Chapter 3401

When Qi Peijia saw this, he quickly retreated, but the magic whip seemed to have eyes and kept chasing Qi Peijia!

Qi Peijia grabbed a demon cultivator and threw it out suddenly!

The two demon cultivators shouted and bumped directly into the demonic whip!

Bang!

Before the two demon cultivators could react, it exploded in mid-air, and the blood all over the sky turned into a ball of red blood mist!

Drawing the demonic whip and being surrounded by the blood of the demonic cultivator, the aura that suppressed the demonic cultivator was actually isolated!

“The devil is coming...”

Qi Peijia roared, spitting out a ball of black blood!

This mass of black blood mixed with the blood mist in the sky and began to expand rapidly!

As the black blood continued to twist, it seemed to come to life and turned into a humanoid monster with a ferocious face!

As soon as the humanoid monster appeared, he roared and reached out to grab David’s magic whip!

The aura on the magic whip couldn’t restrain the demon that appeared!

This demon is an illusion. David’s demonic whip cannot attack the demon’s consciousness. After all, this guy has no consciousness!

The devil waved lightly, and David whipped out the magic whip and was thrown away, and then hit the ground heavily!

As soon as David got up, the demon rushed over again and slapped David with his palm!

David swung the magic whip. This time, the magic whip was filled with fire, and the fierce flames were burning!

He whipped the devil's wrist hard with the magic whip, and the fire instantly surrounded the devil!

Seeing this, Qi Peijia sneered, "Demon Zhihuo, do you think you can hurt my demon with this thing?"

Sure enough, after Qi Peijia finished speaking, the demon was covered in flames, and he still slapped it down with his palm!

David's body retreated quickly, and then he rolled to avoid the blow, looking very embarrassed!

Qi Peijia waved his hand, and the demon instantly turned into a pool of black blood and disappeared!

"Boy, I'm getting more and more curious about you. I didn't expect you to have so many treasures on your body. What other treasures are there? Let's take them out together and let me see them..." Qi Peijia was so playful that he didn't want to kill him right away

. Die David!

He wanted to see what treasures David had yet to use.

David stood up slowly, put away the magic whip, and looked at the Qi armor with cold eyes!

"It seems that I need to let you really see my strength."

David's expression was as cold as ice, and he seemed to be making some kind of decision in his heart!

"Hahaha, hurry up and use it, I really want to see your true strength."

Qi Peijia laughed wildly!

But soon, Qi Peijia's smile solidified on his face!

Because he felt an extremely dangerous aura, and then he saw that David had a bow in his hand at some point!

"This...is this the God King's Bow?"

Feeling the terrifying aura, Qi Peijia finally had a look of fear on his face!

David didn't say anything. He was forced to reveal the Divine King Bow. After all, if such a thing were revealed, David would definitely become the enemy of the entire heaven and human world!

Everyone wants to get the God King's Bow, so David has to be wary of everyone at all times!

Fortunately, this is a battlefield between gods and demons. As long as he kills everyone in front of him, the secret of his God King's Bow will not be revealed!

At this moment, David's eyes were full of murderous intent!

"God King's Bow? Oh my god, how can he have a God King's Bow?" "

This aura is too scary. Who is he and why does he have a God King's Bow?" "

What kind of realm is this guy? Absolutely It can't be the first level of Tribulation Realm."

Everyone was shocked when they saw the God King's Bow!

Even Ning Caichen, who was hiding not far away, opened his eyes wide and trembled slightly when he saw the God King Bow that David suddenly took out. "God King Gong, I actually saw the God King Bow?"
