Chapter 3429

Huo Feng looked at Qi Peijia with a burst of contempt in his heart. Although Qi Peijia was very strong, it was shameless for him to want to be his master like this!

You must know that when Huofeng was demoted to the secular world, his strength was no worse than Qi Peijia!

Moreover, the previous owner of Fire Phoenix was the domain master of one of the five realms of the Heaven and Human Realm, so Fire Phoenix can do whatever he wants in the Heaven and Human Realm!

But later he made a mistake and was thrown into the secular world, and his strength dropped a lot!

Fortunately, after meeting David, Huo Feng had the chance to return to the world of heaven and humans!

Now Qi Peijia is an eighth-level monk in the Tribulation Realm, and he still wants to be his master.

Huo Feng felt disdain in his heart!

But Huo Feng's strength is too low now, so he must endure it!

“Can you really protect me?” Huofeng asked in a low voice.

“Of course, in this battlefield between gods and demons, anyone who sees me, Qi Peijia, must bow his head and behave like a human being.”

Peijia said with a proud look.

“Are you really that powerful? Then I am willing to recognize you as my master...”

When Huofeng heard this, he jumped up with joy!

Seeing that Fire Phoenix is so simple and is also a mythical beast if he can be trained and trained more, he will definitely be a good helper in the future!

In addition, the fire phoenix looks pure and refined, so it is good to keep the bed warm at night!

“Okay, since you accept me as your master, let me give you a meeting first!”

Qi Peijia took out an elixir and threw it directly to Huo Feng. “This is an elixir I found on the battlefield of gods and demons. I give it to you.” You.”

“Thank you, Master!” Huofeng was so happy that he was about to put the elixir away!

“Eat it, this elixir is for you.”

Qi Peijia asked Huo Feng to eat the elixir!

Huofeng hesitated for a moment, but finally opened his mouth and swallowed the elixir!

After all, she must obey unconditionally now so that Qi Peijia won't be suspicious!

Qi Peijia suddenly smiled when he saw Huofeng really eating the elixir!

“Master, I was bullied just now. I wonder if Master can help me get revenge?”

Huofeng asked Qi Peijia!

“Of course, you can take me there...”

Qi Peijia nodded!

Huofeng took Qi Peijia in the opposite direction to the cave where David and the others were training!

The two of them flew all the way, and the fire phoenix turned into its own body and flew beside Qi Peijia. This made Qi Peijia feel extremely satisfied!

It feels so good to have the fire phoenix flying beside me all the time, becoming my pet.

But at this time, Huofeng was very anxious inside!

She needs to find a strong enemy, and then follow Qi Peijia to fight until both sides are injured, and only then can Huofeng escape!

Just as the fire phoenix was following Qi Peijia, he suddenly discovered that a dozen monks were surrounding a female cultivator!

Looking closely, Huofeng discovered that these were actually people from the Yupu Sect!

You must know that the leader of the Yupu Sect, Hai Ande, is dead, but there is still someone from the Yupu Sect who has slipped through the net!

“Master, they are down there...”

Huofeng pointed quickly!

Upon seeing this, Qi Peijia swooped down!

At this time, the female cultivator was being pushed to the ground by more than a dozen monks from the Yupu Sect, and her clothes were about to be taken off!

Qi Peijia looked at it expressionlessly, and then asked, “Are these people bullying you?” “

Yes, that’s how they bullied me...”

Huofeng nodded!

“Who are you? Get out of here right away. We are from the Yupu Sect and are preparing to practice. Don’t disturb us!”

A member of the Yupu Sect yelled insults after seeing Qi Peijia and Huofeng!

Qi Peijia didn’t speak, but a wisp of black mist emerged from his body!

This wisp of black mist was like a poisonous snake, instantly heading toward the dozen Yu Pu Sect disciples!

In the blink of an eye, more than a dozen Yupu Sect disciples were all dead without any resistance!

When Huofeng saw this scene, he was frightened in his heart!

