Chapter 3451

“Sister, stop talking nonsense, my father feels more uncomfortable than anyone else right now.”

Sheng Jiayue quickly winked at Sheng Jiahui!

“He’s not talking nonsense. If I had listened just now, the Great Elder would not have been hurt.”

Sheng Bushi stood up and then looked at David!

He has always been wary of David and others, fearing that David and others would snatch the treasure he discovered!

But now, although he discovered this treasure first, the Sheng family has no ability to get it!

“The head of the family is able to see through the formation outside of the formation, which proves that Mr. Chen is indeed capable.”

The great elder said!

The formations are ever-changing. If you don’t set up the formation yourself, or enter the formation, it’s hard to predict what will happen next! But

David was outside the formation. By observing the formation, he said that the Great Elder would definitely be injured. This proved that David’s understanding of this formation was higher than theirs!

Sheng Bushi nodded. He had to admit at this time that David did have two skills!

“Fellow Taoist, I wonder if you can break the formation with me and the Sheng family, and you can share some of the treasures we find.”

Sheng Bushi put down his body, walked up to David and asked!

“Why should I break the formation with your Sheng family?” David smiled lightly. “I can break this big formation myself, why should I bring you with me? Share the treasure inside with me?”

David’s words immediately made Sheng Bu Shi is a little speechless!

The rest of the Sheng family also looked at David in disbelief.

“Boy, are you too loud? My father and the great elder can’t find the formation’s eyes and can’t break the formation, but you actually said that you can break it by yourself?”

Sheng Jiayue felt that David was just showing off, so he was very angry. Said disdainfully!

The Great Elder also frowned slightly, stood up and said, “Fellow Taoist, although you may have a deeper understanding of the formation than we do, it is almost impossible for one person to break through such a large formation.”

” Even if you find the formation eye, you can’t break it open by yourself. Someone has to help. Everyone in the Sheng family is proficient in the formation technique, so our cooperation is the most correct thing.” The

elder also didn’t believe David himself can break through the formation!

“That’s because you don’t have the ability. Don’t judge others with your own eyes. Just because you can’t do it alone doesn’t mean that others can’t do it either.”

David said with a sneer!

“Boy, who do you think can’t do it? Our Sheng family is a well-known family in the entire Southern Territory. Whether it’s formations or spells, our Sheng family is ranked second and no one dares to be ranked first...”

Sheng Jiayue was furious and full of anger. Shen shouted angrily at David!

Looking at the furious Sheng Jiayue, David was not angry. Instead, he smiled lightly and said, “Not to mention the Southern Region, the entire Heavenly and Human Realm is also at a very low level in terms of formations and spells.” “

The entire Heavenly and Human Realm is useless. Wen Shang and Wu all want to become immortals, and everyone scorns formations, spells, and other

spells, so that the level of the entire heaven and human world in this regard is extremely low.”

David’s words made everyone in the Sheng family stunned. Then fell into silence!

Because David was telling the truth. In the past, all kinds of talents emerged in large numbers in the world of heaven and humanity. However, later on, the status of monks such as formations, spells, and spells became low, their realm improved slowly, and they were looked down upon by others.

Not only formations and spells, but also all kinds of pharmacists are at the lowest level, so this has caused many monks in the heaven and human world to stop practicing techniques such as formations, spells, and alchemy! Put all your energy into improving your realm.

In the course of thousands of years of evolution, there have been fewer and fewer monks practicing magic spells, and there have been fewer and fewer pharmacists of all kinds. With the decline of such monks, their importance has slowly become apparent!

Chapter 3452

Nowadays, although the level of pharmacists is generally low, their social status is very high and they are highly respected!

There are also monks who use formation spells and spells. Even ordinary sound-transmitting jade slips that cannot be used in ordinary jade slips have to be purchased from spell masters.

However, there have been gaps in the alchemy and talisman arts of the Heavenly and Human Realm, so much so that even the talisman masters in the Heavenly and Human Realm can no longer draw truly advanced talismans!

In their eyes, high-end talismans, in David’s eyes, were just ghost-drawing talismans, something for children to play with.

“Fellow Taoist, even if you can break the formation by yourself, it’s hard for you to get the treasure inside. There will definitely be monsters guarding this kind of treasure. If we cooperate, we can also help. Busy.”

Sheng Bushi said with a slightly pleading tone!

At this moment, Sheng Bushi, regardless of whether what David said was true or not, he had to choose to believe David. After all, he had no choice but to go!

“Mr. Chen, just treat me as a favor to the Sheng family. You can ask for any conditions you need.” Sheng

Jiahui also said at this time!

