Chapter 3362

“Mr. Chen, I have obtained the token for you to enter the battlefield of gods and demons. If the man named Kong refuses to give it to you, I will fight him tooth and nail...”

Devil Mountain Ghost Lao took out a token and handed it to David!

“Thank you, Old Ghost. Does everyone need to have this token?”

David asked!

Luo Shouhai nodded, “Yes, everyone needs a token to enter, but ordinary tokens can only be exchanged for spiritual coins or resources.” “Mr. Chen’s token

is a VIP token. It can be compared to Others enter the battlefield of gods and demons in advance. There are very few tokens like this. Only the six major demon sects of our demon tribe have them. Some of them are given to other sects and families in the Tianmo Mountain area.” “Mr. Chen’s token

, It belongs to the Demon Mountain Ghost Old Man...”

“Lao Luo, what are you talking about?”

The Demon Mountain Ghost Master looked at Luo Shouhai unhappily!

The reason why Devil Mountain Ghost Lao Gang just said that he was following the leader of the Xuanyin Sect was because he was afraid that David would feel pressured!

“Mr. Chen, I have seen a lot of the world by myself, and I have seen a few battlefields of gods and demons, so I am not interested in this battlefield of gods and demons in Tianmo Mountain, so I simply gave the token to Chen Sir...”

Demon Mountain Ghost Lao followed David and explained.

David knew that the Devil Mountain Ghost Boss was just saying this. Whoever doesn't want to enter the battlefield of gods and demons first, whoever enters first will definitely have the upper hand!

“Gui Lao, thank you...”

David looked at Devil Mountain Gui Lao gratefully and said.

“Mr. Chen is serious. Logically speaking, I have to call you “ancestor”. It's just a token. Mr. Chen, you're welcome.”

Old Devil Mountain Ghost laughed!

Many people around looked at David with envy. After all, this VIP token should be considered a priceless treasure here!

“Mr. Chen, you must keep this token well. Although there are regulations here that no private fights are allowed, some jealous people can't avoid secretly stealing Mr. Chen's token. Stolen. “

When the time comes, if you only recognize the token but not the person, you'd better be careful...”

Luo Shouhai reminded David.

“Thank you, Master Luo Valley, for reminding me. I will pay attention.” “

David directly put the token into the storage ring. It would be impossible for others to steal the token! After

bidding farewell to Gui Lao and Luo Shouhai, David, Ji Yun and Huofeng did not He went to find Mr. Miao and the others, but continued to wander around the streets!

It was hard to come to Xuanyin Sect once, but he might never come again in his life, so David wanted to take a good stroll and see if he could find any treasures!

“Mr. Chen, long time no see...”

Just after David, Ji Yun and Huofeng walked a certain distance, someone called him from behind!

David quickly looked back and found that it was Ning Caichen. , behind Ning Caichen, there were several Ning family members!

When David's eyes fell on an old man next to Ning Caichen, he couldn't help but frown!

He didn't know this old man, but he found that the aura of the old man seemed familiar, but David couldn't remember who he looked like for a while!

When the old man saw David, his expression also changed slightly, and his pupils suddenly shrank!

But this change was very strange. He recovered soon.

"Master Ning, what a coincidence. I didn't expect you to come to Tianmo Mountain..."

David withdrew his gaze and smiled slightly at Ning Caichen!

"Mr. Chen, I haven't seen you for many days, your strength. What a rapid progress. Now you don't even look down on the fifth-grade monks in the Tribulation Realm. "

As expected, he is a proud man of heaven, and he also knows so many people from the demon clan and got the VIP token. I really admire Mr. Chen."

Ning Caichen said sincerely.

Obviously, he saw everything when David broke Liu Xueyi's arm just now, and he also saw the Devil Mountain Ghost giving David the token!

Chapter 3363

But not long ago, David's strength was looked down upon by Ning Caichen, but now Ning Caichen has been crushed by David!

This is talent. As the head of the family, Ning Caichen worked hard with all kinds of resources to practice, but in the end he couldn't improve as fast as David!

“Master Ning, you are not bad. Now you have broken through the Tribulation Realm. You should have reached the third level of Tribulation Realm, right?”

David said with a slight smile.

Ning Caichen said with slight embarrassment, “I just broke through to the third level a few days ago. Compared with Mr. Chen, I’m really ashamed...”

David looked at the old man next to Ning Caichen and asked, “Master Ning, who is this?”

“Oh, this is an ancestor of our Ning family. He has not been born for many years. This time he just came to Tianmo Mountain with me...”

Ning Caichen said!

David nodded slightly and smiled at the old man, which was considered a greeting!

But the old man’s face was expressionless, and his eyes were colorless!

It seemed to give people a lifeless feeling, but David didn’t pay too much attention to it. After all, he was a member of the Ning family, and he had no interaction with him!

After chatting with Ning Caichen for a while, David took Huofeng and left with Ji Yun!

But not long after he left, David suddenly stopped, and then said with a shocked face, “I remember who this breath looks like, like that Ning Zhi...”

David quickly turned around, trying to find Ning Caichen. Feeling the aura of the old man, Ning Caichen has already led others away!

“Mr. Chen, what are you talking about? Who is that Ning Zhi?”

Ji Yun didn’t know about David’s affairs in the secular world, so he didn’t know who Ning Zhi was!