If Qi Peijia discovers the cave where David and Bai Qian are hiding and discovers that there is an immortal mine inside, I wonder if he will try to rob it!

Chapter 3430

Huofeng still doesn't know that Qi Peijia is looking for David at this moment and wants to kill David!

"Okay, your revenge has been avenged. Now follow me to find someone!"

Qi Peijia said!

"Who is the master looking for?" Huo Feng asked!

"Find a guy named David!" Qi Peijia said!

"David?" Huofeng was stunned!

"What? Do you know him?"

Qi Peijia looked at Huofeng's expression and frowned!

"No, no, no, I don't know him. I'm just curious. What does the master want to do with this David?"

Huo Feng asked curiously.

"Kill him..."

When Qi Peijia was talking about killing David, he couldn't help but tremble!

It seems that Qi Peijia gets excited when he thinks about killing David!

When Huofeng saw this, he was secretly afraid. Fortunately, he lured Qi Peijia away, otherwise, David would be in danger!

"Master, I...I still have revenge to take, can you help me?"

At this time, Huofeng wanted to delay Qi Peijia as much as possible, but he couldn't let Qi Peijia find David!

Qi Peijia glanced at Huofeng and said, "Let's go..."

Huofeng continued to fly with Qi Peijia, but this time, Huofeng was in a dilemma and didn't know who he was looking for!

Soon, Huofeng and Qi Peijia arrived at the fairy mine!

At this time, the Lion King, Leopard King, Thousand-faced Demon King, and Monkey King are all down there. These people are still rummaging through the storage bags of the dead!

Seeing these guys, Huo Feng immediately took notice!

"Master, the person who bullied me is down there. There is a fairy mine down there, and they took it away."

Huo Feng pointed out quickly!

"Immortal mine?" Qi Peijia's eyes lit up, and then he followed the fire phoenix and rushed down!

Lion King and others also noticed Qi Peijia following Huo Feng, but they did not recognize Huo Feng.

After all, the current Qi on Huo Feng's body is His breathing strength was too low, and the Huo Feng they met was completely different!

However, the aura of Qi Peijia's eighth-level Tribulation Realm made several people alert!

Qi Peijia glanced at the dead bodies on the ground, then looked at the storage bag that Lion King and the others were rummaging through, and couldn't help but snorted, "Huh, everything here is mine, you can get out..." Qi Peijia said

, The Lion King and others were stunned!

How can you say that they are also prominent figures in the beast tribe, and they are also the demon kings among the Three Sovereigns and Four Kings, and now they are being reprimanded by Qi Peijia like this?

“Who the hell are you? How dare you say that about us? Do you know who we are?”

the Lion King roared!

“Are you looking for death?” The Leopard King also had a cold light in his eyes!

The Monkey King raised his head at this moment and suddenly saw Huofeng following Qi Peijia. He was about to speak, but was stopped by Huofeng’s look!

“Fellow Taoist, things in the battlefield between gods and demons are ownerless things. How do you say they are yours?” “

And there must be someone who comes first, right?”

The Thousand-faced Demon King asked Qi Peijia politely.

And while the Thousand-faced Demon King was speaking, the aura on his body was rising continuously. He was at the peak of the seventh level of the Tribulation Realm, approaching the eighth level of the Tribulation Realm!

The Lion King, Leopard King, and Monkey King also exuded their auras and headed toward Qi Peijia to envelop him!

Qi Peijia was slightly stunned. He didn’t expect that these people were not weak!

Although he is at the eighth level of the Tribulation Realm, he has to deal with these four people at the same time. It is not certain who will win and who will lose!

“Originally, I discovered this place first, but since you have found it, let me leave it to you...”

Qi Peijia doesn’t plan to have a conflict with the Lion King and the others. He wants to save his energy to kill David!

“Thank you very much!” The Thousand-faced Demon King cupped his hands and put away his breath!

Qi Peijia also turned around and left, which made Huofeng very anxious!

“Master, aren’t you going to avenge me?”

Huo Feng asked in confusion!
