### **Chapter 3411**

Bai Qian looked at David and smiled faintly, “What? Are you so interested in that little witch? Do you like her...” “

No!” David shook his head!

“For the sake of you finding out, I can give the little witch a few pills, but you have to give me something in exchange...”

Bai Qian said with a smile!

“What can I exchange for?” David didn’t know what Bai Qian wanted!

“What do you think?” Bai Qian stepped forward and gently touched David’s face!

David understood instantly and could only say helplessly, “Change one pill at a time. You give Miss Luo two pills first, and I’ll add two more...” “

Giggle...” Bai Qian laughed, “It seems you are a lot more sensible. , then I will give her two...”

Bai Qian said, throwing two fruits directly to Luo Xi!

Luo Xi was very happy when she held the Qingling Fruit, but she didn’t know that David had exchanged his own body for these two Qingling Fruits!

“Let’s go quickly. The formation here has been broken, and it was even more glorious just now. I believe someone has noticed it!”

Bai Qian said!

But David did not leave immediately. Instead, he stepped forward and gently stroked the tall tree that looked a little dry!

Waves of immortal energy entered David’s body through the thick tree trunk!

Although this towering tree looks withered, the fairy spirit inside is very strong!

As the saying goes, a skinny camel is bigger than a horse!

“If you don’t leave yet, what are you doing?”

Bai Qian saw that David hugged the tree and refused to leave!

“There is fairy energy in this big tree, I want to absorb some fairy energy...”

David said!

“There are so many treasures in this battlefield of gods and demons. Such a little fairy energy makes you greedy. Do you have any future?”

Bai Qian looked at David helplessly!

“You can’t just let the donkey do the grinding and not let it eat grass, right? I’m so tired every day. How can I bear it if I don’t absorb some immortal energy?”

David was very worried. Said dissatisfiedly!

Seeing this, Bai Qian rolled her eyes and said, “You can eat whatever you want. We will rest here today...”

After saying that, Bai Qian lightly swiped her finger towards the towering tree, and the tree trunk was covered with Paddling through a tree hole!

People can rest well inside, and they can also absorb the fairy energy in the tree!

Bai Qian entered the tree hole and called David in too!

Luo Xi went to the side, slowly tasted the Qingling Fruit, and then felt the energy of heaven and earth, the original power!

If you can open the original space and realize the power of the original source, that would be great!

Luo Xi didn’t notice that there were already bursts of gasping sounds in the tree cave!

It took two hours for the sound to disappear!

After David had taken good care of Bai Qian, he began to run the Heart Condensation Technique desperately, absorbing the immortal energy in the tree trunk as quickly as possible!

Before you know it, one night has passed!

This night, David was tortured three times!

Fortunately, he had the immortal energy to supplement it, otherwise David would really be a bit overwhelmed!

However, Bai Qian became more and more hydrated and charming, and the blood in her body began to become stronger!

“Ah...”

Suddenly, Luo Xi screamed!

When David saw this, he rushed out in a hurry. He saw Luo Xi yelling at this moment, with excitement on his face!

“Miss Luo, what’s wrong with you?” David asked in confusion!

“Mr. Chen, I...I opened the origin space and realized the origin...”

Luo Xi said happily!

“Really? What origin are you comprehending?”

David was also very excited. He didn’t expect Luo Xi to use only two Qingling Fruits to open the origin space and comprehend the power of the origin!

“What I understand should be the origin of blood...”

Luo Xi said, gently touching the void with one hand, and the entire void seemed to ripple, starting to stir around!

## **Chapter 3412**

When these circles of ripples passed through David's body, David's body suddenly shook unconsciously!

Then a dragon roar came from nowhere, and David felt the blood in his body begin to boil!

"What...what's going on?"

David's face was full of surprise!

"Mr. Chen, I just realized the origin of blood. I haven't mastered it very well yet, but I can detect your dragon bloodline."

Luo Xizheng said, and Bai Qian also walked over!

Seeing Bai Qian coming over, Luo Xi tapped the void with her finger again, and the ripples started again. When they passed through Bai Qian's body, Bai Qian's body was startled, and a fox demon figure instantly appeared above his head!

It's just that the figure of this fox demon is not very clear, only a vague outline can be seen!

"Hey, how come her bloodline is somewhat similar to Mr. Chen's?"

Luo Xi said with shock on his face!

When David heard this, he suddenly panicked and changed the subject and said, "Miss Luo, as the origin of blood, can you only check other people's bloodlines?" "I don't know either.

I only know this purpose for the time being..." Luo Xi said with some embarrassment.

