Chapter 3368

David walked not far and found a trace of green among the white bones. David knew that this green must be a treasure!

It should be an item that a certain immortal or demonic immortal carried with him when he died!

But just when David was about to bend down to pick up the green thing, a sudden gust of wind hit him!

“Boy, if you find something good, give it to me immediately, otherwise don’t blame me for being rude to you!”

A round-faced demon cultivator, holding a weapon like a boning knife, shouted at David!

This demonic cultivator was at the third level of the Tribulation Realm. Seeing that David had just stepped into the Tribulation Realm, the demonic cultivator looked confident and asked David to hand over the treasure!

David just glanced at the demon cultivator and ignored him at all. For a third-level demon cultivator in the Tribulation Realm to dare to shout after him, he was simply looking for death!

David picked up the touch of green and found that it was a green ring. David used his spiritual sense to explore it and found that it was a storage ring with a large storage space. It was worthy of being a treasure on the battlefield between gods and demons!

But just when David was about to put the things away, the demon cultivator became anxious and waved the weapon in his hand at David and said, “Boy, can’t you fucking hear me? I asked you to give me the things.” ...”

David watched the demon cultivator attack him, with a hint of disdain on his lips, and then he put the ring away, and then he had a long whip in his hand, and he flicked it in an instant, Head towards the demon cultivator!

This is a demonic whip. When the whip is struck, the demonic cultivator suddenly feels his sea of consciousness tightening, and his whole person is in a trance!

This demonic whip attacks the demonic cultivator's spiritual consciousness, so the demonic cultivator is unable to defend himself!

The reason why David did not use the magic whip in Tianmo Mountain is because this thing is specially designed to restrain demon cultivators. If exposed, I believe many demon cultivators in Tianmo Mountain will look at David covetously!

When the whip went down, the demonic cultivator's face changed drastically, and he kept retreating in a daze. His eyes were full of horror and he said, "What are you doing? How can it be so powerful?"

The demon cultivator was in the third level of Tribulation Realm, but now he was whipped by David and was unable to resist.

"This is a magic whip, ready to teach you evil cultivators a lesson!"

After David finished speaking, he whipped the whip in his hand again!

The demon cultivator's face darkened, he shouted suddenly, stretched out his claws, and grabbed the demonic whip!

With this grab, countless sinister bone claws instantly appeared in the void, and these bone claws tightly grasped the base of the magic whip.

"Hahaha, I don't care if you use the magic whip or the magic whip, you are just rubbish in front of me..."

The demon cultivator grabbed David's magic whip and burst into laughter!

David looked at the arrogant look of the demon cultivator and couldn't help but laugh!

Immediately afterward, the source of fire in David's body exploded instantly, and a wisp of fire followed the magic whip and directly ignited the bone claws of the demon cultivator!

Countless bone claws were all burned to powder by the fire!

“Ultimate fire?”

The demon cultivator was startled and stepped back desperately, but his body was already covered in flames?

“Ah...”

The demon cultivator screamed, rolling on the ground desperately!

Looking at the rolling demon cultivator, David just watched with cold eyes, watching helplessly as the demon cultivator was burned to ashes by the fire!

This kind of demonic cultivator who took advantage of the situation deserves what he deserves!

A mere third-level Tribulation Realm daring to take David's advice was simply seeking death...

David couldn't help but sneer as he watched the demonic cultivator turn into ashes!

After killing the demon cultivator, David continued to move forward, but David's speed was very slow, and his consciousness was expanded as much as possible!

The reason why David walked slowly was because he was afraid that when Luo Xi was in danger, he could rush over immediately!

Since Luo Shouhai left his daughter in his care, David couldn't just sit back and do nothing!

Chapter 3369

Xuanyin Sect!

Not long after David and others with VIP tokens entered the battlefield of gods and demons, someone came to the door of Xuanyin Sect!

The people who came were none other than Zuo Xuan, the young master of the Demon Sealing Alliance, as well as Elder Chu and the two helmsmen!

