Chapter 3424

But after the token touched the sword light, it instantly turned into pieces!

But the sword light that David slashed did not pause at all, and slashed directly at Hai Ande!

But this sword was aimed at Hai Ande's legs!

Poof...

The sword light slashed through, and Hai Ande's legs were cut off!

Hai Ande, who was originally over 1.8 meters tall, suddenly became only 1 meter tall!

David slowly walked towards Hai Ande. Hai Ande's eyes were full of fear, but there was no way to escape!

David walked up to Hai Ande, but instead of killing him, he walked straight over and put all the mined fairy ores into the storage ring!

These fairy mines were mined hard by Yunvmen and Yupumen. David cannot waste them!

The reason why he didn't kill Hai Ande was because he wanted to bring Hai Ande to Miao Miao and Cai Qiannan!

He wants two girls to kill this beast with their own hands!

Perhaps only in this way can the two girls find some comfort in their hearts!

Just when David put away the fairy mine and was about to take Hai Ande away, suddenly five terrifying auras came from far away and approached!

David frowned and became nervous!

But when he saw the person coming, he breathed a sigh of relief!

It turns out that Bai Qian came with reinforcements!

When Bai Qian looked at the embarrassed Hai Ande and the dead people outside the cave, he was stunned!

And several other people also had shocked expressions on their faces!

“David, this...is this all your doing? Did you solve it yourself?”

Bai Qian asked in surprise!

Bai Qian knew that even she would not be able to destroy the Yunu Sect and Yupu Sect by herself!

She didn't know how David did it!

David didn't speak, just nodded, then picked up the Hai Ande and left!

Several other people looked at David in shock. They didn't understand that David was a first-level family in the Tribulation Realm. Man, how did you do all this?

“Don't leave, I just moved people here...”

Bai Qian saw David carrying Hai Ande away, so she was ready to catch up!

“Fox Princess, what do you mean? You said there is a treasure here, and you have trapped us. Where is the treasure?” The

Leopard Emperor stopped Bai Qian very unhappy and asked!

“This is the Immortal Mine. Isn't the Immortal Mine a treasure?”

Bai Qian pointed at the Immortal Mine Cave and said!

“Damn, what kind of treasure is the Immortal Mine? How much can we take away with just these few of us? And who mines it?” “It would be a waste of time

if we directly practice and absorb it here. I don't know how long it will take for the battlefield of gods and demons to be open. .”

The Monkey King was also very dissatisfied!

Although fairy ore is a good thing, it is of little use to a small team. After all, it still needs to be mined, and it is not convenient to carry!

If you directly practice and absorb here, you only have a few days, and it will not have any effect on your practice. You might as well use these few days to search for treasures!

“Okay, I owe you a favor. After we get out, I will give each of you a share of my own resources.” After

Bai Qian said that, she went straight after David!

“This Fox Princess seems to have taken a liking to that boy. She looked at him with wrong eyes.”

The Lion King said while looking at Bai Qian’s back!

“Okay, leave her alone. Since she’s here, let’s look around to see if these dead people have storage bags or anything like that. We can’t go in vain.” After the Thousand-faced Demon

King finished speaking, he started to rummage. stand up!

The Lion King and Leopard King also began to search for resources such as storage bags on the dead!

Only the monkey king looked at Bai Qian’s back with a jealous look on his face, and then quickly chased after him!

Even though the Monkey King keeps bickering with Bai Qian all day long, in fact, this guy secretly likes Bai Qian!

The Lion King just said that Bai Qian fell in love with David, which made the Monkey King jealous. He wanted to catch up to see what was going on!

Chapter 3425

At this time, where Miao Lao and the others were resting, Huofeng had brought Miao Miao and Cai Qiannan back.

Seeing the tragic situation of Miao Miao and Cai Qiannan, everyone was stunned!

“Miao Miao, you...how did you become like this?”

“Qiannan, my daughter, what have you experienced...”

After seeing the miserable conditions of Miao Miao and Cai Qiannan, Mr. Miao and Cai Hongwei burst into tears. !

Miao Miao and Cai Qiannan still had fear in their eyes, they were obviously tortured and had some mental disorders!

“Yupumen, I will fight with you, I will fight with you...”

Mr. Miao suddenly roared, and the aura on his body was rising!

It seems that Miao Lao is planning to blow himself up and die with the Yupu Sect!

“And I...” Cai Hongwei’s breath was also bulging, swelling uncontrollably!

If these two people all self-destruct, the power will definitely leave no one at the scene alive!

“Miao Miao, don’t be impulsive...”

“Boss Cai, you can kill people from the Yupu Sect at any time, but you must not do stupid things.” They

all persuaded the two of them. If the two of them failed to control it, if my own power is destroyed by myself now, then everything will be over!

“Miao Lao, Boss Cai, the people from the Yupu Sect won’t live long. The master has left them behind to kill them. I believe there will be results soon.”

Huo Feng also hurriedly persuaded!

And just when Huofeng was persuading, David’s figure slowly appeared, holding half a person in David’s hand!

This legless man is none other than Hai Ande, the master of Yupu Sect!

David threw Hai Ande to the ground like a dead dog!

When Miao Lao and Cai Hongwei saw this, their eyes were all scarlet red, like hungry wolves, and they were about to pounce on that Hai Ande!

Feeling the hatred in everyone's body, Hai Ande turned pale with fright and became incontinent!

“Ah...”

Before Miao Lao and Cai Hongwei could rush forward, Miao Miao and Cai Qiannan, who were somewhat mentally disturbed, suddenly screamed and rushed towards Hai Ande!

Immediately afterwards, the two girls, like hungry wolves, started biting at Hai Ande!

