Chapter 3371

When David whipped the whip, there was a muffled groan!

A deep pit appeared on the ground, and a demon cultivator jumped up from the ground with fairy grass in his arms!

Obviously, the fairy grass just now did not escape by itself, but was snatched away from the ground by this demonic cultivator!

“Give me the fairy grass...”

David’s eyes narrowed and he looked at the demon cultivator coldly!

“Hmph, you are a newly promoted cultivator in the Tribulation Realm, and you are worthy of this fairy grass. I will spare your life with great mercy. Get out now, or don’t blame me for being rude!” The demonic cultivator snorted coldly

. Didn’t take David seriously!

David frowned and didn’t say anything. Instead, he whipped the magic whip in his hand towards the demon cultivator! Boom

!

David whipped down the demon cultivator, and the demonic cultivator shattered into pieces and instantly turned into a white smoke!

This demon cultivator turned out to be just a clone.

David had actually discovered a long time ago that this demonic cultivator relied on his clone to delay time, and the real body had long since escaped!

The magic whip in David’s hand began to burn with flames, as David kept swinging!

The flames shot straight into the ground, and then bursts of thick smoke came out from the ground!

“Fire Cage...”

Buzz...

Endless flames emerged from the ground, and then quickly connected together to form a large net, covering several miles around!

Bang...

There was a muffled groan in the distance. David jumped up and swung the magic whip in his hand towards the place where the sound came from!

“You little demon cultivator dares to steal something from me...”

Boom!

David whipped his whip, and with endless flames, a figure suddenly rushed out from the ground. It was the escaped demon cultivator!

The demon cultivator used a sharp sword and directly blocked David’s demon whip!

Poof...

Although he blocked the magic whip, the ultimate fire on the magic whip turned into a ball of fire and hit the demon cultivator!

The demon cultivator spurted out a mouthful of blood and flew backward instantly!

The demon cultivator was horrified. He did not expect that he, a fourth-level monk in the Tribulation Realm, could not even defeat a newly promoted monk in the Tribulation Realm. He could not even block a single blow!

Especially David’s flame cage, which even covered him underground, making his escape technique useless and he could only be forced out of the ground by the flames!

You must know that this earth-escape technique is his unique skill, but now it is of no use to David!

“I’m giving you the fairy grass, hoping you can let me live...”

The demon cultivator knew that he had underestimated David’s strength, so he planned to give up the fairy grass and let David give him a life!

David looked at the injured demon cultivator, nodded and said, “Okay, as long as you hand over the fairy grass, I can spare your life...”

The demon cultivator did not hesitate and directly threw the fairy grass that was as tall as a person. David, who put the fairy grass into the storage ring, waved his hand, and the surrounding flame cage disappeared instantly!

But just when the demon cultivator turned around and wanted to leave, he found four figures appearing not far away, and one of them turned out to be Liu Xueyi from Blood Spirit Peak!

These four people were all demon cultivators, and they quickly came closer!

When relying on Liu Xueyi and the others, David frowned slightly and turned around to leave. After all, David himself may not be completely sure that he can defeat Liu Xueyi and the others when faced with several demon cultivators!

In addition, David didn’t want to waste time. He entered the battlefield of gods and demons to find treasures, not to fight!

It’s just that David wanted to leave, but he couldn’t leave at all. Liu Xueyi led people to surround David!

Liu Xueyi looked at the demon cultivator who was injured by David, smiled lightly and said, “Fellow Taoist, this kid is extremely arrogant. He is a small human cultivator, but he follows us demons to grab things in the battlefield of gods and demons in Tianmo Mountain. He deserves to be damned.”

Chapter 3372

“Anyway, this is a battlefield between gods and demons, and there are no rules. Let’s join forces to kill him to prevent him from stealing things from us.” Liu Xueyi’s words made the

demon cultivator suddenly excited!

Just now, he just had no choice but to hand over his things to save his life. Now that he has help, of course he is no longer afraid of David.

“Okay, let’s do it together and kill this human monk.”

The demon cultivator nodded!

Liu Xueyi looked at David excitedly, with a sneer in his eyes, “Boy, aren’t you crazy? I know you are very strong, but if you meet a few of us, you will only die.” “You dare to follow me

. If you go against me, I will let you know the consequences.”

David looked at Liu Xueyi with a bit of solemnity in his eyes. He was facing five demon cultivators, and it was very difficult to win!

But now it’s impossible to escape unscathed!

If David had a few helpers around him at this time, he might still have some hope of winning!

Seeing David’s ugly face, Liu Xueyi’s smile became even brighter. He enjoyed this feeling of hunting!

At this moment, David has become his prey, and there is no way to escape!

The more this happens, the less anxious Liu Xueyi is to kill David!

The magic whip in David’s hand was buzzing and trembling as if he was a little hungry and wanted to fight with these demon cultivators!

David, on the other hand, is clinging to the magic whip. Even though he has the magic whip in his hand, David’s winning rate is not very high!

“Mr. Chen, don’t be afraid, you have forgotten that you still have treasures.”

At this time, Zhe Yan’s voice sounded in David’s mind!

“Treasure?” David was stunned. He didn’t know what other treasures he had!

“You still have golden silkworm poison. Look at these golden silkworm poisons. They are all deadly weapons...”

Zhe Yan said!

