hongwei's serious look, Lao Jia looked at David again doubtfully, then nodded and said, "Okay, I'll take you to try..." "Sorry, I don't have time..."

But

who Unexpectedly, David refused directly!

David didn't know City Master Sun, let alone his daughter, so why did he go to see a doctor?

David didn't lack spiritual coins either. He just wanted to use his rest time to practice. There are still many unknown dangers in Tianmo Mountain!

Lao Jia was stunned. He didn't expect David to refuse!

Cai Hongwei didn't expect it either, so he hurriedly said, "Mr. Chen, just take a look. If it can really be cured, Well, City Lord Sun's daughter's illness will definitely bring benefits. "

Young man, if you cure my eldest niece, you can make whatever conditions you want..."

Lao Jia said to David!

After hearing this, David smiled lightly and said, “Okay, if I cure your eldest niece’s disease, I will I don’t want any spiritual coins, I just want that precious tree in your backyard. “

When David entered the courtyard, he felt a trace of fairy energy. Later, David found the mountain treasure tree in the backyard, and there were formations covering it around the mountain treasure tree, making it impossible for the fairy energy to come out. Overflowing.

Hearing David’s words, Lao Jia was stunned, and then looked at David with a terrifying look in his eyes!

Cai Hongwei saw that Lao Jia’s expression was wrong, and hurriedly said, “Mr. Chen, what’s the use of a broken tree?” Okay, what’s the use of that thing?

“I only want that tree. If you agree, I can go and heal it. ” “

David said calmly!

After listening to David’s words, Lao Jia’s expression slowly softened from fear. “Okay, I promise you, being able to see the specialness of that tree proves that you do have some abilities. I hope you don’t. Disappoint me...”

After saying that, Lao Jia took David and Cai Hongwei and walked towards the city lord’s mansion!