She has just realized the origin of blood and hasn't fully grasped it yet, so she doesn't understand it very well!

But Bai Qian said, "Of course, this blood source can not only check other people's bloodlines, but also improve other people's bloodlines. If you practice this blood source to the extreme, you can upgrade your bloodline to the highest level." "Every

time Everyone has blood, no matter what ethnic group they belong to. Of course, the same blood also has strengths and weaknesses. Even if you are of dragon blood, it is impossible for every dragon blood to be as powerful as you.” “And people with the origin of

blood , you can use the origin of blood to forcibly improve those with weaker bloodlines, instead of relying on bloodline fusion.” “If you know that

this little witch can understand the origin of blood, why should I let you take advantage of me and fuse with you! “

When David heard this, his face was filled with embarrassment, but he did not refute!

She was obviously the victim, but now Bai Qian actually said that she was like a victim!

Luo Xi was stunned when he heard Bai Qian’s words, and then looked at David in disbelief!

She finally understood why some of Bai Qian’s bloodline resembled David’s!

It turns out that the two of them have been doing this for a long time!

The fusion of the bloodlines allowed Bai Qian’s bloodline to contain part of David’s bloodline, which strengthened Bai Qian’s bloodline!

Feeling Luo Xi’s eyes, David quickly explained awkwardly, “Miss Luo, don’t get me wrong, some things are not what you think...” “Mr.

Chen, you don’t need to explain, everyone has his own choice. Your choice is not wrong!” Luo Xi said with a slight smile!

“Okay, let’s go...”

Bai Qian urged!

But as soon as Bai Qian finished speaking, he felt someone approaching here quickly, and there were quite a few of them!

“Someone is coming. You two go first. I’ll go take a look...”

Bai Qian asked David to follow Luo Xi and she went to stop him for a while!

After all, Luo Xi followed David. In Bai Qian's eyes, they were just young monks of the first and second levels of transcending tribulation, and they couldn't resist a fight at all!

If someone really comes, the two of them will not only be unable to help, but they will also have to devote their energy to protecting them.

After saying that, Bai Qian jumped up and rushed forward!

At this time, just a few miles away from David and the others, five or six people were running rapidly in this direction!

These people are all injured and exhausted!

If David saw these people, he would definitely be shocked!

Because these people are Mr. Miao and Cai Hongwei!

"Boss Cai, if we run like this, no one will be able to escape. You go, I will stay and hold them back."

"You must find Mr. Chen and rescue my granddaughter!"

Mr. Miao said to Cai Hongwei. !

"Miao Miao, hold on, I feel the master is in front. All we need to do is find him."

Huofeng comforted Miao Miao!

"Okay!" Mr. Miao nodded and started running again!

And behind them, there were more than a dozen monks wearing the same clothes, chasing them!

"Stop, who are you?"

At this moment, Bai Qian suddenly appeared and stopped Mr. Miao and others!

When several people saw someone blocking them in front of them, they all stopped one by one. When they saw Bai Qian exuding the seventh-level cultivation of the Tribulation Realm, everyone's expressions became very ugly! After

all, the strongest among them is only Miao Lao, who is at the sixth level of Tribulation Realm. He is still injured. If they join forces, they may not be able to defeat the person in front of them!

"Fellow Taoist, for some reason, you want to stop us?"

Cai Hongwei stepped forward and asked Bai Qian very politely!

Bai Qian glanced at a few people and found that they were all covered in scars and were not very strong. They were not a threat, so she relaxed her vigilance!

"The front is my territory, you are not allowed to go forward."

Bai Qian said coldly!

"Fellow Taoist, we are being hunted and need to escape. No matter what is in front of us, we will never have the slightest idea, let alone follow fellow Taoist to rob it." Cai Hongwei said in a low voice

!

"No, leave here immediately, otherwise don't blame me for being rude to you!"

Bai Qian didn't buy it at all!

This time, Cai Hongwei was a little embarrassed!

"How can you be so domineering? We..."

Ji Yun suddenly became angry when he saw Bai Qian being so domineering!

But before she finished speaking, Bai Qian waved her hand and knocked Ji Yun away!

But Bai Qian didn't want to kill anyone, so Ji Yun's life was not in danger!

It was Bai Qian's move that made Huofeng's eyes suddenly startled. "Fox Princess?" Huofeng

called out to Bai Qian. Bai Qian looked at Huofeng with a puzzled look on his face, frowned slightly and said, "Who are you?" ? How do you know me?"

"I am Huo Feng, Huo Feng..."

