Chapter 3328

“Don’t be afraid, Xiaoyun’s condition has been controlled. Today a pharmacist Gong is here. He can treat Xiaoyun’s disease. Now that the condition is under control, Xiaoyun will not get sick for the time being.” City Lord Sun explained

!

When Lao Jia heard that Sun Xiaoyun’s illness was under control, he became happy, “That’s great. I also brought a pharmacist to treat Xiaoyun. It seems that he won’t be needed now.” City Master

Sun He glanced at Cai Hongwei and David behind Lao Jia, and then said, “Brother, the pharmacist you brought is just right. Now Xiaoyun’s mother is bedridden because of Xiaoyun’s illness. It’s time to go and take a look... “

Okay!” Lao Jia nodded, and then took Cai Hongwei and David to follow City Lord Sun to their dormitory!

Entering the dormitory, David saw a girl sitting at the head of the bed, her face full of tears, and a woman lying on the bed, her face was pale, her eyes were open, but she was lifeless!

“Uncle...”

Sun Xiaoyun saw Lao Jia coming and quickly stood up and shouted!

Seeing that Sun Xiaoyun was fine, Lao Jia was full of joy, and then said to David, “My eldest niece is fine. Please help my younger siblings take a look...”

“Brother, you said Is he the pharmacist?”

City Master Sun was a little confused when he saw Lao Jia talking to David!

He thought Cai Hongwei was a pharmacist and David was a little follower!

After all, David is too young, and such young pharmacists are rare!

Sun Xiaoyun also looked puzzled, “Uncle, is this pharmacist too young?”

“Let him try it first. This is also recommended by my old friend for many years. It should not be wrong.”

Lao Jia said!

“City Master Sun, this Pharmacist Chen is recommended by me. I have been traveling from the Central Region to the South Region all year round, and I have never seen a pharmacist of Chen’s caliber.” Cai Hongwei

followed City Master Sun and said!

“Who are you?” City Master Sun looked at Cai Hongwei!

“Second brother, this is Boss Cai, who often comes to the southern region to search for treasures.” Lao Jia Said!

“Oh, I know, I heard about it. Since it was recommended by Boss Cai, let’s take a look...”

City Master Sun finally let David treat his wife with confidence!

David stepped forward, glanced at Mrs. Sun, then raised his hand, a stream of spiritual energy flowed through his fingertips, and then turned into invisible needles, piercing into Mrs. Sun’s body!

It only took a moment for Mrs. Sun’s complexion to improve. David casually took out a pill and said, “Give this pill to Mrs. Sun and you’ll be fine. It’s just a sudden attack of anger. It’s not a problem...” ...”

Sun Xiaoyun took the elixir from David’s hand, but when Sun Xiaoyun’s hand accidentally touched David, David’s brows instantly frowned!

However, Sun Xiaoyun did not notice the change in David’s expression. Instead, she took the elixir and fed it to her mother!

After taking the elixir, Mrs. Sun soon became lively and energetic, holding Sun Xiaoyun’s hand and not letting go!

City Lord Sun also knew that his wife's illness was not serious, and David's ability to cure her didn't mean anything!

But you still have to say kind words!

"Mr. Chen, thank you very much. I will send someone 10,000 spirit coins to thank you."

City Lord Sun said!

But what David wants is not the 10,000 spirit coins, what he wants is Lao Jia's tree!

"City Lord Sun, may I venture to ask which pharmacist cured your daughter's illness? Do you know that pharmacist?"

David asked!

"I don't understand. The other party came here to reveal the list. Is there any problem?"

City Lord Sun asked in confusion!

"Of course. I touched Miss Sun accidentally just now and found that there was a faint demonic aura in her body. This should be what the other party left behind when she examined Miss Sun." "And Miss Sun is not sick.

She The reason why this happens is because he was poisoned, and the poison has penetrated into the blood, which is why it looks like this."

David said with a solemn face!

Chapter 3329

"Poisoned? Demon cultivator? What are you talking about?"

City Lord Sun looked at David in disbelief, "My daughter has never left the city lord's mansion during this period, how could she be poisoned? And you said that Pharmacist Gong just now is a demon cultivator? I'm always around, can I tell if I'm a demon cultivator?" "

You healed my wife, I'm very grateful to you, but if you want to show off your medical skills, you'd better practice for a few years."

City Lord Sun didn't believe what David said at all.

Lao Jia also looked at Cai Hongwei with a somewhat ugly face at this moment!

Seeing this, Cai Hongwei stepped forward and pulled David and said, "Mr. Chen, maybe you have misunderstood. Let's go..."

Cai Hongwei knew that City Lord Sun would definitely not believe David's words. If he continued, it would cause trouble. Unpleasant!

David looked at City Master Sun's appearance and could only smile lightly and said, "Maybe I'm wrong. I will stay in the Sunrise City for a few days. If you need anything, you can find me..." After David finished speaking

, He left immediately. If it weren't for Lao Jia's tree that contained immortal energy, David might not have said anything!

"You're not old, but you have quite a temper!"

City Master Sun snorted coldly!

Lao Jia also looked unhappy and said, "Lao Cai, the pharmacist you brought this time is really a bit arrogant."

Cai Hongwei could only smile awkwardly and said nothing!

.....

A courtyard in Falling Sun City!

Protector Gong happily sat on the deck chair, basking in the sun comfortably!

At this time, Elder Fei came back a little frustrated. He was probably unhappy because he did not find the sub-helm of the Demon Sealing Alliance!

Without the help of the Demon Sealing Alliance's helmsman, it would be difficult for them to kill David!

