Chapter 3392

David took Luo Xi to a secluded place, drew a magic circle, and began to recover quickly!

David took out all the resources in the storage ring regardless of the cost!

All kinds of immortal grass and spiritual stones were quickly absorbed by the crazy absorption of the Heart Condensation Art!

But for David, although he has the fairy grass spirit stone, it will probably take some time to recover as before! **M.VODTW.□AIf**

you have enough fairy energy at this time, you can recover quickly, but where can you find such rich fairy energy now!

David thought, and his eyes couldn't help but focus on the spirit beast egg!

This spirit beast egg has absorbed thousands of years of immortal energy. If you eat this spirit beast egg, you will definitely recover immediately!

David stared at the spirit beast egg in a daze, wondering if he should eat the spirit beast egg!

In this battlefield between gods and demons, dangers are everywhere. If David cannot recover as soon as possible, or if he is targeted by someone, he will be in trouble!

Just when David was staring at the spirit beast egg in trance, the spirit beast egg may have felt the danger, and it shook slightly, and then a large amount of fairy energy came out from the spirit beast egg!

David was stunned and suddenly laughed. He didn't expect that although the spirit beast egg had not yet hatched, it was conscious and could even guess his own thoughts!

At this time, David wanted to know what kind of little guy was in this spirit beast egg!

The spirit beast egg was filled with fairy energy, and David was absorbing it crazily, and the various powers in his body were also recovering quickly!

But just as David was recovering quickly, a terrifying aura suddenly came from far away. David knew that a master was coming!

Before David could react, the other party was already approaching!

It turned out to be Qi Peijia, and the person following Qi Peijia was Liu Xueyi!

Seeing David and Luo Xi, Liu Xueyi's eyes were full of fierceness!

“Good boy, I finally found you. Today I have to cut you into pieces and torture this little girl Luo Xi to death...”

Liu Xueyi said through gritted teeth!

You must know that the practice after the Tribulation Realm is very difficult. Now that Liu Xueyi has used the Blood Escape Technique, his level has dropped directly to the third level of the Tribulation Realm. It will be difficult to move up in the future.

That's why this guy is so resentful towards David and Luo Xi.

Qi Peijia did not speak, but stared closely at the magic circle set up by David!

“A mere first-level cultivator in the Tribulation Realm has actually deployed such a perfect formation. It seems that you are really special.”

Qi Peijia's eyes narrowed slightly and he said!

“Young Master Qi, stop talking nonsense with them and kill David directly. When we leave the battlefield of gods and demons, I, the Blood Spirit Summit, will help Young Master Qi and massacre the entire Blood Spirit Valley.” Liu Xueyi couldn't wait any longer

. Got it!

He wanted to see David's tragic death as soon as possible. Another reason was that he wanted to catch Luo Xi as soon as possible and enjoy it!

He has liked Luo Xi for many years, but Luo Xi has always liked Jin Dong, and Liu Xueyi has never had a chance!

Now that Jin Dong is not in the battlefield of gods and demons, and no one in the Blood Spirit Valley is here, he can do whatever he wants!

Thinking that he would be able to hold Luo Xi under him for a while, Liu Xueyi's mouth started to cry!

Seeing Liu Xueyi's disgusting look, Luo Xi wanted to stab him to death with a sword!

Qi Peijia glanced at Liu Xueyi coldly, "Are you ordering me?"

Qi Peijia's eyes flashed coldly, and Liu Xueyi trembled with fright!

"No, no, no, I don't dare..."

Liu Xueyi shook his head quickly and stood aside like a pug and stopped talking!

Qi Peijia once again set his sights on David, with a cold smile on his lips!
