Chapter 3456

David directly opened the collar of the Sheng family member and saw a very tiny black spot on the back of the Sheng family member's neck. If you didn't look carefully, you wouldn't be able to see it at all!

David sucked his palm gently, and saw a poisonous thorn as thin as an ox hair flying out from the black spot!

"They were stabbed by poisonous thorns, so they had hallucinations. It was not because of the illusion array. Now you can suck the poisonous thorns out of their bodies!"

David said to Sheng Bushi!

Sheng Bushi looked at the poisonous thorn as thin as cow hair in David's hand, his eyes full of surprise!

David was able to detect such a tiny sting!

Soon, Sheng Bushi and the Great Elder sucked out all the stings from the Sheng family!

At this time, everyone admired David!

"You all follow me and don't walk around randomly. The plants and animals here have all mutated due to their immortal energy, making them difficult to deal with!"

David reminded everyone!

"Listen to Mr. Chen, no one is allowed to walk around in chaos!"

Sheng Bushi shouted at everyone in the Sheng family!

Under the leadership of David, everyone walked to the foot of the mountain!

However, you can see the mountain peak from a distance, but when you get closer, you find that the mountain peak has disappeared!

“Mr. Chen, there must be a magic circle here. Is it a blindfold? Such a high mountain peak has disappeared...”

Sheng Bushi asked in confusion!

“Master, it’s not as simple as a cover-up, it’s probably some phantom formations...”

the great elder retorted!

Both of them looked at David. After all, they were not sure about their guesses and could only wait for David to say!

If it weren’t for David along the way, even if they broke the formation, they still wouldn’t know how much they would have lost!

“This is not a cover-up, let alone a phantom formation. The reason why we can’t see We reach the mountain peak because we have already entered the mountain peak! “

After David finished speaking, he waved his hand lightly, and a hurricane suddenly blew up in the place where the fairy mist was lingering in front of him!

The fairy mist was blown away directly, but everyone found that they were already halfway up the mountain!

What’s more, What surprised them was that halfway up the mountain, a huge flat land appeared. There were several buildings here. These buildings did not belong to the world of heaven and humans at first glance. Although these buildings were old, they still exuded grandeur. !

Above these buildings, there are colorful auspicious clouds floating, and the fairy spirit is constantly lingering!

“This...how can there be buildings here?” Could it be that after the war between gods and demons, some people still live here?

“Is this the real Xianjia sect? “

“Although the building looks old and not very big, it has the style of a fairy house.” “

Everyone in the Sheng family was very shocked when they looked at the building that suddenly appeared in front of them!

Sheng Bushi and the great elder were also stunned, with incredible expressions in their eyes!

David also felt incredible, and neither did David First of all, how can there be sects in this battlefield of gods and demons?

If these buildings are not sects, then what is the point of building these buildings?

“Mr. Chen, what should we do? Should we continue up the mountain, or explore these buildings first? Sheng

Bushi asked David!

“Of course, let’s explore the situation. If there are no treasures in these buildings, don’t linger too much and leave immediately!” “

But everyone must be careful. It is not a good thing for a building to suddenly appear in a place like this. Be careful of the magic circle!” “

David reminded Sheng Bushi!

The reason why David didn’t propose to explore by himself was because he was afraid that Sheng Bushi would think too much!

Although Sheng Bushi said that all the treasures should be given to him, David couldn’t keep them all to himself. That would be a bit unreasonable!

Chapter 3457

“Okay, I’ll follow the great elder and bring a few clan members each.”

Sheng Bushi nodded, and then said to Sheng Jiahui and Sheng Jiayue, “You two stay well and don’t run around. You must wait for us to come out!”

Sheng Bushi didn’t. Let Sheng Jiahui and Sheng Jiayue come together because they are afraid that there is danger in this building!

“Master, we will accompany you...”

Huo Feng said!

She wanted to follow Bai Qian and David into the building to prevent any danger, so they could help!

“No, you just stay outside. If there is any danger, keep the inside and outside in perfect harmony...”

David said to Huofeng!

Seeing that David refused to follow, Huofeng could only nod his head!

David directly chose a building and walked in, while Sheng Bushi and the Great Elder took people to search another building!

Everyone was nervous and excited, afraid of any mechanical formations, but also excited about whether they could find the treasure!

After David entered a building, waves of immortal energy fluctuated, and the void trembled!

Immediately afterwards, David’s eyes lit up and he saw a large area of all kinds of fairy grass blooming with a hundred flowers, growing very lush!

“There is indeed a formation in this building. I really don’t know what these immortals are thinking. Taking off their pants and farting is unnecessary...”

