Chapter 3486

“Okay, don’t copy it anymore. Let this kid hand over the God King’s Bow. I will hold it in my hand. No one will fight.”

At this time, the Thousand-faced Demon King spoke!

After the Thousand-Faced Demon King spoke, the Lion King and others looked at each other, but did not say a word!

David looked at the four guys, obviously heading towards his Divine King Gong. He just took action to save himself, and it was also for the Divine King Gong!

“Boy, give me the God King Bow. Since you have some relationship with Bai Qian, we can protect your safety.”

Qian The Face Demon King said to David!

Qi Peijia on the side frowned slightly, but he did not dare to say anything at this time!

I could only pray secretly in my heart, praying that David would be reluctant to hand over the God King Bow, and then let them fight!

Then he can sit on the mountain and watch the tigers fight, and maybe he can even benefit from it!

David looked at the four people who were eyeing him, and then at the Thousand-faced Demon King who was bound to win. He held the God King’s Bow tightly in both hands and said, “This God King’s Bow is mine, why should I give it to you?” You?”

Thousand-faced Demon King was stunned. He had never thought that David, a young monk at the first level of Tribulation Realm, would dare to speak like this when facing the four of them!

“Boy, do you want to die? Hand over the God King Bow and you can live.”

“Are you risking your life for this God King Bow? Don’t you want them all?”

The Lion King asked David very puzzledly!

The God King’s Bow is indeed very powerful and a powerful weapon, but if you don’t have any lives, what do you do with the weapon?

“Boy, you are just saying nonsense. Believe it or not, I will shoot you to death. If you die, this God King Bow will also belong to us.”

Leopard King Waiting for his eyes to scare David!

Only the Monkey King said nothing, because he was the only one who knew that David followed Huo Feng!

But the Fire Phoenix and the Fox Princess are not here now, so there is no need to be afraid!

“If you have the ability, come and grab it yourself. You want me to give you the God King’s Bow, but there is no way. I destroyed the God King’s Bow, so I can’t give it to you.”

“Even if I give it to you, will you use it? Can you pull it?” David held the God King’s bow tightly and said! “You brat, you are looking for death...” The Lion King and Leopard King were furious at the same time, and the terrifying seventh-level aura of the Tribulation Realm enveloped David.

stand up! After fighting with Qi Peijia for a long time, David was already very weak. Now that he was being pressured by the Lion King and Leopard King at the same time, David’s body simply couldn’t bear it! I saw David bending his body and kneeling heavily on one knee, directly making a deep hole in the ground! Thousand-faced Demon King had a cold face.

He did not expect that David would fall out with them for the God King Gong! Seeing this scene, Qi Peijia secretly breathed a sigh of relief. Since David was seeking death himself,

there was no need for him to do anything! Although Qi Peijia, the god-king bow, could not get it, Qi Peijia was happy when David died! As for the God King’s Bow, Qi Peijia is bound to get it.

After leaving the battlefield of gods and demons, he can continue to practice in the Demon Swallowing Cave! He believes that it won't take long before he can easily deal with the Lion King and others. By then, the God King's Bow will not be at his fingertips! Now Qi Peijia is waiting for David to be killed, so he can leave with peace of mind!

At this time, David was kneeling on one knee, gritting his teeth! David knew that he was no match for these four people, and he also knew that as long as he was hit lightly by the opponent, he would be killed.

However, there was no fear in David's eyes. ! The Thousand-Faced Demon King looked at David and saw that David had a stubborn donkey-like temperament, so he reached out and slapped David. "My strength is not high and I have a bad temper. I will suffer a loss. Is it worth risking my life for the God King's Bow?" Thousand-faced Demon King David will be killed!

Chapter 3487

But just when the Thousand-Faced Demon King was attacking David, a breath suddenly came quickly and went straight to the Thousand-Faced Demon King's face!

"Thousand-faced Demon King, you dare to kill my man, are you not taking me seriously?"

Bai Qian came with an angry voice, and the clothes on his body The aura exploded to the extreme!

The Thousand-Faced Demon King frowned and retreated quickly. Even the Lion King and Leopard King also retreated to both sides. The pressure on David disappeared instantly!

"Fox Princess, are you fucking crazy, for a little man?"

"I wonder if you are interested in the god in his hand?" Wang Gong, do you want to take the God King's Bow as your own?"

“You never told us at all, you must want to take the God King’s Bow for yourself!”

The Lion King and Leopard King shouted angrily at Bai Qian!

The Thousand-faced Demon King also said with a gloomy face, “Daughter Fox Princess, you have gone too far. You want to monopolize this god-king bow. Do you take us seriously?”

Bai Qian was also a little confused at the moment. She was with David just for David’s bloodline and to make her own bloodline nobler!

Why is God King Bow? These guys are just slanderers!