However, Huofeng was a little confused and said, “Master, who do you think has an aura like that Ning Zhi?”

“Just the ancestor of the Ning family just now. I felt that the aura on his body was very familiar, but I didn’t think of it. Now that I think of it, that aura is very similar to following Ning Zhi. “

The reason why David didn’t think about it at first was that he didn’t think about Ning Zhi at all!

Ning Zhi is already dead, and he is still a person in the secular world, how could he have anything to do with the heavenly and human world?

“Master, isn’t that Ning Zhi? Already dead? Besides, if he doesn’t die, he probably won’t show up here. Has Ning Zhi become your inner demon and make you feel wrong? “

This is simply impossible. The old man just now is the ancestor of the Ning family. He should be hundreds of years old. There is no way he belongs to Ning Zhi.” “

Huofeng persuaded David!

“Maybe I feel wrong. “

David also didn’t believe it. After all, Ning Zhi followed the ancestor of the Ning family and couldn’t hit him with eight poles!

But for Ning Zhi, David also admired this guy from the bottom of his heart. He had been stalking him for a long time. David It can be regarded as watching Ning Zhi grow up step by step!

Speaking of which, Ning Zhi is also a very talented guy, but if he chooses to go against David, he is destined to not have many consequences!

David is not here Instead of wandering around, he took Ji Yun and Huofeng back!

Seeing David coming back, Cai Hongwei and Mr. Miao hurriedly greeted him!

“Mr. Chen, how are you? We heard that the token to enter the battlefield of gods and demons this time is not So cool. “

Both of them are worried that David will abandon them!

If they can't get the token, they won't be able to enter the battlefield of gods and demons, and their run will be in vain!

And several people died along the way!

“Cai Boss, Mr. Miao, don't worry. The token to enter the battlefield of gods and demons can be obtained with only spiritual coins and resources. You don't need to worry about these things. I will ask Ji Yun to prepare the token with you when the time comes. .

“But VIP tokens are hard to get. I only have one now, and it was given to me by a demon friend. ” “

David said apologetically!

Chapter 3364

“Mr. Chen, we know that the VIP tokens are only available to the major demon sects in Tianmo Mountain and the surrounding sects. As long as you have an ordinary token, you can enter the battlefield of gods and demons.” Cai Hongwei said quickly

!

It seems that they have also understood the rules and the rules of this battlefield between gods and demons!

“Everyone should take advantage of these few days and have a good rest. When we enter the battlefield of gods and demons, we don't know what dangers we will encounter.”

David said to everyone!

Everyone nodded, and then they all went to rest! Chen

Ping locked himself in the room, took out the clock, and looked at it carefully!

David put all the breaths in his body into the clock and found that there was nothing strange about the clock!

“Is this clock really an ordinary object carved from jade?”

David looked at the clock in his hand and fell into deep thought!

Because he was convinced that he was not dazzled or hallucinating. The hands on the clock did move at that time!

But now no matter what method David uses, he can't make the hands on the clock move!

For three days in a row, David failed to study the clock thoroughly!

On this day, Jin Dong found David and informed David that the channel for the battle between gods and demons was completely open. Because David had a VIP token, he could enter in advance!

The news has not been released yet, just to prevent someone who desperately wants to enter and break in directly!

It's okay if there are only one or two people, but if everyone wants to rush in, there will be no way to stop them, so blocking the news is the best way!

David followed Jin Dong to a hall of Xuanyin Sect. More than ten people had gathered here, and they should all have received VIP tokens!

Here, David met Sect Master Kong of Xuanyin Sect. He saw that Sect Master Kong was a skinny old man with a goatee and bright eyes, he looks very capable, and he looked like someone who could do business!

“Everyone, the battlefield of gods and demons is now open. You all have noble tokens, so you can enter in advance. However, in three days, all battlefields of gods and demons will be open.” “You only have three days in advance, so you must make the most of it

. You have found the treasure in these three days. Once it is fully opened, you will have no advantage.” “

But I would like to remind you that after entering the battlefield of gods and demons, all the rules will disappear. Whether you can get out of the battlefield of gods and demons will also depend on your abilities.”

After Sect Master Kong said that, with a wave of his hand, the roof of the hall slowly opened!

Immediately afterwards, I saw a cloud of mist in mid-air, as if the entire hall was floating in the air!

Sect Master Kong jumped up first, followed closely by the others!

Everyone passed through the sea of clouds and saw that the white vortex around the crack in the sky was much less. In front of this crack, there were dozens of people standing. Some of these people were demon cultivators, some were human monks, all People from several major demon sects and sects in Tianmo Mountain!

These people are guarding here to prevent anyone from sneaking in. If they can enter casually, then the rules negotiated by Xuanyin Sect and everyone will be useless!

Everyone stepped on the sea of clouds and looked at the crack quietly. Everyone was very excited because they didn't know what they would encounter after entering the battlefield of gods and demons!

“Mr. Chen...”

Luo Shouhai took Luo Xi to David.

“Master Luo Valley, who do you, Blood Spirit Valley, plan to send into the battlefield of gods and demons?”

David asked!

In David's opinion, Jin Dong should be the best candidate. After all, Jin Dong is the eldest disciple and has good strength!

Or Luo Shouhai could enter in person, but that would lose the opportunity for his disciples to train!