David was speechless. He didn’t understand that this immortal had set up such a large formation, and there were also formations within formations. In the end, What is it for!

Just when David was wondering, he suddenly felt a strange movement, and then the spirit beast egg ran out on its own!

This spirit beast egg is the only item that can escape from the storage ring on its own without David's control!

The spirit beast egg jumped, emitting a faint light, constantly absorbing the fairy energy.

"Mr. Chen, if you have strong immortal energy, why don't you practice again, otherwise all the immortal energy will be wasted..."

Zhe Yan said to David in his mind!

"Indeed, this place is much better than that fairy mine..."

David looked at the boundless grass jelly and was very emotional!

Feeling the abundant immortal energy, David couldn't help but sit cross-legged and began to absorb it crazily!

The spirit beast egg also absorbs the fairy energy!

While David was practicing, Huofeng and the others outside were surprised to find that when David and the others entered those buildings, those buildings had mysteriously disappeared!

"Master, master..."

Huo Feng was shocked and shouted quickly, but his voice was empty and no one answered at all!

"Are these buildings all traps?" Bai Qian said nervously!

They also don't understand the formations and don't know if these buildings are traps!

"Miss Sheng, are there magic circles in these buildings?"

Bai Qian asked Sheng Jiahui!

Sheng Jiahui was also confused at this moment. She shook her head and said, "I don't know either. I didn't find the magic circle at all." "

I didn't find it either. What's going on?"

Sheng Jiayue was also confused and hurriedly found it. I ran around in that gentle land, but there were no buildings at all!

It's like those buildings never appeared!

Just when Huofeng and the others were anxious, a group of people quickly came towards their direction!

These people are none other than Qi Peijia and the Tianming Gang!

Along the way, the Tianming Gang lost several monks!

After all, the plants and animals here are all nourished by fairy energy, and they are not weak in strength!

If Qi Peijia hadn't followed them, their Tianming Gang's losses would have been even greater.

"Gang leader, I didn't expect this place to be so dangerous. If it weren't for you, many of us would have died."

Zou Qi said with lingering fear!

"The bigger the storm, the more expensive the fish, and the more dangerous it is, which means the treasures here must be very precious..."

Qi Peijia smiled faintly!

Now he has longed for the treasure in this mountain peak!

Chapter 3458

Qi Peijia and others also quickly reached the halfway point of the mountain!

At this moment, Huofeng and the others were anxiously waiting for David and the others, and they didn't even notice at all!

It wasn't until Qi Peijia and others were close that Huofeng and the others felt that someone was coming!

The moment Huofeng saw Qi Peijia, he was stunned!

When Qi Peijia saw the fire phoenix, he was also stunned!

He gave Huo Feng a poisonous elixir, but now Huo Feng appears here fine, which proves that Huo Feng is fine!

Thinking of the scene where Huofeng greeted the Three Sovereigns and Four Kings, Qi Peijia began to beat her heart.

“People from the Sheng family are here...”

Zou Qi didn't know Huofeng and Bai Qian, but he saw Sheng Jiahui and Sheng Jiayue at a glance!

Zou Qi still knows the eldest lady of the Sheng family and the young master!

After all, in this southern region, the Sheng family's formations and spells are quite famous!

And Zou Qi is also quite familiar with the formation and spells, so he is quite familiar with the Sheng family!

“Sheng family?” Qi Peijia frowned. “Is it the Sheng family who knows the formation spells?”

Qi Peijia asked!

“Yes, those two are the eldest lady and the young master of the Sheng family. If these two are here, the head of the Sheng family, Sheng Bushi, must have entered here!”

Zou Qiyi pointed at Sheng Jiahui and Sheng Jiayue and said!

“Do you know the two people next to you?”

Qi Peijia asked Zou Qi!

Qi Peijia asked about Huofeng and Bai Qian, but Zou Qi shook his head!

At this moment, Huofeng was also very nervous. She was also very aware of Qi Peijia's strength. Now that Bai Qian was the only one here, it was almost impossible for them to deal with Qi Peijia!

What's more, this guy has been chasing David. If he knew that David was here, it would be troublesome!

Bai Qian stared at Qi Peijia, feeling a little shocked inside. She didn't expect Qi Peijia is not very old, but he has reached the eighth level of the Tribulation Realm!

"This guy is the one who wants to hunt down the master. You must not let him know that the master is here."

Huo Feng whispered to Bai Qian!

When Bai Qian heard this, she became a little nervous!

