Chapter 3338

Mrs. Sun looked at Sun Xiaoyun in disbelief and asked, "Daughter, is what he said true? You didn't do anything just now?" "

Mom, it's true. I'm still a big girl now."

Sun Xiaoyun blushed. Said!

"No, I heard your voice outside just now. It's not normal at all."

Mrs. Sun looked confused!

Sun Xiaoyun could only lean into Mrs. Sun's ear and whisper a few words to her mother!

Upon hearing this, Mrs. Sun frowned and looked at David!

"Madam, what's wrong?" City

Lord Sun asked!

Mrs. Sun whispered a few words in City Master Sun's ear again, which also made City Master Sun's face look very ugly!

"What should we do?"

Mrs. Sun was a little undecided!

Although David did do something to Sun Xiaoyun, it was just to treat Sun Xiaoyun. Besides, Sun Xiaoyun is still innocent now, so she can't resent David!

But just letting David go like this, David saw all the body of his daughter, and... "

Boy, you saw all my daughter. As a princess of a city, this kind of thing must be done." If word gets out, I will be laughed at to death."

"Since things have reached this point, then I will marry my daughter to you. As long as you become husband and wife, no one will make irresponsible remarks." City Master

Sun hesitated Said in a moment!

"Dad, what did you say?"

Sun Xiaoyun's face was full of disbelief!

"City Master Sun, Miss Sun and I just met, how can we get married? I don't agree..."

David flatly refused!

"You must agree, otherwise you will die..."

City Lord Sun was angry!

"I will never agree to it!" David's eyes narrowed slightly!

How could this make sense? He was just detoxifying Sun Xiaoyun, and now that he had finished detoxing, he actually allowed himself to marry her!

If this were a male doctor of gynecology in the secular world, wouldn't it be you going to marry countless wives? Do you want to marry her at a glance?

No matter what, David would never marry Sun Xiaoyun!

David promised Sonya that his first wedding must be with Sonya!

He will not marry any woman before holding a wedding with Sonya!

"If you dare to disobey me, then go to hell..."

City Lord Sun was furious, saying that he was about to attack David!

"Dad..." Sun Xiaoyun rushed forward and blocked David!

“Dad, he is also my savior after all. If you kill him, what will others think of us in the future, and how will they think of you as the city lord.” Although

Sun Xiaoyun was a little angry at David, she was not so angry with David. Go to hell!

She also knew that David did this just to detoxify himself!

“Old Sun, if you have something to say, please say it. Don’t do anything. After all, Xiaoyun was saved.”

Mrs. Sun also advised from the side!

Seeing his daughter and wife saying this, City Master Sun finally calmed down his anger!

At this moment, Lao Jia arrived with Cai Hongwei and others!

“Second brother, you may have misunderstood. Maybe the pharmacist who treated the eldest niece is really a demon cultivator.”

After David was taken away, Cai Hongwei explained the matter to Lao Jia in detail, and Lao Jia then Come with them!

If the pharmacist is really a demonic cultivator, Sun Xiaoyun will not only be unable to cure him, but his life may be in danger!

“Brother, I already know that the demon cultivator has been captured by me.”

City Lord Sun said!

Lao Jia was stunned, but Cai Hongwei and the others stepped forward and checked David!

“Mr. Chen, are you okay?” Cai Hongwei asked.

“I’m fine!” David shook his head!

“Uncle, I’m fine, I’m fine now, thanks to Pharmacist Chen.”

Sun Xiaoyun said to Lao Jia with a smile!

When Lao Jia saw Sun Xiaoyun's rosy face and good complexion, he couldn't help but said happily, "It's great to see you recover..."

### Chapter 3339

Seeing that so many people had come, City Master Sun couldn't care less about David, so he said, "I ordered people to hold a banquet. I followed this Medicine Master Chen to make amends. It's all my fault for believing the slanderous words of that demon cultivator.

"Jia Ye looked at David and said apologetically, "Mr. Chen, I really didn't expect you to have such great medical skills. I admire you, I admire you..." "

Senior Jia, I hope you don't forget our agreement."

David said!

"No, I will never forget it." Lao Jia said with a smile!

"Mr. Chen, let's invite..."

City Lord Sun invited David to the banquet.

"City Master Sun, I saved your daughter because of the agreement I made with Senior Jia, so you don't have to be so polite." "

I want to see the demon cultivator now, and I have something to ask..."

David said to City Master Sun said.

David didn't appreciate it. City Lord Sun wanted to kill him just now, and now he was hosting a banquet to entertain him. David wouldn't go!

If it weren't for Lao Jia's fairy tree, maybe David wouldn't have come to the rescue!

"Okay, I'll take you there..." City Master Sun nodded!

Just when David passed by City Master Sun, City Master Sun whispered, "I hope you will always keep secret about the process of healing my daughter..."

David just glanced at City Master Sun and ignored him!

When David and others arrived at the main hall, Elder Fei and Protector Gong were all kneeling on the ground, and there were people guarding them on both sides!

Seeing David appear, Elder Fei and Protector Gong couldn't help but tremble!

"City Master Sun, can you leave these two people to me?" David asked!

"As you wish!" City Lord Sun waved his hand!

David walked up to Elder Fei and Protector Gong. At this time, Protector Gong's whole body cultivation had been crippled, like a useless person!

"Don't kill me. I am willing to recognize you as my master. Please don't kill me..."

Protector Gong looked at David and kept begging for mercy!

Elder Fei gritted his teeth and trembled slightly, but he did not beg for mercy!

"Don't you beg me?" David looked at Elder Fei and asked!