After Huo Feng said that, flames instantly rose from his body, and a phoenix cry resounded through the void!

When Bai Qian saw this, her face was full of surprise, and she said in disbelief, "Fire Phoenix? You...how did you become like this?" "

Hey, it's a long story. I didn't expect that your strength would improve so quickly after not seeing each other for so many years. , I remember many years ago, among the Three Sovereigns and Four Kings, you were the lowest in strength."

Huofeng sighed!

"It's all thanks to your help. If you hadn't protected me back then and given me a lot of resources, I might still be struggling and suffering humiliation now."

Bai Qian also looked solemn when she recalled the past!

Hearing what Bai Qian said, Huofeng looked even more lonely and said, "You three emperors and four kings were nothing in front of me back then, but now you can kill me instantly." Everyone was relieved when they saw Huofeng following each other and getting to know each other

. Tone!

Otherwise, they would not be able to rush past a seventh-level cultivator in the Tribulation Realm, let alone someone chasing him behind him!

"Let me see where you guys are running, why don't you surrender and be captured?"

At this time, the dozen or so people chasing behind were already in front of us!

One of the bald men with a tattoo on his left arm snorted and said!

Seeing these people chasing after them, Mr. Miao and others all turned very ugly!

Huofeng also frowned and looked solemn!

“What’s going on?” Bai Qian asked!

“These are guys from the Yupu Sect. A group of us found a fairy mine, but we didn’t expect to be targeted by these guys from the Yupu Sect.” “In the end, they had a large number of people, and with their strong strength, they not only

killed He killed several people and chased us here.”

Huo Feng said!

## **Chapter 3414**

“Yupu Sect?” Bai Qian was stunned. “Is that the sect that specializes in harvesting yin and replenishing yang? A bunch of perverts?” “Yes

, that’s them...” Huofeng nodded and said!

“I’ll deal with these guys...”

Bai Qian said and walked forward!

When the bald man saw this, he couldn’t help but smile, “I didn’t expect another little girl to appear. Now the brothers have some fun. The two little girls we just caught were not enough...” The bald man’s words made Mr. Miao

and Cai Hongwei’s body trembled!

Because the two little girls they caught were Miao Miao and Cai Qiannan. These guys from the Yupu Sect are famous for the fact that any female cultivator who falls into their hands will be squeezed dry in the end!

Hearing the bald man's words, Bai Qian's eyes narrowed slightly for a moment, "You're looking for fucking death..."

Bai Qian's body erupted with the aura of the seventh level of the Tribulation Realm, with a strong smell of blood!

Feeling Bai Qian's aura, those in the Yupu Sect were stunned!

"I didn't expect it to be the Fox Princess. I offended you so much just now. I hope you won't be offended. Our Yupu Clan has never had any holidays following your Beast Clan." "Today, I hope the

Fox Princess will leave us alone . It's a matter of time."

Baldhead quickly followed Bai Qian to apologize!

"What if I have to take care of it?" Bai Qian asked!

The bald man frowned and said, "If you must take care of it, then don't blame us for being rude. Although you are at the seventh level of Tribulation Realm, there are many of us, so it's not certain who will win and who will lose..." After that

, The realm of the sixth level of the Bald Tribulation Realm also broke out!

Everyone else in the Yupu Sect also put on their posture, these guys are also quite powerful!

Although their Yupu Sect is not a demon cultivator, they still rely on crooked ways to practice, so their strength increases faster than ordinary cultivators!

Bai Qian's face became a little ugly. Now she was fighting against these people from the Yupu Sect alone. She was definitely no match. But if Huofeng and the others could help, these people were also very weak and injured!

For a moment, Bai Qian also became in a dilemma!

"Fox Princess, I'll give you another chance. I hope you won't mind your own business..."

The bald man said coldly!

“What if she has to take care of it?” At this time, a voice came from not far away!

Hearing this voice, Mr. Miao and Huo Feng were all overjoyed!

I saw David and Luo Xi walking slowly!

“Mr. Chen...”

Seeing David, Mr. Miao and Cai Hongwei both stepped forward and knelt down excitedly!

“Miao Miao, Boss Cai, what are you doing?”

David hurriedly helped the two people up!

“Mr. Chen, please save Miao Miao and Qiannan. They were arrested by people from Yupumen. If no one saves them, they will be ruined.” Mr. Miao and Boss Cai cried

. On!

“What?” David’s eyes turned cold, and then he looked at the remaining people, all of them were injured!

“Mr. Chen...” Ji Yun stepped forward and shouted excitedly!

“Master...” Huofeng’s eyes were also full of tears!