But before Bai Qian could say anything, Huo Feng arrived belatedly, his face full of anger!

After taking a look at the pale David, Huofeng’s eyes were filled with distress, and he stepped forward to help David up.

“Master, are you okay?”

Huofeng asked!

“It’s okay.” David shook his head!

Seeing that David was fine, Huo Feng glanced at the four Lion Kings with a kind of majesty from a superior!

Feeling the fire phoenix’s eyes, the four lion kings actually started to dodge, not daring to look directly at the fire phoenix!

It’s like a mouse meets a cat!

Even though Huofeng is only in the Fusion Realm now, and compared with them, the realm is far different, but these four guys don’t dare to look down upon it at all!

“You want to kill my master?”

Huofeng asked coldly!

None of the four people dared to speak, and the Monkey King kept hiding behind others!

“Monkey...”

Fire Phoenix shouted!

The Monkey King was so frightened that he trembled, “Auntie, I...I didn’t do anything, I didn’t move, I didn’t say anything...”

The Monkey King picked himself clean because he was the only one who knew about the relationship between Huo Feng and David!

When the Lion King and others heard what the Monkey King said, they immediately looked at the Monkey King angrily!

No wonder the Monkey King didn’t do anything or say anything just now. It turns out that he already knew about the relationship between David and Huo Feng!

“Don’t think that now that I have been demoted and my level is low, I can be bullied.”

“Don’t forget your abilities. Who inspired me? If it wasn’t me, how could you guys still want to be among the Three Sovereigns and Four Kings, and have a place in the world of gods and humans?”

Huofeng scolded the Lion King and others like an adult scolding a child, but no one dared to speak!

David couldn’t help but be speechless when he saw this scene. He also didn’t expect that Huo Feng was so powerful in the heaven and human world before!

If we can find a chance to restore the strength of the fire phoenix, then David will probably be able to walk sideways in the world of heaven and humanity!

When Qi Peijia, who was not far away, saw the approaching fire phoenix, his heart suddenly went cold!

He also did not expect that Huo Feng would become familiar with David, and David would actually be Huo Feng’s master!

If this happens, the Lion King and others may not dare to take action against David anymore!

“Fire Phoenix, I...we really don't know. I don't want the God King's bow anymore. I can't pull it anyway!”

Thousand-faced Demon King's Eyes At most, hurry up and apologize with Huo Feng!

The reason why they have achieved what they have now is all due to the enlightenment of the fire phoenix. Although they are only the beast tribe, the beast tribe cannot be without conscience!

“I don't want it anymore, it's useless for me!”

The Leopard King also hurriedly expressed his stance!

Chapter 3488

Only the Lion King's eyes were full of reluctance, and he stared blankly at the God King's Bow in David's hand!

But now he doesn't want them all. He himself may not be able to get the God King's Bow at all!

“Lion Head, I think you are still a little unconvinced, do you still want to fight with my master?”

Huofeng frowned and looked at the lion Wang asked!

“No, no, no, I don't want the God King's bow anymore. If it weren't for you, I would have died at the mouth of the old Lion King. Where would I have it? Today's achievement.”

The Lion King quickly shook his head and said!

“Auntie, we actually saved your master just now. The guy wanted to kill him, so we helped your master stop it.”

Monkey King Pointing at Qi Peijia, he said!

“Yes, yes, this guy wants to kill your master, we are here to help!”

The Leopard King also said quickly!

In fact, even if they didn't say it, Huo Feng also knew that Qi Peijia wanted to kill David!

Now that the Lion King and others are here, Huo Feng is no longer afraid of the armor, so he snorted coldly, “You want to kill my master, I think you are tired of living...”

They were afraid that Qi Peijia was chasing after him! After Lion King and others left, David and the others did not dare to stay too long and left quickly! When the others saw this, they also ran away,

fearing that Huofeng would get angry and slap them both! The Monkey King followed the fire phoenix and said, turned around and ran away! “Auntie, we have to look elsewhere to see if there are any treasures. Let's go first...”

Huofeng cursed! “Damn it, you can run fast...” Facing five seventh-level monks in the Tribulation Realm, plus David, no matter how stupid Qi Peijia is, he will not take action against David! When the black fog dissipated, Qi Peijia's figure had long since disappeared! Before Huofeng finished speaking, Qi Peijia waved his palms, and black mist instantly enveloped his body!

“Give me.....”

But just after David and the others left, two figures appeared!

“Ancestor, what should we do?”

Ning Caichen asked Ning Zhi!

A lot of people came from the Ning family, and now they are the only two left, and they haven't found any treasures yet!

This is really a waste of troops and generals, and nothing has been achieved!

Finally got an immortal magic, but David asked for it back!

“Let's go after Qi Peijia, I'm optimistic about this guy...”