“Yes, you can make whatever conditions you want...”

Sheng Bushi also said quickly!

“It’s okay to make conditions, but you have to prove that you can indeed break the formation. Otherwise, why would you make conditions?”

Sheng Jiayue still doesn’t believe that David can break the formation!

“Bastard, shut up...”

Sheng Bushi glared at Sheng Jiayue!

Sheng Jiayue stopped talking, but his eyes were obviously inconsistent. David never showed anything from beginning to end, he just reminded him!

“Mr. Chen, don’t mind. My brother is arrogant, but he has a good heart.”

Sheng Jiahui quickly followed David and apologized!

“It doesn’t matter. Since you need me to prove it, I’ll prove it to you!”

After David said that, he walked straight towards the formation!

I saw David walking into the formation, and the formation patterns surged, as if David was in the water!

SeeWhen David walked in, everyone's expressions changed slightly and they looked nervously!

Bai Qian also looked nervous. After all, could David break such a large formation alone?

"Don't worry, Master is omnipotent. You will know after you follow him for a long time..."

Huo Feng comforted Bai Qian.

Bai Qian nodded, but her eyes were still staring at David's back!

After David walked into the formation, he looked around as if he were visiting a vegetable market, and then continued walking forward!

Everyone in the Sheng family was surprised when they saw that David had gone deep into the magic circle, and that the magic circle had not attacked!

And just when David walked into the formation, a hundred miles away, on the other side of the mountain, there was a group of people looking up at the towering mountain.

This group of people all wore the same clothes as the three demon cultivators that David killed. They were obviously from the same sect!

"The gang leader, the third guardian and two brothers have not been found and cannot be contacted. I don't know if there was an accident."

An old man with a goatee said to a middle-aged man!

The middle-aged man has a tattoo of an eye on his forehead, which looks like Qi Peijia's Tianming Eye!

"There shouldn't be any surprises. The three guardians have a spell in their hands that is worshiped by all ghosts. Most monks can't resist it."

"I think we should break the formation first. There must be a lot of treasures in this mountain peak..."

The middle-aged man looked up at the mountain with greed in his eyes!

“Gang leader, this...this formation is too huge. I’m afraid we can’t break it with just a few of us.”

The old man with the goatee said with some embarrassment!

“Great Elder, when did you become so obedient? Our Tianming Gang can’t break through any kind of formation. Don’t forget that I still have Tianming Eyes, which can penetrate everything!” The

middle-aged man’s face was cold. Said!

“Do you also have Tianming Eyes?”

As soon as the middle-aged man finished speaking, a figure tore through the void and appeared directly in front of the middle-aged man!

Chapter 3453

“Who are you?”

Everyone in the Tianming Gang was shocked when they saw the sudden appearance of the person!

“Qi Peijia...”

the visitor said slowly!

“Qi Peijia?” The middle-aged man frowned slightly, then looked at Qi Peijia and said, “I haven’t heard of it. For the sake of you being a demon cultivator, leave here immediately, otherwise don’t blame me for being rude!”

“It’s up to you ! ?”

Qi Peijia raised the corner of his mouth, and the eighth-level aura of the Tribulation Realm burst out from his body instantly!

Everyone in the Tianming Gang was instantly suffocated by this breath, and some even fell directly to the ground!

Feeling Qi Peijia's aura, the middle-aged man's eyes widened with fear!

"I'm sorry, I'm sorry, I'm so blind that I can't see Taishan..."

The middle-aged man quickly followed Qi Peijia to apologize!

Qi Peijia put away his breath. It seemed that he didn't want these people's lives!

"Who are you?"

Qi Peijia asked!

"We are members of the Tianming Gang. I am the gang leader, and my name is Zou Qi."

The middle-aged man answered cautiously!

Qi Peijia looked at Zou Qi and snorted coldly, "Tian Ming Gang? Do you also know Tian Ming Eyes?"

Zou Qi looked embarrassed, then shook his head, "I don't know, I just heard about Tian Ming Eyes and admired them. That's why I got an eye tattooed on my forehead."

The other members of the Tianming Gang were shocked when they heard Zou Qi's words!

It seems that they were all deceived by Zou Qi and then joined the Tianming Gang!

Seeing Zou Qi like that, Qi Peijia couldn't help but sneered, and then gently crossed his forehead with a hand, and eyes appeared instantly!

I saw the eyes blinking, and the surrounding area instantly turned dark red, and a terrifying smell of blood filled the air!

Seeing Qi Peijia's appearance, Zou Qi suddenly fell to his knees!

Other members of the Tianming Gang also knelt down.

They all worshiped Tianming Eyes very much, but now they were shocked to see that Qi Peijia actually had Tianming Eyes!