When David heard this, he remembered it, so his consciousness entered the sea of consciousness and discovered that ZheThere were more than a dozen golden silkworm poison in front of Yan!

All of them were squirming and eating very fat!

Especially the Golden Silkworm Gu Poison King Insect, its body has become very big!

“Does this thing grow too fast?”

David was a little surprised. When he got the golden silkworm poison, it was just a small larva, but now it has grown bigger!

“Mr. Chen, it’s not because your essence and blood are different from ordinary people. This golden silkworm poison absorbs your blood and grows very fast.”

Zhe Yan replied!

David looked at those golden silkworm poisons and was filled with ecstasy. Now he had an idea!

After these golden silkworm poisons leave the body, they will disappear in the void, making it impossible for people to detect them!

In this case, David can kill people invisible!

At this moment, David felt confident, and with the magic whip in his hand, these demon cultivators would be in trouble!

Seeing that David’s face was ugly just now, but suddenly he was smiling, Liu Xueyi was a little confused and said, “Why are you laughing?” “

I’m laughing at you, and I’m going to die soon, but I don’t know it...”

David Said lightly!

“Boy, are you scared out of your mind? In this situation, who is going to die soon, can’t you see?” “

And this is a battlefield between gods and demons, no one can come in to save you!”

Liu Xueyi sneered!

“Don’t talk nonsense to him. He’s just a new cultivator in the Tribulation Realm. Kill him quickly. We have to hurry up and find the treasure.”

A demonic cultivator said impatiently!

Liu Xueyi nodded, and soon five auras enveloped David!

David had a calm look on his face, and the two golden silkworm poisons had quietly left David’s body and headed towards the impatient demon cultivator!

The golden silkworm poison was hidden in the void, but none of the demon cultivators noticed it!

Chapter 3373

“Since you are impatient, let you die first...”

David looked at the impatient demon cultivator and said!

“Damn it, you are so awesome. Now I...”

The impatient demon cultivator didn’t believe that David could kill him, but before he could finish his words, he suddenly stopped!

Then a painful and ferocious expression appeared on his face, and he held his head tightly with both hands!

“Ah...”

“My head hurts so much, my consciousness seems to be being swallowed...”

impatient demon cultivator screamed, and then fell to the ground!

At this time, the other four demon cultivators were startled and looked at the demon cultivator who fell to the ground in disbelief!

Soon, the demon cultivator’s struggle became slower and slower, his eyes began to become hollow, and finally he turned into a walking corpse!

All the divine consciousness in the sea of consciousness has been swallowed up by the golden silkworm poison.

“This... this...”

Several demon cultivators were frightened and looked at David in disbelief as they backed away!

They didn’t understand how David did it. After all, they surrounded David and never saw David do it!

“Boy, you actually poisoned me. It’s so abominable.”

Liu Xueyi looked at the demon cultivator at the end and knew that David must have quietly poisoned the other party’s consciousness, unknowingly poisoning the other party. Got it!

Upon hearing the poison, the expressions of the other three demon cultivators changed and they took a few steps back again!

“This matter has nothing to do with me. I gave everything to you. We don’t mess with the river...” The

demon cultivator who was injured by David at first flinched. After David finished speaking, he turned around and ran away!

He followed David without any grievances, and there was no need to risk his life!

Upon seeing this, the other two demon cultivators looked at each other and then turned around and ran away!

This time, only Liu Xueyi himself was left!

Liu Xueyi was stupid!

Originally he had a chance to win, but now they have all run away, leaving him alone!

“Damn, a bunch of ruthless guys...”

Liu Xueyi could only curse, but it was useless!

David looked at Liu Xueyi with a sneer, with a playful look in his eyes!

Liu Xueyi was so depressed that he almost vomited blood. He originally thought that by contacting the urgent demon cultivator, David could be put to death!

Now it has become like this. If he knew, he would have gone to find Qi Peijia!

Entering the battlefield of gods and demons, the two of them did not end up in the same place. Liu Xueyi couldn't wait any longer, so he contacted several demon cultivators along the way!

Now everyone is running for his own life, who cares about him!

Looking at David's eyes, Liu Xueyi could only grin and said, “David, you and I don't have any deep hatred. There is no need to fight to the death.” “

Besides, our Blood Spirit Peak and Blood Spirit Valley are in the same lineage. You and Blood Spirit Valley are in the same lineage.” You can't kill me even if you don't have any relationship with me!”

Liu Xueyi was frightened!

“The two of us really don't have any deep hatred. I have no prejudice against you demon cultivators. It's just that I won't kill you, but you just wanted my life?” David said with a faint smile

!

Liu Xueyi's face turned red when he said this, and he didn't know how to refute!

David took the magic whip and whipped it in the void, and there was a snapping sound instantly!

This sound alone made Liu Xueyi's mind go into chaos!

Liu Xueyi knew that David was determined to kill him, so he turned around and ran away, no longer begging for mercy!

When David saw this, he threw out the magic whip in his hand!

Bang bang bang!

The heavy shadow of the magic whip hit Liu Xueyi's back several times, causing Liu Xueyi to vomit blood and stagger forward!

"Damn, a little first-level Tribulation Realm, who has always been very strong, actually has a magic weapon in his hand, what the hell."

Liu Xueyi cursed angrily and ran away desperately!

But David was chasing after him, which made Liu Xueyi anxious!
