

A Man Like None Other Novel Chapter 3471

Full Read Online **Chapter 3471** of the novel **A Man Like None Other**

Chapter 3471

“I didn’t expect that you actually have the aura of the three clans in your body. Among the vast world, there are only a handful of people who can integrate the power of the three clans.” “

It seems that your talent is really good, so I will Don’t worry, I can pass on the inheritance to you!”

The old man said with joy on his face!

“Senior, you...who are you?”

David asked!

“I am Lord Huolingxing. I have practiced all kinds of extreme fires throughout my life. It is your good fortune that you can meet me.” “

I put my skills and experience into the inner wall of the copper tripod to find the most suitable person.”

“I didn’t expect that the person I was destined to be with would be a boy from the dragon tribe!”

Lord Huo Lingxing said slowly!

“Fire Star Lord?” Chen

Ping frowned slightly. He had never heard of this name before, and then asked, “Since you also play with fire, who is more powerful among you and the Balrog?”

” Fire Demon? Is he the one who gave you the demonic fire in your body?”

Lord Fire Star asked!

David has the ultimate fire of the demon clan in his body, that should be what this flame demon taught him!

David shook his head, "Although my Supreme Fire originated from him, it was not taught by him..." "

Didn't you realize that when your Demonic Supreme Fire meets my flame, it's like a grandson meeting his grandfather?"

"Who is that Balrog you mentioned? The most powerful one among the demons is the Lihuo Demon Lord. But I didn't meet him on this battlefield. Otherwise, I would definitely ask him for advice. Just a few moves."

Mr. Huo Lingxing looked very disappointed!

Listening to Lord Huo Lingxing's words, David's scalp felt a little numb. In the eyes of Lord Huo Lingxing, the Balrog was nothing. David didn't know how powerful his enemies would be in the future!

"Senior, what caused this war between gods and demons? So many monks were killed and injured, and several demons were suppressed."

"Did you also fall into this battlefield of gods and demons, leaving behind this remnant soul? "

David wants to know something about the battle between gods and demons from Lord Huo Lingxing!

"Fart, how could I fall on this small battlefield? I just came to this world to stop the battle and leave this legacy. That's all.

"As a descendant of the Golden Dragon lineage, why are you so short-sighted? " This world of heaven and earth is just a low-level plane. Even the war between gods and demons back then was just a fight between low-class guys. "

Whether it's immortals, demons, orcs, including your dragons are also involved. The world of heaven and humans is in chaos, and all living beings are in ruins. I'm here to stop it." "

“If someone like me came to fight in the Heaven and Human Realm, I’m afraid you would no longer be able to see the existence of the Heaven and Human Realm, and the Heaven and Human Realm would have collapsed long ago. “

“The war between gods and demons caused the collapse of more than 3,000 planes and worlds. Even hundreds of worlds in the heavens fell apart and completely disappeared in the long river of history. “

As for the cause of the war between gods and demons, it is still a mystery...”

Lord Huo Lingxing said!

Lord Huo Lingxing’s words deeply shocked David, because at this moment, David suddenly felt like a frog at the bottom of a well!

When he met several big demons at first, he thought they were at the top! But now it seems that these big demons are considered leaders in the world of gods and humans, but in other planes and other worlds, maybe Nothing counts!

David was silent. He worked so hard in the world of heaven and man, practicing hard, wanting to get ahead in the world of heaven and man, without fear!

But now he has not reached the point where he can walk sideways in the world of heaven and man. I discovered that the world of heaven and earth is actually just a small, low-level world!

There are countless worlds outside the world of heaven and earth...

It’s like in a school, a student who studies well is studying hard and wants to He wants to get the first place in the whole school!

In his eyes, the first place in the school is the most awesome one!

Chapter 3472

But suddenly one day, someone tells you that there are countless schools outside of this school, and any student there can beat this school to the top in an instant!

This kind of psychological blow was hard for David to accept!

“Isn’t it enough to practice hard and become an immortal?”

David murmured to himself!

David’s goal is to ascend to immortality and find his father!

“Ascending to become an immortal?” Lord Huo Lingxing suddenly laughed, “Hahaha... Do you know that in the immortal world, ascended immortals are the lowest existence, and you have to know that the immortal world is just a world in the entire heaven.”

” The entire heaven is divided into thirty-six heavens, and each heaven has countless worlds. You can imagine, what is the heaven and human world, and what are the immortals?” Chen Ping said nothing, his

expression becoming very dignified!

Seeing David like that, Lord Huo Lingxing smiled again and said, “You don’t have to be discouraged. Even if there are thousands of worlds, there are very few talented people like you.” “

As long as you don’t give up, if you practice well, you will definitely achieve great things in the future. Don’t forget me when the time comes. I will be considered half of your master.” “

Although the inheritance I left behind is only a simple immortal method, it is enough for you now. “

Lord Huo Lingxing was probably afraid that David would be hit and become depressed, so he comforted David!

“Thank you, senior!” David nodded, his eyes filled with determination again.

“Senior, have you sealed all these battlefields of gods and demons? Several battlefields of gods and demons in the entire heaven and human world have been sealed.”

David asked!

The battlefield of gods and demons has been sealed, and ordinary people cannot easily enter the battlefield of gods and demons!

Lord Huo Lingxing nodded, “Yes, back then, during the melee between various tribes, millions of monks of all kinds were killed. The magical weapons and magic weapons left behind, and various treasures were even more numerous.” “There are countless.”

If it were not sealed, the world of heaven and humans would have turned into a barbaric land. Although these treasures are good, they are also things that captivate the mind and make people kill each other.”