Elder Fei did not speak, but gave David a cold look!

David smiled lightly and waved his palm gently!

Poof...

Protector Gong's head exploded like a watermelon in an instant, and blood splattered all over Elder Fei!

"I'm not in the mood to carry this trash whose cultivation has been ruined..."

David said with a sneer!

Seeing the tragic death of Protector Gong next to him and smelling the scarlet bloody smell, Elder Fei also began to be afraid!

"You... don't kill me, I can tell you a secret!"

Elder Fei spoke!

“What secret?” David asked!

“You have to promise not to kill me before I can tell you.”

Elder Fei was bargaining with David!

David suddenly looked displeased and reached out to slap Elder Fei, “I don’t want to know that secret anymore. You’d better go die...” “No

, Zuo Xuan, the son of the leader of the Demon Sealing Alliance, is following Elder Chu of the Demon Sealing Alliance. We also went to Tianmo Mountain.”

Elder Fei said quickly!

“What kind of secret is this? What’s the use to me...”

David said indifferently!

“You can seize that Zuo Xuan and use it to threaten the Demon-Sealing Alliance. You won’t have to be hunted by the Demon-Sealing Alliance in the future.”

Elder Fei explained hurriedly!

“This is an idea, but it doesn’t seem to have anything to do with you, right?” David said!

“I can help you catch Zuo Xuan. Otherwise, if Elder Chu is following you, it’s impossible for you to catch Zuo Xuan.” “No

one from the Demon Sealing Alliance will doubt me. I can help you, as long as you don’t kill him.” I’ll be fine...”

Elder Fei tried his best to show his worth, otherwise his head would explode if David slapped him!

Hearing this, David finally took his hand back!

“This method is good, but how can I trust you?”

David looked at Elder Fei and asked!

## Chapter 3340

“I...I can hand over a ray of life soul to you, so that I will be restrained.”

Elder Fei said!

But David shook his head, “You are a sixth-level monk in the Tribulation Realm. Even if I hand over a ray of life soul, I can’t control you. When the time comes, even if I crush your life soul, you are just a cultivator.” The damage is not life-threatening at all.”

“Then... what should we do?” Elder Fei didn’t expect David to be so suspicious! Chen

Ping took out an orange pill from his body, then threw it to Elder Fei and said, “This is a poison. Only I can prepare the antidote. Now that you take it, I can release it.” It’s up to you.”

Elder Fei took the poison in his hand and threw it into his mouth without hesitation.

No matter what kind of poison it is, he must save his life first!

Seeing Elder Fei take the poison without hesitation, David smiled and said, “Do you think the poison is fake?” “No, no,

anyway, I have made up my mind to cooperate with Mr. Chen, so there is nothing to hesitate about.” Yes.”

Elder Fei shook his head quickly!

“Okay, you can go...”

David said!

Elder Fei was stunned. “I can really go.”

“Really!” David nodded!

Elder Fei stood up and walked towards the outside of the city lord’s mansion. No one was chasing him!

When he walked out of the city lord's mansion, Elder Fei's eyes instantly became extremely sharp!

After a few jumps, he left the Falling Sun City!

"Mr. Chen, are you really going to let that demon cultivator go? These people are all dishonest people."

Seeing that David really let Elder Fei go, Cai Hongwei asked in confusion.

"It's okay. Since I dare to let him go, I have my own plan!" David said with a faint smile.

"What's going on with the Demon-Sealing Alliance following this demonic cultivator? Why are the people from the Demon-Sealing Alliance chasing you?"

City Master Sun looked at David with a puzzled look.

Chen Ping Then he briefly recounted his grievances with the Demon-Sealing Alliance, and of course also revealed the secrets of the Demon-Sealing Alliance!

When City Master Sun heard this, he was instantly surprised and said, "I didn't expect that this Demon-Sealing Alliance actually colluded with the demon cultivators. Everyone has been deceived for so many years." "Fortunately,

my Falling Sun City does not have a branch from that Demon-Sealing Alliance. Otherwise, I will kill him directly."

"City Lord Sun, now that Miss Sun has recovered, it's time for me to say goodbye."

David plans to leave the City Lord's Mansion and go to Lao Jia to absorb the immortal energy as soon as possible!

"Pharmacist Chen, you saved my little girl, so feel free to ask for any conditions you want, or if you want spiritual coins, you can ask for as much as you need."

City Lord Sun said generously!

“I don’t need anything. As I said, I saved your daughter in exchange for what Senior Jia did.” “Senior

Jia has already given me what I need.”

After David finished speaking, he looked at Old Jia He said, “Senior Jia, let’s go back...”

“Let’s go!” Old Jia nodded!

When he returned to Lao Jia’s residence, Lao Jia lifted the formation around the fairy tree without hesitation!

When the formation came into contact, a burst of immortal energy rushed to his face instantly!

“This tree belongs to you...”

Lao Jia didn’t feel bad. After all, compared with Sun Xiaoyun, a fairy tree is nothing!

David didn’t talk nonsense, he sat cross-legged under the tree and started practicing!

When everyone saw this, they hurried out of the backyard and locked the door!

And Cai Hongwei called everyone together and began to divide the work to protect David!

Although David is only in the Fusion Realm, everyone has seen David’s performance along the way!

It is really rare for people like David to be among the best. Everyone is confident that if they follow David’s team to Tianmo Mountain this time, they will definitely gain something!

David is absorbing the immortal energy, and the Heart Condensation Technique in his body is constantly running!

From day to night, David sat under the tree for two days and two nights!