She knew that David had been so obedient these days and served her comfortably every day just to take advantage of her strength!

But Bai Qian didn't expect that the guy chasing David was so strong. If there was a fight, she would be no match at all!

For a moment, the two parties looked at each other quietly, and no one spoke first!

Qi Peijia was also nervous at the moment, especially since there was Bai Qian beside Huofeng, a seventh-level monk in the Tribulation Realm!

If those beast masters from before were here, Qi Peijia knew that he had no choice but to escape!

He really couldn't understand how Huo Feng, a person who had not reached the Tribulation Realm, was so respectful to these seventh-level Tribulation Realm monks?

"Gang leader, the Sheng family is here. Maybe they have discovered something. I think we should control the Sheng family first, and then force the Sheng family to do our best." "

There will definitely be more people on this mountain peak . There is a formation, just let the Sheng family take the lead and serve as cannon fodder..."

Zou Qi wanted Qi Peijia to take action, capture Sheng Jiahui and Sheng Jiayue, and then use the two of them to control the entire Sheng family and let the Sheng family open the way in front!

In this case, their Tianming Gang will not die. After all, they have lost several members along the way!

“Don’t do anything...”

Upon hearing this, Qi Peijia was so frightened that his body trembled slightly, and he shouted to stop!

“Gang Leader, there are so many of us, why are we still afraid of them?”

Zou Qifeng was puzzled!

“Shut up!” Qi Peijia glared at Zou Qi so hard that Zou Qi didn’t dare to speak anymore!

After both sides were silent for a moment, Qi Peijia slowly retreated and then headed towards the top of the mountain!

Chapter 3459

Zou Qi was stunned for a moment, but still left with Qi Peijia!

Waiting for Qi Peijia and others to leave, Huofeng and Bai Qian’s anxious hearts relaxed!

The two brothers, Sheng Jiahui and Sheng Jiayue, were also sweating profusely at this moment!

They have also heard that this Tianming Gang does all kinds of evil, and just now the two of them were afraid that the Tianming Gang would suddenly attack! Now

the other party left suddenly without saying anything, which made the brother and sister feel like they were surviving for the rest of their lives!

Sheng Jiahui and Sheng Jiayue looked at Huofeng and Bai Qian. They guessed that the other party didn't say anything and turned around to leave. They must be afraid of these two people!

After all, Bai Qian's strength is at the seventh level of the Tribulation Realm, so it's not that easy to deal with!

"Huofeng, why did they leave?"

Bai Qian asked in confusion!

"How did I know!" Huo Feng was also a little confused at the moment!

She thought Qi Peijia would be so angry when he saw her that he would attack herself!

After all, some time ago, I just asked the Monkey King and the others to teach Qi Peijia a lesson!

Thinking of this, Huofeng's eyes suddenly lit up and she smiled. She knew why Qi Peijia and the others left without saying a word!

Qi Peijia must have mistakenly thought that the Monkey King, Lion King and others were still with him, so he did not dare to take action and left quickly!

But now that Qi Peijia and others have left, it does not mean that the danger has been lifted!

David and the others haven't come out yet. If they meet again after they come out, Qi Peijia will definitely take action without hesitation!

After all, Qi Peijia is chasing David!

Now Huofeng can only wait for David to come out, then tell him the situation and leave here as soon as possible!

At this time, David, who was practicing, felt that the immortal energy around him was gradually thinning. When he opened his eyes, he found that the immortal grass had withered, and the lines on the spirit beast egg were emitting a dazzling light!

"Is this spirit beast egg about to hatch?"

David was very excited!

But after David waited for a long time, he found that there was no movement in the spirit beast egg, and the dazzling light gradually faded away!

“Damn, I’ve absorbed so much immortal energy and it hasn’t hatched yet. What the hell is in here?”

David was a little speechless. He wanted to test it with his spiritual consciousness and think of the colorful brilliance emanating from the spirit beast egg. David was speechless. Ping stopped this idea!

If people discover this place again, there will probably be a lot of trouble later!

David could only put the spirit beast egg back into the storage ring, and then walked out!

When David’s figure appeared, the disappearing building also appeared!

At this moment, Sheng Bushi, the Great Elder and others also came out!

However, many people in the Sheng family were injured this time!

“Damn, this looks like an ordinary old building, but I didn’t expect that there was a formation inside, and many people were injured.”

“But fortunately, after breaking the formation, I got a set of spells...”

The great elder took out An ancient book that has already turned yellow contains a detailed introduction to the use of a set of spells!

“Let me take a look...” Sheng Bushi looked shocked and quickly took it over and looked at it carefully!