Senior, since this is the battlefield of gods and demons that you sealed, there is something I want to ask senior...”

David said, and actually took out the clock!

Because David tried it many times, and the clock failed. It had no effect, but David knew that the clock must be some kind of time magic weapon, but he couldn't activate it! It

was used by the spirit beast egg during the crisis!

Just when David took out the clock, the Fire Spirit Star Jun didn't even look at it. Instead, he stared at David's storage ring!

David said with a puzzled face, “Senior, this is a storage ring. Do you like it very much?” “If you like it, I can give it to you...”

David thought Lord Huo Lingxing liked his storage ring!

“Shit, what do I want with your crappy thing? If I want to store things, I can build a storage ring myself. The world of things is like that, if you still wear a magic storage device, you will be laughed out of your mouth. Lord

Huo Lingxing said disdainfully!

“Then why are seniors staring at my storage ring?” “David said puzzled.

“I’m looking at the little animal in your storage ring. Take it out and let me take a closer look...”

Mr. Huo Lingxing wants to see David’s little unicorn!

When David heard this , hurriedly took out the little Qilin beast and said, “Senior, this is the spirit beast egg I got from this battlefield of gods and demons. A little Qilin beast hatched out, but it’s just too small to ride...”

Huo Lingxing Jun’s eyes were fixed on the little Qilin beast, and it took him a long time before he said, “You...are you sure you picked it up from the battlefield between gods and demons?” “

Yes, it was an egg at that time. It had just absorbed the fairy liquid and hatched out. Unexpectedly, it was a little Qilin beast.” “

David nodded and said!

Chapter 3473

“Qilin, where is the Qilin beast? This is called the Sky-Swallowing Beast, and it is the mount of the Red Cloud Demon Lord of the Ninth Layer.”

Fire Star Lord said in shock!

“Is this a demon mount? Isn’t it a Qilin beast? What is the Sky-Swallowing Beast?”

David’s face was full of confusion!

“The Sky-Swallowing Beast is a ferocious beast that is extremely difficult to raise. I heard it was born from the mating of Qilin and Taotie, but I don’t know for sure.” “

But how could this Sky-Swallowing Beast lay eggs in this battlefield of gods and demons? Then It’s impossible for Demon Lord Chiyun to come here?”

“It’s weird, it’s really weird...”

Lord Huo Lingxing looked confused!

When David heard this, no wonder this little guy looked so similar to the Qilin Beast. It turned out to be a hybrid! *M.VODTW.LA* But

whether it’s a Qilin Beast or a Sky-Swallowing Beast, David spent a lot of effort before it hatched and recognized its master, so just keep it slowly!

Putting the little sky-swallowing beast back into the storage ring, David asked Huo Lingxingjun, “Senior, is my clock a time magic weapon? Is it very powerful?” At

this time, Huolingxingjun took a look. David held the clock in his hand and said with disdain, “This is a time magic weapon, but it should have been damaged. Your current strength is just right for use.” “

But I’m afraid this thing won’t be used many times. It’s useful for you now, but you won’t need it when you ascend to immortality.”

Upon hearing this, David hurriedly continued to ask, “Senior, can you leave it to me, how to activate this magic weapon?”

“I’m here to teach you. As a person who has inherited immortal magic, you really treat me as your master and teach me everything.”

Lord Huo Lingxing glared at David, and with a wave of his hand, a ray of light entered David’s sea of consciousness!

“Senior, what is this... what is the name of this immortal magic?”

David asked, feeling the immortal magic in the sea of consciousness!

“This is the fire-bending step. After you perfect it, you can travel a hundred miles away in one step. If you encounter an enemy that you can’t defeat, you can use the fire-bending step to escape.”

Huo LingXingjun said!

“Ah? The inheritance of escape?” David was speechless for a while. “I know the Wind Step, and I can run very fast...” “

You know what the heck, the Wind Step increases your speed, it just increases your running frequency. And my fire-bending step can control space, shrink the ground to an inch, and move a hundred miles in one step.”

“I taught you the skills, but you still pick and choose the ones who are good and the thin ones, so I won’t teach you anymore...”

Lord Huo Lingxing finished speaking, and his figure suddenly disappeared. Got it!

“Senior, senior...”

David shouted, but there was still the shadow of Lord Fire Star there!

David saw that he was still in the bronze cauldron. The inner wall of the bronze cauldron was extremely smooth, and there were no skills engraved on it at all!

“Damn, is this a dream?”

David climbed out of the bronze tripod, his eyes full of confusion!

But when David’s consciousness entered the sea of consciousness and found that the fire-bending step was in his sea of consciousness, he realized this time that it was not a dream at all!

“This old man has quite a bad temper...”

David was speechless for a while, this Lord Huo Lingxing was actually being petty!

David walked around the hall again, and after discovering that there were no other hidden treasures, he quietly looked outside the hall to observe!

David was afraid that Qi Peijia was still outside. In that case, if he went out rashly, wouldn’t it be like a sheep entering a tiger’s mouth!

After peeking for a while, he found that Qi Peijia was not outside. Then David used his spiritual sense to check it out before he dared to walk out of the hall!

Just after David stepped out of the hall, the hall suddenly disappeared, as if it had never existed!

“Master...”

At this moment, Huofeng and the others rushed up from halfway up the mountain!

“Why did you come up here?” David asked!

“We saw that guy named Qi Peijia leaving, so we ran up because we were afraid you were in danger. Are you okay?”

Huofeng asked worriedly!