“Your Majesty is the Demon Lord. This disciple is extremely honored to be able to see the real Tianming Eye. We are willing to follow the Demon Lord.”

“We are willing to follow the Demon Lord...”

Everyone in the Tianming Gang shouted in unison!

Qi Peijia put away his Tian Ming eyes, looked at the people kneeling in front of him, and smiled lightly!

“Everyone, get up. As long as you follow me sincerely, I will make you all become Tianming Eyes.”

Qi Peijia began to paint a pie for these people!

Qi Peijia knew that although he was very strong, he was still a casual cultivator and had no power of his own!

Now that he meets the Zetian Ming Gang, they are the first batch of men he has recruited!

Hearing the pie painted by Qi Peijia, Zou Qi trembled with excitement, “Gang leader, you will be the gang leader of my Tianming Gang from now on. We must obey the gang leader’s orders...”

Zou Qi gave up his position as gang leader without any hesitation. Got Qi Peijia!

Compared with being a gang leader, Zou Qi is more like learning Tianming Eye!

“Everyone, get up...” Qi Peijia waved his hand, and Zou Qi and others all got up!

“What are you doing here?”

Qi Peijia asked!

“Gang leader, there must be treasures in the mountains ahead.”

Zou Qi said!

“Oh, how did you know?” Qi Peijia was a little curious, how did Zou Qi know there would be a treasure here!

“Guild leader, please see, this stretch of mountains is a formation. There is a huge formation in front of us, protecting the mountain in the middle!” “

Things that can be protected by such a huge formation must be The treasure...”

Zou Qi followed Qi Peijia and introduced!

“You still know the formation?” Qi Peijia looked at Zou Qi in surprise!

Seeing that Zou Qi had an eye tattooed on his forehead and said he knew how to use the Tianming Eye, he must be a liar. Unexpectedly, he also knew the formation!

“I know a little bit. This subordinate not only knows the formations, but also the spells. Otherwise, my fake Tian Ming Eyes wouldn’t be able to deceive people!”

Zou Qi said in embarrassment!

Chapter 3454

It turns out that every time Zou Qi used the Heavenly Ming Eye, he used a magic circle that he had secretly set up. To people who didn’t understand, they thought it was the power of the Heavenly Ming Eye!

“Then hurry up and break this formation. Let’s go see what kind of treasure it is. It’s protected by such a huge formation!”

Qi Peijia said excitedly!

“Gang Leader, don’t be anxious. For such a huge formation, we need to find the center of the formation, but my subordinates will do their best.” After

Zou Qi finished speaking, he looked at the old man with the goatee and said, "Great Elder, let's go in together, we will definitely We need to break this formation."

"Yes, Gang Leader..." The

old man with the goatee nodded!

"as888, this is our gang leader..."

Zou Qi was shocked and hurriedly scolded the great elder!

Not to mention Qi Peijia's strength, but Qi Peijia is really capable of seeing things, and Zou Qi is determined to follow Qi Peijia!

"Yes... I'm sorry, I was wrong!"

The old man with the goatee apologized hurriedly!

"Okay, don't worry about this. You are the deputy gang leader and continue to manage the Tianming Gang..." "

Hurry up and break this formation. This battlefield between gods and demons probably won't be open for long!"

Qi Peijia urged!

"Follow your orders!" Zou Qi personally led the Great Elder and others into the formation slowly!

On the other side, David was looking for the formation's eye in the formation. David was just like walking down the street, without triggering the formation's defense at all!

Seeing David like that, everyone in the Sheng family had to be convinced. No one dared to doubt David's strength anymore!

Even Sheng Jiayue's eyes widened and he admired David!

After David searched for a while, his palm suddenly touched the void!

As a ray of light lit up, everyone became nervous!

They thought that David was knocked out like the others because of the formation defense!

Just when everyone was nervous, they saw that after the ray of light, the array pattern in front of them suddenly began to shake violently!

It was like a stone was suddenly thrown into the calm river!

Amid the violent shaking, the formation patterns slowly disappeared, and finally the formation in front of me disappeared!

Sheng Bushi took a breath of air-conditioning, and his heart was filled with shock!

Everyone in the Sheng family is also extremely complicated!

The great elder kept praising!

“It’s so awesome. This... this is simply a miracle. Such a huge formation was able to find the center of the formation and break it in such a short time.” “

This is a formation set up by an immortal...”

The Great Elder I don’t know how to express my feelings at this moment!

David walked slowly to Sheng Jiayue and said with an indifferent expression, “Can I make a condition now?”