Seeing Elder Fei coming back, Protector Gong quickly got up!

Gong Hufa said with a gloomy look, "How's it going? Have you cured City Lord Sun's daughter?"

"It's not cured..." Protector Gong shook his head!

"It's not cured. You're so happy. Now we don't have the help from the Demon Sealing Alliance. I'm afraid we can't kill David alone."

Elder Fei sat down on the recliner angrily!

Gong Hufa chuckled and said, "Elder, you don't have to worry. Although I didn't cure City Lord Sun's daughter, he has promised us that David is wanted. As long as David dares to come to Yuanri City, City Lord Sun will arrest him." He will help us catch him."

Upon hearing this, Elder Fei quickly stood up and asked, "What's going on? Tell me carefully..." "

Then City Lord Sun's daughter was not sick, but was poisoned. The kind of poison tent I refined is just too deeply poisoned. Even if I leave the scope of the poison tent, I will lose my mind from time to time." "

I used medicine to temporarily control the illness of City Lord Sun's daughter, and told him that he could practice it. The elixir completely cured his daughter, so City Lord Sun agreed to my terms."

Protector Gong said proudly!

"Then can you really cure City Lord Sun's daughter?" Elder Fei asked!

Protector Gong shook his head, "His daughter is too deeply poisoned and I can't cure her completely. However, I can refine the elixir to control it temporarily. As long as City Master Sun helps us catch David, we will leave the Falling Sun City." , when his daughter has a seizure, he will not care about our affairs."

Protector Gong knew from the beginning that he could not cure Sun Xiaoyun, he was just deceiving City Lord Sun!

"This is a good idea..." Elder Fei raised the corner of his mouth. "Your identity has not been exposed, right? I heard that City Lord Sun is very powerful. If he is discovered, we will be unlucky." "No, while I was diagnosing and

treating, so that they are far away, and there is a formation around them, so they can't find it."

Protector Gong shook his head!

"Hahaha, then let's just wait quietly for David to be sent here!"

The depression on Elder Fei's face disappeared and he burst out laughing.

Chapter 3330

In Lao Jia's yard!

David stood alone in front of the rare tree. This tree looked ordinary. People passed by in the yard behind it from time to time, but no one ever took a closer look!

But David's eyes were full of envy, because this mountain treasure tree has grown by absorbing fairy energy, so there is a lot of fairy energy in the tree!

If David could absorb the immortal energy in this tree, he might be able to break through to the Fusion Realm!

After all, in this world of gods and humans, although spiritual energy is everywhere, true immortal energy is very rare!

Absorbing immortal energy to practice is many times faster than absorbing spiritual energy to practice!

David took a deep breath. The tree was surrounded by a formation, so the fairy energy in the tree would not leak out!

It must be that there was a gap in the formation, and David noticed the slightest trace of immortal energy!

Otherwise David wouldn't have taken a second look at these ordinary trees!

"My tree was moved from the Chilian Mountains. When I found this tree, there was a skeleton under the tree. It should be the immortal who died in the battle between gods and demons."

“And this tree grew up by absorbing the immortal energy from the immortal’s body. Now this tree also contains immortal energy...” At this time,

Lao Jia came over with Cai Hongwei!

Since David already knew how special this tree was, Lao Jia didn’t hide it and directly told the origin of this tree!

After hearing this, Cai Hongwei said with envy on his face, “Old Jia, your luck is really invincible. I have walked through the Chilian Mountains many times and have never encountered one, not even a fairy beast.” .”

“Immortal beast...” Old Jia smiled faintly, “Don’t meet an immortal beast. I’m afraid you will be eaten by an immortal beast. You, as you are, can’t deal with an immortal beast.” “

Jia Senior, can I exchange this tree for you with something else?”

David really wants this tree to absorb the fairy energy in it!

“If you don’t change it, you won’t change it with anything..

“I will only give the tree to you on the condition that my eldest niece is cured. “

“It’s a pity that my eldest niece is already well, so you have no chance to get this tree again. ” “

Lao Jia shook his head and said!

David smiled slightly, “Don’t be too harsh, maybe I still have a chance...”

Upon hearing this, Lao Jia said with a cold face, “Don’t think about stealing this tree from me. , you don’t have that ability, and you can’t live without the City of Falling Sun. “

Lao Jia thought David meant to steal his own tree!

“Stealing chickens and dogs is not something I, David, would do.

“When the time comes, I will let you give the tree to me willingly. ” “

After David finished speaking, he turned around and went back to his room to rest!

“Huh, so arrogant...”

Lao Jia snorted coldly, not taking David to heart at all!

A young monk in the Fusion Realm, even a pharmacist, is just a person. Low-level pharmacist, if it weren't for Cai Hongwei, Lao Jia would not let David live in his yard!

The next day!

Protector Gong refined a pill and sent it directly to the City Lord's Mansion!

City Lord Sun greeted him personally, Respectfully!

“City Lord Sun, I refined an elixir overnight. You can give it to Miss Sun. You only need to take the three elixirs I refined in succession. I guarantee that Miss Sun will recover.” “

Mr. Gong handed over a dark pill and said!

City Master Sun carefully took the pill and said happily, “Pharmacist Gong is really skilled in medicine. He refined the elixir so quickly. “

” In the entire heaven and human world, there are probably not many pharmacists with the strength of Gong Pharmacist. Nowadays, many of them are charlatans. “

Yesterday, a young man came here and claimed to be a pharmacist. Instead of saying that my daughter was poisoned, he also said that Gong Yaoshi was a demon cultivator and that my daughter had demonic energy in her body. This is nonsense.” “

City Lord Sun praised Protector Gong!
