Chapter 3361

After seeing David, Devil Mountain Gui Lao hurriedly stepped forward and said, "Mr. Chen, are you okay? I heard that someone is causing trouble for you?" "

Gui Lao, I'm fine, but someone just wanted me to kneel down and apologize. "

David said with a faint smile!

Upon hearing this, Devil Mountain Ghost became furious instantly, and then he looked at Cheng Jinghui and said, "Cheng, are you the one who asked Mr. Chen to kneel down and apologize?" "Who the hell do you think you are, how dare

you Asking Mr. Chen to kneel down and apologize? I think you don't want to stay at Xueling Peak anymore..."

Although the strength of the Demon Mountain Ghost Elder is not as good as that of Cheng Jinghui, when Cheng Jinghui saw the Demon Mountain Ghost Elder, his face actually showed A bit of fear! Cheng

Jinghui did not dare to refute the scolding of Demon Mountain Ghost Elder. He could only smile awkwardly and said, "Ghost Elder, this... this little fellow Taoist still has something to do with you?" "Bullshit, even if you talk about it, I still have something to do with you.

" You want to call Mr. Chen the ancestor, do you dare to ask my ancestor to kneel down and apologize to you, believe it or not, I will die with you now?"

Old Devil Mountain Ghost roared!

Cheng Jinghui was stunned for a moment. He really didn't understand how a human monk who had just stepped into the Tribulation Realm could become such an ancestor of demon cultivators as the Devil Mountain Ghost!

However, looking at the expression of the Demon Mountain Ghost Elder, Cheng Jinghui could only admit it and said, "Misunderstanding, this is all a misunderstanding..." "

Master..." Seeing that Cheng Jinghui had given up, Liu Xueyi shouted reluctantly!

"Shut up, you, a fourth-level Tribulation Realm master, had your hand broken by a first-level Tribulation Realm master, and you still have the nerve to say so."

Cheng Jinghui yelled at Liu Xueyi, then pulled him away!

Seeing that there was no fight, everyone slowly dispersed!

David asked curiously, "Old Ghost, I'm afraid your current strength is not as good as that of Cheng Jinghui. Why is he so afraid of you?" Upon hearing this, Old Demon Mountain

Ghost suddenly laughed!

r> Luo Shouhai explained with a smile, "Mr. Chen doesn't know. In fact, we and Mr. Gui have known each other since childhood. Our two sects were not far apart at that time and we often communicated with each other." "And my junior brother has known each other since he was a child . He was bullied by the ghost old man and trembled all over when he saw the ghost old man. Although my junior brother later went to Xueling Peak and got an unknown opportunity and his strength greatly increased, but even so, he would still tremble when he saw the ghost old man."

"This may be the shadow in my heart that has been left since childhood. The whole Tianmo Mountain knows that my junior brother always trembles when he sees ghosts..."

David couldn't help but laugh after hearing this. It seems that this childhood shadow is difficult to eliminate. !

"Ji Yun, give the money to others..."

David asked Ji Yun to give 100,000 spirit coins to the big man selling watches!

Ji Yun nodded and threw the money over. The big man was not polite and just collected it!

After getting the money, the big man packed up his stall and left!

When the big man left, David was suddenly stunned, his eyes full of doubts!

Because just now when Cheng Jinghui burst out and wanted to take action, everyone couldn't bear it and dodged away, but this big man sat motionless in front of the stall.

At that time, David was desperately resisting Cheng Jinghui's aura, so he didn't pay too much attention to the big man, but now it seems that the strength of this big man setting up the stall is definitely not simple!

"Mr. Chen, what's wrong?" asked Mr. Gui!

"Oh, it's okay!" David smiled slightly, then took out the clock and said, "Gui Lao, Luo Valley Master, do you see what's special about this clock?"

Gui Lao followed Luo Shouhai and looked at the clock for a long time, and then They all shook their heads, "This clock is just carved from jade. Although it is lifelike, there is nothing special about it..."

David saw that Gui Lao and Luo Shouhai couldn't see anything special, so he put the clock away, but He always felt that there must be something special about this clock!