Elder Fei from the Soulless Palace was also following Zuo Xuan!

Zuo Xuan relies on his status as the young master of the Demon Sealing Alliance, so he doesn't look down on these demon cultivators at all!

They have raised a lot of demon cultivators in the Demon Sealing Alliance. The obedient demon cultivators will be raised, and the disobedient ones will be killed!

So over the years, Zuo Xuan has developed the habit of looking down on demon cultivators!

After Zuo Xuan found out that someone could enter the battlefield of gods and demons in advance, he immediately brought someone to find him. He also wanted to enter the battlefield of gods and demons in advance!

Seeing troublemakers coming at the door, Sect Master Kong led people out, including many heads of other demon sects!

Sect Master Kong did not know Zuo Xuan, so after looking at him he asked, "Who are you? You are making a scene at my door?" Seeing that Sect

Master Kong did not recognize him, Zuo Xuan immediately said arrogantly, "I am from the Demon Sealing Alliance." Young Master, my name is Zuo Xuan, why did someone enter the battlefield of gods and demons in advance? I also want to enter in advance?"

Zuo Xuan's tone was like giving an order!

When many demon cultivators heard that Zuo Xuan was from the Demon-Sealing Alliance, they all frowned. After all, the Demon-Sealing Alliance was so famous and its power spread almost throughout the entire heaven and human world!

Sect Leader Kong also frowned, and then said, “Master Zuo, those people who entered early are from the sects near our Tianmo Mountain. External monks, regardless of race, must wait three days before they can enter.” “

I Regardless, I will go in now. If you don’t let me in, then I will notify my father and ask the surrounding branches of the Demon Sealing Alliance to come and destroy you...” Although

Zuo Xuan only has a fifth-grade cultivation of the Tribulation Realm, But relying on his identity, he loudly said to Sect Leader Kong!

Zuo Xuan’s words were like poking a hornet’s nest. The heads of many demon sects, Everything was instantly filled with murderous intent!

When Elder Chu saw this, he hurriedly pulled Zuo Xuan, “Sir, don’t talk nonsense...” “

Uncle Chu, what are you afraid of? They are just a bunch of demon cultivators.”

Zuo Xuan was not aware of the danger at this moment!

But just as Zuo Xuan finished speaking, Demon Mountain Ghost Lao stepped forward and said, “You guys from Male Gobi, your Demon Sealing Alliance are so awesome. This is Tianmo Mountain, and there is no branch of your Demon Sealing Alliance here.” “Believe me or not

. Even if I kill you here, your father can’t even find me? Don’t think that I don’t know the tricks of your demon-sealing alliance.” “

You used the excuse of destroying our demon clan, and then hunted and killed us demon cultivators, and then I was locked up by you and used by you.”

“The guy behind you should be from the Soulless Palace, right? It seems that the Soulless Palace has become the dog of your Demon Sealing Alliance now.” When

Demon Mountain Ghost was always in Mo Hai, he I learned the secret of the Demon-Sealing Alliance from David, and also knew that the Demon-Sealing Alliance was having trouble with David, so I stood up and yelled at Zuo Xuan!

“The Demon-Sealing Alliance treats us demon cultivators not as human beings, but as pets. If we obey, we will keep them. If we don’t, we will kill them. We are the worst human beings.” “Back in Mohai in the Northern Territory, my junior sister and I were almost killed by members of the Demon-Sealing Alliance

. Kill.”

Jin Dong also stood up and said!

In Mohai, Jin Dong and Luo Xi almost died at the hands of the Demon Sealing Alliance. If David hadn’t appeared in time, they wouldn’t have been able to escape!

“Damn it, my daughter almost died in the hands of your Demon-Sealing Alliance. Don’t even think about leaving today.”

When Luo Shouhai heard that Luo Xi was almost killed by the Demon-Sealing Alliance, he immediately became anxious and took a stance!

The other demon cultivators from the demon sect were all filled with indignation and surrounded Zuo Xuan and the others!