After a while, Sheng Bushi looked so excited that he knelt on the ground and kowtowed to the ancient book!

“Hahaha, this is the talisman technique of Tianfu Sect. We are orthodox, and our Sheng family is the orthodox descendant of Tianfu Sect...”

Sheng Bushi kowtowed his head more than ten times in a row!

When the other members of the Sheng family heard this, they all knelt down and worshiped on the ground!

Even the elder who obtained the spell looked confused!

When David heard the words Tianfu Sect, he was also stunned. He said to Sheng Bushi, “Master Sheng, I wonder if you can let me take a look?” “

Of course...”

Sheng Bushi nodded. He nodded, and then carefully handed the ancient book to David!

Chapter 3460

David took the ancient book and looked through it for a few times, and found that what was recorded in it was indeed the talisman technique, and it was indeed the talisman technique of the Tianfu Sect, because David had obtained the true inheritance of the Tianfu Sect. At that time, David was lucky enough to be in the ancient ruins. I have seen the whole picture of Tianfu Sect!

However, David could not imagine how there could be records of the Tianfu Sect's spells in this world of heaven and humans?

And what's the point of Sheng Bushi saying that he is the real inductee of Tianfu Sect?

“Master Sheng, do you know this Tian Fu Sect?”

David returned the ancient book to Sheng Bushi and asked!

“Of course I know. The Tianfu Sect was a large sect thousands of years ago, specializing in the practice of talismans. However, after the war between gods and demons, the sect was destroyed.” “

However, some of the talismans of the Tianfu Sect have been passed down. The talisman skills practiced by our Sheng family are said to be from the

Tianfu Sect, so our Sheng family can be regarded as being introduced from the Tianfu Sect, but there is no evidence.” “

Now that we have the ancient book of the Tianfu Sect, our Sheng family is truly authentic. The real Tianfu Sect has been introduced...”

Sheng Bushi looked excited and his body was trembling slightly!

Listening to Sheng Bushi’s words, David finally understood that Tianfu Sect should have been a sect in the immortal world, but fell in the battle between gods and demons! When

David followed Hu Mazi to the secular world, the so-called Tianfu Sect ruins should be more like a teleportation array, teleporting from the secular world to Tianfu Sect!

Now that David recalled the words of the leader of Tianfu Sect, he could indeed see that Tianfu Sect was not a sect in the secular world!

After all, when the head of the Fu Sect saw the corpse of the Blood Demon’s puppet that day, he recognized it at a glance and even made a fuss about it!

That means that the status of Tianfu Sect is definitely not low!

Hu Mazi’s ancestor of the Celestial Master Sect was a young disciple of the Tianfu Sect back then. He could also see how powerful the Tianfu Sect was!

No wonder Sheng Bushi was so excited when he saw a record of a spell from the Tian Fu Sect, kowtowing and laughing at the same time!

But if Sheng Bushi knew that David had all the spells of the Tianfu Sect in his mind, I don’t know what his expression would be!

“Master Sheng, even if you get this talisman, you may not be able to learn it. Such advanced talisman requires conquering the talisman, so don’t be too happy too early...”

David poured a bucket on Sheng Bushi. cold water!

After all, this talisman technique, especially the advanced talisman technique, cannot be mastered at a glance. If that were the case, everyone could become a talisman master!

Hearing what David said, Sheng Bushi smiled and said, "Of course, we can't practice the spells I recorded above. But with this ancient book, our Sheng family can call ourselves the heirs of the Tianfu Sect." ."

David smiled and did not speak. The talisman arts in the world of heaven and humans have become so lonely. With the talisman arts of the Tianfu Sect, the Sheng family can really brag...

"Master, let me tell you something. Good news, Qi Peijia just arrived!"

Huo Feng stepped forward and said to David!

"What?" David's face instantly became very ugly!

He didn't expect that Qi Peijia would chase him here. It seems that this guy is really lingering!

But David didn't know that Qi Peijia came here not to chase him, but to hunt for treasure!

"But don't worry, Master, Qi Peijia left and went to the top of the mountain, so we can't meet them when we go down the mountain now."

Seeing David's face, Huofeng said quickly!

"Then what are Qi Peijia doing at the top of the mountain?"

David frowned slightly!

"Mr. Chen, who is this Qi Peijia you are talking about? Just now, the girl said that people from the Tianming Gang came and left without taking action."

At this time, Sheng Bushi came over!

It seems that Sheng Jiahui also told Sheng Bushi about what happened just now!

"It can be considered an enemy. This guy has been chasing me!" David explained!