Ning Zhi is going to chase Qi Peijia!

“Ancestor, he is a demon cultivator, we...”

Ning Caichen wanted to say something, but before he could finish, he felt the coldness of Ning Zhi. With his eyes, he swallowed his words again!

Ning Zhi took Ning Caichen to find Qi Peijia!

Now David no longer trusts the Ning family, and David seems to have doubts about his identity, so Ning Zhi cannot get close to David and can only find ways to contact other people. people!

Qi Peijia is now the best partner Ning Zhi has found. After all, Qi Peijia is a casual cultivator. Even if Qi Peijia is powerful, he still wants to have his own power!

In addition, Qi Peijia used to be at a very low level and was often bullied. However, he suddenly got an opportunity and his strength increased by leaps and bounds. Although this kind of person is very powerful, he has no brains and is easy to deceive!

And the most important point is that Qi Peijia has a grudge against David and has always wanted to kill David!

This is the most important point for Ning Zhi. Ning Zhi's biggest wish now is to kill David!

However, Ning Zhi's current strength is not enough to kill David. Even the entire Ning family's power cannot defeat David. After all, the Ning family's power is too small!

And now there are many helpers around David, especially the fire phoenix, who is not high-level but has a wide network of contacts in the world of gods and humans!

Everyone in the Three Sovereigns and Four Kings is being called around, which makes Ning Zhi even more need to rely on the power of others!

It's just that the Ning family is not well-known in the Southern Territory at all, so it is almost impossible to take advantage of the powerful family clan, so he can only find casual cultivators like Qi Peijia!

Chapter 3489

“David, when I catch you, I will cut you into pieces!”

Qi Peijia, who escaped, roared with anger!

Qi Peijia has never been so cowardly since he got the chance!

He couldn't even kill a young monk who was in the first level of the Tribulation Realm, and he was so frightened that he ran away twice!

Shame, a great shame!

Qi Peijia no longer wants to stay in the battlefield between gods and demons. He wants to return to the Demon Swallowing Cave as soon as possible to improve his cultivation!

Now David is protected by many seventh-level monks who are in the Tribulation Realm, and Qi Peijia himself is no match at all!

Just as Qi Peijia roared, two figures were approaching quickly!

“Who is it?”

Qi Peijia frowned. He thought David and his men were chasing him!

“Master Qi...”

At this time, Ning Zhi and Ning Caichen hurried forward!

Qi Peijia looked at Ning Zhi and Ning Caichen and found that he did not recognize them, so he asked warily, “Who are you?”

“Master Qi, I am the ancestor of the Ning family in the Northern Territory, and this is the head of the Ning family.”

Ning Zhi quickly introduced himself!

“The Ning family in the Northern Territory?”

Qi Peijia frowned and said, "I don't know them, and I have never heard of them."

The Ning family didn't have much fame to begin with, not to mention that they were still in the Northern Territory. It was normal for Qi Peijia to have never heard of it!

"Young Master Qi is a great figure among men. It is normal for a small family like ours to have never heard of him."

Ning Zhi praised Qi Peijia!

When Qi Peijia heard this, he was very pleased, so he relaxed his guard and said, "What do you two want from me?"

"Mr. Qi, we know you want to kill him. David, to be honest, we also have some troubles with David, so we want to join forces with Mr. Qi."

Ning Zhi said!

Qi Peijia glanced at Ning Zhi and Ning Caichen coldly, snorted coldly and said, "No, I can kill that David myself, I don't need to follow you Cooperation. "

"Of course I know that Mr. Qi can kill David. That David is only a first-level master of calamity. Mr. Qi is indeed a great monk of the eighth level of calamity. He can do it with one finger. That David was crushed to death. "

"However, David has many helpers around him, and there are also many seventh-level monks of the Tribulation Realm guarding him, so Mr. Qi wants to kill David. Very easy thing. "

"And what happened after Mr. Qi killed David? Don't you want to occupy a place in the entire Southern Territory? Do you still want to be a casual cultivator, don't you want to have your own power? "

This guy Ning Zhi is very good at figuring things out, and he immediately spoke to Qi Peijia's heart!

Qi Peijia used to be a casual cultivator, and he suffered a lot of humiliation. He was forced into the Demon-Swallowing Cave by Jin Dong!

If it weren't for entering the Demon-Swallowing Cave, Qi Peijia would not have had the adventure!

“Could it be that with you? By cooperating, can I have my own power? You are just two people, and your Ning family is in the Northern Territory, so how could you come to the Southern Territory to develop. “

Qi Peijia asked in confusion!

“Master Qi, as long as we cooperate, I have a way to let you have your own power, and I also have a way to let you have your own power. Then David became the target of public criticism and was hunted down by several major families! “

Ning Zhi said confidently!

“What can you do? “

Qi Peijia asked curiously!