“What on earth is going on? Where are the others?”

David asked Huofeng!

Huofeng briefly told what happened. After hearing this, David suddenly burst out with terrifying murderous intent!

Bai Qian was also surprised when she saw that all these people knew David, and that Huo Feng followed David to call his master!

You must know that David is just a young monk in the first level of the Tribulation Realm, but everyone else is stronger than him!

Among them were sixth-grade monks in the Tribulation Realm, but all of them were extremely respectful to David!

This is somewhat unreasonable!

“Huo Feng, you just called him master, what’s going on?”

Bai Qian asked Huo Feng!

“This is my master. Do you know my master too?”

Huo Feng asked!

Bai Qian glanced at David, then nodded, “We know each other...”

## **Chapter 3415**

David glanced at the people from the Yupu Sect, and then said to Bai Qian, “Help me, kill all these people...” “

I’m afraid it’s a bit difficult for me...”

Bai Qian said truthfully!

“It won’t be difficult if you count me in...”

David said with a cold expression! *M.VODTW.a*

Bai Qian looked at David’s expression. She had never seen David with such an expression before!

“You?” Bai Qian looked at David. “What can you do?”

David didn’t speak, but slowly took out the Dragon Slaying Sword!

The indestructible golden body kept flickering and quickly covered David’s whole body!

Although David only has the strength of the first level of the Tribulation Realm, the aura that bursts out at this moment is terrifying!

Bai Qian's eyes widened and she looked at David in surprise!

David, on the other hand, pointed his sword at the Yupu Sect and said, "You hurt the people around me, so you deserve to die..." The

bald man was also shocked by David's momentum, but he quickly reacted and snorted coldly. "Boy, what are you pretending to be? You are not a first-level monk in the Tribulation Realm, how dare you say such big words?" " "

Really?"

David's eyes narrowed slightly, and his eyes were filled with murderous intent!

These guys hurt Ji Yun and Huo Feng, David will never hold back!

The power of the divine dragon was continuously injected into the Dragon-Slaying Sword, and streaks of golden light flashed up!

Immediately afterwards, David slashed out with one sword!

Boom...

This sword was slashed out, and a burst of dragon roars instantly sounded. Along with a sword light rising into the sky, a golden dragon visible to the naked eye let out bursts of roars!

Looking at the roaring golden dragon, the people in Yupumen were a little stupid!

Roar...

The golden dragon descended from the sky and turned into countless sword lights again!

"Hurry..."

When the bald man saw this, he punched out with all his strength, creating a barrier, and at the same time shouted and started to retreat!

It's a pity that Baldhead reminded him too late!

None of themHe didn't take David, a first-level monk in the Tribulation Realm, seriously!

Puff puff puff...

Countless sword rays shot out, and the three third-level disciples of the Yupu Sect in the Tribulation Realm were instantly chopped into pieces by the sword rays and turned directly into a pile of flesh!

There are also several fourth-level disciples in the Tribulation Realm who are missing arms and legs and are obviously seriously injured!

Looking at the situation of his men, the bald man felt a little stupid!

Is this a sword struck by a first-level monk in the Tribulation Realm?

This fucking power is too amazing!

The bald man frowned, and there was a bit of panic in his eyes!

At this time, he was also shocked and his eyes widened!

She never expected that David could be so powerful.

The third-level and fourth-level monks in the Tribulation Realm are like ants in front of David!

This is a bit outrageous!

"I didn't expect you to be so good, no wonder you can do it several times a day..."

Bai Qian looked at David with ambiguous eyes and said!

If Bai Qian was with David before, it was just to take advantage of David's dragon bloodline!

At that moment, Bai Qian looked at David with a little more love!

When David heard Bai Qian's words, he suddenly looked embarrassed and said, "You go deal with the bald guy, and leave the rest to me..." "

Okay, I'll listen to you..."

Bai Qian finished speaking, and then looked at the bald guy. !

At this time, the bald man was a little panicked and hurriedly threatened, “Fox Princess, we are from the Yupu Sect. If you kill me, our sect leader will not let you go.” “And you also know that we are from the Yupu Sect

. You’ll have a better time when the time comes...”

“Bah, I despise you people from the Yupu Sect the most. You only know how to bully women. What kind of fucking men are you?” After

Bai Qian finished speaking, she rushed towards the bald head!

Bai Qian was very fast. He didn’t burst out with any momentum at all, nor did he use any spiritual power or magic. He just charged forward normally!

But even so, there were several afterimages left behind Bai Qian, which shows how fast Bai Qian was!