Sheng Jiayue’s face was full of shame, he lowered his head and dared not speak!

Sheng Bushi hurriedly stepped forward, “Mr. Chen, I am a traitor and ignorant, so please don’t share his knowledge. Mr. Chen’s formation skills are so advanced that I have never seen before.” “Mr.

Chen, you can make whatever conditions you want. As long as my Sheng family can do it, I am obligated!”

“Okay, after you find the treasure, I have to choose it first. If I have no use for it, I can give it to you!” David said unceremoniously!

David is not a philanthropist. He broke this formation just for himself!

But since the Sheng family wants to follow, they must obey his conditions!

“No problem, I agreed. If Mr. Chen uses the treasure, my Sheng family will never take any cents from it.”

Sheng Bushi said very boldly!

Sheng Bushi agreed so happily, which surprised David!

He originally guessed that Sheng Bushi would still bargain!

“Since you agreed, let’s go...”

Sheng Bushi agreed, and David had nothing to say!

So he led everyone towards the mountain peak!

Chapter 3455

At the same time, Zou Qi led people into the formation, and the formation defense was activated. When several people were about to be knocked away by the formation, the formation suddenly disappeared!

Zou Qi felt very strange, but he still took the credit for himself!

“Gang leader, the formation has been broken, we can leave...”

Zou Qi said!

Qi Peijia saw that Zou Qi was really capable, so he nodded and started heading towards the mountain peak!

Fairy mist surrounds the mountain peak!

Whether it’s trees or monsters, they all seem to have spirituality! Chen

Ping was very vigilant as he walked in front, because he was not sure whether there would be a magic circle around the mountain!

“Master, we worked so hard to get in. If we don’t get any treasure, wouldn’t we be in trouble?”

On the way, the great elder asked Sheng Bushi in confusion!

Sheng Bushi glanced at the great elder and said, “Short-sighted, if we don’t take the treasure, it will make Mr. Chen feel guilty. And with Mr. Chen’s understanding of the battle method, if he can teach us casually, our Sheng family will definitely benefit a lot.” , isn’t it better than that treasure?”

“And I think Mr. Chen is a handsome man. If he can marry my daughter, I am afraid that in the entire world of heaven and man, my Sheng family will be the most powerful in terms of formations, talismans, and spells...”

Sheng Bushi originally wanted to bring his daughter together with David, so he took the initiative to offer all the treasures to David!

“Master, there is a woman around Mr. Chen. I saw that the two women looked at him with obvious ambiguity. Please let the eldest lady...”

Before the eldest elder could finish speaking, Sheng Bushi smiled and said, “The real man has a Isn’t it normal to have three wives and four concubines? What’s more, Mr. Chen has such strength, as long as he doesn’t despise his daughter, it doesn’t matter even if he has three wives and four concubines.” Upon hearing this

, the elder said nothing more and could only He looked at Sheng Jiahui who was still unaware!

But Sheng Bushi didn’t know at all that David’s women were not just the two in front of him!

If Sheng Jiahui really follows David, it will be impossible for her to live in a three-bedroom or four-bedroom apartment. She will probably have to live in a ten-bedroom apartment!

It’s just that whether David agrees or disagrees, that’s not necessarily the case. David doesn’t like any woman!

“Ah...”

Just as David and the others were walking in the dense mountain forest and heading towards the highest mountain peak, someone suddenly screamed!

Immediately afterwards, more and more people in the Sheng family screamed!

I saw these Sheng family members with frightened eyes, flapping their bodies desperately, and rolling on the ground!

Seeing this scene, Sheng Bushi and the Great Elder were dumbfounded!

When David heard the sound, he turned around and ran back!

“Mr. Chen, what do you think is going on?”

Sheng Bushi asked anxiously!

David took one look and immediately concluded, “These people have fallen into an illusion...”

After saying that, David recited the Heart-Cleaning Mantra, and then injected a stream of breath into the bodies of those Sheng family members!

Soon, these people stopped screaming, and then stood up with confused faces, their eyes full of doubts!

“What’s going on with you?”

Sheng Bushi asked with a frown!

“Master, just now I just felt that my body was extremely itchy, and it was also crawling with poisonous insects. The sky around me was burning with fire, and it was very hot.”

A member of the Sheng family said!

“Yes, we are like this too...”

Others nodded and said!

“It’s really strange. If it was a phantom formation, we should all be trapped in it. Why are some people fine and others fine?” “

And I don't feel the existence of the formation nearby. There can't be a phantom formation. "Yes."

The great elder felt very strange!

"There is no illusion formation here, and they were not deceived by the illusion formation..."

After David finished speaking, he walked towards a Sheng family member!