Ning Zhi put his head to Qi Peijia’s ear, and then whispered a few words, which made Qi Peijia laugh!

“Hahaha, this is such a good idea, it’s really like the snipe and the clam competing for the fishermen’s benefit! “

Qi Peijia laughed loudly!

Seeing Qi Peijia’s laughing look, Ning Zhi raised the corner of his mouth slightly and was very proud!

Ning Caichen stood aside, not daring to breathe. Now that the ancestor is cooperating with the demon cultivator, he, as the head of the family, can’t stop him!

Now Ning Caichen just wants to kill After marrying David, stop cooperating with Qi Peijia!

You must not let other families in the Northern Territory know, otherwise their Ning Zhi will lose their status even more.

## Chapter 3490

David, Huo Feng and Bai Qian found the entrance and exit of the battlefield of gods and demons, and then left the battlefield of gods and demons!

As for when the battlefield of gods and demons will be closed, David doesn't care anymore. He got the sky-swallowing beast, which already made David very happy!

As well as the fire-bending steps and breath-taking techniques, as long as you study hard, you will definitely become more and more sophisticated!

This is a real fairy magic!

After David and the three of them left the battlefield of gods and demons, they found that many people gathered at the entrance outside the battlefield of gods and demons, waiting for their own people to come out!

"Mr. Chen..."

Seeing David coming out, Ji Yun quickly shouted loudly!

Ever since Ji Yun came out early with Luo Xi, he has not left here and has been waiting for David!

Now seeing David coming out, Ji Yun's face was full of excitement!

"Mr. Chen, I'm relieved that you are safe and sound!"

Sheng Bushi and others also came out. They had been worried about David, and now they saw David got rid of Qi Peijia and came out, and he breathed a sigh of relief!

If David had his shortcomings, Sheng Bushi would probably feel very guilty!

"Mr. Chen..."

Luo Shouhai, Luo Xi, Jin Dong and others also stepped forward and greeted David!

"Mr. Chen, thank you for taking care of my little girl in the battlefield of gods and demons. After she came out, she told me that if it weren't for Mr. Chen, my little girl would have died long ago! "

“From now on, as long as Mr. Chen says a word, I, Blood Spirit Valley, will have nothing to say...”

Luo Shouhai expressed his stance in front of David!

“You’re welcome, Valley Master Luo. Since you entrust Miss Luo’s safety to me, of course I will be responsible.”

“It’s just that the battlefield between gods and demons is too Due to the danger, Miss Luo failed to experience it, but this time I also gained something in the battlefield of gods and demons, and I will share some things with you in the Blood Spirit Valley.”

David said!

“No, no, Mr. Chen has saved my daughter twice, how dare I ask for Mr. Chen’s things.”

Luo Shouhai waved his hands repeatedly!

David saw Luo Shouhai sincerely, I really don’t want something, so I’m not insisting!

Now that David has the Sky-Swallowing Beast, it is estimated that the consumption of resources will be even greater in the future!

David himself needs a lot of resources, and now with a sky-swallowing beast, it will be even more!

“Master Luo Valley, why don’t you see the Demon Mountain Ghost Elder?”

David was a little curious, why the Demon Mountain Ghost Elder is not there!

“Gui Lao is at the critical moment of breakthrough, so he can’t wait here. He has already told me that if Mr. Chen comes out of the battlefield of gods and demons, he must not leave Tianmo Mountain. Gui Lao I also want to communicate more with Mr. Chen!”

Luo Shouhai said!

When David heard this, he nodded. He had no intention of leaving Tianmo Mountain, and David still had some unfinished things in Tianmo Mountain!

Qi Peijia chased David several times and made David so embarrassed. David would not let him go easily!

There is also the Demon-Swallowing Cave, David also wants to see it!

Now that Boss Cai, Mr. Miao and others have left, David doesn't have to worry about anything and can stay in Tianmo Mountain for a little longer!

“Mr. Chen, we are leaving too. This is my Sheng family token. Mr. Chen has time and hopes to be a guest at my Sheng family so that I can entertain Mr. Chen well. .”

Sheng Bushi said to David very sincerely!

“Master Sheng, you are so polite. I will definitely go when I have time!” David smiled lightly!

“Mr. Chen, don't forget, you must go...”

With a smile on her face, Sheng Jiahui winked at Mr. Chen and said!

It can be seen that Sheng Jiahui's eyes are full of admiration, just like a little girl who has met her idol!

David smiled and nodded!

Everyone in the Sheng family left, and Sheng Jiahui even took three steps to look back!

“Master, I think this little girl is attracted to you. It won't be long before you have another woman to warm your bed.”

Fire Feng Xi said to David with a smile!

“Shut up!” David looked embarrassed!

After all, it is so embarrassing to say such things in front of Luo Shouhai and others!
