Chapter 3397

Ning Zhi's brows furrowed slightly, but he didn't make a move. Instead, he let David's consciousness explore his body!

Ning Zhi knew that everything about him had changed now. Except for the existence of his own soul, David could not detect anything!

What he needs now is to be patient. At this moment, he is in a dominant position. After all, David can't recognize him at all, and he can pay attention to David at any time!

Although it was the best time to kill David in this battlefield of gods and demons, Ning Zhi was a little afraid to do it!

Let's not talk about whether Ning Caichen will stop him or not. Let's look at David's performance when he was in Xuanyin Sect. Ning Zhi also wants to see David's true strength. To make sure nothing goes wrong, take action!

What's more, Ning Zhi's body has not fully recovered yet. He is possessed by a corpse that has been dead for hundreds of thousands of years. It will take a long time to fully recover!

After David used his spiritual consciousness to explore Ning Zhi, he had more doubts in his heart!

He could be sure that the old man in front of him did have an aura that was very similar to Ning Zhi, and could even be said to be the same person.

After all, in the secular world, Ning Zhi was David's stalking opponent. This guy went through all kinds of hardships in order to defeat David, and Ning Zhi was also very talented!

But if this person is David, it is impossible regardless of his age or appearance. Besides, Ning Caichen also said that this is the ancestor of their Ning family!

Moreover, when they were in the secular world, everyone saw that Ning Zhi was already dead. It was impossible for him to come back to life, let alone appear in the world of gods and humans!

Just when David was deep in thought, his body suddenly shook slightly, and then his expression became serious!

Because he felt it, Qi Peijia actually came after him!

“Damn, it’s

so haunting. How did he find this place?” David cursed in confusion, and then said to Ning Caichen, “Master Ning, I have to say goodbye. I still have something to do...”

David After that, he left quickly!

Looking at David’s smart look, Ning Caichen felt very strange!

Before Ning Caichen could say anything, Well, I saw a black shadow disappearing in a flash, and behind the black shadow, there were more than a dozen demon cultivators following!

These people passed by the Ning family without even looking at them!

Obviously, these people are going for David!

At this moment, Ning Caichen knew that what David said was true. If David teamed up with them, they would probably be targeted by others now!

“Come on, let’s go take a look...”

Ning Zhi couldn’t help but become interested when he saw David being chased around!

He really wants to know how abnormal David’s strength has become. Just looking at David’s realm, his true strength can no longer be seen!

“Ancestor, do we want to help Mr. Chen?”

Ning Caichen asked!

He thought Ning Zhi went to take a look to help David!

“I’m just watching the excitement, do you understand?”

Ning Zhi glared at Ning Caichen, and then chased in the direction where David escaped!

When Ning Caichen saw this, he also chased after him!

At this moment, David, who was escaping, could already feel the dangerous aura getting closer and closer!

“That’s so damn weird. How did this guy find out where I am?”

David was very puzzled. How did Qi Peijia know his location!

He can be found accurately every time, which gives David a headache!

“Mr. Chen, this Qi Peijia may have the Heavenly Eyes. Among our demon clan, it is said that a powerful demon cultivator in ancient times developed the Heavenly Eyes. This Heavenly Eyes is like a clairvoyant and can see through everything.”

” And it can also look back on what happened not long ago. The higher the skill, the more powerful the Tianming Eye. Later, because the demon cultivator was able to use the Tianming Eye to spy on the secrets of the sky, he was suppressed and the Tianming Eye was lost.”

” After Qi Peijia fell into the Demon-Swallowing Cave, his strength suddenly increased by leaps and bounds. He must have had an adventure. Maybe he learned the Tianming Eye so that he could accurately know the location of Mr. Chen.” In his mind, Zhe Yan followed David and

Chapter 3398

“Tian Mingyan?” David suddenly felt dizzy!

This guy is already difficult to deal with, but now that he has the Celestial Eye, it becomes even more difficult to deal with!

David was thinking, but he didn't dare to relax his feet at all. He even used the Wind Step to make it smoke, but the dangerous aura behind him was getting closer and closer!

Brush...

Suddenly, David felt a strong wind coming from behind him. David didn't dare to look back. He threw forward and rolled with the force, avoiding the blow!

David stood up and saw Qi Peijia already in front of him, with a disdainful sneer on his face!

"Boy, I told you, you can't escape from my grasp, so you don't have to run away, just accept your death..." Qi Peijia

said coldly!

"Suffer your mother's death..."

David held the dragon-slaying sword in his hand, and his eyes became extremely sharp. Even if he knew he was outmatched, David would not be able to catch him without mercy. This is not his character!

I saw David's indestructible golden body covering his whole body, and the dragon crystal on his chest was shining with light!

"Nine Shadows Sword Technique..."

David shouted loudly, and figures appeared one after another in an instant!

In the end, six figures surrounded Qi Peijia!

Six identical Chen Pings, each with exactly the same aura!

Qi Peijia looked at David who suddenly turned into several people, but he didn't even panic at all!

"Hmph, it's just an illusion, but you still want to master it?"

Qi Peijia thought David was performing an illusion!

"Cut..."

David ignored him. Since Qi Peijia regarded the Nine Shadows Sword Technique as an illusion, David could take advantage of his carelessness and take action!

David shouted low, and a series of buzzing sounds sounded. Six identical Chen Pings instantly slashed out a sword light!

But these six sword rays trembled slightly, and then began to split, and soon turned into thousands of sword rays, throwing Qi Peijia away. Surrounded by groups, they all attacked Qi Peijia!

Feeling the danger coming from all directions, Qi Peijia frowned slightly.

“It’s not an illusion?”

Qi Peijia felt it. David looked like he really existed in every direction!

Even though these sword lights are exactly the same, there is nothing illusory!

Qi Peijia’s pupils kept shrinking, and his whole person was enveloped by thousands of sword lights!

“Even if you can really clone yourself, you still can’t kill me...”

Qi Peijia roared, and a black mist suddenly erupted from his body. This black mist wrapped Qi Peijia’s body tightly!

“Black magic armor...”

Along with Qi Peijia’s roar, the black mist wrapping Qi Peijia’s body began to solidify quickly, and finally turned into a pair of armor, which was worn perfectly on his body!

The black armor has no light at all. At first glance, it looks like a bottomless abyss!

At this moment, David is wearing a golden indestructible body, while Qi Peijia is wearing black magic armor. Both of them are like warriors, representing their respective sides!

Liu Xueyi followed a kind of demon cultivator to catch up. When they saw the scene in front of them, they were stunned!

What they saw was six golden Chen Pings, surrounding Qi Peijia, who was wearing black armor!

Countless sword lights were heading towards Qi Peijia!

“What...what is going on? Why are there six people? Are they sextuplets?” “

Shit, didn't you see they are all exactly the same people? They must all be phantoms and fake.” “

No, no. It seems fake, each one of them has an aura, the same aura.”

Many demon cultivators were talking about it!

Liu Xueyi's face turned pale. He really didn't expect that David had so many methods!

At that time, he was tricked by David and thought he was careless. But now it seems that he is simply not strong enough and can't beat David!
