Chapter 3431

“The opponent is also very strong, let’s talk about revenge later!”

Qi Peijia said!

Seeing that Qi Peijia was scared, Huofeng rolled his eyes and said, “Damn, you are so fucking coward, bah...”

Huofeng spat hard, which made Qi Peijia stupid!

“Monkey, come here and fu** him for me...”

Huofeng waved towards the Monkey King and said! The

Monkey King hurriedly ran to the fire phoenix and said with a slight embarrassment, “Auntie, he is in the eighth level of the Tribulation Realm, and I am only in the seventh level. I can’t do it?” “Trash, you won’t unite with a

few of them. , fu** him together?”

Fire Phoenix scolded the Monkey King!

“Monkey King, what’s wrong with you?” Thousand-faced Demon King looked at the Monkey King in confusion and asked!

“Thousand-faced Medicine King, can’t you see, this is a fire phoenix, a fire phoenix...”

the monkey king said anxiously!

“Fire Phoenix?”

The Monkey King said this, and several people looked at the Fire Phoenix carefully!

At the end, everyone gasped, “Why did Huofeng become like this?”

“It’s a long story. You guys, please beat him up. This kid is a little demon, and he still wants to be my master. How virtuous are you if you don’t urinate?”

Huo Feng looked at Qi Peijia with disdain and said!

“You...”

Qi Peijia’s face turned pale because of the fire phoenix. “Who are you? Don’t forget that my elixir you took was not an elixir at all. It was a poisonous elixir. There is no antidote from me. You will die of poison...”

“I knew it a long time ago, I’m not afraid!” Huo Feng is not afraid at all!

She knows David’s ability. As long as David is around, any poison pill can be cured!

“Damn it, you dare to poison my aunt...”

Upon hearing this, the Monkey King became angry and slapped Qi Peijia with his palm!

Seeing this, several other people also took action. Four of them were at the seventh level of the Tribulation Realm. How worried were they that one would be at the eighth level of the Tribulation Realm?

When Qi Peijia saw this, he turned around and ran away!

I saw Qi Peijia wave a black mist, and then the whole person entered the black mist!

With a tremor in the void, Qi Peijia’s figure disappeared!

“Damn, this kid knows space magic, otherwise I will definitely destroy him.”

The Monkey King shouted, and then walked up to Huo Feng with a flattering face and said, “Auntie, how do you think I performed?” “

Not bad, no. I was so kind to you before!”

Fire Phoenix patted the Monkey King on the shoulder!

“Huofeng, what happened to you? How did it become like this?”

Thousand-faced Demon King asked in shock!

“It’s a long story, I’ll tell you when I have time, but you guys have become characters in the Three Sovereigns and Four Kings. It’s beyond my expectations. You guys were the stupidest before.” Huo

. After Feng finished speaking, she turned around and left. She had to return to David as soon as possible!

And she wants to tell David that there is a guy named Qi Peijia who has been looking for him and wants to kill him!

When Huofeng rushed back, he found that David had already finished following Bai Qian!

Bai Qian’s face was flushed, and she was obviously very satisfied!

“Huofeng, what have you done?”

David asked Huofeng!

“Master, someone just came. I was afraid of discovering you, so I led that person away.”

Huofeng said!

“Who?” David was shocked!

“It’s a guy named Qi Peijia, and he said he wants to find you and kill you...”

Huofeng said!

David was startled for a moment and looked at Huofeng carefully. “Then how did you escape from that guy? He is an eighth-level monk in the Tribulation Realm?” David didn’t understand.

Huofeng was only in the Fusion Realm. How could he escape from that guy? Escape from Qi Peijia’s hands!

Huo Feng smiled and said, “The mountain people have their own tricks...”

Huo Feng told David what happened, which made David very scared. Fortunately, Huo Feng met some of the Three Sovereigns and Four Kings,

otherwise he would have been killed by those people. When Qi Peijia finds out that Huofeng lied to him, he will definitely kill Huofeng!

However, these three emperors and four kings are all afraid of the fire phoenix, which is beyond David's expectations!

Poof...

Suddenly, Huo Feng frowned, a mouthful of blood spurted out, and the poison pill in his body began to take action!

David hurriedly carried Huofeng into the cave, detoxified her, and asked Bai Qian to protect her outside!