At this time, Zuo Xuan was a little stupid. Looking at the demon cultivators around him with angry eyes, Zuo Xuan almost peed his pants!

Upon seeing this, Elder Fei from the Soulless Palace quickly stepped back and followed Zuo Xuan to distance himself!

Chapter 3370

Now, Elder Chu was anxious!

Although he has good strength, he can’t withstand the attacks of so many demon cultivators!

What’s more, these are all the leaders of the Demon Sect, and many of them are not inferior to him in strength!

Elder Chu was so angry inside, it was all because of this blind beep, which made all these demon cultivators angry!

And all the secrets of their Demon Sealing Alliance have been exposed!

“Sect Master Kong, what are you going to do? There can be no private fights in Tianmo Mountain during this period, no matter what race, but you have decided.” “Do you want to

break the rules now? If you break the rules, you have to think about it. , now there are more than just you demon cultivators in Tianmo Mountain.” “

When the time comes, there will be so many human monks and orcs, how do you explain it, there will definitely be chaos.” “

And if you kill our young master, the alliance leader will definitely fight for it . Try your best to encircle Tianmo Mountain, but there will be a lot of casualties when the time comes. Do you plan to destroy it after you have been recuperating for so many years?” Elder Chu

said to Sect Master Kong! At

the same time, these words are also meant for other demonic cultivators. After all, these demonic cultivators find a place like Tianmo Mountain to recuperate without being disturbed. It is already very good!

If Zuo Xuan is really killed, the Demonic Mountain, the pure land of the demons, will probably disappear!

Sect Leader Kong was silent, and the other demon cultivators were also silent!

After a while, Sect Leader Kong said, “You should leave Tianmo Mountain immediately. You are not welcome to enter the battlefield of gods and demons in Tianmo Mountain.” “

Okay, we’ll leave right away...” After Elder Chu finished speaking, he took Zuo Xuan and left!

When he walked out of Xuanyin Sect, Elder Chu’s forehead was already covered in cold sweat, and Zuo Xuan was still a little dissatisfied and said,

“Why can’t I enter the battlefield of gods and demons? I still want to pick up the treasure!” “And that David, is this all

? Let him go?”

Elder Chu glanced at Zuo Xuan helplessly, almost frightened just now peed my pants and didn’t dare to fart. Now that I have left Xuanyin Sect, I started shouting!

If it weren’t for the left-handed big-tailed wolf, they wouldn’t be what they are now.

“Sir, David can intercept and kill him as he leaves Tianmo Mountain. He can’t stay in Tianmo Mountain forever.” “

I am willing to stay in Xuanyin Sect, observe David’s movements, and report to you when the time comes.”

Elder Fei quickly suggested at this moment!

When Zuo Xuan heard this, he nodded immediately, “Okay, let’s do it. You keep an eye on David and these demon cultivators in Tianmo Mountain. Sooner or later, I will bring people to destroy them.” Elder Fei left happily

. , he can’t leave, he took David’s poison pill, and if he can’t find a way to detoxify David, he will die!

“Sir, let’s go...”

Elder Chu led Zuo Xuan and walked towards the outside of Tianmo Mountain!

.....

Inside the battlefield of gods and demons!

David looked at the fairy grass in front of him and was stunned!

Because this fairy grass is so big, taller than David, it almost becomes a tree!

And there are several fruits on it. The spiritual energy is flowing on the fruits and they are crystal clear. They are many times stronger than the fairy grass outside!

If this fairy grass is used to refine the elixir, the effect of the medicine will definitely be ten times, a hundred times stronger...

David stretched out his hand to grab the fairy grass, then suddenly used force to pull out the fairy grass, and then put it in the storage ring. middle!

But just after David touched the fairy grass, the whole fairy grass suddenly went underground and disappeared underground in an instant!

David was stunned and looked towards the ground. He didn't understand how the fairy grass came to life and actually burrowed underground on its own!

David used his spiritual consciousness to explore, his face changed instantly, and then his eyes burned with anger!

The magic whip appeared in David's hand and whipped it towards the ground!