There are no weapons or tools, just bite hard with your teeth!

Hai Ande screamed and wanted to struggle, but without legs, he couldn't struggle at all!

Everyone looked at the scene in front of them in shock!

They really couldn't imagine what Miao Miao and Cai Qiannan had gone through to make the two girls become like this!

When David saw this scene, his heart was full of sadness!

Two good girls, their lives were ruined!

Bai Qian is here. She has experienced big scenes. When she saw Miao Miao and Cai Qiannan biting Hai Ande, she was shocked!

In a short period of time, Hai Ande was bitten beyond recognition by the two girls. His throat was bitten off and there was no sound!

But the two girls haven't stopped yet, they are still biting!

Upon seeing this, David waved his hand and pierced the two girls' necks with two silver needles, instantly making the two girls fall asleep!

“What's going on?”

Bai Qian asked David!

David told what happened to Miao Miao and Cai Qiannan. After hearing this, Bai Qian was so angry that she trembled all over!

She is also a woman, so she can understand the despair of the two girls Miao Miao and Cai Qiannan!

“These beasts are worse than pigs and dogs...”

Bai Qian gritted her teeth in hatred!

As for Miao Lao and Cai Hongwei, they looked at their granddaughter and daughter, and they instantly seemed to have aged dozens of years!

This result was something they didn't expect!

If you could think of killing them, they wouldn't come to this battlefield of gods and demons!

“Hey... two good girls, their lives are ruined, and I'm afraid they will have to live in the shadows in the future.”

David couldn't help but sigh!

“Fox Princess, do you know how to break the soul? You can help the two girls erase the memories of this period so that they will not live in the shadow.”
Huofeng suddenly said to

Bai Qian!

Chapter 3426

“You know this technique?” David looked at Bai Qian in surprise!

“I know a lot of things, guess how much you know about me.”

After Bai Qian finished speaking, she walked up to the sleeping Miao Miao and Cai Qiannan!

Bai Qian slowly opened her mouth, and a fiery red bead floated out of her mouth!

Then the bead kept spinning on the heads of Miao Miao and Cai Qiannan, and Bai Qian put her hands on the heads of the two girls! A

red light enveloped the two girls!

Bai Qian's body was trembling slightly, and there was a slight drop of sweat on her forehead!

Huofeng looked at Bai Qian and said, "Master, it takes a lot of effort to perform the soul-breaking technique. Now it's even more difficult to perform it on two people at once. It is estimated that after the application, Bai Qian will have to find a place to recover." After hearing this, David couldn't help

but Look at Bai Qian, my impression of Bai Qian has also changed a lot!

Originally, David was forced by Bai Qian to do some exercises all day long, which made David feel very uncomfortable!

But is there any way? Now he still needs Bai Qian's help!

But now, his view of Bai Qian has changed!

In this way, when two people are together, David may be able to give more emotion and devote himself physically and mentally!

After a moment, two strands of black energy suddenly surged out of Miao Miao and Cai Qiannan's bodies, and were directly inhaled by Bai Qian!

Bai Qian swallowed the bead back into her stomach and stood up slowly!

"Okay, this memory has been erased, but they must leave the battlefield of gods and demons and never come back again." "

As long as they don't see the scene here, this memory will not be evoked, and the future life will not be It won't be affected."

Bai Qian wiped the cold sweat from his forehead and said!

Upon seeing this, Mr. Miao and Cai Hongwei hurriedly knelt down and said with gratitude, "Thank you, fellow Taoist..."

“You don’t have to be like this!” Bai Qian was a little flattered and hurriedly helped the two of them up!

Mr. Miao and Cai Hongwei picked up Miao Miao and Cai Qiannan, and then followed David to say goodbye!

They are leaving the battlefield of gods and demons. For them, whatever treasure they get is not as important as their own relatives!

The monks who came with Mr. Miao and the others, and the few who were still alive, were also preparing to leave with them!

On this battlefield of gods and demons, with their little strength, they would simply die!

What’s more, they are all casual cultivators, and to those sects, they are prey!

Even if they get the treasure, I’m afraid they won’t be able to get it from the battlefield of gods and demons.

The world of gods and humans is so cruel!

“Ji Yun, Luo Xi, you two should follow Miao Lao and the others to leave the battlefield of gods and demons.” “It’s

too dangerous here. When the time comes, I won’t be able to protect you.” “

Miss Luo, when you go out Follow Valley Master Luo, I will share some of the things I got in the battlefield of gods and demons with you in the Blood Spirit Valley.”

David still needs Bai Qian’s help now to not be afraid of the threat of Qi Peijia, so he can’t protect others!

Ji Yun was injured. It was useless to stay in the battlefield of gods and demons. He needed to go out to recuperate!

Luo Xi wanted to practice in the battlefield of gods and demons, but the cruelty of the battlefield of gods and demons now exceeded Luo Shouhai’s imagination!

If the same thing happened to Luo Xi as Miao Miao and Cai Qiannan, David didn’t know how to follow Luo Shouhai.

That's why he asked Ji Yun to leave the battlefield of gods and demons with Luo Xi!

The reason why David didn't let Huo Feng leave was because Huo Feng had a close relationship with Bai Qian. With Bai Qian here, Huo Feng would definitely not be threatened!

Ji Yun nodded along with Luo Xi. They also knew that David was thinking about them, so they left the battlefield of gods and demons with Mr. Miao and the others!

"Miss Bai, your skill has been consumed a lot. Let's find a hidden place to recover for the time being."

David looked at Bai Qian who looked a little unsightly and said!

Hearing that David cared about her, Bai Qian was slightly startled, looked at David, and then nodded!

But just when David and the others were about to find a hidden place to rest, the Monkey King jumped out!
